*Second year in a row NCR is named to prestigious list*

DULUTH, Ga.--(BUSINESS WIRE)--Mar. 30, 2016-- [NCR Corporation](#) (NYSE: NCR), the global leader in consumer transaction technologies, has been named by Forbes magazine as one of America's best employers for 2016. This is the second year in a row that NCR has been recognized by this highly respected business publication and named to their list of best employers in the U.S.

Forbes surveyed more than 30,000 American employees working at large companies and institutions. Employees were asked a series of questions, including how likely they were to recommend their employer to someone else.

"This honor recognizes the dynamic and innovative culture our employees have created and the impact it is having on everyone who interacts with NCR around the world," said Chairman, President and CEO Bill Nuti. "NCR has become one of the 100 largest software companies and a leader in every market we serve because of our employees and their dedication to our customers' success, innovation and performance. I am truly inspired by the pride our employees have in our company and the future we are building together."

In 2015, NCR was named the seventh most reputable company in technology by the Reputation Institute and Mr. Nuti was named one of the Most Admired CEOs in Atlanta. Earlier this year, NCR was recognized by WorldatWork with the 2016 Seal of Distinction for creating a workplace culture that supports work-life balance and for being an employer of choice.
