October 21, 2015 at 8:00 AM EDT

DULUTH, Ga.--(BUSINESS WIRE)--Oct. 21, 2015-- Chris Poelma, president and general manager of NCR Small Business, will speak at *Mobility LIVE! 2015*, an event that brings together key thought leaders in the mobile technology industry.

The event, hosted by the Metro Atlanta Chamber, will provide attendees with insight into mobile technology standards, strategies and innovations. Poelma's session will be from 3:15 p.m. to 4:00 p.m. on Oct. 28 at the Georgia World Congress Center. The session, entitled *Paid in Full in Your Pocket: mPayments – Nascent or Natural*, will focus on the disruption in payment options and how retailers can adapt to satisfy consumer demand.

Within the past year, NCR Small Business has integrated a variety of alternative payment options with its tablet point-of-sale (POS) solution, NCR Silver®. Apple Pay™, Bitcoin and LevelUp have all been added to the POS system to accommodate growing consumer demand for smarter, safer and more seamless ways to pay.

"We are experiencing a fundamental shift in the payments landscape," said Poelma. "As consumers are increasingly adopting mobile wallets, retailers have to adapt to keep up, or they run the risk of losing business. I'm looking forward to providing clarity and insight around the need for, and accessibility of, mobile payment acceptance."
