

Kmart Installs 24,000 NCR Bar Code Scanners

January 5, 2001 at 10:35 AM EST

ATLANTA, Jan. 5 /PRNewswire/ -- NCR Corporation (NYSE: NCR) today announced that Kmart (NYSE: KM) has installed approximately 24,000 NCR bi-optic bar code scanners in 1,600 stores.

The Kmart order represents the largest order for NCR scanners to date.

"We're pleased that Kmart selected NCR scanners to help speed customer checkout," said Dan Bogan, vice president, Americas, for NCR's Retail Solutions Division. "NCR's bi-optic scanners, developed in consultation with our human factors engineers, lead the industry in reading bar codes on the first pass."

"This is just one example of Kmart's initiatives to improve customer satisfaction," said Michael Jones, Kmart divisional vice president of Store Systems, Super Kmart Systems and Solutions. "We are happy to be working with NCR to provide the best in customer service through the use of leading-edge technology."

According to a market study by Venture Development Corporation (VDC), NCR leads the world in stationary bar code scanner shipments.
