Explanatory Note

As previously announced, NCR Corporation (the “Company”) plans to separate into two independent companies: NCR Voyix Corporation, which will focus on digital commerce, including NCR’s Retail, Restaurant and Digital Banking businesses, and NCR Atleos Corporation (“NCR Atleos”), which will hold NCR’s ATM-focused businesses, including NCR’s Self-Service Banking, Payments & Network and Telecommunications and Technology businesses. This separation will be accomplished by a pro rata distribution (the “Spin-Off”) to Company common stockholders of one (1) share of NCR Atleos common stock for every two (2) shares of Company common stock held as of 5:00 p.m. local New York City time on October 2, 2023, the record date for the Spin-Off. The Spin-Off is expected to be effective as of 5:00 p.m. local New York City time on October 16, 2023. Completion of the Spin-Off is conditioned upon the satisfaction or waiver of certain conditions as set forth in the registration statement on Form 10, initially filed by NCR Atleos with the U.S. Securities and Exchange Commission on June 26, 2023 and as further amended thereafter and declared effective August 11, 2023 (the “Form 10”) and in the related information statement, dated August 14, 2023 attached as Exhibit 99.1 to NCR Atleos’s Form 8-K filed with the U.S. Securities and Exchange Commission on August 15, 2023 (the “Information Statement”). NCR Atleos is currently organized as a limited liability company organized under the laws of the state of Delaware and named NCR Atleos, LLC, but will convert to a corporation organized under the laws of the state of Maryland and named NCR Atleos Corporation prior to the Spin-Off.

In connection with the Spin-Off, NCR Atleos, or one of its subsidiaries, has entered into financing arrangements providing for indebtedness in an aggregate principal amount of up to \$3,435 million, of which approximately \$2,935 million (plus any amounts borrowed as contemplated in the following sentence) will be borrowed on the Spin-Off Closing Date (as defined below), and which will be used, as described below and in the Form 10 and the Information Statement, to, among other things, finance the payment of a cash distribution to the Company, which the Company intends to use to repay a portion of its existing indebtedness. In addition, NCR Atleos expects to utilize up to an additional \$50 million to pay fees and expenses related to the financing transactions or to fund part of the payment of the cash distribution to the Company described in the preceding sentence, which it will fund either by borrowing up to an additional \$50 million prior to the Spin-Off under the Revolving Credit Facility (as defined below) or by utilizing up to \$50 million of its cash on hand at the time of the Spin-Off (or a combination thereof) (the usage of any cash on hand by NCR Atleos in such scenario would in turn reduce NCR Atleos’s expected cash balance at the time of the Spin-Off by such amount). The material terms of these financing arrangements are described below.

Indenture

On September 27, 2023, NCR Atleos Escrow Corporation, a Maryland corporation (the “Escrow Issuer”), and a wholly-owned subsidiary of the Company and NCR Atleos, LLC, closed the previously announced offering by the Escrow Issuer of \$1,350 million aggregate principal amount of 9.500% senior secured notes due 2029 (the “Notes”) to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A, and outside of the United States pursuant to Regulation S, under the Securities Act of 1933, as amended (the “Securities Act”). The Notes were issued pursuant to an indenture (the “Indenture”), dated as of September 27, 2023, between the Escrow Issuer and Citibank, N.A., as trustee and notes collateral agent.

Substantially concurrently with the completion of the Spin-Off, the Escrow Issuer will merge with and into NCR Atleos (the “Escrow Merger”) and NCR Atleos will assume the obligations of the Escrow Issuer under the Notes and the Indenture by executing a supplemental indenture thereto (the “Assumption”).

NCR Atleos intends to use the net proceeds from the issuance of the Notes, together with borrowings under the Credit Facilities (as defined below) and/or cash on hand, (i) to finance the payment of a cash distribution to NCR, which NCR intends to use to repay a portion of its existing indebtedness, (ii) to pay fees and expenses related to the Spin-Off (including, without limitation, the fees and expenses with respect to the foregoing financing arrangements) and (iii) for general corporate purposes. The gross proceeds of the Notes will be held in escrow pending consummation of the Spin-Off (the “Spin-Off Closing Date”).

If the Spin-Off Closing Date does not occur on or prior to the earlier of December 31, 2023 and the date on which the Escrow Issuer notifies the escrow agent and the trustee in writing that NCR Atleos has determined that the Spin-Off will not be consummated, then the Notes will be subject to a special mandatory redemption.

Guarantee and Security

Upon completion of the Escrow Merger, the Assumption, the Spin-Off and transactions contemplated thereby (collectively, the “Transactions”), the Notes will be jointly and severally and unconditionally guaranteed on a senior secured basis, subject to certain limitations, by NCR Atleos’s wholly-owned domestic subsidiaries (the “Subsidiary Guarantors”) that will guarantee the Credit Facilities. Upon completion of the Transactions, the Notes and related guarantees will be secured, subject to permitted liens and certain other exceptions, by first-priority liens on the Collateral (as defined below).

Interest and Maturity

Interest is payable on the Notes semi-annually in arrears at an annual rate of 9.500% on April 1 and October 1 of each year, beginning on April 1, 2024. The Notes will mature on April 1, 2029.

Optional Redemption

At any time after the completion of the Transactions and from time to time, prior to October 1, 2026, NCR Atleos may redeem up to a maximum of 40% of the original aggregate principal amount of the Notes with the proceeds of one or more equity offerings, at a redemption price equal to 109.500% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided that: (i) at least 55% of the original aggregate principal amount of the Notes remains outstanding; and (ii) such redemption occurs within 180 days of the completion of such equity offering.

After the completion of the Transactions and prior to October 1, 2026, NCR Atleos may redeem some or all of the Notes by paying a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus the Applicable Premium, as defined in the Indenture, as of, and accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

On or after October 1 of the relevant year listed below, NCR Atleos may redeem some or all of the Notes at the prices listed below, plus accrued and unpaid interest, if any, to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date): 2026 at a redemption price of 104.750%, 2027 at a redemption price of 102.375% and 2028 and thereafter at a redemption price of 100.000%.

Change of Control

After the completion of the Transactions, upon a Change of Control, as defined in the Indenture, NCR Atleos will be required to offer to repurchase all of the Notes then outstanding at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the date of purchase (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

Covenants and Events of Default

The Indenture contains customary events of default, including, among other things, payment default, exchange default, failure to provide certain notices thereunder and certain provisions related to bankruptcy events. The Indenture also contains customary high yield affirmative and negative covenants, including negative covenants that, among other things, limit NCR Atleos and its restricted subsidiaries' ability to incur additional indebtedness, create liens on, sell or otherwise dispose of assets, engage in certain fundamental corporate changes or changes to lines of business activities, make certain investments or material acquisitions, engage in sale-leaseback or hedging transactions, repurchase common stock, pay dividends or make similar distributions on capital stock, repay certain indebtedness, engage in certain affiliate transactions and enter into agreements that restrict their ability to create liens, pay dividends or make loan repayments.

The foregoing description of the Indenture does not purport to be a complete statement of the parties' rights and obligations under the Indenture and is qualified in its entirety by reference to the Indenture. The Indenture is filed hereto as Exhibit 4.1 and is incorporated herein by reference.

The Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

Credit Agreement

On September 27, 2023, NCR Atleos entered into a credit agreement (the "Credit Agreement") with the Escrow Issuer, subsidiaries of NCR Atleos that may become party thereto as foreign borrowers (if any), the lenders party thereto and Bank of America, N.A., as administrative agent (in such capacity, the "Administrative Agent"). The Credit Agreement provides for new senior secured credit facilities in an aggregate principal amount of \$2,085 million, which are comprised of (i) a five-year multicurrency revolving credit facility in the aggregate principal amount of \$500 million (including (a) a letters of credit sub-facility in an aggregate face amount of up to \$75 million and (b) a sub-facility in an aggregate principal amount of up to \$200 million for borrowings and letters of credit in certain agreed foreign currencies) (the "Revolving Credit Facility", and the loans thereunder, the "Revolving Loans"), (ii) a five-year term loan "A" facility in the aggregate principal amount of \$835 million (the "Term Loan A Facility", and the loans thereunder, the "Term A Loans") and (iii) a five and a half-year term loan "B" facility in the aggregate principal amount of \$750 million (the "Term Loan B Facility", the loans thereunder, the "Term B Loans" and, the Term Loan B Facility, together with the Term Loan A Facility and the Revolving Credit Facility, collectively, the "Credit Facilities").

In connection with the Escrow Merger, NCR Atleos will assume the obligations of the Escrow Issuer under the Credit Agreement.

The net proceeds of the Term Loan B Facility, together with certain other amounts (collectively, the "TLB Escrow Amounts") will be held in escrow pending consummation of the Spin-Off. The Term Loan A Facility has been committed to (the "Term Loan A Commitments") by the lenders providing such facility, but it has not been drawn upon and will not be drawn until substantially concurrently with the Spin-Off Closing Date. If the Spin-Off Closing Date does not occur on or prior to October 27, 2023, the TLB Escrow Amounts will be released and applied to repay the Term Loan B Facility, and the Term Loan A Commitments will terminate.

Interest Rates

The Term A Loans and the Revolving Loans will bear interest based on SOFR (or an alternative reference rate for amounts denominated in a currency other than Dollars), or, at NCR Atleos's option, in the case of amounts denominated in Dollars, at a base reference rate equal to the highest of (a) the federal funds rate plus 0.50%, (b) the rate of interest last quoted by the Administrative Agent as its "prime rate" and (c) the one-month SOFR rate plus 1.00% (the "Base Rate"), plus, as applicable, a margin ranging from 2.50% to 3.50% per annum for SOFR-based Term A Loans and Revolving Loans and ranging from 1.50% to 2.50% per annum for Base Rate-based Term A Loans and Revolving Loans, in each case, depending on NCR Atleos's consolidated leverage ratio.

The Term B Loans will bear interest, at NCR Atleos's option, at SOFR plus a margin of 4.75% per annum or the Base Rate plus a margin of 3.75% per annum.

Fees

In connection with the Senior Credit Facilities, NCR Atleos will pay customary agency fees and a commitment fee based on the daily unused portion of the Revolving Credit Facility and ranging from 0.25% to 0.50% per annum, depending on NCR Atleos's consolidated leverage ratio.

Amortization and Maturity

The outstanding principal balance of the Term Loan A Facility is required to be repaid in quarterly installments beginning with the first full fiscal quarter after the Spin-Off Closing Date in an amount equal to (i) 1.875% of the original principal amount of the Term A Loans during the first three years and (ii) 2.50% of the original principal amount of the Term A Loans during final two years. Any remaining outstanding balance will be due at maturity on the fifth anniversary of the Spin-Off Closing Date.

The outstanding principal balance of the Term Loan B Facility is required to be repaid in quarterly installments beginning with the first full fiscal quarter after the Spin-Off Closing Date in an amount equal to (i) 0.35% of the original principal amount of the Term B Loans during the first year, (ii) 0.875% of the original principal amount of the Term B Loans during the second year, (iii) 1.75% of the original principal amount of the Term B Loans during the third and four years, and (iv) 2.625% of the original principal amount of the Term B Loans thereafter. Any remaining outstanding balance of will be due at maturity on the five and a half year anniversary of the Spin-Off Closing Date.

The Revolving Credit Facility is not subject to amortization and will mature on the fifth anniversary of the Spin-Off Closing Date.

Guarantee and Security

On the Spin-Off Closing Date, NCR Atleos, and the Subsidiary Guarantors and the Administrative Agent will enter into a guarantee and collateral agreement (the "Collateral Agreement"), pursuant to which NCR Atleos and the Subsidiary Guarantors are expected to grant a security interest in the Collateral and provide a guarantee of the obligations under the Credit Facilities in favor of the Administrative Agent.

On the Spin-Off Closing Date, the obligations under the Credit Agreement, and the guarantees of those obligations, are expected to be secured by substantially all of NCR Atleos's assets and the assets of the Subsidiary Guarantors, in each case, subject to customary exceptions and exclusions (the "Collateral").

Mandatory Prepayments

The Credit Agreement requires NCR Atleos to prepay, subject to certain exceptions, outstanding Term A Loans and Term B Loans with:

- 50% (subject to reductions to 25% and 0% based on NCR Atleos's consolidated leverage ratio) of NCR Atleos's annual excess cash flow;
- 100% of the net cash proceeds of certain asset sales and casualty and condemnation events, subject to reinvestment rights and certain other exceptions; and
- 100% of the net cash proceeds of any incurrence or issuance of certain debt, other than debt permitted under the Credit Agreement.

If at any time the aggregate amount of outstanding revolving borrowings, unreimbursed letter of credit drawings and undrawn letters of credit under the Revolving Credit Facility exceeds the aggregate commitments in respect thereof, NCR Atleos is required to repay outstanding Revolving Loans and/or cash collateralize letters of credit.

Representations, Warranties, Covenants and Events of Default

The Credit Agreement contains customary representations and warranties, affirmative covenants, and negative covenants. The negative covenants limit NCR Atleos and its subsidiaries' ability to, among other things, incur indebtedness, create liens on NCR Atleos's or its subsidiaries' assets, engage in fundamental changes, make investments, sell or otherwise dispose of assets, engage in sale-leaseback transactions, make restricted payments, repay subordinated indebtedness, engage in certain transactions with affiliates and enter into agreements restricting the ability of NCR Atleos's subsidiaries to make distributions to NCR Atleos or incur liens on their assets.

The Credit Agreement also contains a financial covenant that does not permit NCR Atleos to allow its consolidated leverage ratio to exceed (i) in the case of any fiscal quarter ending on or prior to September 30, 2024, 4.75:1.00, (ii) in the case of any fiscal quarter ending on or following September 30, 2024 and prior to September 30, 2025, 4.50:1.00 and (iii) in the case of any fiscal quarter ending on or following September 30, 2025, 4.25:1.00, in each case subject, to (x) increases of 0.25 in connection with the consummation of any material acquisition and applicable to the fiscal quarter in which such acquisition is consummated and the three consecutive fiscal quarters thereafter, and (y) a maximum cap of 5.00:1.00.

The Credit Agreement also contains customary events of default including, among other things, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, bankruptcy and insolvency events, material judgments, cross-defaults to material indebtedness and change of control. The occurrence of an event of default could result in the termination of commitments under the Credit Facilities, the acceleration of all outstanding amounts thereunder and the requirement to cash collateralize outstanding letters of credit.

Incremental Facilities

The Credit Agreement permits NCR Atleos to request, from time to time and subject to certain customary conditions, including obtaining commitments therefor (a) increases in any existing tranche of Term A Loans and Term B Loans, (b) the establishment of new tranches of incremental term loans and/or (c) the establishment of incremental revolving commitments, in an aggregate principal amount for all such incremental facilities, when combined with any "incremental equivalent debt", of up to \$300 million plus such amount as would not cause NCR Atleos's consolidated leverage ratio, calculated on a pro forma basis and assuming all incremental commitments were fully drawn, to exceed 3.50 to 1.00.

The foregoing summary of the Credit Agreement is not complete and is qualified in its entirety by reference to the Credit Agreement, a copy of which is attached hereto and are incorporated herein by reference.

For purposes of this definition, whenever pro forma effect is to be given to an acquisition, disposition of assets or Investment, the amount of income or earnings relating thereto and the amount of Consolidated Interest Expense associated with such transactions or any Indebtedness Incurred in connection therewith, the pro forma calculations shall be determined in good faith by a responsible financial or accounting Officer of the Company (including any determinations made in respect of Pro Forma Adjustments). If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Interest Rate Agreement applicable to such Indebtedness if such Interest Rate Agreement has a remaining term in excess of 12 months). If any Indebtedness is incurred under a revolving credit facility and is being given pro forma effect, the interest on such Indebtedness shall be calculated based on the average daily balance of such Indebtedness for the four fiscal quarters subject to the pro forma calculation to the extent that such Indebtedness was incurred solely for working capital purposes.

The amount of any Third Party Interests at any time shall be deemed to equal the aggregate principal, stated or invested amount of such Third Party Interests which are outstanding at such time.

“TIA” means the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of this Indenture.

“Total Assets” means, as of any date of determination, the total assets of the Company and its Restricted Subsidiaries as shown on the most recently prepared consolidated balance sheet of the Company as of the end of the most recent fiscal quarter for which such balance sheet is available, prepared on a consolidated basis in accordance with GAAP, with such pro forma adjustments for transactions consummated on or prior to or simultaneously with the date of the calculation as are consistent with the pro forma adjustment provisions set forth in the definition of Consolidated Coverage Ratio.

“Transactions” means (a) (i) the Spin-Off, (ii) any other transactions contemplated by, or pursuant to, the Spin-Off Documents or otherwise in connection with the Spin-Off (including any cancellation or termination of Indebtedness, agreements, arrangements, commitments or understandings, including intercompany accounts payables, receivables or Indebtedness, between the Company and any of its Subsidiaries (including, prior to the Escrow Merger, the Escrow Issuer), on the one hand, and NCR or any of its Subsidiaries, on the other hand, and making certain intercompany contributions and dividend payments, including, without limitation, the dividend to be paid to NCR that is to be financed from the net proceeds of the Securities as described under “Use of Proceeds” in the Offering Memorandum) and (iii) any other transactions pursuant to agreements or arrangements in effect on the Escrow Release Date on substantially the

terms described in the Offering Memorandum or any amendment, modification, addition or supplement thereto or replacement thereof, as long as the terms of such agreement or arrangement, as so amended, modified, added, supplemented or replaced, are not materially more disadvantageous to the Holders when taken as a whole compared to the applicable agreements as described in the Offering Memorandum (as determined in good faith by the Issuer), (b) the payment of a cash dividend to NCR in connection with the Spin-Off as described in the Offering Memorandum, (c) the issuance of the Securities, (d) the entering into of the Senior Secured Credit Facilities and the borrowing of the loans thereunder and (e) the payment of fees or expenses incurred or paid the Issuer or any Restricted Subsidiary in connection with the foregoing.

“Transition Services Agreement” means the Transition Services Agreement between NCR and the Company, to be dated on or prior to the Escrow Release Date.

“Trustee” has the meaning given to it in the Preamble hereto until a successor replaces it and, thereafter, means the successor.

“Uniform Commercial Code” or “UCC” means the New York UCC; provided that if by reason of mandatory provisions of law, the perfection, the effect of perfection or non-perfection or priority of a security interest is governed by the personal property security laws of any jurisdiction other than New York, “Uniform Commercial Code” or “UCC” shall mean those personal property security laws as in effect in such other jurisdiction for the purposes of the provisions hereof relating to such perfection or priority and for the definitions related to such provisions.

“Unrestricted Cash” means, as of any date, unrestricted cash and Cash Equivalents owned by the Company and the Restricted Subsidiaries that are not, and are not presently required under the terms of any agreement or other arrangement binding on the Company or any Restricted Subsidiary on such date to be, (a) pledged to or held in one or more accounts under the control of one or more creditors of the Company or any Restricted Subsidiary (other than to secure any Equal Priority Obligations), (b) otherwise segregated from the general assets of the Company and the Restricted Subsidiaries, in one or more special accounts or otherwise, for the purpose of securing or providing a source of payment for Indebtedness or other obligations that are or from time to time may be owed to one or more creditors of the Company or any Restricted Subsidiary (other than to secure any Equal Priority Obligations) or (c) held by a non-Wholly Owned Subsidiary or that is subject to restrictions (in the case of foreign laws or approvals of foreign Governmental Authorities applicable to Foreign Subsidiaries, of which the Company has actual knowledge) on its ability to pay dividends or distributions; provided that Unrestricted Cash on any date will include the pro rata share (based on their relative holdings of Equity Interests entitled to dividends and distributions) of the Company and its wholly owned Restricted Subsidiaries of the Unrestricted Cash of any non-wholly owned Restricted Subsidiary not subject to such restrictions. It is agreed that cash and Cash Equivalents held in ordinary deposit or security accounts and not subject to any existing or contingent restrictions on transfer by the Company or a Restricted Subsidiary will not be excluded from Unrestricted Cash by reason of set-off rights or other Liens created by law or by applicable account agreements in favor of the depository institutions or security intermediaries or Liens to secure any Equal Priority Obligations.

