(a) On June 19, 2019, NCR Corporation, a Maryland corporation (“NCR” or the “Company”), filed Articles of Amendment and Restatement with the State Department of Assessments and Taxation of Maryland. The Articles of Amendment and Restatement revised Section 6.2 thereof to provide that, notwithstanding any provision of law requiring any action to be taken or approved by the affirmative vote of stockholders entitled to cast a greater number of votes, and except as may otherwise be specifically provided elsewhere in the Company’s charter or the Amended and Restated Bylaws of the Company, as amended and as may be amended from time to time, any such action shall be effective and valid if declared advisable by the Board of Directors of the Company and taken or approved by the affirmative vote of stockholders entitled to cast a majority of all the votes entitled to be cast on the matter. The requirement that the Board first declare the action advisable contained in the prior sentence is required by the Maryland General Corporation Law (the “MGCL”) for approval of charter amendments and other extraordinary transactions as described in the Definitive Proxy Statement filed by the Company with the Securities and Exchange Commission on March 15, 2019.

The Articles of Amendment and Restatement also indicate the current size and members of the Company’s Board of Directors, the number of authorized shares of Series A Convertible Preferred Stock, liquidation preference \$1,000 per share, and the Company’s notice address.

The foregoing description of the Articles of Amendment and Restatement is qualified in its entirety by reference to a copy of such Articles of Amendment and Restatement filed as Exhibit 3.1 to this Current Report on Form 8-K, which is incorporated by reference herein.

Section 6.5. The enumeration and definition of particular powers of the Board of Directors included in the foregoing shall in no way be limited or restricted by reference to or inference from the terms of any other clause of this or any other Article of the Charter of the Corporation, or construed as or deemed by inference or otherwise in any manner to exclude or limit any powers conferred upon the Board of Directors under the General Laws of the State of Maryland now or hereafter in force.

ARTICLE VII

Board of Directors

Section 7.1. (a) The Corporation shall have ten directors, which number may be increased or decreased from time to time in such lawful manner as the Bylaws of the Corporation shall provide, but shall never be less than the minimum number permitted by the General Laws of the State of Maryland, as now or hereafter in force.

(b) At the annual meeting of stockholders of the Corporation held in 2017, the successors to the directors whose terms expire at the annual meeting of stockholders in 2017 shall be elected to serve until the next annual meeting of stockholders and until their successors are duly elected and qualify; at the annual meeting of stockholders of the Corporation held in 2018, the successors to the directors whose terms expire at the annual meeting of stockholders in 2018 shall be elected to serve until the next annual meeting of stockholders and until their successors are duly elected and qualify; and beginning with the annual meeting of stockholders in 2019, all directors shall be elected to serve until the next annual meeting of stockholders and until their successors are duly elected and qualify.

(c) Except as provided by law with respect to directors elected by stockholders of a class or series, any director or the entire Board of Directors may be removed for cause, by the affirmative vote of the holders of not less than 80% of the voting power of all Voting Stock (as defined below) then outstanding, voting together as a single class. Subject to such removal, or the death, resignation or retirement of a director, a director shall hold office until the annual meeting of the stockholders for the year in which such director's term expires and until a successor shall be elected and qualified, except as provided in Section 7.1(d) hereof.

(d) Except as provided by law with respect to directors elected by stockholders of a class or series, a vacancy on the Board of Directors which results from the removal of a director may be filled by the affirmative vote of the holders of not less than 80% of the voting power of the then outstanding Voting Stock, voting together as a single class, and a vacancy which results from any such removal or from any other cause may be filled by a majority of the remaining directors, whether or not sufficient to constitute a quorum. Any director so elected by the Board of Directors shall hold office until the next annual meeting of stockholders and until his successor is elected and qualifies and any director so elected by the stockholders shall hold office for the remainder of the term of the removed director. (e) Except to the extent prohibited by law or limited by the Charter or the Bylaws, the Board of Directors shall have the power (which, to the extent exercised, shall be exclusive) to fix the number of directors and to establish the rules and procedures that govern the internal affairs of the Board of Directors and nominations for director, including without limitation the vote required for any action by the Board of Directors, and that from time to time shall affect the directors' power to manage the business and affairs of the Corporation and no Bylaw shall be adopted by the stockholders which shall modify the foregoing.

Section 7.2. Advance notice of stockholder nominations for the election of directors and of the proposal of business by stockholders shall be given in the manner provided in the Bylaws of the Corporation, as amended and in effect from time to time. Section 8.1. The Bylaws may contain any provision for the regulation and management of the affairs of the Corporation not inconsistent with law or the provisions of the Charter. Without limiting the foregoing, to the maximum extent permitted by the MGCL from time to time, the Corporation may in its Bylaws confer upon the Board of Directors powers and authorities in addition to those set forth in the Charter and in addition to those expressly conferred upon the Board of Directors by statute as long as such powers and authorities are not inconsistent with the provisions of the Charter.

Section 8.2. Except as provided in the Charter, the Bylaws may be altered or repealed and new Bylaws may be adopted (a) subject to Section 7.1(e), at any annual or special meeting of stockholders, by the affirmative vote of the holders of a majority of the voting power of all shares of the Corporation entitled to vote generally in the election of directors (the "Voting Stock") then outstanding, voting together as a single class; provided, however, that any proposed alteration or repeal of, or the adoption of any Bylaw inconsistent with, Sections 2, 8 or 11 of Article I of the Bylaws, with Section 1, 2 or 3 of Article II of the Bylaws, or Article X of the Bylaws or this sentence, by the stockholders shall require the affirmative vote of the holders of at least 80% of the voting power of all Voting Stock then outstanding, voting together as a single class; and provided, further, however, that in the case of any such stockholder action at a special meeting of stockholders, notice of the proposed alteration, repeal or adoption of the new Bylaw or Bylaws must be contained in the notice of such special meeting, or (b) by the affirmative vote of a majority of the total number of directors which the Corporation would have if there were no vacancies on the Board.

ARTICLE IX

Amendment of Charter

Section 9.1. The Corporation reserves the right to adopt, repeal, rescind, alter or otherwise amend in any respect any provision contained in this Charter, including but not limited to, any amendments changing the terms or contract rights of any class of its stock by classification, reclassification or otherwise, and all rights now or hereafter conferred on stockholders are granted subject to this reservation. Any amendment of the Charter shall

be valid and effective if such amendment shall have been authorized by the affirmative vote at a meeting of the stockholders duly called for such purpose of a majority of the total number of shares outstanding and entitled to vote thereon, except that the affirmative vote of the holders of at least 80% of the Voting Stock then outstanding, voting together as a single class, at a meeting of the stockholders duly called for such purpose shall be required to alter, amend, adopt any provision inconsistent with or repeal Article V, Article VII, Section 8.2 of Article VIII, or this Article IX of the Charter.

ARTICLE X

Limited Liability; Indemnification

To the fullest extent permitted by Maryland statutory or decisional law, as amended or interpreted, no director or officer of the Corporation shall be personally liable to the Corporation or its stockholders for money damages. No amendment of the Charter of the Corporation or repeal of any of its provisions shall limit or eliminate the benefits provided to directors and officers under this provision with respect to any act or omission which occurred prior to such amendment or repeal or with respect to any cause of action, suit or claim that, but for this Section 10.1 of this Article X, would accrue or arise, prior to such amendment or repeal.

The foregoing rights of indemnification shall not be exclusive of any other rights to which those seeking indemnification may be entitled. The Board of Directors may take such action as is necessary to carry out these indemnification provisions and is expressly empowered to adopt, approve and amend from time to time such bylaws, resolutions or contracts implementing such provisions or such further indemnification arrangements as may be permitted by law. No amendment of the Charter, or of any such bylaw, resolution or contract, or repeal of any of their provisions shall limit or eliminate the right to indemnification provided hereunder or thereunder with respect to acts or omissions occurring prior to such amendment or repeal.

