

## **Gap Inc. Selects NCR Data Warehouse Solution**

July 21, 2000 at 10:32 AM EDT

DAYTON, Ohio, July 21 /PRNewswire/ -- Leading retailer Gap Inc. (NYSE: GPS) has selected NCR Corporation's (NYSE: NCR) advanced Teradata(R) Warehouse solution to help it design and implement state-of-the-art business intelligence solutions for a broad range of critical merchandising applications.

The initial system consists of a multi-node NCR WorldMark(TM) platform, 2.7 terabytes of storage and a full complement of NCR implementation, consulting and support services. The system is expected to grow in size to five terabytes within twelve months as demand for more information, and the number of users, increase. A terabyte is the equivalent of 250 million pages of text.

### **About Gap Inc.**

The Gap sells casual apparel, shoes, and personal care items through more than 3,100 stores in Canada, France, Germany, Japan, the UK, and the US. Based in San Francisco, the clothing company operates retail outlets under the names Gap, GapKids, babyGap, GapBody, Banana Republic, and Old Navy. Gap Inc. employs more than 140,000 people worldwide with annual revenues topping \$ 11.6 billion.

### **About NCR Corporation**

NCR Corporation is a US\$6.2 billion leader in providing Relationship Technology(TM) solutions to customers worldwide in the retail, financial, communications, travel and transportation, and insurance markets. NCR's Relationship Technology solutions include privacy-enabled Teradata(R) warehouses and customer relationship management (CRM) applications, store automation and automated teller machines (ATMs). The company's business solutions are built on the foundation of its long-established industry knowledge and consulting expertise, value-adding software, global customer support services, a complete line of consumable and media products, and leading edge hardware technology. NCR employs 32,500 in 130 countries, and is a component stock of the Standard & Poor's 500 Index. More information about NCR and its solutions may be found at [www.ncr.com](http://www.ncr.com).
