DULUTH, Ga.--(BUSINESS WIRE)--Mar. 8, 2017-- [NCR Corporation](#) (NYSE: NCR), a global leader in omni-channel solutions, is proud to have once again earned WorldatWork's Seal of Distinction, which recognizes companies across North America for their outstanding total rewards portfolio.

"Choosing a company to work for is a major decision for anyone. When an organization has the right benefits and policies in place that allows employees to excel professionally and ensures the personal wellbeing of them and their loved ones, you have a recipe for business success," said Andrea Ledford, NCR Executive Vice President of the Chief Administration Office and Chief Human Resources Officer. "At NCR, our total rewards benefits not only help us attract and retain the best talent and enhance our shareholder value, they ultimately help enrich our incredible employee experience."

Selection is based on programs and policies around health and wellness, time off, pay, bonus, incentives, performance management, recognition, workplace flexibility, culture, community involvement and more.

"This year, we saw the highest number of applicants since the Seal of Distinction was created. I'm confident that this means an increasing number of companies are recognizing the importance of a workplace environment that benefits both the employer and employee," stated Anne C. Ruddy, president and CEO of WorldatWork, a nonprofit HR association and compensation authority.