(e) Record Date. The record date for payment of Dividends that are declared and paid on any relevant Dividend Payment Date will be the close of business on the first (1st) day of the calendar month which contains the relevant Dividend Payment Date (each, a “Dividend Record Date”), and the record date for payment of any Accrued Dividends that were not declared and paid on any relevant Dividend Payment Date will be the close of business on the date that is established by the Board, or a duly authorized committee thereof, as such, which will not be more than forty-five (45) days prior to the date on which such Dividends are paid (each, an “Accrued Dividend Record Date”), in each case whether or not such day is a Business Day.

(f) Priority of Dividends. So long as any shares of Series A Preferred Stock remain outstanding, unless full dividends on all outstanding shares of Series A Preferred Stock have been declared and paid, including any accrued and unpaid dividends on the Series A Preferred Stock that are then in arrears, or have been or contemporaneously are declared and a sum sufficient for the payment of those dividends has been or is set aside for the benefit of the Holders, the Company may not declare any dividend on, or make any distributions relating to, Junior Stock or Parity Stock, or redeem, purchase, acquire (either directly or through any Subsidiary) or make a liquidation payment relating to, any Junior Stock or Parity Stock, other than:

(i) purchases, redemptions or other acquisitions of shares of Junior Stock in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of current or former employees, officers, directors or consultants;

(ii) purchases of Junior Stock through the use of the proceeds of a substantially contemporaneous sale of other shares of Junior Stock;

(iii) as a result of an exchange or conversion of any class or series of Parity Stock or Junior Stock for any other class or series of Parity Stock (in the case of Parity Stock) or Junior Stock (in the case of Parity Stock or Junior Stock);

(iv) purchases of fractional interests in shares of Parity Stock or Junior Stock pursuant to the conversion or exchange provisions of such Parity Stock or Junior Stock or the security being converted or exchanged;

(v) payment of any dividends in respect of Junior Stock where the dividend is in the form of the same stock or rights to purchase the same stock as that on which the dividend is being paid;

(vi) distributions of Junior Stock or rights to purchase Junior Stock;

(vii) any dividend in connection with the implementation of a shareholders’ rights or similar plan, or the redemption or repurchase of any rights under any such; or

(viii) purchases of shares of Common Stock by the Company in an amount not to exceed \$1,000,000,000 to be consummated within 9 months following the Original Issuance Date.

Notwithstanding the foregoing, for so long as any shares of Series A Preferred Stock remain outstanding, if dividends are not declared and paid in full upon the shares of Series A Preferred Stock and any Parity Stock, all dividends declared upon shares of Series A Preferred Stock and any Parity Stock will be declared on a proportional basis so that the amount of dividends declared per share will bear to each other the same ratio that all accrued and unpaid dividends as of the end of the most recent Dividend Payment Period per share of Series A Preferred Stock and accrued and unpaid dividends as of the end of the most recent dividend period per share of any Parity Stock bear to each other.

Subject to the provisions of this Section 4, dividends may be authorized by the Board, or any duly authorized committee thereof, and declared and paid by the Company, or any duly authorized committee thereof, on any Junior Stock and Parity Stock from time to time and the Holders will not be entitled to participate in those dividends (other than pursuant to the adjustments otherwise provided under Section 11(a) or Section 12(a), as applicable).

(g) Conversion Following a Record Date. If the Conversion Date for any shares of Series A Preferred Stock is prior to the close of business on a Dividend Record Date or an Accrued Dividend Record Date, the Holder of such shares will not be entitled to any dividend in respect of such Dividend Record Date or Accrued Dividend Record Date, as applicable, other than through the inclusion of Accrued Dividends as of the Conversion Date in the calculation under Section 6(a) or Section 7(a), as applicable. If the Conversion Date for any shares of Series A Preferred Stock is after the close of business on a Dividend Record Date or an Accrued Dividend Record Date but prior to the corresponding payment date for such dividend, the Holder of such shares as of such Dividend Record Date or Accrued Dividend Record Date, as applicable, shall be entitled to receive such dividend, notwithstanding the conversion of such shares prior to the applicable Dividend Payment Date; provided that the amount of such dividend shall not be included for the purpose of determining the amount of Accrued Dividends under Section 6(a) or Section 7(a), as applicable, with respect to such Conversion Date.

SECTION 5. Liquidation Rights. (a) Liquidation. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, the Holders shall be entitled, out of assets legally available therefor, before any distribution or payment out of the assets of the Company may be made to or set aside for the holders of any Junior Stock, and subject to the rights of the holders of any Senior Stock or Parity Stock and the rights of the Company's existing and future creditors, to receive in full a liquidating distribution in cash and in the amount per share of Series A Preferred Stock equal to the greater of (i) the sum of (A) the Liquidation Preference plus (B) the Accrued Dividends with respect to such share of Series A Preferred Stock as of the date of such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company and (ii) the amount such Holders would have received had such Holders, immediately prior to such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, converted such shares of Series A Preferred Stock into Common Stock (pursuant to Section 6 without regard to any of the limitations on convertibility contained therein). Holders shall not be entitled to any further payments in the event of any such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company other than what is expressly provided for in this Section 5 and will have no right or claim to any of the Company's remaining assets.

(b) Partial Payment. If in connection with any distribution described in Section 5(a) above, the assets of the Company or proceeds therefrom are not sufficient to pay in full the aggregate liquidating distributions required to be paid pursuant to Section 5(a) to all Holders and the liquidating distributions payable all holders of any Parity Stock, the amounts distributed to the Holders and to the holders of all such Parity Stock shall be paid pro rata in accordance with the respective aggregate liquidating distributions to which they would otherwise be entitled if all amounts payable thereon were paid in full.

(c) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Section 5, the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property and assets of the Company shall not be deemed a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, nor shall the merger, consolidation, statutory exchange or any other business combination transaction of the Company into or with any other Person or the merger, consolidation, statutory exchange or any other business combination transaction of any other Person into or with the Company be deemed to be a voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company.

SECTION 6. Right of the Holders to Convert.

(a) Each Holder shall have the right, at such Holder's option, subject to the conversion procedures set forth in Section 8, to convert each share of such Holder's Series A Preferred Stock at any time into (i) the number of shares of Common Stock equal to the quotient of (A) the sum of the Liquidation Preference and the Accrued Dividends with respect to such share of Series A Preferred Stock as of the applicable Conversion Date divided by (B) the Conversion Price as of the applicable Conversion Date plus (ii) cash in lieu of fractional shares as set out in Section 11(i). The right of conversion may be exercised as to all or any portion of such Holder's Series A Preferred Stock from time to time; provided that, in each case, no right of conversion may be exercised by a Holder in respect of fewer than 1,000 shares of Series A Preferred Stock (unless such conversion relates to all shares of Series A Preferred Stock held by such Holder).

(b) The Company shall at all times reserve and keep available out of its authorized and unissued Common Stock, solely for issuance upon the conversion of the Series A Preferred Stock, such number of shares of Common Stock as shall from time to time be issuable upon the conversion of all the shares of Series A Preferred Stock then outstanding. Any shares of Common Stock issued upon conversion of Series A Preferred Stock shall be duly authorized, validly issued, fully paid and nonassessable.

SECTION 7. Mandatory Conversion by the Company. (a) At any time after the third anniversary of the Original Issuance Date, if the VWAP per share of Common Stock was greater than the Mandatory Conversion Price for at least thirty (30) Trading Days in any period of forty-five (45) consecutive Trading Days, the Company may elect to convert (a "Mandatory Conversion") all, but not less than all, of the outstanding shares of Series A Preferred Stock into shares of Common Stock (the date selected by the Company for any Mandatory Conversion pursuant to this Section 7(a), the "Mandatory Conversion Date"). In the case of a Mandatory Conversion, each share of Series A Preferred Stock then outstanding shall be converted into (i) the number of shares of Common Stock equal to the quotient of (A) the sum of the Liquidation Preference and the Accrued Dividends with respect to such share of Series A Preferred Stock as of the Mandatory Conversion Date divided by (B) the Conversion Price of such share in effect as of the Mandatory Conversion Date plus (ii) cash in lieu of fractional shares as set out in Section 11(i).

