

ABA Endorses NCR SelfServ ATMs and Branch Transformation Solutions

September 12, 2012 at 10:00 AM EDT

Global leader in ATM technology to bring hardware, software and services offers to further market leadership in U.S.

WASHINGTON--(BUSINESS WIRE)--Sep. 12, 2012-- The [American Bankers Association](#) (ABA) today endorsed the ATM and branch transformation solutions of [NCR Corporation](#) (NYSE: NCR). ABA members asked for due diligence assistance regarding the future of ATMs, and ABA's research found that NCR's ATM and branch transformation solutions enable banks to reduce costs, improve efficiency and grow their business while providing convenience and an unrivaled self-service experience for their customers. This endorsement is made through ABA's affiliate, the Corporation for American Banking.

NCR has led the world in ATM deployments for 25 consecutive years and also is the number one provider of ATMs to financial institutions in the United States. Through its endorsement, the ABA will offer its member institutions preferential pricing on NCR ATM hardware, software maintenance and managed services.

"For more than a century, American businesses have turned to NCR to re-think the way they interact and transact with their customers. NCR has always been a pioneer in technology and they have continued to innovate around their world-class ATM experience to bring new, consumer-friendly approaches to self-service banking," said Frank Keating, ABA president and CEO. "We have great confidence in the power of NCR's technology and its commitment to customer service, and are pleased to include NCR as an ABA endorsed solution provider for our members."

"NCR has seen tremendous growth in financial services in the U.S. over the past several years, as financial institutions of all sizes have turned to our self-service solutions to deliver operational efficiencies and help their customers save time," said Michael O'Laughlin, senior vice president, NCR Financial Services. "We are honored that the ABA would recognize our ATM and Branch Transformation solutions with their endorsement, and we are pleased to bring new offers to ABA members to help them deliver these innovative solutions to the marketplace."
