Meriwest Credit Union Selects NCR for a Flexible and Seamless Digital Experience

March 1, 2022

ATLANTA--(BUSINESS WIRE)--Mar. 1, 2022-- [Meriwest Credit Union](#), based in San Jose, California, wanted to enhance its member experience, increase efficiencies and innovate more quickly. It turned to partner [NCR Corporation](#) (NYSE: NCR), a global enterprise technology provider, to transform its consumer and small business member experience through NCR Digital Banking.

Meriwest Credit Union is successfully using NCR Terafina's onboarding and account opening solution to grow membership and provide a consistent, omnichannel experience. The addition of [NCR Digital Banking](#) provides an intuitive experience for retail and business banking, powered on one digital platform to connect all channels.

Meriwest Credit Union delivers financial value to members across the California Bay Area and Pima County, Arizona. Members will be able to easily expand their relationships with Meriwest through new financial solutions and offers within digital banking across the branch, ATM and self-service access points. Future members will benefit from automated enrollment into digital banking.

"The board of directors and executive management at Meriwest strongly believe that accessing financial information and transacting the movement of money should be built around the concept of simplicity, which includes delivering seamless, intuitive digital experiences that match or even exceed what members receive from major retailers and tech companies," said Julie Kirsch, president and chief executive officer at Meriwest Credit Union. "NCR has the open architecture and flexibility we need to continuously innovate, backed by top security standards to keep our members' data protected. We are confident that NCR's advanced technology will help support and accelerate our growth."

"Digital engagement has become a strategic priority for institutions to increase market share and build strong, lasting member relationships," said Douglas Brown, president and general manager of digital banking for NCR Corporation. "NCR is committed to delivering the software and services necessary for leading financial institutions like Meriwest Credit Union to effectively grow and compete, and we look forward to supporting Meriwest in this digital transformation."

NCR helps financial institutions bridge digital and physical operations so that they can connect with consumers anytime, anywhere. Through innovative solutions, NCR simplifies and optimizes banking experiences for customers and staff alike. NCR provides a modern and efficient end-to-end infrastructure for customers to connect to the broader enterprise and fintech ecosystem to run self-directed banking.