(b) Notice of Mandatory Conversion. If the Company elects to effect Mandatory Conversion, the Company shall, within ten (10) Business Days following the completion of the applicable forty-five (45) day Trading Period referred to in Section 7(a) above, provide notice of Mandatory Conversion to each Holder (such notice, a "Notice of Mandatory Conversion"). The Mandatory Conversion Date selected by the Company shall be no less than ten (10) Business Days and no more than twenty (20) Business Days after the date on which the Company provides the Notice of Mandatory Conversion to the Holders. The Notice of Mandatory Conversion shall state, as appropriate:

(i) the Mandatory Conversion Date selected by the Company; and

(ii) the Conversion Rate as in effect on the Mandatory Conversion Date, the number of shares of Common Stock to be issued to such Holder upon conversion of each share of Series A Preferred Stock held by such Holder and, if applicable, the amount of Accrued Dividends to be paid to such Holder upon conversion of each share of Series A Preferred Stock held by such Holder.

SECTION 8. Conversion Procedures and Effect of Conversion. (a) Conversion Procedure. A Holder must do each of the following in order to convert shares of Series A Preferred Stock pursuant to this Section 8(a):

(i) in the case of a conversion pursuant to Section 6(a), complete and manually sign the conversion notice provided by the Conversion Agent (the "Conversion Notice"), and deliver such notice to the Conversion Agent; provided that a Conversion Notice may be conditional on the completion of a Change of Control or other corporate transaction;

(ii) deliver to the Conversion Agent the certificate or certificates (if any) representing the shares of Series A Preferred Stock to be converted;

(iii) if required, furnish appropriate endorsements and transfer documents; and

(iv) if required, pay any stock transfer, documentary, stamp or similar taxes not payable by the Company pursuant to Section 21.

The foregoing clauses (ii), (iii) and (iv) shall be conditions to the issuance of shares of Common Stock to the Holders in the event of a Mandatory Conversion pursuant to Section 7 (but, for the avoidance of doubt, not to the Mandatory Conversion of the shares of Series A Preferred Stock on the Mandatory Conversion Date).

The “Conversion Date” means (A) with respect to conversion of any shares of Series A Preferred Stock at the option of any Holder pursuant to Section 6(a), the date on which such Holder complies with the procedures in this Section 8(a) (including the satisfaction of any conditions to conversion set forth in the Conversion Notice) and (B) with respect to Mandatory Conversion pursuant to Section 7(a), the Mandatory Conversion Date.

(b) Effect of Conversion. Effective immediately prior to the close of business on the Conversion Date applicable to any shares of Series A Preferred Stock, Dividends shall no longer accrue or be declared on any such shares of Series A Preferred Stock, and such shares of Series A Preferred Stock shall cease to be outstanding.

(c) Record Holder of Underlying Securities as of Conversion Date. The Person or Persons entitled to receive the Common Stock and, to the extent applicable, cash, securities or other property issuable upon conversion of Series A Preferred Stock on a Conversion Date shall be treated for all purposes as the record holder(s) of such shares of Common Stock and/or cash, securities or other property as of the close of business on such Conversion Date. As promptly as practicable on or after the Conversion Date and compliance by the applicable Holder with the relevant procedures contained in Section 8(a) (and in any event no later than three (3) Trading Days thereafter), the Company shall issue the number of whole shares of Common Stock issuable upon conversion (and deliver payment of cash in lieu of fractional shares as set out in Section 11(i)) and, to the extent applicable, any cash, securities or other property issuable thereon. Such delivery of shares of Common Stock, securities or other property shall be made, at the option of the Company, in certificated form or by book-entry. Any such certificate or certificates shall be delivered by the Company to the appropriate Holder on a book-entry basis or by mailing certificates evidencing the shares to the Holders at their respective addresses as set forth in the Conversion Notice (in the case of a conversion pursuant to Section 6(a)) or in the records of the Company (in the case of a Mandatory Conversion). In the event that a Holder shall not by written notice designate the name in which shares of Common Stock (and payments of cash in lieu of fractional shares) and, to the extent applicable, cash, securities or other property to be delivered upon conversion of shares of Series A Preferred Stock should be registered or paid, or the manner in which such shares, cash, securities or other property should be delivered, the Company shall be entitled to register and deliver such shares, securities or other property, and make such payment, in the name of the Holder and in the manner shown on the records of the Company.

(d) Status of Converted or Reacquired Shares. Shares of Series A Preferred Stock converted in accordance with these Articles Supplementary, or otherwise acquired by the Company in any manner whatsoever, shall return to the status of and constitute authorized but unissued shares of Preferred Stock, without classification as to series until such shares are once more classified as a particular series by the Board pursuant to the provisions of the Charter.

SECTION 9. Change of Control. (a) Repurchase at the Option of the Holder. Upon the occurrence of a Change of Control, each Holder of outstanding shares of Series A Preferred Stock shall have the option to require the Company to purchase (a “Change of Control Put”) any or all of its shares of Series A Preferred Stock at a purchase price per share of Series A Preferred Stock, payable in cash (in the case of clause (i)) or the applicable consideration (in the case of clause (ii)), equal to the greater of (i) the Liquidation Preference of such share of Series A Preferred Stock plus the Accrued Dividends in respect of such share of Series A Preferred Stock, in each case as of the applicable Change of Control Purchase Date and (ii) the amount of cash and/or other assets such Holder would have received had such Holder, immediately prior to such Change of Control, converted such share of Series A Preferred Stock into Common Stock (pursuant to Section 6 without regard to any of the limitations on convertibility contained therein) (the “Change of Control Purchase Price”); provided that, in each case (but, for purposes of clarity, not in the event where such holder actually converts its shares of Series A Preferred Stock into Common Stock), the Company shall only be required to pay the Change of Control Purchase Price after (i) the Satisfaction of the Indebtedness Obligations and to the extent permitted by the Specified Contract Terms and (ii) to the extent such purchase can be made out of funds legally available therefor.

(b) Initial Change of Control Notice. On or before the twentieth (20th) Business Day prior to the date on which the Company anticipates consummating a Change of Control (or, if later, promptly after the Company discovers that a Change of Control may occur), a written notice shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall contain the date on which the Change of Control is anticipated to be effected (or, if applicable, the date on which a Schedule TO or other schedule, form or report disclosing a Change of Control was filed).

(c) Final Change of Control Notice. Within 10 days following the effective date of the Change of Control (the “Change of Control Effective Date”) (or if the Company discovers later than such date that a Change of Control has occurred, promptly following the date of such discovery), a final written notice shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall contain:

(i) the date by which the Holder must elect to exercise a Change of Control Put (which shall be no earlier than 30 days before the purchase date) (the “Change of Control Put Deadline”);

(ii) the amount of cash and/or other consideration payable per share of Series A Preferred Stock, if such Holder elects to exercise a Change of Control Put;

(iii) a description of the payments and other actions required to be made or taken in order to effect the Satisfaction of the Indebtedness Obligations;

(iv) the purchase date for such shares (which shall be the later of (A) 61 days from the date such notice is mailed or (B) the day the Satisfaction of Indebtedness Obligations has occurred); and

(v) the instructions a Holder must follow to exercise a Change of Control Put in connection with such Change of Control.

(d) Change of Control Put Procedure. To exercise a Change of Control Put, a Holder must, no later than 5:00 p.m., New York City time, on the Change of Control Put Deadline, surrender to the Conversion Agent the certificates representing the shares of Series A Preferred Stock to be repurchased by the Company or lost stock affidavits therefor.

(e) Delivery upon Change of Control Put. Upon a Change of Control Put, after the Satisfaction of the Indebtedness Obligations and subject to Section 9(i) below, the Company (or its successor) shall deliver or cause to be delivered to the Holder by mail or wire transfer the Change of Control Purchase Price of such Holder's shares of Series A Preferred Stock.

