

NCR Corporation Named a Top Financial Technology Provider in the 2021 IDC FinTech Rankings

September 13, 2021 at 9:00 AM EDT

ATLANTA--(BUSINESS WIRE)--Sep. 13, 2021--

[NCR Corporation](#) (NYSE: NCR), a global enterprise technology provider, today announced that it has placed in the top ten of the 2021 IDC FinTech Rankings, a comprehensive list of the financial services industry's leading global hardware, software and service providers.

The IDC FinTech Rankings evaluates the top IT vendors based on revenues and the percentage of revenues exclusively attributed to financial services, including banks, capital markets firms and insurers. The data is gathered from vendor surveys, as well as from original research and market analysis conducted by IDC Financial Insights.

"Recognition in the top 10 of IDC FinTech Rankings demonstrates NCR's commitment to the success of its financial institution clients," said Marc DeCastro, research director at IDC Financial Insights. "We congratulate NCR for being ranked 8th in the 2021 IDC FinTech Rankings Top 100 list, and for ranking in the top 10 for a solid decade."

"NCR remains dedicated to providing the software and services to help financial institutions run, connect and extend digital, self-directed and branch channels," said Frank Hauck, president and general manager, NCR Banking. "We deliver the flexible, innovative and efficient technology needed to power excellent banking experiences and strengthen their competitive positions. We are proud to once again be acknowledged by IDC Financial Insights for these efforts."