“Unrestricted Subsidiary” means:

(a) any Subsidiary of the Company that at the time of determination shall be designated an Unrestricted Subsidiary by the Board of Directors in the manner provided below; and

(b) any Subsidiary of an Unrestricted Subsidiary.

The Board of Directors may designate any Subsidiary of the Company (including any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Capital Stock or Indebtedness of, or holds any Lien on any property of, the Company or any other Subsidiary of the Company that is not a Subsidiary of the Subsidiary to be so designated; provided, however, that either (i) the Subsidiary to be so designated has total assets of \$1,000 or less or (ii) if such Subsidiary has assets greater than \$1,000, such designation would be permitted under Section 4.04. Notwithstanding anything set forth above, (A) the designation of any Restricted Subsidiary as an Unrestricted Subsidiary will require that no such Restricted Subsidiary may own or be an exclusive licensee of any Material Intellectual Property at the time of such designation and (B) neither the Company nor any Subsidiary Guarantor will be permitted to transfer Material Intellectual Property to an Unrestricted Subsidiary, except to the extent that such transfer constitutes a Permitted IP Transfer.

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; provided, however, that immediately after giving effect to such designation (i) the Company could Incur the Indebtedness of such Unrestricted Subsidiary under Section 4.03 (such designation shall be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of any Indebtedness of such Unrestricted Subsidiary) and (ii) no Default shall have occurred and be continuing. Any such designation by the Board of Directors shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the resolution of the Board of Directors giving effect to such designation and an Officer’s Certificate certifying that such designation complied with the foregoing provisions. Notwithstanding the foregoing, the Escrow Issuer shall be deemed an Unrestricted Subsidiary prior to the Assumption Date. As of the Issue Date, subject to the prior sentence, there will not be any Unrestricted Subsidiaries.

“U.S. Dollar Equivalent” means with respect to any monetary amount in a currency other than U.S. dollars, at any time for determination thereof, the amount of U.S. dollars obtained by converting such foreign currency involved in such computation into U.S. dollars at the spot rate for the purchase of U.S. dollars with the applicable foreign currency as published in The Wall Street Journal in the “Exchange Rates” column under the heading “Currency Trading” on the date two Business Days prior to such determination. Except as described under Section 4.03, whenever it is necessary to determine whether the Company has complied with any covenant in this Indenture or if a Default has occurred and an amount is expressed in a currency other than U.S. dollars, such amount shall be treated as the U.S. Dollar Equivalent determined as of the date such amount is initially determined in such currency.

“U.S. Government Obligations” means direct obligations (or certificates representing an ownership interest in such obligations) of the United States of America (including any agency or instrumentality thereof) for the payment of which the full faith and credit of the United States of America is pledged and which are not callable at the issuer’s option.

ARTICLE 2

The Securities

SECTION 2.01. Form and Dating. Provisions relating to the Securities are set forth in Appendix A hereto (the "Appendix"), which is hereby incorporated in and expressly made a part of this Indenture. The (a) Original Securities and the Trustee's certificate of authentication and (b) any Additional Securities (if issued as Transfer Restricted Securities) and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company or any Subsidiary Guarantor is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company). Each Security shall be dated the date of its authentication. The Securities shall be issuable only in registered form without interest coupons and only in denominations of \$2,000 and whole multiples of \$1,000 in excess thereof. The terms of the Securities set forth in the Appendix and Exhibits hereto are part of the terms of this Indenture. However, to the extent any provision of any Security conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

SECTION 2.02. Execution and Authentication. One Officer of the Issuer shall sign the Securities for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

On the Issue Date, the Trustee shall authenticate and deliver \$1,350,000,000 of 9.500% Senior Secured Notes due 2029 and, at any time and from time to time thereafter, upon receipt of a Company Order, the Trustee shall authenticate and deliver Additional Securities in an aggregate principal amount specified in a Company Order. Such Company Order shall specify the amount of the Additional Securities to be authenticated and the date on which the issue of Additional Securities is to be authenticated and shall certify that such issuance is in compliance with Section 4.03 and Section 4.13. The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Responsible Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.03. Registrar and Paying Agent. (a) The Issuer shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Securities may be presented for payment (the “Paying Agent”). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent, and the term “Registrar” includes any co-registrars. The Issuer initially appoints the Trustee at its Corporate Trust Office as (i) Registrar and Paying Agent in connection with the Securities and (ii) the Securities Custodian with respect to the Global Securities. In acting hereunder in connection with the Securities, the Securities Custodian, the Registrar and the Paying Agent shall act solely as an agent of the Issuer, and will not thereby assume any fiduciary duty or other obligations towards or relationship of agency or trust for or with any of the owners or Holders.

(b) The Issuer shall enter into an appropriate agency agreement with any Registrar, Paying Agent or co-registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.06. The Company or any of its domestically organized Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

(c) The Issuer may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; provided, however, that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee.

SECTION 2.04. Paying Agent to Hold Money in Trust. Prior to each due date of the principal of and interest on any Security, the Issuer shall deposit with the Paying Agent (or if the Company or a Wholly Owned Subsidiary is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of and interest on the Securities, and shall notify the Trustee of any default by the Issuer in making any such payment. If the Company or a Subsidiary of the Company acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.04, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.06. Transfer and Exchange. The Securities shall be issued in registered form and shall be transferable only upon the surrender of a Security for registration of transfer and in compliance with the Appendix. When a Security is presented to the Registrar or a co-registrar with a request to register a transfer, the Registrar shall register the transfer as requested if the requirements of this Indenture and Section 8-401(1) of the Uniform Commercial Code are met. When Securities are presented to the Registrar or a co-registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuer shall execute and upon receipt of a Company Order, the Trustee shall authenticate Securities at the Registrar's or co-registrar's request. The Issuer or the Trustee may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section 2.06 (other than any such transfer taxes, assessments or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 3.06, 4.06, 4.08 and 9.04). The Issuer shall not be required to make and the Registrar need not register transfers or exchanges of Securities selected for redemption (except, in the case of Securities to be redeemed in part, the portion thereof not to be redeemed) or any Securities for a period of 15 days before a selection of Securities to be redeemed or 15 days before an interest payment date.

Prior to the due presentation for registration of transfer of any Security, the Issuer, the Subsidiary Guarantors, the Trustee, the Paying Agent, the Registrar and any co-registrar may deem and treat the Person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and (subject to Section 2 of the Securities) interest, if any, on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Issuer, any Subsidiary Guarantor, the Trustee, the Paying Agent, the Registrar or any co-registrar shall be affected by notice to the contrary.

Any Holder of a Global Security shall, by acceptance of such Global Security, agree that transfers of beneficial interest in such Global Security may be effected only through a book-entry system maintained by (a) the Holder of such Global Security (or its agent) or (b) any Holder of a beneficial interest in such Global Security, and that ownership of a beneficial interest in such Global Security shall be required to be reflected in a book entry.

All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

SECTION 2.07. Replacement Securities. If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Issuer shall issue and upon receipt of a Company Order, the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) satisfies the Issuer or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuer or the Trustee prior to the Security being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a “protected purchaser”) and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity, security and/or indemnity bond sufficient in the judgment of the Issuer and the Trustee to protect the Issuer, the Trustee, the Paying Agent, the Registrar and any co-registrar from any loss that any of them may suffer if a Security is replaced. The Issuer and the Trustee may charge the Holder a sum sufficient for their expenses in replacing a Security. In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Issuer in its discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional Obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.08. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 11.05, a Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security.

If a Security is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Security is held by a protected purchaser.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.09. Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive Securities are ready for delivery, the Issuer may prepare and execute a Company Order, upon receipt of which, the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Issuer considers appropriate for temporary Securities. Without unreasonable delay, the Issuer shall prepare and execute a Company Order, upon receipt of which, the Trustee shall authenticate Definitive Securities and deliver them in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Issuer, without charge to the Holder.

SECTION 2.10. Cancellation. The Issuer at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and destroy (subject to the record retention requirements of the Exchange Act) all Securities surrendered for registration of transfer, exchange, payment or cancellation and deliver a certificate of such destruction to the Issuer unless the Issuer directs the Trustee to deliver canceled Securities to the Issuer pursuant to written direction by an Officer. The Issuer may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of cancelled Securities other than pursuant to the terms of this Indenture.

SECTION 2.11. Defaulted Interest. If the Issuer defaults in a payment of interest on the Securities, the Issuer shall pay the defaulted interest (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly deliver or cause to be delivered to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid. The Trustee will have no duty or responsibility to determine whether any defaulted interest is payable or the amount thereof.

SECTION 2.12. CUSIP Numbers, ISINs, etc. The Issuer in issuing the Securities may use “CUSIP” numbers, ISINs and “Common Code” numbers (in each case if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly advise the Trustee in writing of any change in any “CUSIP” numbers, ISINs or “Common Code” numbers applicable to the Securities.

SECTION 2.13. Issuance of Additional Securities. After the Issue Date, the Issuer shall be entitled, subject to its compliance with Section 4.03 and Section 4.13, to issue Additional Securities under this Indenture, which Securities shall have identical terms as the Securities issued on the Issue Date, other than with respect to the date of issuance, issue price, original interest accrual date and original interest payment date. All the Securities issued under this Indenture shall be treated as a single class for all purposes of this Indenture, including waivers, amendments, redemptions and offers to purchase; provided, however, that in the event that any Additional Securities are not fungible with the Securities for U.S. Federal income tax purposes, such nonfungible Additional Securities shall be issued with a separate CUSIP or ISIN number so that they are distinguishable from the Securities.

With respect to any Additional Securities, the Issuer shall set forth in a resolution of the Board of Directors and an Officer's Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Securities to be authenticated and delivered pursuant to this Indenture and the provision of Section 4.03 and Section 4.13 that the Issuer is relying on to issue such Additional Securities; and
- (b) the issue price, the issue date and the CUSIP number of such Additional Securities.

In authenticating and delivering Additional Securities, the Trustee shall be entitled to receive and shall be fully protected in relying upon, the Opinion of Counsel and Officer's Certificate required by Section 11.02.

SECTION 2.14. Maintenance of Office or Agency.

The Issuer will maintain, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee) where Securities may be surrendered for registration of transfer or for exchange. If the Definitive Securities are issued and outstanding, such office must be in the contiguous United States. The Issuer initially designates the Corporate Trust Office of the Trustee for such purposes. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer fails to maintain any such required office or agency or fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the Corporate Trust Office of the Trustee; provided that, no office of the Trustee shall be an office or agency of the Issuer for the purposes of service of legal process on the Issuer or any Subsidiary Guarantor.

The Issuer may also from time to time designate one or more other offices or agencies where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission will in any manner relieve the Issuer of its obligation to maintain an office or agency in the contiguous United States for such purposes if required. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

With respect to any Global Securities, the Corporate Trust Office of the Trustee shall be the office or agency where such Global Securities may be presented or surrendered for payment or for registration of transfer or exchange, or where successor Securities may be delivered in exchange therefor; provided, however, that any such presentation, surrender or delivery effected pursuant to the applicable procedures of the applicable depository shall be deemed to have been effected at such office or agency in accordance with the provisions of this Indenture.

ARTICLE 3

Redemption

SECTION 3.01. Notices to Trustee. If the Company elects to redeem Securities pursuant to Section 5 of the Securities, it shall notify the Trustee in writing of the redemption date and the principal amount of Securities to be redeemed.

The Company shall give each notice to the Trustee provided for in this Section 3.01 at least 60 days before the redemption date unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officer's Certificate and an Opinion of Counsel from the Company to the effect that such redemption shall comply with the conditions herein. Any such notice may be canceled by written notice of the Company to the Trustee at any time prior to notice of such redemption being delivered to any Holder pursuant to Section 3.03 and shall thereby be void and of no effect.

SECTION 3.02. Selection of Securities to Be Redeemed. If fewer than all the Securities are to be redeemed, the Trustee shall select the Securities to be redeemed on a pro rata basis to the extent practicable, by lot or by such other method as the Trustee shall deem to be fair and appropriate, subject to the applicable procedures of DTC, unless another method is required by law or applicable exchange or depository requirements. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$2,000. Securities and portions of them the Trustee selects shall be in principal amounts of \$2,000 or a whole multiple of \$1,000 in excess thereof, to the extent practicable. The Company shall redeem Securities in principal amounts of \$2,000 or less in whole and not in part, to the extent practicable. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption.

SECTION 3.03. Notice of Redemption. (a) At least 10 days but not more than 60 days before a date for redemption of Securities, the Company shall cause notices of redemption to be delivered electronically, in accordance with DTC procedures in the case of Global Securities, or be mailed by first-class mail (or otherwise delivered through the depositary's requirement if the Securities are held through a depositary) to each Holder of Securities to be redeemed at such Holder's registered address, except that redemption notices may be delivered electronically, in accordance with DTC procedures in the case of Global Securities, or be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of this Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Security redeemed in accordance with the provisions of this Indenture.

The notice shall identify the Securities to be redeemed and shall state:

(i) the redemption date;

(ii) the redemption price and the amount of accrued interest to the redemption date;

(iii) the name and address of the Paying Agent;

(iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(v) if fewer than all the outstanding Securities are to be redeemed (and if other than on a pro rata basis), the identification numbers and principal amounts (which amounts may be stated as a ratio of the amount to be redeemed per \$1,000 principal amount outstanding) of the particular Securities to be redeemed;

(vi) that, unless the Company defaults in making such redemption payment, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(vii) the "CUSIP" number, ISIN or "Common Code" number, if any, printed on the Securities being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the "CUSIP" number, ISIN or "Common Code" number, if any, listed in such notice or printed on the Securities.

(b) At the Company's request, upon written notice provided to the Trustee at least 45 days prior to the redemption date, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section 3.03 and a copy of the proposed notice of redemption to be delivered or mailed, as applicable, to the Holders at least two Business Days prior to the date that such notice is to be delivered to Holders (or such shorter period as the Trustee may agree to).

(c) Any redemption or notice of redemption may, at the Company's option and discretion, be subject to one or more conditions precedent, including the consummation of an incurrence or issuance of debt or equity or a Change of Control or other corporate transaction. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition and, if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion) or that such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date as stated in such notice, or by the redemption date as so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person. The Company shall provide at least two Business Days' prior written notice to the Trustee prior to the redemption date (or such lesser period as the Trustee may agree to) if any such redemption is being rescinded or delayed, and upon receipt, the Trustee shall promptly provide such notice to each Holder.

(d) The Company may redeem the Securities pursuant to one or more of the relevant redemption provisions set forth in Section 5 of the Securities, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions set forth in Section 5 of the Securities will have different redemption dates and, with respect to the redemptions that occur on the same date, may specify the order in which such redemptions are deemed to occur.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is delivered or mailed, as applicable, pursuant to Section 3.03, subject to Section 3.03(c), Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest and Applicable Premium, if any, to, but not including, the redemption date; provided, however, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest and Applicable Premium, if any, shall be payable to the Holder of the redeemed Securities registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.05. Deposit of Redemption Price. No later than 10:00 a.m. New York City time on the redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest and Applicable Premium, if any, on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for

redemption that have been delivered by the Company to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Company has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest and Applicable Premium, if any, on, the Securities to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture. For the avoidance of doubt, the Company shall be responsible for calculating the Applicable Premium and the Treasury Rate. The Trustee shall have no duty to calculate the Applicable Premium and the Treasury Rate nor shall it have any duty to review or verify the Company's calculations of the Applicable Premium and the Treasury Rate. All such calculations made by the Company will be made in good faith and, absent manifest error, will be final and binding on the Trustee. The Company will provide a schedule of such calculations to the Trustee, and the Trustee will be entitled to conclusively rely on the accuracy of such calculations without independent verification.

SECTION 3.06. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Company shall execute and, upon receipt of a Company Order, the Trustee shall authenticate for the Holder (at the Company's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

SECTION 3.07. Special Mandatory Redemption. (a) In the event that (i) the Escrow Agent and the Trustee shall not have received the Officer's Certificate from the Escrow Issuer or the Company (as successor to the Escrow Issuer) described in Section 2(a) of the Escrow Agreement on or prior to the Outside Date or (ii) the Escrow Issuer shall notify the Escrow Agent in writing that the Company has determined that the Spin-Off will not be consummated on or prior to the Outside Date or otherwise announces that the Spin-Off has been or will be abandoned (each such event being a "Special Mandatory Redemption Event"), the Escrow Issuer will redeem all of the Securities (the "Special Mandatory Redemption") at a price equal to 100% of the initial issue price of the Securities to be redeemed, plus accrued and unpaid interest from the Issue Date, or from the most recent date to which interest has been paid, to, but not including the Special Mandatory Redemption Date (the "Special Mandatory Redemption Price"). Notice of the occurrence of a Special Mandatory Redemption Event will be given by the Company (a "Special Redemption Notice") within three Business Days following the occurrence of a Special Mandatory Redemption Event, to the Trustee, the Escrow Agent and the Holders through DTC. Within five Business Days after the Special Mandatory Redemption Event or as otherwise required by DTC's procedures, the Escrow Issuer will redeem the Securities at the Special Mandatory Redemption Price pursuant to the procedures described in the following paragraph (the date of such redemption, the "Special Mandatory Redemption Date"). In no event shall the Special Mandatory Redemption Date fall less than two Business Days after the date of the Special Redemption Notice.

(b) If the Escrow Agent receives a Special Redemption Notice, the Escrow Agent will liquidate all Escrowed Funds (including investment earnings thereon and proceeds thereof) then held by it not later than the last Business Day prior to the Special Mandatory Redemption Date. On the Business Day prior to the Special Mandatory Redemption Date, the Escrow Agent shall pay to the Trustee for payment to each Holder the Special Mandatory Redemption Price for such Holder's Securities and, concurrently with the payment to such Holders, deliver the excess Escrowed Funds (if any), after payment of any fees and expenses (including attorneys' fees and expenses) of the Escrow Agent and Trustee, to the Company.

(c) No provisions of the Escrow Agreement (including those relating to the Escrow Release) may be waived or modified in any manner materially adverse to the Holders without the written consent of the Holders of a majority in principal amount of the Securities outstanding: provided that no such amendment, waiver or modification shall reduce the Special Mandatory Redemption Price without the written consent of each affected Holder.

ARTICLE 4

Covenants

SECTION 4.01. Payment of Securities. The Issuer shall promptly pay the principal of and interest and Applicable Premium, if any, on the Securities on the dates and in the manner provided in the Securities and in this Indenture. Principal, interest and Applicable Premium, if any, shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due.

The Issuer shall pay interest on overdue principal at the rate specified therefor in the Securities, and it shall pay interest on overdue installments of interest and overdue Applicable Premium, if any, at the same rate to the extent lawful.