(f) Treatment of Shares. If a Holder does not elect to effect a Change of Control Put pursuant to this Section 9 with respect to all of its shares of Series A Preferred Stock, the shares of Series A Preferred Stock held by it and not surrendered for purchase by the Company will remain outstanding until otherwise subsequently converted, redeemed, reclassified or canceled in accordance with the terms of these Articles Supplementary. From and after the Change of Control Purchase Date with respect to any share of Series A Preferred Stock for which a Holder elected to effect a Change of Control Put and that the Company has repurchased in accordance with the provisions of this Section 9, (i) Dividends shall cease to accrue on such share, (ii) such share shall no longer be deemed outstanding and (iii) all rights with respect to such share shall cease and terminate. For the avoidance of doubt, notwithstanding anything contained herein to the contrary, until a share of Series A Preferred Stock is purchased by the payment in full of the applicable Change of Control Purchase Price, such share of Series A Preferred Stock will remain outstanding and will be entitled to all of the powers, designations, preferences and other rights provided herein, including that such share (x) may be converted pursuant to Section 6 and, if not so converted, (y) shall (A) accrue Dividends and (B) entitle the Holder thereof to the voting rights provided in Section 13; provided that any such shares that are converted prior to or on the Change of Control Purchase Date in accordance with these Articles Supplementary shall not be entitled to receive any payment of the Change of Control Purchase Price.

(g) Partial Exercise of Change of Control Put. In the event that a Change of Control Put is effected with respect to shares of Series A Preferred Stock representing less than all the shares of Series A Preferred Stock held by a Holder, upon such Change of Control Put, the Company shall execute and the Transfer Agent shall countersign and deliver to such Holder, at the expense of the Company, a certificate evidencing the shares of Series A Preferred Stock held by the Holder as to which a Change of Control Put was not effected (or book-entry interests representing such shares).

(h) Redemption by the Company. In the case of a Change of Control (other than pursuant to clause (ii)(c) of the definition of such term) (provided that for purposes of this Section 9(h), the references to “a majority” in the definition of Change of Control shall be deemed to be references to “80%”), any shares of Series A Preferred Stock as to which a Change of Control Put was not exercised may be redeemed, at the option of the Company (or its successor or the acquiring or surviving Person in such Change of Control), upon not less than thirty (30) nor more than sixty (60) days’ notice, which notice must be received by the affected Holders within thirty (30) days of the Change of Control Put Deadline, at a redemption price per share, payable in cash (in the case of clause (i)) or the applicable consideration (in the case of clause (ii)), equal to the greater of (i) (x) the Liquidation Preference as of the date of redemption plus (y) Accrued Dividends as of the date of redemption, plus (z) if the applicable redemption date is prior to the fifth anniversary of the first Dividend Payment Date, the amount equal to the net present value (computed using a discount rate of 10%) of the sum of all Dividends that would otherwise be payable on such share of Series A Preferred Stock on and after the applicable redemption date to and including the fifth anniversary of the first Dividend Payment Date and assuming the Company chose to pay such Dividends in cash and (ii) the amount of cash and/or other assets a Holder would have received had such Holder, immediately prior to such Change of Control, converted such share of Series A Preferred Stock into Common Stock (pursuant to Section 6 without regard to any of the limitations on convertibility contained therein). Unless the Company (or its successor or the acquiring or surviving Person in such Change of Control) defaults in making the redemption payment on the applicable redemption date, on and after the redemption date, (A) Dividends shall cease to accrue on the shares of Series A Preferred Stock so called for redemption, (B) all shares of Series A Preferred Stock called for redemption shall no longer be deemed outstanding and (C) all rights with respect to such shares of Series A Preferred Stock shall on such redemption date cease and terminate, except only the right of the Holders thereof to receive the amount payable in such redemption.

(i) Specified Contract Terms. If the Company (A) shall not have sufficient funds legally available under the MGCL to purchase all shares of Series A Preferred Stock that Holders have requested to be purchased under Section 9(a) (the “Required Number of Shares”) or (B) will be in violation of Specified Contract Terms if it purchases the Required Number of Shares, the Company shall (i) purchase, pro rata among the Holders that have requested their shares be purchased pursuant to Section 9(a), a number of shares of Series A Preferred Stock with an aggregate Change of Control Purchase Price equal to the lesser of (1) the amount legally available for the purchase of shares of Series A Preferred Stock under the MGCL and (2) the largest amount that can be used for such purchase not prohibited by Specified Contract Terms and (ii) purchase any shares of Series A Preferred Stock not purchased because of the foregoing limitations at the applicable Change of Control Purchase Price as soon as practicable after the Company is able to make such purchase out of assets legally available for the purchase of such share of Series A Preferred Stock and without violation of Specified Contract Terms. The inability of the Company (or its successor) to make a purchase payment for any reason shall not relieve the Company (or its successor) from its obligation to effect any required purchase when, as and if permitted by applicable law and Specified Contract Terms. If the Company fails to pay the Change of Control Purchase Price in full when due in accordance with this Section 9 in respect of some or all of the shares or Series A Preferred Shares to be repurchased pursuant to

the Change of Control Put, the Company will pay Dividends on such shares not repurchased at a Dividend Rate equal to 8.0% per annum, accruing daily from such date until the Change of Control Purchase Price, plus all Accrued Dividends thereon, are paid in full in respect of such shares of Series A Preferred Stock. Notwithstanding the foregoing, in the event a Holder elects to exercise a Change of Control Put pursuant to this Section 9 at a time when the Company is restricted or prohibited (contractually or otherwise) from redeeming some or all of the Series A Preferred Stock subject to the Change of Control Put, the Company will use its commercially reasonable efforts to obtain the requisite consents to remove or obtain an exception or waiver to such restrictions or prohibition. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to comply with its obligations under this Section 9.

(j) Change of Control Agreements. The Company shall not enter into any agreement for a transaction constituting a Change of Control unless (i) such agreement provides for or does not interfere with or prevent (as applicable) the exercise by the Holders of their Change of Control Put in a manner that is consistent with and gives effect to this Section 9, and (ii) the acquiring or surviving Person in such Change of Control represents or covenants, in form and substance reasonably satisfactory to the Board acting in good faith, that at the closing of such Change of Control that such Person shall have sufficient funds (which may include, without limitation, cash and cash equivalents on the Company's balance sheet, the proceeds of any debt or equity financing, available lines of credit or uncalled capital commitments) to consummate such Change of Control and effect the Satisfaction of the Indebtedness Obligations and the payment of the Change of Control Put Price in respect of shares of Series A Preferred Stock that have not been converted into Common Stock prior to the Change of Control Effective Date pursuant to Section 6 or 7, as applicable.

SECTION 10. Redemption at the Option of the Holder. (a) On each Designated Redemption Date, each Holder of shares of Series A Preferred Stock shall have the right (a "Redemption Right") to require the Company to redeem any or all of the shares of Series A Preferred Stock of such Holder outstanding on such Designated Redemption Date, in each case to the extent not prohibited by law, at a redemption price, in cash, equal to the sum of (i) the Liquidation Preference of the shares of Series A Preferred Stock to be redeemed plus (ii) the Accrued Dividends with respect to such shares of Series A Preferred Stock as of the applicable Redemption Date (such price, the "Redemption Price").

(b) To exercise its Redemption Right pursuant to this Section 10 in respect of any Designated Redemption Date, a Holder must, no later than 5:00 p.m., New York City time, on the date that is 120 days prior to the Designated Redemption Date, deliver written notice thereof (a "Notice of Redemption") to the Company and the Transfer Agent and surrender to the Transfer Agent the certificates representing the shares of Series A Preferred Stock to be redeemed by the Company. On each Designated Redemption Date, the Company shall deliver or cause to be delivered to each Holder that has exercised its Redemption Right with respect to such Designated Redemption Date, by mail or wire transfer, the Redemption Price of the shares of Series A Preferred Stock in respect of which such Holder has delivered a Notice of Redemption in accordance herewith.

(c) If a Holder does not elect to exercise its Redemption Right pursuant to this Section 10 with respect to all of its shares of Series A Preferred Stock, the shares of Series A Preferred Stock held by it and not surrendered for redemption by the Company will remain outstanding until otherwise subsequently converted, redeemed, reclassified or canceled. From and after the Redemption Date with respect to any share of Series A Preferred Stock for which a Holder elected to effect a Redemption Right and the Company has redeemed in accordance with the provisions of this Section 10, (i) Dividends shall cease to accrue on such share, (ii) such share shall no longer be deemed outstanding and (iii) all rights with respect to such share shall cease and terminate. For the avoidance of doubt, notwithstanding anything contained herein to the contrary, until a share of Series A Preferred Stock is redeemed by the payment in cash in full of the applicable Redemption Price, such share of Series A Preferred Stock will remain outstanding and will be entitled to all of the powers, designations, preferences and other rights provided herein.

