

NCR Acquires POS Solutions, Brings Award-Winning Restaurant Technology and Support to Austin

November 19, 2019 at 8:30 AM EST

ATLANTA--(BUSINESS WIRE)--Nov. 19, 2019-- NCR Corporation (NYSE: NCR) announced today it has acquired POS Solutions, the leading point-of-sale and restaurant solutions provider in central Texas.

This is the fourth local office acquisition NCR has made in the Lone Star State. It further expands the reach of NCR's restaurant technology – which is trusted by more than 100,000 restaurants around the world. Solutions including the signature [NCR Aloha](#) point-of-sale platform and [NCR Aloha Essentials](#) subscription package provide everything restaurants need to run their business, boost efficiency and increase growth.

"Bringing POS Solutions into the NCR family aligns with our strategy to increase our capabilities to deliver our solutions and serve our customers in thriving local restaurant markets, like Austin," said NCR President and CEO Michael D. Hayford.

NCR will maintain POS Solutions' existing customer sites with the POS Solutions management team and staff of local Austin restaurant experts. The integration of the POS Solutions team into the NCR local office network accelerates NCR's ability to bring innovative solutions to the Austin community.

"Our customers will continue to work with the same team they've grown familiar with through the years – and now, we have access to global resources and can deliver even better service," said Allen Devino, president of POS Solutions.

NCR's network of local offices and authorized resellers provide local sales and service to small- and medium-sized restaurant businesses across North America. Learn more about our solutions at [ncr.com/restaurants](https://www.ncr.com/restaurants).