SECTION 4.02. SEC Reports. (a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, from and after the Escrow Release Date, the Company shall file with the SEC (subject to Section 4.02(b)), and promptly after such filing provide the Trustee (and Holders, to the extent not publicly available on the SEC's EDGAR system or the Company's website) with such annual and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such reports to be so filed and provided at the times specified for the filings of such reports under such Sections for non-accelerated filers (and including any extensions permitted under the Exchange Act) and containing all the information, audit reports and exhibits required for such reports.

(b) If, at any time, the Company is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, the Company shall no longer be required to file the reports specified in Section 4.02(a) with the SEC and the Company will be permitted to satisfy its obligations under Section 4.02(a) by posting the reports specified in Section 4.02(a) on its website within the time periods that would apply if the Company were required to file those reports with the SEC as a non-accelerated filer (and including any extensions that would have been permitted under the Exchange Act).

(c) The delivery of any reports, information and documents to the Trustee shall be for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive knowledge or notice of any information contained therein or determinable from information contained therein, including the compliance with any of the Company's covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate). The Trustee shall have no responsibility for the filing, timeliness or content of reports.

(d) The Trustee shall have no obligation to determine whether or not such information, documents or reports have been filed pursuant to the SEC's EDGAR filing system (or its successor) or postings to any website have occurred. The Trustee shall have no duty to participate in or monitor any conference calls.

(e) At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries, and if any such Unrestricted Subsidiaries or group of Unrestricted Subsidiaries, if taken as one Subsidiary, would hold in the aggregate more than 5.0% of the Total Assets of the Company, then the quarterly and annual financial information required by Section 4.02(a) shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in "Management's Discussion and Analysis of Financial Condition and Results of Operations", of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(f) At any time when the Company is no longer subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, (i) any information that the Company would have been required to provide on Form 8-K shall be limited to information required under Items 1.01, 1.02, 1.03, 2.01, 2.05, 2.06, 4.01, 4.02, 5.01 and 5.02(b) and (c) as in effect on the Issue Date and (ii) none of the reports required to be provided by this Section 4.02 will be required to (A) comply with Section 302, 404 and 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, or Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein), (B) contain the information required by Items 201, 402, 403, 405, 406, 407, 701 or 703 of Regulation S-K, (C) contain the separate financial information contemplated by Rules 3-10, 3-16, 13-01 or 13-02 of Regulation S-X promulgated by the SEC (or any successor rules) and (D) provide financial statements in interactive data format using the eXtensible Business Reporting Language.

(g) In addition, at any time when the Company is no longer subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company shall furnish to the Holders and to prospective investors, upon the requests of such Holders, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Securities are not freely transferable under the Securities Act.

(h) Notwithstanding the foregoing, the Company will be deemed to have furnished the reports referred to in this Section 4.02 to the Trustee and the Holders if the Company has filed such reports with the SEC via the EDGAR filing system and such reports are publicly available.

SECTION 4.03. Limitation on Indebtedness. (a) The Company shall not, and shall not permit any Restricted Subsidiary to, Incur, directly or indirectly, any Indebtedness; provided, however, that the Company and the Subsidiary Guarantors shall be entitled to Incur Indebtedness if, on the date of such Incurrence and after giving effect thereto on a pro forma basis, the Consolidated Coverage Ratio would have been at least 2.0 to 1.0 (any such Indebtedness Incurred pursuant to this clause (a) being herein referred to as "Coverage Indebtedness").

(b) Section 4.03(a) shall not prohibit the Incurrence of the following Indebtedness (any such Indebtedness Incurred pursuant to this clause (b) being herein referred to as "Permitted Indebtedness"):

(i) Indebtedness Incurred by the Company pursuant to any Credit Facility (including the Senior Secured Credit Facilities); provided, however, that, after giving effect to any such Incurrence, the aggregate principal amount of all Indebtedness Incurred under this Section 4.03(b)(i) and then outstanding does not exceed \$2,385,000,000 (any such Indebtedness Incurred pursuant to this Section 4.03(b)(i) being herein referred to as "Credit Facility Indebtedness");

(ii) Indebtedness owed to and held by the Company or a Restricted Subsidiary (including any Intercompany Permitted Receivables Facility Note); provided, however, that (A) any subsequent issuance or transfer of any Capital Stock which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of such Indebtedness (other than to the Company or a Restricted Subsidiary) shall be deemed, in each case, to constitute the Incurrence of such Indebtedness by the obligor thereon and (B) if the Company is the obligor on such Indebtedness, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations with respect to the Securities and (C) if a Subsidiary Guarantor is the obligor on such Indebtedness, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations of such Subsidiary Guarantor with respect to its Subsidiary Guarantee;

(iii) the Securities (other than any Additional Securities) and the Subsidiary Guarantees (including, for the avoidance of doubt, future Subsidiary Guarantees);

(iv) Indebtedness of the Company and its Restricted Subsidiaries outstanding on the Escrow Release Date (other than Indebtedness described in Sections 4.03(b)(i), 4.03(b)(ii) or 4.03(b)(iii));

(v) Indebtedness of a Restricted Subsidiary Incurred and outstanding on or prior to the date on which such Subsidiary was acquired by the Company or a Restricted Subsidiary (other than Indebtedness Incurred in connection with, or to provide all or any portion of the funds or credit support utilized to consummate, the transaction or series of related transactions pursuant to which such Subsidiary became a Subsidiary or was acquired by the Company or a Restricted Subsidiary); provided, however, that on the date of such acquisition and after giving pro forma effect thereto, either (x) the Company would have been entitled to Incur at least \$1.00 of Coverage Indebtedness pursuant to Section 4.03(a) or (y) the Consolidated Coverage Ratio would have been equal to or greater than the Consolidated Coverage Ratio immediately prior to such acquisition;

(vi) Refinancing Indebtedness in respect of any Coverage Indebtedness or any Permitted Indebtedness Incurred pursuant to Sections 4.03(b)(iii), 4.03(b)(iv), 4.03(b)(v) or 4.03(b)(vi);

(vii) Hedging Obligations designed to manage interest rates or interest rate risk or to protect against fluctuations in currency exchange rates, and not for the purpose of speculation; provided, however, that in the case of Hedging Obligations relating to interest rates, (A) such Hedging Obligations relate to payment obligations in respect of Indebtedness otherwise permitted to be Incurred by this Section 4.03 and (B) the notional principal amount of such Hedging Obligations at the time Incurred does not exceed the principal amount of the Indebtedness to which such Hedging Obligations relate;

(viii) obligations in respect of performance, bid, appeal and surety bonds and completion guarantees, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance or similar obligations provided by the Company or any Restricted Subsidiary in the ordinary course of business or consistent with past practice;

(ix) (A) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished within 10 Business Days of its Incurrence and (B) Indebtedness owed by the Company or any Subsidiary pursuant to intercompany cash pooling arrangements in the ordinary course of business;

(x) the Guarantee by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Restricted Subsidiary that was permitted to be Incurred by another provision of this Section 4.03; provided, however, that if the Indebtedness being guaranteed is subordinated to or pari passu with the Securities, then the Guarantee thereof Incurred pursuant to this Section 4.03(b)(x) shall be subordinated or pari passu, as applicable, to the same extent as the Indebtedness being Guaranteed;

(xi) Indebtedness of Foreign Subsidiaries, and any Refinancing Indebtedness Incurred to Refinance such Indebtedness, in an aggregate principal amount outstanding on the date of such Incurrence and Incurred pursuant to this Section 4.03(b)(xi) not in excess of the greater of (x) \$300,000,000 and (y) 5.50% of Total Assets (plus, in the case of any Refinancing Indebtedness, the Additional Refinancing Amount);

(xiii) Indebtedness in respect of any Permitted Receivables Facility (including in respect of any related Standard Receivables Undertakings incurred in connection with such Permitted Receivables Facility), and any Refinancing Indebtedness Incurred to Refinance such Indebtedness, in an aggregate principal amount outstanding on the date of such Incurrence and Incurred pursuant to this Section 4.03(b)(xiii) not in excess of the greater of (x) \$250,000,000 and (y) 50% of the book value of the Company's and its consolidated Subsidiaries' Receivables (plus, in the case of any Refinancing Indebtedness, the Additional Refinancing Amount);

(xiv) Purchase Money Indebtedness Incurred to finance the purchase, lease, expansion, construction, installation, replacement, repair or improvement of by the Company or a Restricted Subsidiary of assets, whether through the direct purchase of assets or otherwise (including the purchase of the Capital Stock of any Person owning such assets), and any Refinancing Indebtedness Incurred to Refinance such Indebtedness, in an aggregate principal amount which, when added together with the amount of Indebtedness Incurred pursuant to this Section 4.03(b)(xiv) and Section 4.03(b)(xvi) and then outstanding, does not exceed the greater of (x) \$175,000,000 and (y) 3.0% of Total Assets (plus, in the case of any Refinancing Indebtedness, the Additional Refinancing Amount);

(xv) Indebtedness of the Company or any Restricted Subsidiary, and any Refinancing Indebtedness Incurred to Refinance such Indebtedness, in an aggregate principal amount which, when taken together with all other Indebtedness of the Company and the Restricted Subsidiaries outstanding on the date of such Incurrence and Incurred pursuant to this Section 4.03(b)(xv) does not exceed the greater of (x) \$250,000,000 and (y) 4.50% of Total Assets (plus, in the case of any Refinancing Indebtedness, the Additional Refinancing Amount); provided that the aggregate principal amount of Indebtedness of the Restricted Subsidiaries that are not Subsidiary Guarantors permitted by this Section 4.03(b)(xv) shall not exceed at any time outstanding the greater of (x) \$150,000,000 and (y) 3.0% of Total Assets (plus, in the case of any Refinancing Indebtedness, the Additional Refinancing Amount);

(xvii) Indebtedness of the Company or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued pursuant to Credit Facility Indebtedness, in a principal amount not in excess of the stated amount of such letter of credit or bank guarantee;

(xviii) Indebtedness of the Company or any Restricted Subsidiary consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply arrangements, in each case incurred in the ordinary course of business;

(xix) Indebtedness consisting of (x) Indebtedness issued by the Company or a Restricted Subsidiary to future, current or former officers, directors, employees and consultants thereof or any immediate family members thereof, in each case to finance the purchase or redemption of Capital Stock of the Company or any direct or indirect parent of the Company and (y) Indebtedness representing deferred compensation to employees and consultants of the Company or any Restricted Subsidiary Incurred in the ordinary course of business; and

(xx) Indebtedness incurred by the Company or any Restricted Subsidiary to the extent that the net proceeds thereof are deposited with the Trustee at or promptly after the funding of such Indebtedness to satisfy and discharge the Securities or exercise the Issuer's legal defeasance or covenant defeasance option as permitted under Article 8 of this Indenture.

(c) For purposes of determining compliance with this Section 4.03:

(i) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the types of Indebtedness in one of the above clauses, the Company, in its sole discretion, shall classify such item of Indebtedness (or any portion thereof) at the time of Incurrence, or later reclassify such item of Indebtedness (or any portion thereof), and shall only be required to include the amount and type of such Indebtedness in one of the above clauses; provided, however, that any Indebtedness outstanding on the Escrow Release Date under the Senior Secured Credit Facilities will at all times be treated as

Incurred on the Escrow Release Date under Section 4.03(b)(i); provided further that subject to the preceding proviso, at any time the Company could be deemed to have Incurred any Indebtedness pursuant to Section 4.03(a), all Indebtedness shall be automatically reclassified into Indebtedness Incurred pursuant to Section 4.03(a) to the extent of availability;

(ii) the Company shall be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in this Section 4.03 and, in that connection, the Company shall be entitled to treat a portion of such Indebtedness as Coverage Indebtedness and the balance of such Indebtedness as an item or items of Permitted Indebtedness;

(iii) any Permitted Indebtedness originally classified as Incurred pursuant to one of the clauses in Section 4.03(b) (other than pursuant to Sections 4.03(b)(i) or 4.03(b)(ii)) may later be reclassified by the Company such that it shall be deemed as having been Incurred as Coverage Indebtedness pursuant to Section 4.03(a) or as Permitted Indebtedness pursuant to another clause in Section 4.03(b), as applicable, to the extent that such reclassified Indebtedness could be Incurred pursuant thereto at the time of such reclassification;

(iv) in connection with the Company's or a Restricted Subsidiary's entry into an instrument containing a binding commitment in respect of any revolving Indebtedness, the Company may elect, pursuant to an Officer's Certificate delivered to the Trustee, to treat all or any portion of such commitment (any such amount elected until revoked as described below, an "Elected Amount") under any Indebtedness which is to be Incurred (or any commitment in respect thereof) or secured by a Lien, as the case may be, as being Incurred as of such election date, and (i) any subsequent Incurrence of Indebtedness under such commitment (so long as the total amount under such Indebtedness does not exceed the Elected Amount) shall not be deemed, for purposes of any calculation under this Indenture, to be an Incurrence of additional Indebtedness or an additional Lien at such subsequent time, (ii) the Company may revoke an election of an Elected Amount at any time pursuant to an Officer's Certificate delivered to the Trustee and (iii) for purposes of all subsequent calculations of the Consolidated Coverage Ratio, Consolidated Secured Leverage Ratio and the Consolidated Leverage Ratio, the Elected Amount (if any) shall be deemed to be outstanding, whether or not such amount is actually outstanding, so long as the applicable commitment remains outstanding;

(v) (a) Guarantees or obligations with respect to letters of credit supporting Indebtedness otherwise included in the determination of such particular amount shall not be included and (b) the principal amount of Indebtedness outstanding under any clause of this Section 4.03 shall be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness; and

(vi) the accrual of interest, the accretion or amortization of original issue discount and the payment of interest on Indebtedness in the form of additional Indebtedness or payment of dividends on Capital Stock in the form of additional shares of Capital Stock with the same terms will not be deemed to be an Incurrence of Indebtedness or issuance of Capital Stock for purposes of this Section 4.03.

(d) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness where the Indebtedness Incurred is denominated in a different currency, the amount of such Indebtedness shall be the U.S. Dollar Equivalent determined on the date of the Incurrence of such Indebtedness; provided, however, that if any such Indebtedness denominated in a different currency is subject to a Currency Agreement with respect to U.S. dollars covering all principal, premium, if any, and interest payable on such Indebtedness, the amount of such Indebtedness expressed in U.S. dollars shall be as provided in such Currency Agreement. The principal amount of any Refinancing Indebtedness Incurred in the same currency as the Indebtedness being Refinanced shall be the U.S. Dollar Equivalent, as appropriate, of the Indebtedness Refinanced, except to the extent that (i) such U.S. Dollar Equivalent was determined based on a Currency Agreement, in which case the Refinancing Indebtedness shall be determined in accordance with the preceding sentence, and (ii) the principal amount of the Refinancing Indebtedness exceeds the principal amount of the Indebtedness being Refinanced, in which case the U.S. Dollar Equivalent of such excess, as appropriate, shall be determined on the date such Refinancing Indebtedness is Incurred.

(e) For all purposes under this Indenture, no Indebtedness will be deemed to be subordinated in right of payment or junior to any other Indebtedness solely by virtue of being unsecured or by virtue of being secured on a junior priority basis or because it is guaranteed by other obligors (or as a result of the control of remedies).

SECTION 4.04. Limitation on Restricted Payments. (a) The Company shall not, and shall not permit any Restricted Subsidiary, directly or indirectly, to make a Restricted Payment if at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

- (i) a Default shall have occurred and be continuing (or would result therefrom);
- (ii) the Company is not entitled to Incur an additional \$1.00 of Coverage Indebtedness pursuant to Section 4.03(a); or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments since the Escrow Release Date would exceed the sum of (without duplication):

(A) 50% of the Consolidated Net Income accrued during the period (treated as one accounting period) from the beginning of the first fiscal quarter beginning after the Escrow Release Date to the end of the most recently ended fiscal quarter for which financial statements are available at the time of such Restricted Payment (or, in case such Consolidated Net Income shall be a deficit, minus 100% of such deficit); plus

(B) 100% of the aggregate Net Cash Proceeds or Fair Market Value of any asset (other than cash) received by the Company either (x) from the issuance or sale of its Qualified Capital Stock subsequent to the Escrow Release Date or (y) as a contribution in respect of its Qualified Capital Stock from its shareholders subsequent to the Escrow Release Date, but excluding in each case any Net Cash Proceeds that are used to redeem Securities in accordance with the third paragraph under Section 5 of the Securities; plus

(C) the amount by which the principal amount of Indebtedness of the Company (other than Indebtedness owing to a Subsidiary) is reduced upon the conversion or exchange subsequent to the Escrow Release Date of any Indebtedness of the Company convertible or exchangeable for Qualified Capital Stock of the Company (less the amount of any cash, or the fair value of any other property, distributed by the Company upon such conversion or exchange); provided, however, that the foregoing amount shall not exceed the Net Cash Proceeds received by the Company or any Restricted Subsidiary from the sale of such Indebtedness (excluding Net Cash Proceeds from sales to a Subsidiary of the Company or to an employee stock ownership plan or a trust established by the Company or any of its Subsidiaries for the benefit of their employees); plus

(D) an amount equal to the sum of (x) the aggregate amount of cash and the Fair Market Value of any asset (other than cash) received by the Company or any Restricted Subsidiary subsequent to the Escrow Release Date with respect to Investments (other than Permitted Investments) made by the Company or any Restricted Subsidiary in any Person (other than the Company or any Restricted Subsidiary) and resulting from repurchases, repayments or redemptions of such Investments by such Person, or proceeds realized on the sale of such Investment, and (y) in the event that the Company redesignates an Unrestricted Subsidiary to be a Restricted Subsidiary, the portion (proportionate to the Company's equity interest in such Subsidiary) of the Fair Market Value of the net assets of such Unrestricted Subsidiary at the time such Unrestricted Subsidiary is designated a Restricted Subsidiary (other than to the extent the Company's Investment in such Unrestricted Subsidiary constituted a Permitted Investment); provided, however, that the foregoing sum shall not exceed, in the case of any such Person or Unrestricted Subsidiary, the amount of Investments (excluding Permitted Investments) previously made (and treated as a Restricted Payment) by the Company or any Restricted Subsidiary in such Person or Unrestricted Subsidiary; plus

(E) \$50,000,000.