(d) In the event that a Redemption Right is exercised with respect to shares of Series A Preferred Stock representing less than all the shares of Series A Preferred Stock held by a Holder, upon such redemption, the Company shall execute and the Transfer Agent shall countersign and deliver to such Holder, at the expense of the Company, a certificate representing the shares of Series A Preferred Stock held by the Holder as to which a Redemption Right was not exercised (or book-entry interests representing such shares).

(e) If the Company shall not have sufficient funds legally available under the MGCL to redeem, as of any Designated Redemption Date, all shares of Series A Preferred Stock with respect to which Holders have exercised a Redemption Right pursuant to this Section 10, the Company shall redeem on such Designated Redemption Date, pro rata among the Holders that have exercised their Redemption Right, a number of shares of Series A Preferred Stock with an aggregate Redemption Price equal to the amount legally available for the redemption of shares of Series A Preferred Stock under the MGCL on such Designated Redemption Date. At such time, as soon as practicable thereafter, that the Company has sufficient funds legally available under the MGCL to redeem such shares of Series A Preferred Stock not redeemed because of the foregoing limitation at the applicable Redemption Price, the Company shall provide notice to the Holders of the availability of such funds and the Holders at that time may elect to invoke their Redemption Right pursuant to and in accordance with the provisions of this Section 10. In addition, if the Company does not make the redemption payment as of any Designated Redemption Date relating to all of the shares of Series A Preferred Stock with respect to which Holders have exercised a Redemption Right pursuant to this Section 10, the Company will pay Dividends on such shares not redeemed at a Dividend Rate equal to 8.0% per annum, accruing daily from the Designated Redemption Date until the Redemption Price, plus all Accrued Dividends thereon, are paid in full in respect of such shares of Series A Preferred Stock. The inability of the Company to make a redemption payment for any reason shall not relieve the Company from its obligation to effect any required redemption when, as and if permitted by applicable law.

SECTION 11. Anti-Dilution Adjustments. (a) Adjustments. The Conversion Rate will be subject to adjustment, without duplication, upon the occurrence of the following events, except that the Company shall not make any adjustment to the Conversion Rate if Holders of the Series A Preferred Stock participate, at the same time and upon the same terms as holders of Common Stock and solely as a result of holding shares of Series A Preferred Stock, in any transaction described in this Section 11(b), without having to convert their Series A Preferred Stock, as if they held a number of shares of Common Stock equal to the Conversion Rate multiplied by the number of shares of Series A Preferred Stock held by such Holders:

(i) The issuance of Common Stock as a dividend or distribution to all or substantially all holders of Common Stock, or a subdivision or combination of Common Stock or a reclassification of Common Stock into a greater or lesser number of shares of Common Stock, in which event the Conversion Rate shall be adjusted based on the following formula:

$$CR1 = CR0 \times (OS1 / OS0)$$

CR0 = the Conversion Rate in effect immediately prior to the close of business on (i) the Record Date for such dividend or distribution, or (ii) the effective date of such subdivision, combination or reclassification

CR1 = the new Conversion Rate in effect immediately after the close of business on (i) the Record Date for such dividend or distribution, or (ii) the effective date of such subdivision, combination or reclassification

OS0 = the number of shares of Common Stock outstanding immediately prior to the close of business on (i) the Record Date for such dividend or distribution or (ii) the effective date of such subdivision, combination or reclassification

OS1 = the number of shares of Common Stock that would be outstanding immediately after, and solely as a result of, the completion of such event

Any adjustment made pursuant to this clause (i) shall be effective immediately after the close of business on the Record Date for such dividend or distribution, or the effective date of such subdivision, combination or reclassification. If any such event is announced or declared but does not occur, the Conversion Rate shall be readjusted, effective as of the date the Board announces that such event shall not occur, to the Conversion Rate that would then be in effect if such event had not been declared.

(ii) The dividend, distribution or other issuance to all or substantially all holders of Common Stock of rights (other than rights, options or warrants distributed in connection with a stockholder rights plan (in which event the provisions of Section 11(a)(vii) shall apply), options or warrants entitling them to subscribe for or purchase shares of Common Stock for a period expiring forty-five (45) days or less from the date of issuance thereof, at a price per share that is less than the Current Market Price as of the Record Date for such issuance, in which event the Conversion Rate will be increased based on the following formula:

$$CR1 = CR0 \times [(OS0+X)] / (OS0+Y)$$

CR0 = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such dividend, distribution or issuance

CR1 = the new Conversion Rate in effect immediately following the close of business on the Record Date for such dividend, distribution or issuance

OS0 = the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such dividend, distribution or issuance

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants

Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants divided by the Current Market Price as of the Record Date for such dividend, distribution or issuance.

For purposes of this clause (ii), in determining whether any rights, options or warrants entitle the holders to purchase the Common Stock at a price per share that is less than the Current Market Price as of the Record Date for such dividend, distribution or issuance, there shall be taken into account any consideration the Company receives for such rights, options or warrants, and any amount payable on exercise thereof, with the value of such consideration, if other than cash, to be the Fair Market Value thereof.

Any adjustment made pursuant to this clause (ii) shall become effective immediately following the close of business on the Record Date for such dividend, distribution or issuance. In the event that such rights, options or warrants are not so issued, the Conversion Rate shall be readjusted, effective as of the date the Board publicly announces its decision not to issue such rights, options or warrants, to the Conversion Rate that would then be in effect if such dividend, distribution or issuance had not been declared. To the extent that such rights, options or warrants are not exercised prior to their expiration or shares of Common Stock are otherwise not delivered pursuant to such rights, options or warrants upon the exercise of such rights, options or warrants, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect had the adjustments made upon the dividend, distribution or issuance of such rights, options or warrants been made on the basis of the delivery of only the number of shares of Common Stock actually delivered.

(iii) The Company or one or more of its Subsidiaries purchases Common Stock pursuant to a tender offer or exchange offer (other than an exchange offer that constitutes a Distribution Transaction subject to Section 11(a)(v)) by the Company or a Subsidiary of the Company for all or any portion of the Common Stock, or otherwise acquires Common Stock (except in an open

market purchase in compliance with Rule 10b-18 promulgated under the Exchange Act or through an “accelerated share repurchase” on customary terms) (a “Covered Repurchase”), if the cash and value of any other consideration included in the payment per share of Common Stock validly tendered, exchanged or otherwise acquired through a Covered Repurchase exceeds the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the Trading Day next succeeding the last day on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended) or shares of Common Stock are otherwise acquired through a Covered Repurchase (the “Expiration Date”), in which event the Conversion Rate shall be adjusted based on the following formula:

$$CR1 = CR0 \times [(FMV + (SP1 \times OS1))] / (SP1 \times OS0)$$

CR0 = the Conversion Rate in effect immediately prior to the close of business on the Expiration Date

CR1 = the new Conversion Rate in effect immediately after the close of business on the Expiration Date

FMV = the Fair Market Value, on the Expiration Date, of all cash and any other consideration paid or payable for all shares validly tendered or exchanged and not withdrawn, or otherwise acquired through a Covered Repurchase, as of the Expiration Date

OS0 = the number of shares of Common Stock outstanding immediately prior to the last time tenders or exchanges may be made pursuant to such tender or exchange offer (including the shares to be purchased in such tender or exchange offer) or shares are otherwise acquired through a Covered Repurchase

OS1 = the number of shares of Common Stock outstanding immediately after the last time tenders or exchanges may be made pursuant to such tender or exchange offer (after giving effect to the purchase of shares in such tender or exchange offer) or shares are otherwise acquired through a Covered Repurchase

SP1 = the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the Trading Day next succeeding the Expiration Date

Such adjustment shall become effective immediately after the close of business on the Expiration Date. If an adjustment to the Conversion Rate is required under this Section 11(a)(iii), delivery of any additional shares of Common Stock that may be deliverable upon conversion as a result of an adjustment required under this Section 11(a)(iii) shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 11(a)(iii).

