NCR Silver Pro Restaurant Edition helps franchisees reduce monthly costs, simplify online ordering

DULUTH, Ga.--(BUSINESS WIRE)--Oct. 17, 2016-- When the [Which Wich](#) technology team decided its quick service franchises needed an easy-to-use, cloud-based point-of-sale (POS) solution, it turned to NCR Small Business.

The mobile POS system from NCR, a global leader in omni-channel solutions, offers the company's franchisees a simple implementation process and powerful functionality at a lower cost. NCR Silver Pro Restaurant Edition's flexibility and mobile ordering capabilities also stood out to the team.

"NCR has a long history in the restaurant industry and experience in the franchise business," said Jeff Bruton, vice president of finance at Which Wich. "We selected the Silver solution to help streamline operations and deliver a better customer experience throughout our franchises."

With NCR Silver Pro Restaurant Edition as a POS solution, franchisees incur less startup and monthly costs. The iPad® system also simplifies implementation and employee training.

"NCR Small Business works to remove the day-to-day complexities franchisees face when working to deliver mobile solutions and improve the omni-channel experience for customers," said Chris Poelma, president and general manager of NCR Small Business. "Working with Which Wich proves our commitment to the franchise community and helping them increase margins and enhance customer loyalty."

To learn more about NCR Silver's features, visit www.ncrsilver.com, or call 1-877-630-9711. NCR Small Business provides live, 24/7 U.S.-based customer support for NCR Silver users. NCR Silver mobile POS runs in the cloud, uses consumer-friendly technology, works on Apple® devices running the latest iOS, and offers a POS solution catered to franchises as well.
