

NCR Named Top Five Technology Provider in the IDC FinTech Rankings

September 19, 2022 at 8:00 AM EDT

ATLANTA--(BUSINESS WIRE)--Sep. 19, 2022-- [NCR Corporation](#) (NYSE: NCR), a leading enterprise technology provider, moved up to #4 on the [2022 IDC FinTech Rankings Top 100](#), a comprehensive list of the financial services industry's leading global hardware, software and service providers. NCR celebrates a top 10 ranking as an IDC FinTech leader for more than a decade.

IDC also recognized NCR as a [Fast Track FinTech](#) company. Fast Track FinTechs are those companies in the IDC FinTech Rankings Top 100 that have moved significantly up in the rankings from last year.

The annual [IDC FinTech Rankings](#) categorize and evaluate technology providers based on calendar year revenues from financial institutions for hardware, software, and/or services. Data is gathered from surveys completed by vendors, as well as original research and market analysis conducted by IDC Financial Insights. These providers supply the technological backbone of the financial services industry.

"NCR is recognized as a FastTrack FinTech in our annual IDC FinTech Rankings based on their impressive year-over-year movement up the list," said Marc DeCastro, research director, IDC Financial Insights. "As organizations look to grow and expand, NCR has the breadth of products and services necessary to provide their clients with what they need in today's digital-first financial services industry."

"We are honored to be recognized as a FinTech leader by IDC," said Michael D. Hayford, CEO, NCR Corporation. "It is a privilege to provide the software and services that transform, connect and run our customers' technology platforms around the world, and we are happy to serve them."