In the event that the Company or any of its Subsidiaries is obligated to purchase Common Stock pursuant to any such tender offer, exchange offer or other commitment to acquire shares of Common Stock through a Covered Repurchase but is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then the Conversion Rate shall be readjusted to be the Conversion Rate that would have been then in effect if such tender offer, exchange offer or Covered Repurchase had not been made.

Notwithstanding anything to the contrary set forth herein, no adjustment to the Conversion Rate shall be made pursuant to this Section 11(a)(iii) as a result of purchases of shares of Common Stock by the Company in an amount not to exceed \$1,000,000,000 to be consummated within 9 months following the Original Issuance Date.

(iv) The Company shall, by dividend or otherwise, distribute to all or substantially all holders of its Common Stock (other than for cash in lieu of fractional shares), shares of any class of its Capital Stock, evidences of its indebtedness, assets, other property or securities, but excluding (A) dividends or distributions referred to in Section 11(a)(i) or Section 11(a)(ii) hereof, (B) Distribution Transactions as to which Section 11(a)(v) shall apply, (C) dividends or distributions paid exclusively in cash as to which Section 11(a)(vi) shall apply and (D) rights, options or warrants distributed in connection with a stockholder rights plan as to which Section 11(a)(vii) shall apply (any of such shares of its Capital Stock, indebtedness, assets or property that are not so excluded are hereinafter called the "Distributed Property"), then, in each such case the Conversion Rate shall be adjusted based on the following formula:

$$CR1 = CR0 \times [SP0 / (SP0 - FMV)]$$

CR0 = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such dividend or distribution

CR1 = the new Conversion Rate in effect immediately after the close of business on the Record Date for such dividend or distribution

SP0 = the Current Market Price as of the Record Date for such dividend or distribution

FMV = the Fair Market Value of the portion of Distributed Property distributed with respect to each outstanding share of Common Stock on the Record Date for such dividend or distribution; provided that, if FMV is equal or greater than SP0, then in lieu of the foregoing adjustment, the Company shall distribute to each holder of Series A Preferred Stock on the date the applicable Distributed Property is distributed to holders of Common Stock, but without requiring such holder to convert its shares of Series A Preferred Stock, in respect of each share of Series A Preferred Stock held by such holder, the amount of Distributed Property such holder would have received had such holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such dividend or distribution

Any adjustment made pursuant to this clause (iv) shall be effective immediately after the close of business on the Record Date for such dividend or distribution. If any such dividend or distribution is declared but does not occur, the Conversion Rate shall be readjusted, effective as of the date the Board announces that such dividend or distribution shall not occur, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(v) The Company effects a Distribution Transaction, in which case the Conversion Rate in effect immediately prior to the effective date of the Distribution Transaction shall be adjusted based on the following formula:

$$CR1 = CR0 \times [(FMV + MP0) / MP0]$$

CR0 = the Conversion Rate in effect immediately prior to the close of business on the effective date of the Distribution Transaction

CR1 = the new Conversion Rate in effect immediately after the close of business on the effective date of the Distribution Transaction

FMV = the arithmetic average of the volume-weighted average prices for a share of the capital stock or other interest distributed to holders of Common Stock on the principal United States securities exchange or automated quotation system on which such capital stock or other interest trades, as reported by Bloomberg (or, if Bloomberg ceases to publish such price, any successor service chosen by the Company) in respect of the period from the open of trading on the relevant Trading Day until the close of trading on such Trading Day (or if such volume-weighted average price is unavailable, the market price of one share of such capital stock or other interest on such Trading Day determined, using a volume-weighted average method, by an Independent Financial Advisor retained for such purpose by the Company), for each of the ten consecutive full Trading Days commencing with, and including, the effective date of the Distribution Transaction

MP0 = the arithmetic average of the VWAP per share of Common Stock for each of the ten (10) consecutive full Trading Days commencing on, and including, the effective date of the Distribution Transaction

Such adjustment shall become effective immediately following the close of business on the effective date of the Distribution Transaction. If an adjustment to the Conversion Rate is required under this Section 11(a)(v), delivery of any additional shares of Common Stock that may be deliverable upon conversion as a result of an adjustment required under this Section 11(a)(v) shall be delayed to the extent necessary in order to complete the calculations provided for in this Section 11(a)(v).

(vi) The Company makes a cash dividend or distribution to all or substantially all holders of the Common Stock, the Conversion Rate shall be adjusted based on the following formula:

$$CR1 = CR0 \times [SP0 / (SP0 - C)]$$

CR0 = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such dividend or distribution

CR1 = the new Conversion Rate in effect immediately after the close of business on the Record Date for such dividend or distribution

SP0 = the Current Market Price as of the Record Date for such dividend or distribution

C = the amount in cash per share of Common Stock the Company distributes to all or substantially all holders of its Common Stock; provided that, if C is equal or greater than SP0, then in lieu of the foregoing adjustment, the Company shall pay to each holder of Series A Preferred Stock on the date the applicable cash dividend or distribution is made to holders of Common Stock, but without requiring such holder to convert its shares of Series A Preferred Stock, in respect of each share of Series A Preferred Stock held by such holder, the amount of cash such holder would have received had such holder owned a number of shares of Common Stock equal to the Conversion Rate on the Record Date for such dividend or distribution

Any adjustment made pursuant to this clause (vi) shall be effective immediately after the close of business on the Record Date for such dividend or distribution. If any dividend or distribution is declared but not paid, the Conversion Rate shall be readjusted, effective as of the date the Board announces that such dividend or distribution will not be paid, to the Conversion Rate that would then be in effect if such had dividend or distribution not been declared.

(vii) If the Company has a stockholder rights plan in effect with respect to the Common Stock on any Conversion Date, upon conversion of any shares of the Series A Preferred Stock, Holders of such shares will receive, in addition to the applicable number of shares of Common Stock, the rights under such rights plan relating to such Common Stock, unless, prior to such Conversion Date, the rights have (i) become exercisable or (ii) separated from the shares of Common Stock (the first of such events to occur, a "Trigger Event"), in which case, the Conversion Rate will be adjusted, effective automatically at the time of such Trigger Event, as if the Company had made a distribution of such rights to all holders of the Company Common Stock as described in Section 11(a)(ii) (without giving effect to the forty-five (45) day limit on the exercisability of rights, options or warrants ordinarily subject to such Section 11(a)(ii)), subject to appropriate readjustment in the event of the expiration, termination or redemption of such rights prior to the exercise, deemed exercise or exchange thereof. Notwithstanding the foregoing, to the extent any such stockholder rights are exchanged by the Company for shares of Common Stock or other property or securities, the Conversion Rate shall be appropriately readjusted as if such stockholder rights had not been issued, but the Company had instead issued such shares of Common Stock or other property or securities as a dividend or distribution of shares of Common Stock pursuant to Section 11(a)(i) or Section 11(a)(iv), as applicable.

To the extent that such rights are not exercised prior to their expiration, termination or redemption, the Conversion Rate shall be readjusted to the Conversion Rate that would then be in effect had the adjustments made upon the occurrence of the Trigger Event been made on the basis of the issuance of, and the receipt of the exercise price with respect to, only the number of shares of Common Stock actually issued pursuant to such rights.

Notwithstanding anything to the contrary in this Section 11(a)(vii), no adjustment shall be required to be made to the Conversion Rate with respect to any Holder which is, or is an “affiliate” or “associate” of, an “acquiring person” under such stockholder rights plan or with respect to any direct or indirect transferee of such Holder who receives Series A Preferred Stock in such transfer after the time such Holder becomes, or its affiliate or associate becomes, such an “acquiring person”.

(b) Calculation of Adjustments. All adjustments to the Conversion Rate shall be calculated by the Company to the nearest 1/10,000th of one share of Common Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment to the Conversion Rate will be required unless such adjustment would require an increase or decrease of at least one percent of the Conversion Rate; provided, however, that any such adjustment that is not required to be made will be carried forward and taken into account in any subsequent adjustment; provided, further that any such adjustment of less than one percent that has not been made will be made upon any Conversion Date.

(c) When No Adjustment Required. (3) Except as otherwise provided in this Section 11, the Conversion Rate will not be adjusted for the issuance of Common Stock or any securities convertible into or exchangeable for Common Stock or carrying the right to purchase any of the foregoing, or for the repurchase of Common Stock.