(b) The provisions of Section 4.04(a) shall not prohibit:

(i) any Restricted Payment made out of the Net Cash Proceeds of the substantially concurrent sale of, or made by exchange for, Qualified Capital Stock of the Company or a substantially concurrent cash capital contribution received by the Company from its shareholders with respect to its Qualified Capital Stock; provided, however, that (A) such Restricted Payment shall be excluded in the calculation of the amount of Restricted Payments and (B) the Net Cash Proceeds from such sale or such cash capital contribution (to the extent so used for such Restricted Payment) shall be excluded from the calculation of amounts under Section 4.04(a)(iii)(B);

(ii) any purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Subordinated Obligations of the Company or a Subsidiary Guarantor made by exchange for, or out of the proceeds of the substantially concurrent Incurrence of, Indebtedness of such Person which is permitted to be Incurred pursuant to Section 4.03, so long as:

(1) the principal amount of such Indebtedness does not exceed the principal amount of (or accreted value, if applicable), plus any accrued and unpaid interest on, the Subordinated Obligations being so purchased, repurchased, redeemed, defeased or acquired or retired for value, plus the amount of any reasonable premium required to be paid under the terms of the instrument governing the Subordinated Obligations being so purchased, repurchased, redeemed, defeased or acquired or retired and any reasonable fees and expenses incurred in connection with the issuance of such new Indebtedness;

(2) such Indebtedness is subordinated to the Securities or the applicable Guarantee at least to the same extent as such Subordinated Obligations so purchased, repurchased, redeemed, defeased or acquired or retired for value;

(3) such Indebtedness has a final scheduled maturity date equal to or later than the final scheduled maturity date of the Subordinated Obligations being so purchased, repurchased, redeemed, defeased or acquired or retired; and

(4) such Indebtedness has a weighted average life to maturity equal to or greater than the remaining weighted average life to maturity of the Subordinated Obligations being so purchased, repurchased, redeemed, defeased or acquired or retired;

provided, however, that such Restricted Payments pursuant to this Section 4.04(b)(ii) shall be excluded in the calculation of the amount of Restricted Payments;

(iii) the payment of any dividend, distribution or redemption of any Capital Stock or Subordinated Obligation within 60 days after the date of declaration thereof or call for redemption if, at such date of declaration or call for redemption, such payment or redemption was permitted by Section 4.04(a) (the declaration of such payment shall be deemed a Restricted Payment under Section 4.04(a) as of the date of declaration and the payment itself shall be deemed to have been paid on such date of declaration and shall not also be deemed a Restricted Payment under Section 4.04(a)) provided, however, that any Restricted Payment made in reliance on this Section 4.04(b)(iii) shall reduce the amount available for Restricted Payments pursuant to Section 4.04(a)(iii) only once;

(iv) the purchase, redemption or other acquisition or retirement for value of shares of Capital Stock of the Company or any of its Subsidiaries held by any officers, former officers, employees, former employees, directors or former directors of the Company or any of its Subsidiaries (or permitted transferees of such officers, former officers, employees, former employees, directors or former directors), pursuant to any management equity plan or employee stock option plan or any other management or employee benefit plan or agreement; provided, however, that the aggregate amount of such Restricted Payments (excluding amounts representing cancellation of Indebtedness) shall not exceed \$10,000,000 in the aggregate for any fiscal year; provided further that the Company may carry over and make in a subsequent fiscal year, in addition to the amounts permitted for such fiscal year, the amount of such purchases, redemptions or other acquisitions or retirements permitted to have been made but not made in the preceding fiscal years; provided further, however, that such Restricted Payments shall be excluded in the calculation of the amount of Restricted Payments;

(v) the declaration and payments of dividends on Disqualified Stock issued pursuant to Section 4.03; provided, however, that, at the time of payment of such dividend, no Default shall have occurred and be continuing (or result therefrom); provided further, however, that such dividends shall be excluded in the calculation of the amount of Restricted Payments;

(vi) repurchases of Capital Stock deemed to occur (A) upon exercise of stock options if such Capital Stock represents a portion of the exercise price of such options or (B) for purposes of satisfying any required tax withholding obligation upon the exercise or vesting of a grant or award that was granted or awarded to an employee; provided, however, that such Restricted Payments shall be excluded in the calculation of the amount of Restricted Payments;

(vii) cash payments in lieu of the issuance of fractional shares in connection with the exercise of warrants, options or other securities convertible into or exchangeable for Capital Stock of the Company; provided, however, that any such cash payment shall not be for the purpose of evading the limitation contained in this Section 4.04 (as reasonably determined in good faith by the Company); provided further, however, that such payments shall be excluded in the calculation of the amount of Restricted Payments;

(viii) in the event of a Change of Control, and if no Default shall have occurred and be continuing, the payment, purchase, redemption, defeasance or other acquisition or retirement of Subordinated Obligations of the Company or any Subsidiary Guarantor, in each case, at a purchase price not greater than 101% of the principal amount of such Subordinated Obligations, plus any accrued and unpaid interest thereon; provided, however, that prior to such payment, purchase, redemption, defeasance or other acquisition or retirement, the Company (or a third party to the extent permitted by this Indenture) has made a Change of Control Offer with respect to the Securities as a result of such Change of Control and has repurchased all Securities validly tendered and not withdrawn in connection with such Change of Control Offer; provided further, however, that such payments, purchases, redemptions, defeasances or other acquisitions or retirements shall be included in the calculation of the amount of Restricted Payments;

(ix) Restricted Payments in an aggregate amount which, when taken together with all Restricted Payments made pursuant to this Section 4.04(b)(ix), does not exceed the greater of (x) \$100,000,000 in the aggregate and (y) 2.0% of Total Assets; provided, however, that no Default has occurred and is continuing or would otherwise result therefrom; provided further, however, that such Restricted Payments shall be included in the calculation of the amount of Restricted Payments;

(x) the making of any Restricted Payments if, at the time of making such payments, and after giving effect thereto (including the Incurrence of any Indebtedness permitted to be Incurred pursuant to Section 4.03 to finance such payment), the Company's Consolidated Leverage Ratio would not exceed 3.50 to 1.0; provided, however, that no Default has occurred and is continuing or would otherwise result therefrom; provided further, however, that such payments shall be included in the calculation of the amount of Restricted Payments and shall not reduce the amount available for Restricted Payments pursuant to Section 4.04(a)(iii) above to be less than \$0;

(xi) payments of intercompany subordinated Permitted Indebtedness, the Incurrence of which was permitted under Section 4.03(b)(ii); provided, however, that no Default has occurred and is continuing or would otherwise result therefrom; provided further, however, that such payments shall be excluded in the calculation of the amount of Restricted Payment;

(xii) so long as no Default has occurred and is continuing, to the extent constituting a Restricted Payment, cash settlement of any Permitted Convertible Debt Call Transaction; provided, however, that such cash settlement shall be included in the calculation of the amount of Restricted Payments;

(xiii) the declaration and payment of ordinary course quarterly cash dividends in respect of the Company's common stock, in an amount not to exceed \$64 million in the aggregate per calendar year for the years ended 2024 and 2025; provided, however, that no Default has occurred and is continuing or would otherwise result therefrom; provided further, however, that such dividends shall be excluded in the calculation of the amount of Restricted Payments;

(xiv) the making of any Restricted Payment or other distribution in respect of the Capital Stock (including Sellers' Retained Interests) of any Receivables Subsidiary;

(xv) solely in connection with the consummation of the Spin-Off and any distribution, as a dividend, cash payment or otherwise, of all or any portion of the equity interests of the ATM-related businesses or any of the assets thereof; or

(xvi) the distribution, as a dividend or otherwise, of shares of Capital Stock of, or Indebtedness owed to the Company or a Restricted Subsidiary by, Unrestricted Subsidiaries (unless the Unrestricted Subsidiary's principal asset is cash or Cash Equivalents).

(c) For purposes of this Section 4.04, if any Investment or Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above or one or more of the exceptions contained in the definition of "Permitted Investments", the Company, in its sole discretion, may divide and classify such Investment or Restricted Payment (or a portion thereof) in any manner that complies with this Section 4.04 and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification.

SECTION 4.05. Limitation on Restrictions on Distributions from Restricted Subsidiaries. The Company shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or permit to become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to (a) pay dividends or make any other distributions on its Capital Stock to the Company or a Restricted Subsidiary or pay any Indebtedness owed to the Company, (b) make any loans or advances to the Company or (c) transfer any of its property or assets to the Company, except:

(i) with respect to clauses (a), (b) and (c):

(A) any encumbrance or restriction pursuant to an agreement in effect at or entered into on the Escrow Release Date (including the Senior Secured Credit Facilities, this Indenture, the Securities and the Guarantees);

(B) any encumbrance or restriction with respect to a Restricted Subsidiary pursuant to an agreement relating to any Indebtedness Incurred by such Restricted Subsidiary on or prior to the date on which such Restricted Subsidiary was acquired by the Company (other than Indebtedness Incurred as consideration in, or to provide all or any portion of the funds or credit support utilized to consummate, the transaction or series of related transactions pursuant to which such Restricted Subsidiary became a Restricted Subsidiary or was acquired by the Company) and outstanding on such date;

(C) any encumbrance or restriction pursuant to an agreement effecting a Refinancing of Indebtedness Incurred pursuant to an agreement or other instrument referred to in Sections 4.05(i)(A) or 4.05(i)(B) or this clause (C) or contained in any amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing to an agreement referred to in Section 4.05(i)(A) or 4.05(i)(B) or this clause (C); provided, however, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such refinancing agreement or amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing, taken as a whole, are no less favorable to the Company (as reasonably determined by the Company in good faith) than encumbrances and restrictions with respect to such Restricted Subsidiary contained in such predecessor agreements;

(D) any encumbrance or restriction with respect to (i) a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of all or substantially all the Capital Stock or assets of such Restricted Subsidiary or (ii) a business unit, division, product line or line of business or other assets in a transaction permitted under Section 4.06, in each case pending the closing of such sale or disposition;

(E) any encumbrance or restriction pursuant to applicable law, rule, regulation or order;

(F) provisions contained in any approval, license or permit with a regulatory authority, in each case entered into in the ordinary course of business;

(G) restrictions on cash, Cash Equivalents or other deposits or net worth imposed under contracts entered into in the ordinary course of business, including such restrictions imposed by customers or insurance, surety or bonding companies;

(H) any encumbrance or restriction with respect to a Foreign Subsidiary entered into in the ordinary course of business or pursuant to the terms of Indebtedness that was Incurred by such Foreign Subsidiary in compliance with the terms of this Indenture;

(I) provisions contained in any license, permit or other accreditation with a regulatory authority entered into in the ordinary course of business;

(J) provisions in agreements or instruments which prohibits the payment or making of dividends or other distributions other than on a pro rata basis;

(K) customary provisions in joint venture agreements and other similar agreements (in each case relating solely to the respective joint venture or similar entity or the equity interests therein) entered in the ordinary course of business;

(L) any encumbrance or restriction contained in the terms of any agreement under which Indebtedness is permitted to be Incurred after the Escrow Release Date pursuant to Section 4.03 if either (i) the encumbrance or restriction applies only in the event of and during the continuance of a payment default contained in such Indebtedness or agreement or (ii) the Company reasonably determines in good faith at the time any such Indebtedness is Incurred (and at the time of any modification of the terms of any such encumbrance or restriction) that any such encumbrance or restriction shall not materially affect the Company's ability to make principal or interest payments on the Securities and any other Indebtedness that is an obligation of the Company; and

(M) restrictions and conditions imposed by transactional agreements and documents (including organizational documents of Receivables Subsidiaries) governing Permitted Receivables Facilities and related Indebtedness; provided that any such restrictions and conditions (i) are customary and usual for such Permitted Receivables Facilities, as determined in good faith by the Company or such Subsidiary, and (ii) in the case of any restrictions or conditions upon the ability of the Company or any Subsidiary to create, incur or permit to exist any Lien upon any of its assets, such restrictions and conditions apply only to assets of and interests in the related Receivables Subsidiary;

(ii) with respect to clause (c) only:

(A) any encumbrance or restriction consisting of customary provisions in leases and other agreements to the extent such provisions restrict the transfer of the lease or the property leased thereunder;

(B) any encumbrance or restriction contained in security agreements or mortgages securing Indebtedness of a Restricted Subsidiary to the extent such encumbrance or restriction restricts the transfer of the property subject to such security agreements or mortgages;

(C) any encumbrance or restriction contained in any Secured Indebtedness otherwise permitted to be incurred pursuant to Sections 4.03 and 4.13 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(D) any encumbrance or restriction contained in any agreement relating to Purchase Money Indebtedness permitted by Section 4.03 if such restrictions or conditions apply only to the assets securing such Indebtedness; and

(E) any encumbrance or restriction consisting of customary non-assignment provisions in a lease, license or other contract, in each case entered into in the ordinary course of business or consistent with past practice.

For purposes of determining compliance with this Section 4.05, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Company or a Restricted Subsidiary to other Indebtedness Incurred by the Company or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

SECTION 4.06. Limitation on Sales of Assets and Subsidiary Stock. (a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Disposition unless:

(i) the Company or such Restricted Subsidiary receives consideration at the time of such Asset Disposition (or conclusion of any payment schedule with respect to such Asset Disposition) at least equal to the Fair Market Value (including as to the value of all non-cash consideration) of the shares and assets subject to such Asset Disposition; and

(ii) at least 75% of the consideration thereof, together with all other Asset Dispositions since the Escrow Release Date (on a cumulative basis), received by the Company or such Restricted Subsidiary is in the form of cash or Cash Equivalents.

Within 450 days after the receipt of any Net Available Cash from such Asset Disposition (or, in the case of a Designated Foreign Asset Disposition, within the time period specified in the definition thereof), the Company or the applicable Restricted Subsidiary, as the case may be, shall apply the Net Available Cash from such Asset Disposition:

(A) to the extent the assets or property disposed of in the Asset Disposition constituted Collateral, to repay (i) Secured Notes Obligations, (ii) Senior Secured Credit Facilities Obligations or (iii) any Additional Equal Priority Obligations, and in each case, in the case of revolving

obligations, to correspondingly reduce commitments with respect thereto; provided that all reductions of Secured Notes Obligations shall be made pursuant to Section 5 of the Securities, through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth in Section 4.06(b)) to all Holders to purchase their Securities at 100% of the principal amount thereof, plus accrued but unpaid interest, if any, on such Securities;

(B) to the extent the assets or property disposed of in the Asset Disposition did not constitute Collateral:

(i) to repay (x) Secured Notes Obligations, (y) Senior Secured Credit Facilities Obligations or (z) any Additional Equal Priority Obligations, and in each case, in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that if the Issuer or any Restricted Subsidiary shall repay any Obligations pursuant to clause (z) above, the Issuer or such Restricted Subsidiary will either (I) reduce the aggregate principal amount of Secured Notes Obligations on a ratable basis with any such Obligations under the Additional Equal Priority Obligations repaid pursuant to this clause (B)(i) by, at its option, (x) redeeming Securities pursuant to Section 5 of the Securities or (y) purchasing Securities through open-market purchases or (II) make an offer (in accordance with the provisions set forth in Section 4.06(b)) to all Holders to purchase their Securities on a ratable basis with any Obligations under the Additional Equal Priority Obligations repaid pursuant to this clause (B)(i) for no less than 100% of the principal amount thereof plus the amount of accrued and unpaid interest, if any, thereon (which offer shall be deemed to be an Asset Disposition Offer for purposes hereof); or

(ii) to repay Obligations under any Senior Indebtedness (other than any Senior Indebtedness referred to in clause (B)(i) above), and in the case of revolving obligations, to correspondingly reduce commitments with respect thereto; provided that the Issuer or such Restricted Subsidiary will either (I) reduce the aggregate principal amount of Secured Notes Obligations on an equal or ratable basis with any such Senior Indebtedness repaid pursuant to this clause (B)(ii) by, at its option, (x) redeeming Securities pursuant to Section 5 of the Securities or (y) purchasing Securities through open-market purchases or (II) make an offer (in accordance with the provisions set forth in Section 4.06(b) and for no less than 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, thereon) to all Holders to purchase their Securities on an equal or ratable basis with any Senior Indebtedness repaid pursuant to this clause (B)(ii) (which offer shall be deemed to be an Asset Disposition Offer for purposes hereof);

- (C) to reduce the outstanding principal amount of Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor;
- (D) to acquire Additional Assets or other assets that replace the assets subject to such Asset Disposition;
- (E) to make investments and capital expenditures that are used or useful in a Related Business; or
- (F) for the avoidance of doubt, any combination of the foregoing,

in the case of clauses (A), (B) and (C) other than Indebtedness owed to the Company or an Affiliate of the Company; provided that entering into and not abandoning or rejecting a binding commitment to acquire assets or property or make investments or capital expenditures to satisfy clause (D) or (E) shall be treated as a permitted application of Net Available Cash from the date of such commitment; provided further that (x) such acquisition or capital expenditure is consummated within 545 days after the later of the receipt of such Net Available Cash or the date of such Asset Disposition and (y) if such acquisition or capital expenditure is not consummated within the period set forth in subclause (x), the Net Available Cash not so applied will be deemed to constitute Excess Proceeds under Section 4.06(b). Pending the final application of any such Net Available Cash, the Company or such Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

Notwithstanding the foregoing provisions of this Section 4.06, the Company and the Restricted Subsidiaries shall not be required to apply any Net Available Cash in accordance with this Section 4.06 except to the extent that the aggregate Net Available Cash from all Asset Dispositions which is not applied in accordance with this Section 4.06 exceeds \$100,000,000.

(b) Any Net Available Cash that is not applied or invested as provided in Section 4.06(a) shall constitute “Excess Proceeds”. When the aggregate amount of Excess Proceeds exceeds \$100,000,000, the Company shall make an offer (an “Asset Disposition Offer”) to all Holders and, if the Company or any Subsidiary Guarantor elects, to holders of such Equal Priority Obligations to purchase or redeem the maximum principal amount of the Securities and such Equal Priority Obligations, as applicable, that may be purchased out of the amount of such Excess Proceeds. The offer price in any Asset Disposition Offer shall be equal to 100% of the principal amount of the Securities or any such Equal Priority Obligations plus accrued and unpaid interest to the date of purchase, and shall be payable in cash in accordance with the procedures (including prorating in the event of oversubscription) set forth in this Indenture or the agreements governing the applicable Equal Priority Obligations. If the aggregate purchase price of

Indebtedness tendered exceeds the amount of Excess Proceeds, the Trustee shall select the Indebtedness to be purchased on a pro rata basis but in round denominations, which, in the case of the Securities, shall be denominations of \$2,000 principal amount or integral multiples of \$1,000 in excess thereof. Upon completion of each Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero and, so long as all such Securities validly tendered and not withdrawn pursuant to such offer are purchased by the Company in compliance with this Section 4.06, any excess of the offer amount over the amount applied to purchase such Securities (and such other Equal Priority Obligations) pursuant to such offer may be applied by the Company for any purpose not prohibited by this Indenture. The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.06. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.06, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.06 by virtue of its compliance with such securities laws or regulations. Nothing in this Indenture shall prevent the Company from making an Asset Disposition Offer earlier than required.

(c) (i) Promptly, and in any event within 10 days after the Company becomes obligated to make an Asset Disposition Offer, the Company shall be obligated to deliver to the Trustee and deliver electronically, in accordance with DTC procedures in the case of Global Securities, or send by first-class mail, to each Holder, a written notice stating that the Holder may elect to have their Securities purchased by the Company either in whole or in part (subject to prorating as described in 4.06(b) in the event the Asset Disposition Offer is oversubscribed) in integral multiples of \$2,000 of principal amount or any whole integral multiple of \$1,000 in excess thereof, at the applicable purchase price. The notice shall specify a purchase date not less than 30 days nor more than 60 days after the date of such notice (the "Purchase Date") and shall contain such information concerning the business of the Company which the Company in good faith believes shall enable such Holders to make an informed decision (which at a minimum shall include (A) the most recently filed Annual Report on Form 10-K (including audited consolidated financial statements) of the Company, the most recent subsequently filed Quarterly Report on Form 10-Q and any Current Report on Form 8-K of the Company filed subsequent to such Quarterly Report, other than Current Reports describing Asset Dispositions otherwise described in the offering materials (or corresponding successor reports), (B) a description of material developments in the Company's business subsequent to the date of the latest of such reports, and (C) if material, appropriate pro forma financial information) and all instructions and materials necessary to tender Securities pursuant to the Asset Disposition Offer, together with the address referred to in clause (iii) below.

