

NCR Activate Enterprise Wins Best Next Gen ATM Software Award

February 22, 2019 at 8:00 AM EST

ATLANTA--(BUSINESS WIRE)--Feb. 22, 2019-- NCR Corporation (NYSE: NCR), a global enterprise technology company, today announced we won the inaugural ATMIA Next Gen award for our [Activate Enterprise](#) multi-vendor ATM software at the ATM Industry Association (ATMIA) awards this week. The award recognizes our evolution to a digital-first solution approach for our banking customers.

Activate Enterprise is a best-in-class enterprise ATM application designed to help you get the most from your ATM network, and is central to the digital transformation of the ATM channel. Activate delivers a mobile device-like experience with pinch, swipe and zoom interactions as well as the ability to sign on the screen using the multi-touch display, redefining the customer experience at the ATM.

"As chairman of the Consortium for Next Generation ATMs, I was blown away by the submissions from NCR for our first-ever Next Gen ATM award," said Mike Lee, CEO, ATMIA. "The company revealed a deep immersion in the key concepts of the next-gen architecture for ATMs and the new thinking that lies behind this project to future-proof the ATM."

"Receiving this honor from ATMIA is great validation for our Activate Enterprise strategy," said Frank D'Angelo, EVP and president, NCR Banking. "Financial institutions need better software and solutions that lead with digital and mobile capabilities to meet evolving consumer demands, and we are committed to continue to meet their needs in this rapidly changing environment."