(ii) Except as otherwise provided in this Section 11, the Conversion Rate will not be adjusted as a result of the issuance of, the distribution of separate certificates representing, the exercise or redemption of, or the termination or invalidation of, rights pursuant to any stockholder rights plans.

(iii) No adjustment to the Conversion Rate will be made:

(A) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in Common Stock under any plan in which purchases are made at market prices on the date or dates of purchase, without discount, and whether or not the Company bears the ordinary costs of administration and operation of the plan, including brokerage commissions;

(B) upon the issuance of any shares of Common Stock or options or rights to purchase such shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of its Subsidiaries or of any employee agreements or arrangements or programs;

(C) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right, or exercisable, exchangeable or convertible security; or

(D) for a change in the par value of the Common Stock.

(d) Successive Adjustments. After an adjustment to the Conversion Rate under this Section 11, any subsequent event requiring an adjustment under this Section 11 shall cause an adjustment to each such Conversion Rate as so adjusted.

(e) Multiple Adjustments. For the avoidance of doubt, if an event occurs that would trigger an adjustment to the Conversion Rate pursuant to this Section 11 under more than one subsection hereof, such event, to the extent fully taken into account in a single adjustment, shall not result in multiple adjustments hereunder; provided, however, that if more than one subsection of this Section 11 is applicable to a single event, the subsection shall be applied that produces the largest adjustment.

(f) Reserved.

(g) Notice of Adjustments. Whenever the Conversion Rate is adjusted as provided under this Section 11, the Company shall as soon as reasonably practicable following the occurrence of an event that requires such adjustment (or if the Company is not aware of such occurrence, as soon as reasonably practicable after becoming so aware):

(i) compute the adjusted applicable Conversion Rate in accordance with this Section 11 and prepare and transmit to the Conversion Agent an Officer's Certificate setting forth the applicable Conversion Rate, the method of calculation thereof, and the facts requiring such adjustment and upon which such adjustment is based; and

(ii) provide a written notice to the Holders of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Rate was determined and setting forth the adjusted applicable Conversion Rate.

(h) Conversion Agent. The Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine whether any facts exist that may require any adjustment of the Conversion Rate or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed in making the same. The Conversion Agent shall be fully authorized and protected in relying on any Officer's Certificate delivered pursuant to this Section 11(h) and any adjustment contained therein and the Conversion Agent shall not be deemed to have knowledge of any adjustment unless and until it has received such certificate. The Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities or property, that may at the time be issued or delivered with respect to any Series A Preferred Stock and the Conversion Agent makes no representation with respect thereto. The Conversion Agent shall not be responsible for any failure of the Company to issue, transfer or deliver any shares of Common Stock pursuant to the conversion of Series A Preferred Stock or to comply with any of the duties, responsibilities or covenants of the Company contained in this Section 11.

(i) Fractional Shares. No fractional shares of Common Stock will be delivered to the Holders upon conversion. In lieu of fractional shares otherwise issuable, the Holders will be entitled to receive, at the Company's sole discretion, either (i) an amount in cash equal to the fraction of a share of Common Stock multiplied by the Closing Price of the Common Stock on the Trading Day immediately preceding the applicable Conversion Date or (ii) one additional whole share of Common Stock. In order to determine whether the number of shares of Common Stock to be delivered to a Holder upon the conversion of such Holder's shares of Series A Preferred Stock will include a fractional share, such determination shall be based on the aggregate number of shares of Series A Preferred Stock of such Holder that are being converted on any single Conversion Date.

SECTION 12. Adjustment for Reorganization Events.

(a) Reorganization Events. In the event of:

(i) any reclassification, statutory exchange, merger, consolidation or other similar business combination of the Company with or into another Person, in each case, pursuant to which at least a majority of the Common Stock (but not the Series A Preferred Stock) is changed or converted into, or exchanged for, cash, securities or other property of the Company or another Person;

(ii) any sale, transfer, lease or conveyance to another Person of all or a majority of the property and assets of the Company, in each case pursuant to which the Common Stock (but not the Series A Preferred Stock) is converted into cash, securities or other property; or

(iii) any statutory exchange of securities of the Company with another Person (other than in connection with a merger or acquisition) or reclassification, recapitalization or reorganization of the Common Stock (but not the Series A Preferred Stock) into other securities; (each of which is referred to as a "Reorganization Event"), each share of Series A Preferred Stock outstanding immediately prior to such Reorganization Event will, without the consent of the Holders and subject to Section 12(d), remain outstanding but shall become convertible into, out of funds legally available therefor, the number, kind and amount of securities, cash and other property (the "Exchange Property") (without any interest on such Exchange Property and without any right to dividends or distribution on such Exchange Property which have a record date that is prior to the applicable Conversion Date) that the Holder of such share of Series A Preferred Stock would have received in such Reorganization Event had such Holder converted its shares of Series A Preferred Stock into the applicable number of shares of Common Stock immediately prior to the effective date of the Reorganization Event using the Conversion Rate applicable immediately prior to the effective date of the Reorganization Event and the Liquidation Preference applicable at the time of such subsequent conversion; provided that the foregoing shall not apply if such Holder is a Person with which the Company consolidated or into which the Company merged or which merged into the Company or to which such sale or transfer was made, as the case may be (any such Person, a "Constituent Person"), or an Affiliate of a Constituent Person, to the extent such Reorganization Event provides for different treatment of Common Stock held by such Persons. If the kind or amount of securities, cash and other property

receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by a Person (other than a Constituent Person or an Affiliate thereof), then for the purpose of this Section 12(a), the kind and amount of securities, cash and other property receivable upon conversion following such Reorganization Event will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock.

(b) Successive Reorganization Events. The above provisions of this Section 12 shall similarly apply to successive Reorganization Events and the provisions of Section 11 shall apply to any shares of Capital Stock received by the holders of the Common Stock in any such Reorganization Event.

(c) Reorganization Event Notice. The Company (or any successor) shall, no less than thirty (30) days prior to the anticipated effective date of any Reorganization Event, provide written notice to the Holders of such occurrence of such event and of the kind and amount of the cash, securities or other property that constitutes the Exchange Property. Failure to deliver such notice shall not affect the operation of this Section 12.

(d) Reorganization Event Agreements. The Company shall not enter into any agreement for a transaction constituting a Reorganization Event unless (i) such agreement provides for or does not interfere with or prevent (as applicable) conversion of the Series A Preferred Stock into the Exchange Property in a manner that is consistent with and gives effect to this Section 12, and (ii) to the extent that the Company is not the surviving corporation in such Reorganization Event or will be dissolved in connection with such Reorganization Event, proper provision shall be made in the agreements governing such Reorganization Event for the conversion of the Series A Preferred Stock into stock of the Person surviving such Reorganization Event or such other continuing entity in such Reorganization Event.

SECTION 13. Voting Rights.

(a) General. Except as provided in Section 13(b) and Section 14, Holders of shares of Series A Preferred Stock shall be entitled to vote as a single class with the holders of the Common Stock and the holders of any other class or series of Capital Stock of the Company then entitled to vote with the Common Stock on all matters submitted to a vote of the holders of Common Stock (and, if applicable, holders of any other class or series of Capital Stock of the Company). Each Holder shall be entitled to the number of votes equal to the largest number of whole shares of Common Stock into which all shares of Series A Preferred Stock held of record by such Holder could then be converted pursuant to Section 6 at the record date for the determination of stockholders entitled to vote or consent on such matters or, if no such record date is established, at the date such vote or consent is taken or any written consent of stockholders is first executed. The Holders shall be entitled to notice of any meeting of holders of Common Stock in accordance with the Bylaws of the Company.

