

## **NCR Creates History with its 100,000th ATM Installation in India at the SBI Branch**

September 27, 2016 at 8:00 AM EDT

*Completes 20 successful years of service in India helping financial institutions to improve operational efficiency powered by innovative technologies to deliver next generation of customer interactions*

MUMBAI, India--(BUSINESS WIRE)--Sep. 27, 2016-- [NCR Corporation \(NYSE: NCR\)](#), the global leader in omni-channel solutions, today announced that it is now the first financial technology company to achieve the milestone of installing 100,000 ATM machines in India. The 100,000th NCR ATM is located at State Bank of India's (SBI) branch at Nariman Point in Mumbai.

NCR continues to stay committed to India with service and support centers in over 260 locations, covering about 4,500 contact points in India alone. With its team of over 3,500 professionals NCR continues to transform into a "hardware-enabled, software-driven" business.

"It is a moment of great pride for us to celebrate 20 successful years of business in India and mark the occasion with the installation of our 100,000th ATM machine. We have been privileged to be associated with all leading banks in India and look forward to continue delivering value to financial institutions for many more years," said Navroze Dastur, country manager, NCR India. "Today, NCR has nearly 50% of the market share of all ATMs installed in India. We consistently strive to make banking and financial operations smoother and efficient through innovation; thus living our credo of Everyday Made Easier."

NCR India has played a significant role focused around driving innovations led by innovative software solutions and our CxBanking portfolio, leads our bank customers to value - which can be delivered through technology. NCR's omni-channel solutions empower banks to unlock amazing consumer experiences and grow efficiently.

Added Navroze, "NCR is investing in best-in-class technologies by customizing solutions to meet requirements of financial institutions in line with the government's 'Make in India' vision backed by our state-of-the-art manufacturing facility in Chennai, R&D Centre in Hyderabad and a Development Centre in Gurgaon." "NCR is uniquely positioned at the intersection of omni-channel" and "omni-commerce" to lead how the world connects, interacts and transacts with business."