(ii) Not later than the date upon which written notice of an Asset Disposition Offer is delivered to the Trustee as provided above, the Company shall deliver to the Trustee an Officer's Certificate as to (A) the amount of the Asset Disposition Offer (the "Offer Amount"), including information as to any other Equal Priority Obligations included in the Asset Disposition Offer, (B) the allocation of the Net

Available Cash from the Asset Dispositions pursuant to which such Asset Disposition Offer is being made and (C) the compliance of such allocation with the provisions of Section 4.06(a). On such date, the Company shall also irrevocably deposit with the Trustee or with a paying agent (or, if the Company or Wholly Owned Subsidiary thereof is acting as its own paying agent, segregate and hold in trust) an amount equal to the Offer Amount to be invested in Cash Equivalents and to be held for payment in accordance with the provisions of this Section 4.06(c)(ii). If the Asset Disposition Offer includes other Equal Priority Obligations, the deposit described in the preceding sentence may be made with any other paying agent pursuant to arrangements satisfactory to the Trustee. Upon the expiration of the period for which the Asset Disposition Offer remains open (the “Offer Period”), the Company shall deliver to the Trustee for cancellation the Securities or portions thereof that have been properly tendered to and are to be accepted by the Company. The Trustee (or the Paying Agent, if not the Trustee) shall, on the Purchase Date, deliver or mail, as appropriate, payment (or cause the delivery of payment) to each tendering Holder in the amount of the purchase price, from the amount deposited with it by the Company. In the event that the Offer Amount delivered by the Company to the Trustee (together with any investment earnings received from the investment thereof in Cash Equivalents) is greater than the purchase price of the Securities tendered, the Trustee shall deliver the excess amount to the Company immediately after the expiration of the Offer Period for application in accordance with this Section 4.06.

(iii) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the Purchase Date. Holders shall be entitled to withdraw their election if the Trustee or the Company receives not later than one Business Day prior to the Purchase Date, a telex, a written notice setting forth the name of the Holder, the principal amount of the Security which was delivered by the Holder for purchase and a statement that such Holder is withdrawing his election to have such Security purchased. If at the expiration of the Offer Period the aggregate principal amount of Securities included in the Asset Disposition Offer surrendered by holders thereof exceeds the Offer Amount, the Company shall select the Securities to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Company so that only Securities in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased). Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered; provided that each such new Security shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. Any Security not so accepted shall be promptly delivered or mailed, as appropriate, by the Company to the holder thereof.

(iv) At the time the Company delivers Securities to the Trustee which are to be accepted for purchase, the Company shall also deliver an Officer’s Certificate stating that such Securities are to be accepted by the Company pursuant to and in accordance with the terms of this Section 4.06(c) (iv). A Security shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, delivers or mails, as appropriate, payment therefor to the surrendering Holder.

(d) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.06. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.06, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.06 by virtue of its compliance with such securities laws or regulations.

(e) For the purposes of this Section 4.06, the following are deemed to be cash or Cash Equivalents:

(i) the assumption or discharge of Indebtedness of the Company or any Restricted Subsidiary (other than Obligations in respect of Disqualified Stock of the Company or Preferred Stock of a Subsidiary Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(ii) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and Subordinated Obligations) that are assumed or discharged by the transferee of shares of Capital Stock, property or other assets in the Asset Disposition, pursuant to a customary agreement that releases the Company or such Restricted Subsidiary from any and all liability therefor;

(iii) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days after the date of the applicable Asset Disposition, to the extent of the cash or Cash Equivalents received in that conversion; and

(iv) any Designated Noncash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Disposition having an aggregate Fair Market Value that, when taken together with all other Designated Noncash Consideration received pursuant to this clause (iv) that is at that time outstanding, does not exceed the greater of (x) \$100,000,000 and (y) 2.0% of Total Assets (determined as of the end of the most recent fiscal quarter for which internal financial statements are available) at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value).

SECTION 4.07. Limitation on Transactions with Affiliates. (a) The Company shall not, and shall not permit any Restricted Subsidiary to, enter into any transaction (including the purchase, sale, lease or exchange of any property, employee compensation arrangements or the rendering of any service) with, or for the benefit of, any Affiliate of the Company (an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$25,000,000 unless:

(i) the terms of the Affiliate Transaction are no less favorable to the Company or such Restricted Subsidiary than those that could be obtained at the time of the Affiliate Transaction in arm’s-length dealings with a Person who is not an Affiliate; and

(ii) if such Affiliate Transaction involves an amount in excess of \$35,000,000, the terms of the Affiliate Transaction are set forth in writing and a majority of the directors of the Company disinterested with respect to such Affiliate Transaction have determined in good faith that the criteria set forth in Section 4.07(a)(i) are satisfied and have approved the relevant Affiliate Transaction as evidenced by a resolution of the Board of Directors.

(b) The provisions of Section 4.07(a) shall not prohibit:

(i) any transaction between or among the Company or any of its Restricted Subsidiaries and any transaction between or among the Company or any of its Subsidiaries with respect to a Permitted Receivables Facility;

(ii) any Permitted Investment or any Restricted Payment permitted to be made pursuant to Section 4.04;

(iii) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock options and stock ownership plans entered into in the ordinary course of business;

(iv) payroll, travel, loans or advances to directors and employees in the ordinary course of business of the Company and its Restricted Subsidiaries, and on customary terms;

(v) any employment, consulting, service or termination agreement, or reasonable and customary indemnification agreement, entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business (and payments made pursuant thereto), and the payment of reasonable fees and expenses, and the provision of customary indemnities, to directors, officers, employees or consultants of the Company or any of its Restricted Subsidiaries in their capacities as such;

(vi) any transaction with a Person (other than an Unrestricted Subsidiary) which would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary owns an equity interest in or otherwise controls such Person;

(vii) any transaction with a joint venture partner in the ordinary course of business of the Company and its Restricted Subsidiaries and otherwise in compliance with the terms of this Indenture; provided that, in the reasonable, good faith determination of the Company, such transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that could have reasonably been obtained at the time of such transaction in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person;

(viii) the issuance or sale of any Capital Stock (other than Disqualified Stock) of the Company;

(ix) transactions with customers, clients, vendors, suppliers or other purchasers or sellers of goods or services, in each case in the ordinary course of business (including pursuant to joint venture agreements);

(x) (i) any agreement or arrangement in effect as of the Issue Date (or transactions pursuant thereto), (ii) any other agreements or arrangements (or transactions pursuant thereto) as in effect on the Escrow Release Date (including the Spin-Off Documents) or pursuant to or in connection with the Spin-Off Documents (including the Transactions) or (iii) any amendment, modification or supplement to the agreements referenced in clauses (i) or (ii) of this Section 4.07(b)(x) or any replacement thereof, so long as the terms of such agreement or arrangement, as so amended, modified, supplemented or replaced are not materially more disadvantageous to the Holders when taken as a whole when compared to the applicable agreements or arrangements as in effect on the Issue Date or as generally described in the Offering Memorandum, as applicable, as determined in good faith by the Company;

(xi) any transaction on arm's-length terms with any non-Affiliate that becomes an Affiliate as a result of such transactions;

(xii) any transaction in which the Company delivers to the Trustee a written opinion from the Company to the effect that such transaction is fair, from a financial standpoint, to the Company and its Restricted Subsidiaries;

(xiii) any transactions undertaken in connection with the Transactions;

(xiv) transactions between the Company or any Restricted Subsidiary and any Person, a director of which is also a director of the Company or any direct or indirect parent of the Company; provided, however, that such director abstains from voting as a director of the Company or such direct or indirect parent, as the case may be, on any matter involving such other Person;

(xv) pledges of Capital Stock of Unrestricted Subsidiaries;

(xvi) the formation and maintenance of any consolidated group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(xvii) transactions undertaken in good faith for the purpose of improving the consolidated tax efficiency of the Company and its Subsidiaries and not for the purpose of circumventing any covenant set forth in this Indenture; and

(xviii) intellectual property and software licenses in the ordinary course of business.

SECTION 4.08. Change of Control. (a) Upon the occurrence of a Change of Control after the Escrow Release Date, the Company will be required to offer to repurchase each Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the terms contemplated by Section 4.08(b).

(b) Within 30 days following any Change of Control (unless the Company has previously or concurrently delivered electronically, in accordance with DTC procedures in the case of Global Securities, or mailed a redemption notice with respect to all outstanding Securities as described under Section 7 of the Securities), the Company shall deliver electronically, in accordance with DTC procedures in the case of Global Securities, or mail a notice by first-class mail to each Holder with a copy to the Trustee (the "Change of Control Offer") stating:

(i) that a Change of Control has occurred and that such Holder has the right to require the Company to purchase such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest on the relevant interest payment date);

(ii) the circumstances and relevant facts regarding such Change of Control;

(iii) the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is delivered); and

(iv) the instructions, as determined by the Company, consistent with this Section 4.08, that a Holder must follow in order to have its Securities purchased.

(c) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the purchase date. Holders shall be entitled to withdraw their election if the Trustee or the Company

receives not later than one Business Day prior to the purchase date a telex, a written notice setting forth the name of the Holder, the principal amount of the Security which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Security purchased. Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered.

(d) On the purchase date, all Securities purchased by the Company under this Section 4.08 shall be delivered by the Company to the Trustee for cancellation, and the Company shall pay the purchase price plus accrued and unpaid interest to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section 4.08, the Company shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer.

(f) A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(g) At the time the Company delivers Securities to the Trustee which are to be accepted for purchase, the Company shall also deliver an Officer's Certificate stating that such Securities are to be accepted by the Company pursuant to and in accordance with the terms of this Section 4.08. A Security shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(h) Prior to any Change of Control Offer, the Company shall deliver to the Trustee an Officer's Certificate stating that all conditions precedent contained herein to the right of the Company to make such offer have been complied with.

(i) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.08, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue of its compliance with such securities laws or regulations.

SECTION 4.09. Compliance Certificate. The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company (which fiscal year ends December 31), an Officer's Certificate stating that in the course of the performance by the signers of their duties as Officers of the Company they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default and its status.

SECTION 4.10. Further Instruments and Acts. Upon request of the Trustee, the Company and the Subsidiary Guarantors shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11. Future Subsidiary Guarantors. (a) Upon the consummation of the Assumption, the Company shall (i) promptly notify the Trustee in writing identifying and confirming the Assumption Date, and upon receipt of such written notice, the Trustee shall hereby be authorized and directed to execute and deliver each Guarantee Supplemental Indenture, and (ii) cause each of the Subsidiary Guarantors, as of the Assumption Date, to execute and deliver to the Trustee (x) a Guarantee Supplemental Indenture pursuant to which such Subsidiary Guarantor shall Guarantee payment of the Securities on the same terms and conditions as those set forth in this Indenture and (y) the Security Agreement and the other applicable Security Documents; provided that no Officer's Certificate and Opinion of Counsel shall be required in connection with the execution of the Guarantee Supplemental Indenture to be entered into by such Subsidiary Guarantor pursuant to the Assumption. For the avoidance of doubt, this Section 4.11 shall not prohibit, restrict or limit the Company's ability to consummate the Escrow Merger, the Spin-Off or any related Transactions.

(b) Following the consummation of the Assumption, the Company shall not cause or permit (a) any of its Restricted Subsidiaries (other than a Foreign Subsidiary or a Receivables Subsidiary), directly or indirectly, to Guarantee any Indebtedness of the Company or any Subsidiary Guarantor, (b) any Foreign Subsidiary, directly or indirectly, to Guarantee any Indebtedness of the Company or any Subsidiary Guarantor or (c) any of its Restricted Subsidiaries (other than a Foreign Subsidiary or a Receivables Subsidiary) to Incur Credit Facility Indebtedness unless such Restricted Subsidiary is a Subsidiary Guarantor or within 15 Business Days of Incurring or Guaranteeing such Indebtedness (i) executes and delivers to the Trustee a Guarantee Supplemental Indenture pursuant to which such Restricted Subsidiary shall Guarantee payment of the Securities on the same terms and conditions as those set forth in this Indenture and applicable to the other Subsidiary Guarantors and joinders to the Equal Priority Intercreditor Agreement, any Acceptable Junior Intercreditor Agreement and applicable Security Documents or new intercreditor agreements and Security Documents, together with any filings and agreements, to the extent required, and (ii) delivers to the Trustee an Opinion of Counsel (which may contain customary exceptions) that such Guarantee Supplemental Indenture complies with the requirements of this Section 4.11 and constitutes a valid, binding and enforceable obligation of such Restricted Subsidiary. Notwithstanding the foregoing, this Section 4.11(b) shall not be applicable (i) prior to the Escrow Release or (ii) in the event that the Guarantee of the Company's Obligations under the Securities or this Indenture by such Subsidiary would not be permitted under applicable law.

SECTION 4.12. Limitation on Transfer of Intellectual Property. (a) No Subsidiary Guarantor that is a direct or indirect Wholly Owned Subsidiary of the Company may (directly or indirectly, in one or a series of transactions), by virtue of an Investment, disposition or any similar transaction, become a non-Wholly Owned Subsidiary if such Subsidiary Guarantor is the legal owner or exclusive licensee of any Material Intellectual Property and (b) neither the Company nor any Subsidiary Guarantor may (directly or indirectly, in one or a series of transactions) sell, transfer, lease or otherwise dispose of any Material Intellectual Property to any Unrestricted Subsidiary or any Foreign Subsidiary, except, in each case, to the extent that such sale, transfer, lease or other disposition constitutes a Permitted IP Transfer.

SECTION 4.13. Limitation on Liens. (a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, Incur any Lien (the "Initial Lien") of any nature whatsoever on any of its properties (including Capital Stock of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, securing any Indebtedness, unless:

(i) in the case of Initial Liens on any Collateral, (A) such Initial Lien expressly has Junior Lien Priority on the Collateral relative to the Securities and the Subsidiary Guarantees or (B) such Initial Lien is a Permitted Lien; and

(ii) in the case of any Initial Lien on any asset or property that is not Collateral, (A) the Securities (or the related Subsidiary Guarantee in the case of Liens on assets or property of a Subsidiary Guarantor) are equally and ratably secured with (or, at the Issuer's option or if such Initial Lien secures Subordinated Indebtedness, on a senior basis to) the Indebtedness secured by such Initial Lien until such time as such Indebtedness is no longer secured by such Initial Lien or (B) such Initial Lien is a Permitted Lien.

(b) Notwithstanding the foregoing, neither the Company nor any Subsidiary Guarantor shall create or permit to exist any Lien securing Indebtedness for borrowed money over any Material Real Estate Asset.

(c) For the avoidance of doubt, for the purposes of determining whether any Initial Lien is a Permitted Lien following any Termination Date, any Incurrence of Indebtedness shall be tested as though Section 4.03 was in effect at such time.

(d) Any such Lien thereby created in favor of the Securities or any Subsidiary Guarantee pursuant to clause (a)(ii) of this Section 4.13 shall be automatically and unconditionally released and discharged upon (a) the release and discharge of each Initial Lien to which it relates, (b) in the case of such Lien in favor of any such Subsidiary Guarantee, upon the termination and discharge of such Subsidiary Guarantee in accordance with the terms of this Indenture or (c) any sale, exchange or transfer to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien.

(e) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 4.14. Limitation on Sale/Leaseback Transactions. The Company shall not, and shall not permit any Restricted Subsidiary to, enter into any Sale/Leaseback Transaction with respect to any property unless:

(a) the Company or such Restricted Subsidiary would be entitled to (i) Incur Indebtedness in an amount equal to the Attributable Debt with respect to such Sale/Leaseback Transaction pursuant to Section 4.03 (following any Termination Date, such determination shall be made as if such covenant was in effect at such time) and (ii) create a Lien on such property securing such Attributable Debt without equally and ratably securing the Securities pursuant to Section 4.13;

(b) the net proceeds received by the Company or any Restricted Subsidiary in connection with such Sale/Leaseback Transaction are at least equal to the Fair Market Value of such property; and

(c) the Company applies the proceeds of such transaction in compliance with Section 4.06 (following any Termination Date, such compliance shall be tested as if such covenant was in effect at such time).

SECTION 4.15. Termination of Covenants. Following the first day (the “Termination Date”) that: (a) the Securities have an Investment Grade Rating, and (b) no Default has occurred and is continuing under this Indenture, the Company and its Restricted Subsidiaries shall not be subject to Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.12 and 5.01(a)(iii), regardless of any subsequent changes in the ratings of the Securities.

SECTION 4.16. Financial Calculations for Limited Condition Transactions and Other Transactions. (a) When calculating the availability under any basket or ratio under this Indenture or determining the absence of a Default or Event of Default (or any type of Default or Event of Default) as a condition to the making of any acquisition or other Permitted Investment, the consummation of which is not conditioned on the availability of, or on obtaining, third party financing (each, a “Limited Condition Transaction”) or incurrence of Indebtedness in connection therewith, the determination of whether the relevant condition is satisfied may be made, at the irrevocable election of the Company (such election, a “Limited Condition Transaction Election”), at the time of (and on the basis of the financial statements for the most recently ended fiscal period for

which financial statements are available at the time of) either (x) the execution of the definitive agreement with respect to such Limited Condition Transaction or (y) the consummation of the Limited Condition Transaction, in each case, after giving effect to the relevant Limited Condition Transaction and any related transactions (including any incurrence of Indebtedness and the use of proceeds thereof), on a pro forma basis (such date, the “Limited Condition Transaction Test Date”). If the Company makes such a Limited Condition Transaction Election, any subsequent calculation of any basket or ratio shall be calculated on an equivalent pro forma basis, unless the definitive agreement for such Limited Condition Transaction expires or is terminated without its consummation. Any Limited Condition Transaction Election shall be made pursuant to a written notice from the Company delivered to the Trustee at the time of the execution of the definitive agreements with respect to the Limited Condition Transaction; provided, however, that, to the extent the Company has not delivered such written notice to the Trustee by the time of execution of the definitive agreements with respect to such transaction, the relevant conditions required to be satisfied as a condition to consummating such transaction or incurring such Indebtedness will be tested at the time of consummation of such transaction and the related incurrence of Indebtedness. For the avoidance of doubt, if the Company has made a Limited Condition Transaction Election and any of the ratios or baskets for which compliance was determined or tested as of the Limited Condition Transaction Test Date (including with respect to the incurrence of any Indebtedness) are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations of the target of any Limited Condition Transaction) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations.

(b) Notwithstanding anything to the contrary in this Indenture, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture under a restrictive covenant that does not require compliance with a financial ratio or test (any such amounts, the “Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture in the same restrictive covenant that requires compliance with any such financial ratio or test (any such amounts, the “Incurrence Based Amounts”), it is understood and agreed that the Fixed Amounts (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection with such substantially concurrent incurrence.