(b) Adverse Changes. The vote or consent of the Holders of at least a majority of the shares of Series A Preferred Stock outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be necessary for effecting or validating any of the following actions, whether or not such approval is required pursuant to the MGCL:

(i) any amendment, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Charter (including these Articles Supplementary) or Bylaws that would have an adverse effect on the rights, preferences, privileges or voting power of the Series A Preferred Stock or the Holder thereof; and

(ii) any amendment or alteration (whether by merger, consolidation or otherwise) of, or any supplement (whether by articles supplementary or otherwise) to, the Charter or any provision thereof, or any other action to authorize, create or classify, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue, any Parity Stock or Senior Stock or any other class or series of Capital Stock of the Company ranking senior to, or on a parity basis with, the Series A Preferred Stock as to dividend rights or rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company; provided, however, (A) that, with respect to the occurrence of any of the events set forth in clause (i) above, so long as (1) the Series A Preferred Stock remains outstanding with the terms thereof materially unchanged, or (2) the holders of the Series A Preferred Stock receive equity securities with rights, preferences, privileges and voting power substantially the same as those of the Series A Preferred Stock, then the occurrence of such event shall not be deemed to adversely affect such rights, preferences, privileges or voting power of the Series A Preferred Stock, and in such case such holders shall not have any voting rights with respect to the occurrence of any of the events set forth in clause (i) above and (B) that the authorization, creation or classification of, or the increase in the number of authorized or issued shares of, or any securities convertible into shares of, or the reclassification of any security (other than the Series A Preferred Stock) into, or the issuance of, Junior Stock will not require the vote the holders of the Series A Preferred Stock.

For purposes of this Section 13, the filing in accordance with applicable law of articles supplementary or any similar document setting forth or changing the designations, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications or other terms of any class or series of stock of the Company shall be deemed an amendment to the Charter.

(c) Each Holder of Series A Preferred Stock will have one vote per share on any matter on which Holders of Series A Preferred Stock are entitled to vote separately as a class, whether at a meeting or by written consent.

(d) The vote or consent of the Holders of a majority of the shares of Series A Preferred Stock outstanding at such time, voting together as a single class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be sufficient to waive or amend the provisions of Section 9(j) of these Articles Supplementary, and any amendment or waiver of any of the provisions of Section 9(j) approved by such percentage of the Holders shall be binding on all of the Holders.

(e) For the avoidance of doubt, the Holders of Series A Preferred Stock shall have the exclusive consent and voting rights set forth in Sections 13(b) and 14 and may take action or consent to any action with respect to such rights without a meeting by delivering a consent in writing or by electronic transmission of the Holders of the Series A Preferred Stock entitled to cast not less than the minimum number of votes that would be necessary to authorize, take or consent to such action at a meeting of stockholders.

SECTION 14. Election of Directors. Provided that the Fall-Away of Purchaser Board Rights has not occurred, at each annual meeting of the Company's stockholders at which the Company has agreed to nominate one or more Purchaser Designee for election to the Board pursuant to and in accordance with the Investment Agreement, the Holders of a majority of the then outstanding shares of Series A Preferred Stock shall have the exclusive right, voting separately as a class, to elect such Purchaser Designee(s) to the Board, irrespective of whether the Company has nominated such Purchaser Designee(s).

SECTION 15. Appraisal Rights; Preemptive Rights. Holders of the Series A Preferred Stock shall not be entitled to exercise any rights of an objecting stockholder provided for under Title 3, Subtitle 2 of the MGCL or any successor statute unless the Board, upon the affirmative vote of a majority of the Board and upon such terms and conditions as specified by the Board, shall determine that such rights apply, with respect to the Series A Preferred Stock, to one or more transactions occurring after the date of such determination in connection with which Holders would otherwise be entitled to exercise such rights. Except for the right to participate in any issuance of new equity securities by the Company, as set forth in the Investment Agreement, the Holders shall not have any preemptive rights.

SECTION 16. Term. Except as expressly provided in these Articles Supplementary, the shares of Series A Preferred Stock shall not be redeemable or otherwise mature and the term of the Series A Preferred Stock shall be perpetual.

SECTION 17. Creation of Capital Stock. Subject to Section 13(b)(ii), the Board, or any duly authorized committee thereof, without the vote of the Holders, may authorize and issue additional shares of Capital Stock of the Company.

SECTION 18. No Sinking Fund. Shares of Series A Preferred Stock shall not be subject to or entitled to the operation of a retirement or sinking fund.

SECTION 19. Transfer Agent, Conversion Agent, Registrar and Paying Agent. The duly appointed Transfer Agent, Conversion Agent, Registrar and paying agent for the Series A Preferred Stock shall be Wells Fargo Bank, N. A. The Company may, in its sole discretion, appoint any other Person to serve as Transfer Agent, Conversion Agent, Registrar or paying agent for the Series A Preferred Stock and thereafter may remove or replace such other Person at any time. Upon any such appointment or removal, the Company shall send notice thereof by first class mail, postage prepaid, to the Holders.

SECTION 20. Replacement Certificates. (a) Mutilated, Destroyed, Stolen and Lost Certificates. If physical certificates evidencing the Series A Preferred Stock are issued, the Company shall replace any mutilated certificate at the Holder's expense upon surrender of that certificate to the Transfer Agent. The Company shall replace certificates that become destroyed, stolen or lost at the Holder's expense upon delivery to the Company and the Transfer Agent of satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be required by the Transfer Agent and the Company.

(b) Certificates Following Conversion. If physical certificates representing the Series A Preferred Stock are issued, the Company shall not be required to issue replacement certificates representing shares of Series A Preferred Stock on or after the Conversion Date applicable to such shares. In place of the delivery of a replacement certificate following the applicable Conversion Date, the Transfer Agent, upon receipt of the satisfactory evidence and indemnity described in clause (a) above, shall deliver the shares of Common Stock issuable upon conversion of such shares of Series A Preferred Stock formerly evidenced by the physical certificate.

SECTION 21. Taxes.

(a) Transfer Taxes. The Company shall pay any and all stock transfer, documentary, stamp and similar taxes that may be payable in respect of any issuance or delivery of shares of Series A Preferred Stock or shares of Common Stock or other securities issued on account of Series A Preferred Stock pursuant hereto or certificates representing such shares or securities. The Company shall not, however, be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Series A Preferred Stock, shares of Common Stock or other securities to a beneficial owner other than the beneficial owner of the of Series A Preferred Stock immediately prior to such conversion, and shall not be required to make any such issuance, delivery or payment unless and until the Person otherwise entitled to such issuance, delivery or payment has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid or is not payable.

(b) Withholding. All payments and distributions (or deemed distributions) on the shares of Series A Preferred Stock (and on the shares of Common Stock received upon their conversion) shall be subject to withholding and backup withholding of taxes to the extent required by law, subject to applicable exemptions, and amounts withheld, if any, shall be treated as received by the Holders.

SECTION 22. Notices. All notices referred to herein shall be in writing and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of receipt thereof or three (3) Business Days after the mailing thereof if sent by registered or certified mail (unless first class mail shall be specifically permitted for such notice under the terms of these Articles Supplementary) with postage prepaid, addressed: (i) if to the Company, to its office at NCR Corporation, 864 Spring Street NW, Atlanta, GA 30308 (Attention: General Counsel), (ii) if to any Holder, to such Holder at the address of such Holder as listed in the stock record books of the Company (which may include the records of the Transfer Agent) or (iii) to such other address as the Company or any such Holder, as the case may be, shall have designated by notice similarly given.

SECTION 23. Facts Ascertainable. When the terms of these Articles Supplementary refer to a specific agreement or other document to determine the meaning or operation of a provision hereof, the Secretary of the Company shall maintain a copy of such agreement or document at the principal executive offices of the Company and a copy thereof shall be provided free of charge to any Holder who makes a request therefor. The Secretary of the Company shall also maintain a written record of the Issuance Date, the number of shares of Series A Preferred Stock issued to a Holder and the date of each such issuance, and shall furnish such written record free of charge to any Holder who makes a request therefor.

SECTION 24. Waiver. Notwithstanding any provision in these Articles Supplementary to the contrary, any provision contained herein and any right of the Holders of Series A Preferred Stock granted hereunder may be waived as to all shares of Series A Preferred Stock (and the Holders thereof) upon the vote or written consent of the Holders of a majority of the shares of Series A Preferred Stock then outstanding.

SECTION 25. Severability. If any term of the Series A Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or unenforceable term will, nevertheless, remain in full force and effect, and no term herein set forth will be deemed dependent upon any other such term unless so expressed herein.
