*Software supplier to many of the world's most prestigious retailers scores top rankings in 26 categories*

DULUTH, Ga.--(BUSINESS WIRE)--Dec. 10, 2014-- [NCR Corporation](#) (NYSE: NCR), the global leader in consumer transaction technologies, announced today its subsidiary, Cornell-Mayo, once again ranked first in more categories than any of its competitors in [RIS News'](#) annual Software Leaderboard. This yearly ranking is considered the industry's most influential guide to the top retail technology software companies.

Among the categories where NCR's Cornell-Mayo came out on top:

- Top Vendors in Customer Satisfaction
- Leaders in Overall Performance
- Leaders in Return on Investment
- Leaders in Software Reliability
- Leaders in Quality of Service
- Leaders in Recommendation

"NCR's Cornell-Mayo group continues to deliver the world's most elite retailers the type of software, service and guidance they need to retain their leadership in the marketplace," says Adam Blake, VP of Product Management for NCR's Retail Solutions Division. "It's an honor and a testament to our colleagues that they continue to deliver such an exemplary level of service and commitment, year after year. Of course it wouldn't be possible without the valued collaboration with the best retailers in the world."