SECTION 4.17. Escrow Agreement. (a) Concurrently with the closing of the offering of the Securities on the Issue Date, the Escrow Issuer will enter into the Escrow Agreement with the Trustee and the Escrow Agent, pursuant to which (i) the Escrow Issuer will deposit (or cause to be deposited) or instruct the Initial Purchasers (as defined in Appendix A) to deposit with the Escrow Agent in one or more segregated escrow accounts (collectively, the “Escrow Account”) an amount in cash or Cash Equivalents equal to the gross proceeds of the offering of the Securities sold on the Issue Date and (ii) the Escrow Issuer, the Company or NCR will deposit or cause to be deposited into the Escrow Account an amount of cash that would be sufficient to fund all interest due on the Securities if a Special Mandatory Redemption were to occur on

November 15, 2023. In addition, on or prior to November 7, 2023 (unless the Escrow Release has occurred on or prior to such date), the Escrow Issuer, the Company or NCR will deposit or cause to be deposited into the Escrow Account an amount of cash equal to the amount of interest that will accrue on the Securities from (and including) November 15, 2023, through (and including) January 8, 2024. The initial funds deposited in the Escrow Account, and all other funds, securities, interest, dividends, distributions, earnings and other property and payments credited to the Escrow Account in connection with the Securities (less any property and/or funds paid in accordance with the Escrow Agreement) are referred to, collectively, as the “Escrowed Funds.” Upon execution and delivery, and pursuant to the terms and conditions, of the Escrow Agreement, the Escrow Issuer will grant the Trustee, for the benefit of the Trustee and the Holders, a security interest (subject to the liens permitted under the Escrow Agreement) in the Escrow Account and the Escrowed Funds to secure the Secured Notes Obligations, including the Special Mandatory Redemption; provided, however, that such Lien and security interest shall be automatically extinguished on and terminate at the time of the Escrow Release.

(b) The Escrow Issuer may direct the Escrow Agent, in writing, to invest the Escrowed Funds in cash or Cash Equivalents, as determined by the Escrow Issuer in its sole discretion in accordance with the terms of the Escrow Agreement. In the absence of written direction from the Escrow Issuer as to a particular investment to be made, the Escrowed Funds will remain uninvested. Neither the Escrow Agent nor Trustee will be responsible for making any such investment selection.

(c) The Escrow Issuer will only be entitled to direct the Escrow Agent to release the Escrowed Funds in accordance with the terms of the Escrow Agreement. Pursuant to the Escrow Agreement, the Escrow Agent will release the Escrowed Funds (the “Escrow Release”) to, or at the order of, the Escrow Issuer (the date of such release being referred to as the “Escrow Release Date”) upon receipt by each of the Escrow Agent and the Trustee of an Officer’s Certificate from the Escrow Issuer or the Company addressed to the Escrow Agent and the Trustee on or prior to the Outside Date certifying the satisfaction of the conditions to the release of Escrowed Funds set forth in the Escrow Agreement (the “Escrow Release Conditions”).

(d) Upon the occurrence of the Escrow Release, the Escrow Account shall be reduced to zero and the Escrowed Funds and interest accrued thereon from the date of deposit shall be paid out in accordance with the terms of the Escrow Agreement. Substantially concurrently with the Escrow Release, the Company shall cause the Escrow Merger to occur.

(e) Each Holder, by its acceptance of the Securities, shall be deemed to authorize and direct the Trustee to execute, deliver and perform its obligations under the Escrow Agreement.

SECTION 4.18. Limitations on Activities Prior to the Escrow Merger. (a) Prior to the Escrow Merger, the Escrow Issuer shall be a Wholly Owned Subsidiary of the Company and will not own, hold or otherwise have any interest in any assets other than the Escrowed Funds. Further, prior to the Escrow Merger, the Escrow Issuer's activities shall be restricted to (i) issuing the Initial Securities, (ii) performing its obligations in respect of the Securities under this Indenture and the Escrow Agreement, (iii) performing its obligations under the Senior Secured Credit Facilities and the Senior Secured Term Loan B Facility Escrow Agreement, (iv) instructing the Escrow Agent with respect to the investment of the Escrowed Funds and the Senior Secured Term Loan B Facility Escrow Agent with respect to the investment of the Senior Secured Term Loan B Facility Escrowed Funds in specified cash and Cash Equivalents in accordance with the terms of the Escrow Agreement and the Senior Secured Term Loan B Facility Escrow Agreement, as applicable, (v) consummating the Assumption, (vi) redeeming the Securities on the Special Mandatory Redemption Date, if applicable, and (vii) conducting such other activities as are necessary or appropriate to carry out the activities described in this Section 4.18. The Escrow Issuer will not own, hold or otherwise have any interest in any assets other than the Escrowed Funds, the Senior Secured Term Loan B Facility Escrowed Funds, the Escrow Account and the Senior Secured Term Loan B Facility Escrow Account. Prior to the Assumption, the Escrow Issuer will not engage in any business operations or other activities, including Incurring Indebtedness, making Restricted Payments, consummating Asset Dispositions, entering into Affiliate Transactions, Incurring or permitting to exist any Lien on any of its properties and entering into Sale/Leaseback Transactions, other than those contemplated in this Section 4.18(a).

SECTION 4.19. Impairment of Security Interest. The Company shall not, and shall not permit any Restricted Subsidiary to, take or knowingly or negligently omit to take, any action which action or omission might reasonably or would (in the good faith determination of the Company) have the result of materially impairing the effectiveness of the security interests, taken as a whole, including the lien priority with respect thereto, with respect to the Collateral for the benefit of the Notes Collateral Agent and the Holders, including materially impairing the lien priority of the Securities with respect thereto (it being understood that any release expressly permitted by Section 12.02 and the incurrence of Permitted Liens shall not be deemed to so materially impair the security interests with respect to the Collateral).

SECTION 4.20. After-Acquired Collateral; Further Assurances.

(a) From and after the Assumption, subject to the applicable limitations and exceptions set forth in the Security Documents and this Indenture (including with respect to Excluded Assets), if the Company or any Subsidiary Guarantor acquires any property or asset that is required to constitute Collateral, the Company and each of the Subsidiary Guarantors shall be required to, within the time period set forth in the applicable Security Documents, grant a first-priority perfected security interest (subject to Permitted Liens and certain other exceptions set forth therein) upon any such Collateral for the benefit of the Secured Notes Secured Parties, as security for the Secured Notes Obligations.

(b) From and after the Escrow Release Date, the Company and the Subsidiary Guarantors shall, at their sole expense, duly execute and deliver, or cause to be duly executed and delivered, such further agreements, documents, instruments, financing and continuation statements and amendments thereto as may be necessary to confirm that the Notes Collateral Agent holds, for the benefit of itself, the Holders and the Trustee, duly created, enforceable and perfected (to the extent required by the Security Documents) Liens in the Collateral, subject to Permitted Liens. As necessary, or upon the reasonable request of the Notes Collateral Agent, the Company and the Subsidiary Guarantors shall, at their sole expense, execute any and all further documents, financing statements, agreements and instruments, and take all further action (including filing Uniform Commercial Code and other financing statements) as may be necessary to effectuate the provisions and purposes of the Security Documents, to the extent permitted by applicable law.

ARTICLE 5

Successor Company

SECTION 5.01. When Company May Merge or Transfer Assets. (a) After the Escrow Release Date, the Company shall not consolidate with or merge with or into, or convey, transfer or lease, in one transaction or a series of transactions, directly or indirectly, all or substantially all its assets to, any Person, unless:

(i) either (A) the Company shall be the surviving corporation or (B) the resulting, surviving or transferee Person (in each of clauses (A) or (B), the “Successor Company”) shall (1) be a corporation or limited liability company organized and existing under the laws of the United States of America, any State thereof or the District of Columbia (provided that, if the Successor Company is a limited liability company, then, for so long as the Successor Company is not a corporation, there shall be a Restricted Subsidiary of such Person which shall be a corporation organized in the jurisdictions permitted by this clause (1) and a co-obligor of the Securities) and (2) expressly assume all the obligations of the Company under the Securities, this Indenture, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement and the applicable Security Documents pursuant to supplemental indentures, joinders to the applicable Security Documents, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement, or other documents or instruments executed and delivered to, and in form satisfactory to, the Trustee and the Notes Collateral Agent;

(ii) immediately after giving pro forma effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any Subsidiary as a result of such transaction as having been Incurred by such Successor Company or such Subsidiary at the time of such transaction), no Default shall have occurred and be continuing;

(iii) immediately after giving pro forma effect to such transaction, either (A) the Successor Company would be able to Incur an additional \$1.00 of Coverage Indebtedness pursuant to Section 4.03(a) or (B) the Consolidated Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be equal to or greater than such ratio for the Company and its Restricted Subsidiaries immediately prior to such transaction;

(iv) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture; and

(v) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Successor Company are assets of the type that would constitute Collateral under the Security Documents, the Successor Company will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents;

provided, however, that clause (a)(iii) shall not be applicable to (A) a Restricted Subsidiary consolidating with, merging into or transferring all or part of its properties and assets to the Company (so long as no Capital Stock of the Company is distributed to any Person) or (B) the Company merging with an Affiliate of the Company solely for the purpose and with the sole effect of reincorporating the Company in another jurisdiction or converting into a corporation or limited liability company (provided that, if the Company converts to a limited liability company, then, for so long as the Company is not a corporation, there shall be a Restricted Subsidiary of the Company which shall be a corporation organized in the jurisdictions permitted by clause (a)(i) above and a co-obligor of the Securities).

For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

The Successor Company shall be the successor to the Company and shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture, the Securities, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement and the applicable Security Documents, and the predecessor Company, except in the case of a lease, shall be released from the obligation to pay the principal of and interest on the Securities and will automatically be released and discharged from its obligations under this Indenture, the Securities, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement and the applicable Security Documents, as applicable.

For all purposes of this Indenture, Subsidiaries of any Successor Company shall, upon any transaction subject to this Section 5.01, become Restricted Subsidiaries or Unrestricted Subsidiaries as provided pursuant to this Indenture, and all Indebtedness and Liens of the Successor Company and its Subsidiaries that were not Indebtedness or Liens on property or assets, as the case may be, of the Company and its Subsidiaries immediately prior to such transaction shall be deemed to have been Incurred upon such transaction.

(b) The Company shall not permit any Subsidiary Guarantor to consolidate with or merge with or into, or convey, transfer or lease, in one transaction or a series of transactions, all or substantially all of its assets to any Person unless:

(i) except in the case of a Subsidiary Guarantor (x) that has been disposed of in its entirety to another Person (other than to the Company or an Affiliate of the Company), whether through a merger, consolidation or sale of Capital Stock or assets or (y) that, as a result of the disposition of all or a portion of its Capital Stock, ceases to be a Subsidiary, the resulting, surviving or transferee Person (if not such Subsidiary) shall be a Person organized and existing under the laws of the jurisdiction under which such Subsidiary was organized or under the laws of the United States of America, or any State thereof or the District of Columbia (such Subsidiary Guarantor or such Person, as the case may be, being herein called the "Successor Guarantor"), and such Person shall expressly assume all the obligations of such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor's related Guarantee pursuant to supplemental indentures, joinders to the applicable Security Documents and the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement or other documents or instruments in form reasonably satisfactory to the Trustee and the Notes Collateral Agent;

(ii) immediately after giving effect to such transaction or transactions on a pro forma basis (and treating any Indebtedness which becomes an obligation of the resulting, surviving or transferee Person as a result of such transaction as having been issued by such Person at the time of such transaction), no Default shall have occurred and be continuing;

(iii) to the extent any assets of the Person who is merged, consolidated or amalgamated with or into the Successor Guarantor are assets of the type that would constitute Collateral under the Security Documents, the Successor Guarantor will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents; and

(iv) the Company delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such Guarantee Supplemental Indenture, if any, complies with this Indenture;

provided, however, that Section 5.01(b) will not be applicable to a Subsidiary Guarantor merging with an Affiliate of the Company or such Subsidiary Guarantor solely for the purpose and with the sole effect of reincorporating the Subsidiary Guarantor in another jurisdiction or converting into a corporation or limited liability company; provided further, however, that this Section 5.01 shall not be applicable to a Restricted Subsidiary consolidating with, merging into or transferring all or part of its properties and assets to the Company or a Subsidiary Guarantor.

The Successor Guarantor will succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement and the applicable Security Documents and such Subsidiary Guarantor's Guarantee and such Guarantor will automatically be released and discharged from its obligations under this Indenture, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement and the applicable Security Documents and such Subsidiary Guarantor's Guarantee. Notwithstanding the foregoing, any Subsidiary Guarantor may (i) merge, consolidate or amalgamate with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties or assets to another Subsidiary Guarantor or the Company, (ii) merge, consolidate or amalgamate with or into, the Company or an Affiliate of the Company solely for the purpose of reincorporating or reorganizing such Subsidiary Guarantor in the United States, any state or territory thereof or the District of Columbia, (iii) convert into a corporation, partnership, limited partnership, limited liability company, trust or other entity organized or existing under the laws of the jurisdiction of organization of such Guarantor or a jurisdiction in the United States, any state or territory thereof or the District of Columbia or (iv) liquidate or dissolve or change its legal form if the Board or the senior management of the Company determines in good faith that such action is in the best interests of the Company and is not materially disadvantageous to the Holders, in each case, without regard to the requirements set forth in the preceding paragraph.

(c) Upon the consummation of the Assumption, the Company shall (i) promptly notify the Trustee in writing identifying and confirming the Assumption Date, and upon receipt of such written notice, the Trustee shall hereby be authorized and directed to execute and deliver a supplemental indenture of the type referred to in Section 5.01(a)(i)(B)(2) and (ii) execute and deliver to the Trustee (x) a supplemental indenture of the type referred to in Section 5.01(a)(i)(B)(2), in substantially the form of Exhibit B-1 hereto, whereupon the Company shall be the Successor Company and shall succeed to, and be substituted for, and may exercise every right and power of, the Escrow Issuer under this Indenture; provided that no Officer's Certificate and Opinion of Counsel shall be required in connection with the execution of a supplemental indenture of the type referred to in Section 5.01(a)(i)(B)(2) to be entered into by the Company pursuant to the Assumption and (y) the Equal Priority Intercreditor Agreement, the Security Agreement and any other applicable Security Documents. For the avoidance of doubt, this Section 5.01 shall not prohibit, restrict or limit the Company's ability to consummate the Escrow Merger, the Spin-Off or any related Transactions.

ARTICLE 6

Defaults and Remedies

SECTION 6.01. Events of Default. An “Event of Default” occurs if:

(a) a default in the payment of interest on the Securities when the same becomes due and payable, and such default continues for a period of 30 days;

(b) a default in the payment of the principal of (or premium, if any, on) any Security when the same becomes due and payable at its Stated Maturity, upon optional redemption, upon Special Mandatory Redemption, upon required purchase, declaration of acceleration or otherwise;

(c) the Company fails to comply with its obligations under Section 5.01;

(d) the Company fails to comply with any of its obligations in Section 4.08 (other than a failure to purchase Securities which constitutes an Event of Default under Section 6.01(b)) or 4.06 (other than a failure to purchase Securities which constitutes an Event of Default under Section 6.01(b)), and such default continues for a period of 30 days after the notice specified below;

(e) the Company fails to comply with any of its obligations in Section 4.02, and such default continues for a period of 120 days after the notice specified below;

(f) the Company or any Subsidiary Guarantor fails to comply with any of its other covenants or agreements contained in this Indenture or the Security Documents (other than a default referred to in Section 6.01(a) through (e)), and such default continues for a period of 60 days after the notice specified below;

(g) Indebtedness of the Company, any Subsidiary Guarantor or any Significant Subsidiary is not paid within any applicable grace period after final maturity or is accelerated by the holders thereof because of a default and the total amount of such Indebtedness unpaid or accelerated exceeds \$150,000,000;

(h) the Company, any Subsidiary Guarantor or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case;

(ii) consents to the entry of an order for relief against it in an involuntary case;

(iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or

(iv) makes a general assignment for the benefit of its creditors;

or takes any comparable action under any foreign laws relating to insolvency;

(i) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Company, any Subsidiary Guarantor or any Significant Subsidiary in an involuntary case;

(ii) appoints a Custodian of the Company, any Subsidiary Guarantor or any Significant Subsidiary or for any substantial part of its property; or

(iii) orders the winding up or liquidation of the Company, any Subsidiary Guarantor or any Significant Subsidiary;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;

(j) any judgment or decree (but excluding settlements but not excluding judgements or decrees to enforce settlements) for the payment of money in excess of \$150,000,000 (other than any such judgment covered by insurance (other than under a self-insurance program) to the extent a claim therefor has been made in writing and liability therefore has not been denied by the insurer) is entered against the Company, any Subsidiary Guarantor or any Significant Subsidiary, which judgment remains outstanding for a period of 60 consecutive days following the entry of such judgment or decree and is not discharged, waived or the execution thereof stayed;

(k) any Subsidiary Guarantee ceases to be in full force and effect (other than in accordance with the terms of such Subsidiary Guarantee) or any Subsidiary Guarantor denies or disaffirms its obligations under its Subsidiary Guarantee;

(l) the failure by the Company to pay or cause to be paid the Special Mandatory Redemption Price on the Special Mandatory Redemption Date, if any, pursuant to Section 3.07;

(m) (i) the Liens created by the Security Documents shall at any time not constitute a valid and perfected Lien on an aggregate amount of the Collateral equal to \$100,000,000 or more intended to be covered thereby (unless perfection is not required by this Indenture or the Security Documents) other than (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) the satisfaction in full of all Obligations under this Indenture or (C) any loss

of perfection as a result of the Controlling Collateral Agent or the Notes Collateral Agent no longer having possession of certificates delivered to it representing securities pledged under the Security Documents or as a result of a Uniform Commercial Code filing having lapsed because a Uniform Commercial Code continuation statement was not filed in a timely manner and (ii) such default continues for 30 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in aggregate principal amount of the outstanding Securities; or

(n) the Issuer or any Subsidiary Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any security interest in any material Security Document is invalid or unenforceable (other than by reason of the satisfaction in full of all Obligations under this Indenture and discharge of this Indenture, the release of the Guarantee of such Subsidiary Guarantor in accordance with the terms of this Indenture or the release of such security interest in accordance with the terms of this Indenture and the Security Documents).

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Bankruptcy Law" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under Sections 6.01(d), 6.01(e) or 6.01(f) shall not constitute an Event of Default until the Trustee or the Holders of at least 30% in principal amount of the outstanding Securities notify the Company of the Default (simultaneously sending a copy of such notice to the Trustee, in the case of a notice sent by Holders) and the Company or the Subsidiary Guarantor, as applicable, does not cure such Default within the time specified after receipt of such notice; provided that a notice of Default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of Default. Such notice must be in writing, specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." Any such notice of Default, notice of acceleration or instruction delivered to the Trustee and the Notes Collateral Agent, as applicable, to provide a notice of Default, notice of acceleration or take any other action under this paragraph (a "Special Noteholder Direction") provided by any one or more Holders (each a "Directing Holder") must be accompanied by a written representation from each such Holder delivered to the Company, the Trustee and the Notes Collateral Agent, as applicable, that such Holder is not (or, in the case such Holder is the Depository or its nominee, that such Holder is being instructed solely by beneficial owners that are not) Net Short (a "Position Representation"), which representation, in the case of a Special Noteholder Direction relating to the delivery of a notice of Default shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Securities are

accelerated. In addition, each Directing Holder shall be deemed to, at the time of providing a Special Noteholder Direction, covenant to provide the Company with such other information as the Company may reasonably request from time to time in order to verify the accuracy of such Holder's Position Representation within five Business Days of request therefor (a "Verification Covenant"). In any case in which the Holder is the Depositary or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Securities in lieu of the Depositary or its nominee, and the Depositary shall be entitled to conclusively rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee and the Notes Collateral Agent, as applicable, without any duty of further verification or inquiry. Neither the Trustee nor the Notes Collateral Agent shall be liable and shall be fully protected for any action that the Trustee or the Notes Collateral Agent takes or fails to take in accordance with this paragraph and the next succeeding paragraph, or arising out of or in connection with following instructions of or taking actions in accordance with a Special Noteholder Direction. For the avoidance of doubt, the requirements of this paragraph and the next succeeding paragraph shall only apply to Special Noteholder Directions and do not apply to any other directions given by Holders to the Trustee under this Indenture. Neither the Trustee nor the Notes Collateral Agent shall have any no liability whatsoever for acting in accordance with the requirements of this paragraph and the next succeeding paragraph and may conclusively rely on such Position Representation without any duty of further verification or inquiry. Neither the Trustee nor the Notes Collateral Agent shall have any duty to inquire as to or investigate the accuracy or authenticity of any Position Representation or determine whether it complies with the provisions of this Indenture, enforce compliance with any Verification Covenant, to monitor, investigate, verify or otherwise determine if a holder has a Net Short Position, inquire if the Issuer will seek action to determine if a Directing Holder has breached its Position Representation or monitor any court proceedings undertaken in connection therewith, verify any statements in any Officer's Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise and shall have no liability for ceasing to take any action or staying any remedy, or otherwise failing to act in accordance with a Special Noteholder Direction. Notwithstanding any other provision of this Indenture, the Securities or any other document, the provisions of this paragraph and the next succeeding paragraph will apply and survive with respect to each beneficial owner notwithstanding that any such person may have ceased to be a beneficial owner, this Indenture may have been terminated, the Securities may have been redeemed in full or the Trustee may have resigned or been removed.

If, following the delivery of a Special Noteholder Direction, but prior to acceleration of the Securities, the Company determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee and the Notes Collateral Agent an Officer's Certificate certifying that the Company has filed papers with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Special Noteholder Direction, the cure period

with respect to such Event of Default shall be automatically stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Special Noteholder Direction and the aforementioned Officer's Certificate, but prior to acceleration of the Securities, the Company provides to the Trustee and the Notes Collateral Agent an Officer's Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to any Event of Default that resulted from the applicable Special Noteholder Direction shall be automatically stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder's participation in such Special Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of Securities held by the remaining Holders that provided such Special Noteholder Direction would have been insufficient to validly provide such Special Noteholder Direction, such Special Noteholder Direction shall be void *ab initio* (other than any indemnity and/or security such Directing Holder may have offered to the Trustee or the Notes Collateral Agent, as applicable), with the effect that such Event of Default shall be deemed never to have occurred, any related acceleration rescinded and the Trustee and the Notes Collateral Agent, as applicable, shall be deemed not to have received such Special Noteholder Direction or any notice of Default or Event of Default.

Each Holder by accepting any Security acknowledges and agrees that neither the Trustee nor the Notes Collateral Agent (nor any agent) shall be liable to any person for acting or refraining to act in accordance with (i) the foregoing provisions, (ii) any Special Noteholder Direction, (iii) any Officer's Certificate delivered to it in connection therewith or (iv) its duties under this Indenture, as the Trustee or the Notes Collateral Agent, as applicable, may determine in its sole discretion as a result of the foregoing provisions

Additionally, a default under Sections 6.01(e) or 6.01(f) for the failure to deliver any report within the time periods prescribed in Section 4.02 or to deliver any notice or certificate required by this Indenture shall be deemed to be cured upon the subsequent delivery of any such report, notice or certificate, even though such delivery is not within the prescribed period specified.

The Company shall deliver to the Trustee, within 30 days after obtaining knowledge of the occurrence thereof, written notice in the form of an Officer's Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default and its status.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(h) or 6.01(i) with respect to the Company) occurs and is continuing, the Trustee by written notice to the Company, or the Holders of at least 30% in principal amount of the outstanding Securities by written notice to the Company and the Trustee, may declare the principal of and accrued but unpaid interest on all the Securities to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(h) or 6.01(i) with respect to the Company occurs, the principal of and interest on all the Securities shall ipso facto become and be immediately due and payable

without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the Securities by written notice to the Trustee may rescind any such acceleration with respect to the Securities and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. The Holders of a majority in principal amount of the Securities by written notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Security, (b) a Default arising from the failure to redeem or purchase any Security when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. Subject to the Equal Priority Intercreditor Agreement, the Holders of a majority in principal amount of the Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of other Holders of the Securities (it being understood that the Trustee shall have no duty or obligation to determine if such direction is unduly prejudicial to the rights of the Holders) or would involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification and/or security satisfactory to it in its sole discretion against all losses, fees, liabilities and expenses (including attorneys' fees and expenses) caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits. (a) Subject to the Equal Priority Intercreditor Agreement, and except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Securities unless:

- (i) such Holder has previously given the Trustee written notice stating that an Event of Default is continuing;
- (ii) Holders of at least 30% in principal amount of the outstanding Securities have made a written request to the Trustee to pursue the remedy;
- (iii) such Holders have offered the Trustee security and/or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (iv) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security and/or indemnity; and
- (v) Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a direction inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder. In the event that the Definitive Securities are not issued to any beneficial owner promptly after the Registrar has received a request from the Holder of a Global Security to issue such Definitive Securities to such beneficial owner of its nominee, the Company expressly agrees and acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to this Indenture, the right of such beneficial holder of Securities to pursue such remedy with respect to the portion of the Global Security that represents such beneficial holder's Securities as if such Definitive Securities had been issued.

SECTION 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed or provided for in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or 6.01(b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company or any other obligor on the Securities for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Securities) and the amounts provided for in Section 7.06.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company or a Subsidiary Guarantor, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of

the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.06.

SECTION 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee (acting in each of its capacities hereunder) and the Notes Collateral Agent (acting in either capacity hereunder) for amounts due under this Indenture, including, without limitation, under Section 7.06, or under any Security Documents or Intercreditor Agreements to which the Notes Collateral Agent is a party;

SECOND: to Holders for amounts due and unpaid on the Securities for principal and interest, ratably, and Applicable Premium (if any), ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest and Applicable Premium (if any), respectively; and

THIRD: to the Company or to such party as a court of competent jurisdiction shall direct, including a Subsidiary Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Company shall deliver to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Securities.

SECTION 6.12. Waiver of Stay or Extension Laws. Neither the Company nor any Subsidiary Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company and each Subsidiary Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 6.13. Completion of Transactions Not a Default. Notwithstanding anything to the contrary set forth in this Indenture, no provision of this Indenture shall prevent the completion of any of the Transactions, nor shall the Transactions give rise to any Default or Event of Default.

SECTION 6.14. Restoration of Rights and Remedies. If the Trustee, the Notes Collateral Agent or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee, the Notes Collateral Agent or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Notes Collateral Agent, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee, the Notes Collateral Agent and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.15. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee, the Notes Collateral Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.16. Delay or Omission Not Waiver. No delay or omission of the Trustee, the Notes Collateral Agent or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee, the Notes Collateral Agent or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, the Notes Collateral Agent or by the Holders, as the case may be.

ARTICLE 7

Trustee

SECTION 7.01. Duties of Trustee. (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) the Trustee may conclusively rely in good faith, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but not need to confirm or investigate the accuracy of mathematical calculations or other facts stated herein).

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable decision), except that :

(i) this Section 7.01(c) does not limit the effect of Section 7.01(b);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) in no event shall the Trustee be responsible or liable for special, punitive, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to Sections 7.01(a), 7.01(b) and 7.01(c).

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial or other liability or expense in the performance of any of its duties hereunder or in the exercise of any of its rights or powers hereunder, if it shall have any grounds to believe in good faith that repayment of such funds or expense or adequate indemnity and/or security against such risks or liability is not assured to it.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01.

SECTION 7.02. Rights of Trustee. (a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officer's Certificate or Opinion of Counsel.

(c) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in such certificate previously delivered and not superseded.

(d) The Trustee may act through agents and shall not be responsible for the acts or omissions of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(f) The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, direction, order, approval, bond, debenture, note or other paper or document, but the Trustee may (but shall not be obligated to) make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation. The Trustee (acting in any capacity hereunder) shall have no liability or responsibility for (i) performing any calculation hereunder or in connection with the Securities or (ii) any calculation hereunder or in connection with the Securities, or any information used in connection with any such calculation.

(h) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties.

(i) The Trustee shall not be required to give any note, bond or surety in respect of the trusts and powers under this Indenture.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and under any Intercreditor Agreement, any other Security Document and under the Escrow Agreement, and each agent, custodian and other Person employed to act hereunder, including, without limitation, the Notes Collateral Agent.

(k) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered, and if requested, provided to the Trustee indemnity and/or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(l) The Trustee shall not be deemed to have notice of any Default or Event of Default other than an Event of Default under Section 6.01(a) or Section 6.01(b) unless written notice of any event which is in fact such a Default or Event of Defaults is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee and such notice references the Securities, the Company, and this Indenture.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee. Any Paying Agent, Registrar co-registrar or co-paying agent may do the same with like rights.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Subsidiary Guarantee, the Equal Priority Intercreditor Agreement, the Security Documents or the Securities, it shall not be accountable for the Company's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Company or any Subsidiary Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Sections 6.01(c), 6.01(d), 6.01(e), 6.01(f), 6.01(g), 6.01(h), 6.01(i), 6.01(j) or 6.01(k) or of the identity of any Significant Subsidiary unless either (a) a Responsible Officer of the Trustee shall have received notice thereof at its Corporate Trust Office in accordance with Section 11.01 hereof from the Issuer, any Subsidiary Guarantor or any Holder and such notice references the Company, the Securities and this Indenture.

SECTION 7.05. Notice of Defaults. If a Responsible Officer of the Trustee obtains actual knowledge in accordance with the terms of this Indenture or has received written notice of a Default or Event of Default from the Company or any Holder in accordance with the terms hereof, the Trustee shall deliver electronically, in accordance with DTC procedures in the case of Global Securities, or mail to each Holder, with a copy to the Company, notice of such Default or Event of Default within 30 days after it obtains actual knowledge thereof or receipt of such written notice. Except in the case of a Default in the payment of principal of or interest on any Security, the Trustee may but shall not be obligated to withhold the notice if and so long as it determines that withholding the notice is not opposed to the interests of the Holders.

SECTION 7.06. Compensation and Indemnity. The Issuer and each Subsidiary Guarantor, jointly and severally, shall pay to the Trustee (acting in any capacity hereunder, including as Notes Collateral Agent) from time to time compensation for its services as agreed by the Issuer and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer and each Subsidiary Guarantor, jointly and severally, shall reimburse the Trustee upon request for all out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Issuer and each Subsidiary Guarantor, jointly and severally, shall indemnify the Trustee (acting in any capacity hereunder) and its officers, directors, employees and agents (each, a "Trustee indemnified party") for and from, and hold them harmless against, any and all loss, liability or expense (including reasonable attorneys' fees) paid or incurred by or in connection with the administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture against the Issuer and the Subsidiary Guarantors (including this Section 7.06). The Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; provided, however, that any failure so to notify the Issuer shall not relieve the Issuer or any Subsidiary Guarantor of its indemnity obligations hereunder. The Issuer shall defend the claim and the Trustee indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer and the Subsidiary Guarantors, as applicable shall pay the fees and expenses of such counsel unless (i) in the sole judgment of the Trustee, there is a conflict of interest between the Issuer and the relevant Indemnified Party in connection with such defense, (ii) the Issuer has not retained counsel reasonably satisfactory to the Trustee or (iii) there are defenses available to the relevant indemnified party that may not be asserted by the Issuer or a Subsidiary Guarantor. Any settlement which affects an indemnified party may not be entered into without the consent of the Trustee, unless the Trustee is given a full and unconditional release from liability with respect to the claims covered thereby and such settlement does not include a statement or admission of fault, culpability or failure to act by or on behalf of the Trustee. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or gross negligence (as determined by a court of competent jurisdiction in a final non-appealable decision).

To secure the Issuer's payment obligations in this Section 7.06, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee or the Notes Collateral Agent other than money or property held in trust to pay principal of and interest on particular Securities.

The payment obligations of the Issuer and the Subsidiary Guarantors pursuant to this Section 7.06 shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(h) or, with respect to the Issuer, the expenses and compensation for services (including the fees and expenses of counsel) are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.07. Replacement of Trustee. (a) The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in principal amount of the Securities may remove the Trustee by written notice to the Trustee and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.08;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers, privileges, protections, indemnities, immunities and duties of the Trustee under this Indenture. The successor Trustee shall deliver a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, provided all sums owing to the Trustee (in each of its capacities hereunder) have been paid, subject to the lien provided for in Section 7.06. Further, the retiring or resigning Trustee shall have no liability or responsibility for any action or inaction of a successor Trustee.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section 7.07, the obligations of the Issuer and each Subsidiary Guarantor under Section 7.06 shall continue for the benefit of the retiring Trustee and the successor Trustee.

SECTION 7.08. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture and any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.09. Escrow Agreement. The Trustee shall agree to the appointment of the Escrow Agent and shall enter into the Escrow Agreement. The Trustee, in its capacity as such, is not responsible for the contents or sufficiency of the Escrow Agreement; and in entering into the Escrow Agreement, and with respect to all matters arising under the Escrow Agreement, the Trustee, in its capacity as such, shall have the rights, protections, privileges, immunities and indemnities granted to it under this Indenture. Neither the Trustee nor any Holder (whether acting directly or by direction or demand to the Trustee) shall be entitled or permitted to give any direction to, or make any demand upon, the Escrow Agent that would be contrary to, or in conflict with Section 2 of the Escrow Agreement.

ARTICLE 8

Discharge of Indenture; Defeasance

SECTION 8.01. Discharge of Liability on Securities; Defeasance. (a) When (i) all outstanding Securities (other than Securities replaced or paid pursuant to Section 2.07) have been cancelled or delivered to the Trustee for cancellation or (ii) all outstanding Securities have become due and payable, whether at maturity or on a redemption date as a result of the delivery of a notice of redemption pursuant to Article 3

hereof, and, in the case of clause (ii), the Company irrevocably deposits with the Trustee funds sufficient to pay at maturity or upon redemption of all outstanding Securities, including interest thereon to maturity or such redemption date (other than Securities replaced or paid pursuant to Section 2.07) and Applicable Premium, if any, and if in either case the Company pays all other sums payable under this Indenture, then this Indenture shall, subject to Section 8.01(c), cease to be of further effect and the Subsidiary Guarantees and the Liens on the Collateral securing the Securities will be irrevocably released; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Section 8.01 to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit on the date of redemption (any such amount, the “Applicable Premium Deficit”) only required to be deposited with the Trustee on or prior to the date of redemption (it being understood that any defeasance shall be subject to the condition subsequent that such deficit is in fact paid). Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption. The Trustee shall acknowledge satisfaction and discharge of this Indenture on demand of the Company accompanied by an Officer’s Certificate and an Opinion of Counsel and at the cost and expense of the Company.

(b) Subject to Sections 8.01(c) and 8.02, the Company at any time may terminate (i) all of its obligations under the Securities and this Indenture (“legal defeasance option”) or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.10, 4.11, 4.12, 4.13 and 4.14 and the operation of Sections 6.01(d), 6.01(e), 6.01(g), 6.01(h), 6.01(i) and 6.01(j) (but, in the case of Sections 6.01(h) and 6.01(i), with respect only to Significant Subsidiaries and the Subsidiary Guarantors) and the limitations contained in Section 5.01(a)(iii) (“covenant defeasance option”).

If the Company exercises its legal defeasance option, payment of the Securities may not be accelerated because of an Event of Default with respect thereto. If the Company exercises its covenant defeasance option, payment of the Securities may not be accelerated because of an Event of Default specified in Section 6.01(d), 6.01(e), 6.01(f), 6.01(g), 6.01(h) (with respect only to Significant Subsidiaries and Subsidiary Guarantors), 6.01(i) or because of the failure of the Company to comply with Section 5.01(a)(iii). If the Company exercises its legal defeasance option or its covenant defeasance option, each Subsidiary Guarantor shall be released from all of its obligations with respect to its Subsidiary Guarantee, this Indenture, the applicable Security Documents and the Liens on the Collateral securing the Securities.

Upon satisfaction of the conditions set forth herein and upon the written request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding Sections 8.01(a) and (b), the Company’s obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.07, 7.08 and in this Article 8 shall survive until the Securities have been paid in full. Thereafter, the Company’s obligations in Sections 7.06, 8.04 and 8.05 shall survive.

SECTION 8.02. Conditions to Defeasance. (a) The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Company irrevocably deposits in trust with the Trustee money in an amount sufficient to purchase U.S. Government Obligations, the principal of and interest on which shall be sufficient, or a combination thereof sufficient, to pay the principal of, and premium (if any) and interest on the Securities when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Section 8.02 to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption (it being understood that any defeasance shall be subject to the condition subsequent that such deficit is in fact paid). Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(ii) the Company delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment shall provide cash at such times and in such amounts as shall be sufficient to pay principal, premium, if any, and interest when due on all the Securities to maturity or redemption, as the case may be;

(iii) 91 days pass after the deposit is made and during the 91-day period no Default specified in Section 6.01(h) or 6.01(i) with respect to the Company occurs which is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on the Company and is not prohibited by Article 10;

(v) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders shall not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such deposit and legal defeasance and shall be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and legal defeasance had not occurred;

(vi) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders shall not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such deposit and covenant defeasance and shall be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and covenant defeasance had not occurred; and

(vii) the Company delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Securities as contemplated by this Article 8 have been complied with.

(b) Before or after a deposit, the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities.

SECTION 8.04. Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon written request any money or U.S. Government Obligations held by it as provided in this Article which, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon written request any money held by them for the payment of principal and interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and each Subsidiary Guarantors' obligations under this Indenture, each Guarantee and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; provided, however, that, if the Company has made any payment of principal of or interest on, any Securities because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9

After an amendment under this Section 9.01 becomes effective, the Company shall deliver to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of Holders. (a) The Company, the Subsidiary Guarantors, the Trustee and the Notes Collateral Agent may amend this Indenture (including the obligations of the Company to make a Change of Control Offer pursuant to Section 4.08 of this Indenture, the Securities, the Equal Priority Intercreditor

Agreement, any Acceptable Junior Priority Intercreditor Agreement and the Security Documents without notice to any Holder but with the written consent of the Holders of at least a majority in principal amount of the Securities then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Securities) and any past default or compliance with any provisions may also be waived with the consent of the Holders of at least a majority in principal amount of the Securities then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Securities). However, without the consent of each Holder of an outstanding Security affected thereby, an amendment or waiver may not:

- (i) reduce the amount of Securities whose Holders must consent to an amendment;
- (ii) reduce the rate of or extend the time for payment of interest on any Security;
- (iii) reduce the principal of or change the Stated Maturity of any Security;
- (iv) change the provisions applicable to the redemption of any Security as described under Article 3 of this Indenture or Section 5 of the Securities (other than any change to the notice periods with respect to such redemptions);

- (x) reduce the Special Mandatory Redemption Price;

(b) Notwithstanding the foregoing in Section 9.01 or 9.02(a) above, without the consent of the Holders of at least 66 2/3% in aggregate principal amount of the Securities then outstanding, no amendment or waiver may (a) make any change in any Security Document, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Secured Notes Obligations or (b) change or alter the priority of the Liens securing the Secured Notes Obligations in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture, the Security Documents or the Equal Priority Intercreditor Agreement.

(c) Each Holder, by its acceptance of the Securities, will be deemed to have consented and agreed to the terms of each Security Document, as originally in effect and as amended, supplemented or replaced from time to time in accordance with its terms or the terms of this Indenture; and authorizes and empowers the Trustee, the Notes Collateral Agent and (through the Equal Priority Intercreditor Agreement) the Controlling Collateral Agent to bind the Holders and other holders of Equal Priority Obligations as set forth in the applicable Security Documents to which they are a party and to perform its obligations and exercise its rights and powers thereunder. Notwithstanding the foregoing, no such consent or deemed consent shall be deemed or construed to represent an amendment or waiver, in whole or in part, of any provision of this Indenture or the Securities. This paragraph will not, however, limit the right of the Company to amend, waive or otherwise modify the Security Documents in accordance with their terms.

(d) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

(e) Notwithstanding anything to the contrary in the foregoing, no amendment, restatement, supplement, modification or waiver of any provision of this Indenture or any Security Document nor consent to any departure by any party thereto shall amend, modify or otherwise affect the rights, duties, obligations, privileges, protections, exculpations, immunities, or indemnities of the Trustee or the Notes Collateral Agent (as determined by the Trustee and/or the Notes Collateral Agent in its sole discretion) thereunder, unless in writing executed by the Trustee and/or the Notes Collateral Agent, in each case such execution to be given or withheld in the Trustee's and/or the Notes Collateral Agent's sole discretion.

(f) After an amendment under this Section 9.02 becomes effective, the Company shall deliver to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03. Revocation and Effect of Consents and Waivers. (a) A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee and the Notes Collateral Agent receive the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Company or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or Guarantee Supplemental Indenture) by the Company, the Notes Collateral Agent and the Trustee.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04. Notation on or Exchange of Securities. If an amendment changes the terms of a Security, the Trustee may require the Holder to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Security shall execute a new Security that reflects the changed terms, and upon receipt of a Company Order, the Trustee shall authenticate such new Security. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment.

SECTION 9.05. Trustee and Notes Collateral Agent to Sign Amendments. The Trustee and the Notes Collateral Agent shall not be obligated to sign any amendment pursuant to this Article 9 if the amendment affects the rights, duties, liabilities, privileges, protections, indemnities or immunities of the Trustee or the Notes Collateral Agent (as applicable). If it does, the Trustee or the Notes Collateral Agent may but shall not be obligated to sign it. In signing any amendment hereto the Trustee and the Notes Collateral Agent shall be entitled to receive indemnity and/or security satisfactory to it and to receive, and (subject to Section 7.01) shall be fully protected in

relying upon, an Officer's Certificate and an Opinion of Counsel stating that (i) such amendment is authorized or permitted by this Indenture and that all conditions precedent in this Indenture relating to the execution and delivery of such amendment have been complied with and (ii) such amendment (other than any amendment substantially in the form of Exhibit B hereto solely to add one or more Subsidiary Guarantors) is the valid and binding obligation of the Company and any Subsidiary Guarantor enforceable against each in accordance with its terms.

SECTION 9.06. Payment for Consent. ARTICLE 10

Subsidiary Guarantees

SECTION 10.01. Subsidiary Guarantees. (a) Each Subsidiary Guarantor hereby jointly and severally irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Company under this Indenture (including obligations to the Trustee (in each of its capacities hereunder and the Notes Collateral Agent)) and the Securities, whether for payment of principal of or interest on in respect of the Securities and all other monetary obligations of the Company under this Indenture and the Securities and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Company whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Securities or any other agreement or otherwise, (ii) any extension or renewal of any thereof, (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement, (iv) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations or (v) any change in the ownership of such Subsidiary Guarantor.

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor's obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Company first be used and depleted as payment of the Company's or such Subsidiary Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Company be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Section 8.01(b), 10.02 and 10.06, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(f) Each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether

at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Company to the Holders and the Trustee (in each of its capacities hereunder, including, without limitation, as Notes Collateral Agent).

(h) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 10.01.

(i) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee, the Notes Collateral Agent or any Holder in enforcing any rights under this Section 10.01.

(j) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 10.02. Limitation on Liability. (a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

SECTION 10.03. Successors and Assigns. This Article 10 shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.05. Modification. No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee and the Notes Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle such Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.06. Release of Subsidiary Guarantor. A Subsidiary Guarantor shall be automatically and irrevocably released from its obligations under this Article 10 (other than any obligation that may have arisen under Section 10.07) upon:

- (a) (i) the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture;
- (ii) the release of such Subsidiary Guarantor from its guarantee of Indebtedness under the Senior Secured Credit Facilities, so long as such Subsidiary Guarantor would not then otherwise be required to guarantee the Securities pursuant to Section 4.11;
- (iii) the sale or other disposition of such Subsidiary Guarantor (including by way of merger or consolidation, the sale of its Capital Stock or the sale of all or substantially all of its assets) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, so long as the sale or other disposition does not violate Section 4.06 or Section 5.01;
- (iv) the release or discharge of the Indebtedness that would have required such Subsidiary Guarantor to enter into a Guarantee Supplemental Indenture pursuant to Section 4.11, other than a release or discharge by or as a result of the payment of such Indebtedness; or
- (v) the Company exercising its legal defeasance option or its covenant defeasance option or if the Company's obligations under this Indenture are discharged in accordance with the terms of this Indenture.

At the written request of the Company, the Trustee and the Notes Collateral Agent shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Company).

SECTION 10.07. Execution of Guarantee Supplemental Indenture for Future Subsidiary Guarantors. Each Subsidiary which is required to become a Subsidiary Guarantor pursuant to Section 4.11 shall promptly execute and deliver to the Trustee a Guarantee Supplemental Indenture pursuant to which such Subsidiary shall become a Subsidiary Guarantor under this Article 10 and shall guarantee the Guaranteed Obligations. Subject to the exception in Section 4.11, concurrently with the execution and delivery of such Guarantee Supplemental Indenture, the Company shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such Guarantee Supplemental Indenture complies with the requirements of Section 4.11 and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Subsidiary Guarantee of such Subsidiary Guarantor is a valid and binding obligation of such Subsidiary Guarantor, enforceable against such Subsidiary Guarantor in accordance with its terms and or to such other matters as the Trustee may reasonably request.

SECTION 10.08. Non-Impairment. The failure to endorse a Subsidiary Guarantee on any Security shall not affect or impair the validity thereof.

SECTION 10.09. Contribution. Each Subsidiary Guarantor that makes a payment under its Subsidiary Guarantee shall be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Subsidiary Guarantor in an amount equal to such other Subsidiary Guarantor's pro rata portion of such payment based on the respective net assets of all the Subsidiary Guarantors at the time of such payment determined in accordance with GAAP.

(ii) in the case of a Subsidiary Guarantor that is released from its Guarantee, with respect to the property and other assets of such Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Guarantee;

(iii) with respect to Collateral that is Capital Stock, upon (A) the dissolution or liquidation of the issuer of that Capital Stock that is not prohibited by this Indenture or (B) upon the designation by the Company of such issuer of Capital Stock as an Unrestricted Subsidiary under this Indenture;

(iv) with respect to any Collateral that becomes an "Excluded Asset," upon it becoming an Excluded Asset;

(v) in accordance with Section 4.13(a)(ii);

(vi) to the extent the Liens on the Collateral securing the Senior Secured Credit Facilities Obligations are released by the Bank Collateral Agent (other than a discharge or release by or as a result of payment in full under such guarantee after the occurrence of a payment default or acceleration thereunder (it being understood that a release subject to a contingent reinstatement is still a release)), upon the release of such Liens, at which time the Notes Collateral Agent promptly shall execute, if applicable, and deliver to the Bank Collateral Agent or the Grantor of such Liens (at the sole cost and expense of the Grantors) such termination statements, releases, authorizations and other documents and instruments, and shall take or authorize such Grantor to take such action (including any recordation, filing or giving of notice), as such Grantor may reasonably request to effectively confirm such release;

(vii) in connection with any enforcement action taken by the Controlling Collateral Agent in accordance with the terms of the Equal Priority Intercreditor Agreement; or

(viii) as described under Article 9.

(b) The Liens on the Collateral securing the Notes and the related Note Guarantees also shall automatically, subject to Section 12.02(d) below, and without the need for any further action by any Person be terminated and released,

(i) upon payment in full of the principal of, together with accrued and unpaid interest on, the Securities and all other Obligations in respect of the Securities under this Indenture, the related Subsidiary Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid,

(ii) upon a legal defeasance or covenant defeasance with respect to the Securities under this Indenture as described above in Article 8 or a satisfaction and discharge of this Indenture with respect to the Securities as described under Article 8 or

(iii) pursuant to the Equal Priority Intercreditor Agreement described above and the Security Documents with respect to the Securities, in each case, other than any contingent obligations (including contingent indemnity obligations not yet due or payable).

(c) In addition, any Lien on any Collateral may be subordinated to the holder of any Lien on such Collateral that is created, incurred, or assumed pursuant to clauses (f), (w) or (bb) of the definition of "Permitted Liens" to the extent required by the terms of the Obligations secured by such Liens.

(d) With respect to any release of Collateral, upon receipt of an Officer's Certificate stating that all conditions precedent under this Indenture and the Security Documents and the Intercreditor Agreements, as applicable, to such release have been met and that it is permitted for the Trustee or Notes Collateral Agent to execute and

deliver the documents requested by the Company in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Trustee and the Notes Collateral Agent shall execute, deliver or acknowledge (at the Company's expense) such instruments or releases to evidence the release, without recourse, representation or warranty of any kind, of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreements and shall do or cause to be done (at the Company's expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officer's Certificate, and notwithstanding any term hereof or in any Security Document or in the Intercreditor Agreements to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officer's Certificate.

SECTION 12.03. Suits to Protect the Collateral.

- (b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Security Documents and the Intercreditor Agreements, the Trustee and the Notes Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.03 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

SECTION 12.04. Authorization of Receipt of Funds by the Trustee Under the Security Documents. Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

SECTION 12.05. Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 12 to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Subsidiary Guarantor to make any such sale or other transfer.

SECTION 12.06. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 12 upon the Company or a Subsidiary Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Subsidiary Guarantor or of any Officer thereof required by the provisions of this Article 12; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

SECTION 12.07. Certain Limitations on the Collateral.

Notwithstanding anything in this Indenture or any Security Document, it understood and agreed that:

(a) Liens required to be granted from time to time pursuant to this Indenture and the Security Documents shall be subject to exceptions and limitations set forth in this Indenture and the applicable Security Documents;

(b) (i) perfection by control will not be required with respect to assets requiring perfection through control agreements or other control arrangements, including Deposit Accounts, securities accounts and commodities accounts (other than control or possession of pledged Equity Interests (to the extent certificated) and Material Debt Instruments that constitute Collateral) and (ii) no blocked account agreement, deposit account control agreement or similar agreement will be required for any Deposit Account, securities account or commodities account;

(c) no actions will be required to be taken, and the Notes Collateral Agent will not be authorized to take any action, in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction to create any security interests in assets located or titled outside of the U.S. or to perfect or make enforceable any security interests in any such assets (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction and no non-U.S. intellectual property filings, searches or schedules); and

(d) no landlord waiver or bailee's letter, estoppels or collateral access letters shall be required to be delivered.

It is understood and agreed that prior to the discharge of the Senior Secured Credit Facilities Obligations, to the extent that the Bank Collateral Agent is satisfied with or agrees to any deliveries or documents required to be provided in respect of any matters relating to the Collateral or makes any determination in respect of any

matters relating to the Collateral (including, without limitation, extensions of time or waivers for the creation and perfection of security interests in, or the obtaining of title insurance, legal opinions or other deliverables with respect to, particular assets (including in connection with assets acquired, or Subsidiaries formed or acquired, after the Escrow Release Date)), the Notes Collateral Agent shall be deemed to be satisfied with such deliveries or documents and the judgment of the Bank Collateral Agent in respect of any such matters under the Senior Secured Credit Facilities shall be deemed to be the judgment of the Notes Collateral Agent in respect of such matters under this Indenture and the Security Documents.

All terms used in the preceding paragraphs and defined in the UCC and not otherwise defined in this “Indenture have the meanings given to such terms in the UCC; provided that the term “instrument” has the meaning given to such term in Article 9 of the UCC.

SECTION 12.08. [Reserved.]

SECTION 12.09. Notes Collateral Agent.

(a) The Trustee and each of the Holders by acceptance of the Securities hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Security Documents and the Intercreditor Agreements, and the Issuer, the Trustee and each of the Holders by acceptance of the Securities hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Security Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Security Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 12.09. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provision of this Indenture, the Intercreditor Agreements and the Security Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreements, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Security Documents and the Intercreditor Agreements to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreements or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Security Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a "Related Person"), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) None of the Notes Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable decision) or under or in connection with any Security Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable decision), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Issuer or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Security Documents or the Intercreditor Agreements, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Security Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Security Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Security Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor's Affiliates.

(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the

proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Security Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Securities as it determines and, if it so requests, it shall first be indemnified and/or provided with security to its satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Security Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the Securities then outstanding and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a Responsible Officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Issuer referring to this Indenture, the Issuer and the Securities, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested in writing by the Trustee in accordance with Article Five or the Holders of a majority in aggregate principal amount of the Securities (subject to this Section 12.09).

(f) The Notes Collateral Agent may resign at any time by notice to the Trustee and the Issuer, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Issuer shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Securities then outstanding, may appoint a successor collateral agent, subject to the consent of the Issuer (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Issuer pursuant to the preceding sentence within 30 days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After

the retiring Notes Collateral Agent's resignation hereunder, the provisions of this Section 12.09 shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(g) Citibank, N.A. shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreements, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable decision).

(h) The Notes Collateral Agent is authorized and directed to (i) enter into the Security Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Intercreditor Agreements, whether executed on or after the Issue Date, (iii) make the representations of the Holders set forth in the Security Documents and Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Security Documents and the Intercreditor Agreements.

(i) [Reserved]

(j) The Notes Collateral Agent is each Holder's agent for the purpose of perfecting the Holders' security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon written request from the Issuer, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent's instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor's property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or

sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Security Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Securities or as otherwise provided in the Security Documents.

(l) If the Issuer or any Subsidiary Guarantor (i) incurs any Junior Priority Obligations at any time when no Acceptable Junior Priority Intercreditor Agreement is in effect and (ii) delivers to the Notes Collateral Agent an Officer's Certificate so stating and requesting the Notes Collateral Agent to enter into an Acceptable Junior Priority Intercreditor Agreement in favor of a designated agent or representative for the holders of the Junior Priority Obligations so incurred, together with an Opinion of Counsel and Officer's Certificate, the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Issuer, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder.

(m) No provision of this Indenture, the Intercreditor Agreements or any Security Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have security and/or received indemnity and/or security satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Security Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Security Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable decision, (ii) shall not be liable for interest on any money received

by it except as the Notes Collateral Agent may agree in writing with the Issuer (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) The Notes Collateral Agent shall not be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Issuer or any other Grantor under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Security Documents, the Intercreditor Agreements or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Security Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Security Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Security Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Security Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and any Security Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Security Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Security Documents and the Intercreditor Agreements.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited

to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Security Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Security Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee's sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an "owner or operator" under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state or local law, the Notes Collateral Agent and the Trustee reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Issuer, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Issuer or the Guarantors, a majority in interest of Holders shall direct the Notes Collateral Agent or the Trustee in writing to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Issuer signed by an Officer (a "Security Document Order"), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Security Document to be executed after the Issue Date; provided that the Notes Collateral Agent shall not be obligated to execute any Security Document if such Security Document affects the rights, duties, liabilities, privileges, protections, indemnities or immunities of the Notes Collateral Agent. Such Security Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Security Document Order referred to in, this Section 12.09(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Security Document. Any such execution of a Security Document shall be at the direction and expense of the Issuer, upon delivery to the Notes Collateral Agent of an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of the Security Document have been satisfied. The Holders, by their acceptance of the Securities, hereby authorize and direct the Notes Collateral Agent to execute such Security Documents.

(s) Subject to the provisions of the applicable Security Documents and the Intercreditor Agreements, each Holder, by acceptance of the Securities, agrees that the Notes Collateral Agent shall execute and deliver the Intercreditor Agreements and the Security Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Security Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of Securities then outstanding or the Trustee, as applicable.

(t) After the occurrence and continuance of an Event of Default, the Trustee, acting at the written direction of the Holders of a majority of the aggregate principal amount of the Securities then outstanding, may, subject to the terms of any Intercreditor Agreements, direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Security Documents or the Intercreditor Agreements.

(u) The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Security Documents or the Intercreditor Agreements and to the extent not prohibited under the Intercreditor Agreements, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Security Document or any Intercreditor Agreement to take any action (an "Action"), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Security Document or any Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of Securities then outstanding. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of Outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of Securities then outstanding with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of Securities then outstanding, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary in this Indenture or in any Security Document or any Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Security Documents or the Intercreditor Agreements (including without limitation the filing or continuation of any Uniform Commercial Code financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Security Documents or the security interests or Liens intended to be created thereby. Additionally, neither the Notes Collateral Agent nor the Trustee shall be responsible for providing, maintaining, monitoring or preserving insurance on or the payment of taxes with respect to any of the Collateral. The actions described in Section 12.09(w) shall be the sole responsibility of the Grantors.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Issuer or the Guarantors, it may require an Officer's Certificate, which shall conform to the provisions of Section 11.02 and this Section 12.09; provided that no Officer's Certificate shall be required in connection with the Security Documents and the Equal Priority Intercreditor Agreement to be entered by the Notes Collateral Agent on the Issue Date. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate.

(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee solely with respect to the Security Documents and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Security Documents were named as this Indenture herein.

(aa) Section 7.06 of this Indenture shall apply mutatis mutandis to the Notes Collateral Agent in its capacity as such, provided that for the purposes of this Section 12.09(aa).

(bb) Beyond the exercise of reasonable care in the custody thereof, neither the Notes Collateral Agent nor the Trustee shall have duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Notes Collateral Agent and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Notes Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Notes Collateral Agent in good faith.

(cc) Neither the Notes Collateral Agent nor the Trustee shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence or willful misconduct on the part of the Notes Collateral Agent (as determined by a court of competent jurisdiction in a final non-appealable decision), for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of the applicable Grantor to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral.

(dd) Notwithstanding anything else to the contrary herein (but not with respect to express discretions to the Notes Collateral Agent hereunder), whenever reference is made in this Indenture, any Intercreditor Agreement or any Security Document, to any discretionary action whether by consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Notes Collateral Agent in its discretion or to any discretionary election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Notes Collateral Agent, it is understood that in all cases the Notes Collateral Agent shall be fully justified in failing or refusing to take any such discretionary action if it shall not have received written instruction, advice or concurrence of the Holders of a majority in principal amount of the Securities then outstanding or any controlling agent or representative under this Indenture, any Intercreditor Agreement or Security Document in respect of such action (in each case as applicable). The Notes Collateral Agent shall have no liability for any failure or delay in taking any actions contemplated above as a result of a failure or delay on the part of the Holders of a majority in principal amount of the Securities then outstanding or any controlling agent or representative under this Indenture, any Intercreditor Agreement or Security Document to provide such instruction, advice or concurrence.

SECTION 12.10. Security Documents; Intercreditor Agreements. By their acceptance of the Securities, the Holders hereby authorize and direct the Trustee and Notes Collateral Agent, as the case may be, to execute, deliver and perform its obligations under each of the Security Documents, the Equal Priority Intercreditor Agreement and, if applicable, any Acceptable Junior Priority Intercreditor Agreement to which the Trustee or the Notes Collateral Agent, as applicable, is to be a party, including any Intercreditor Agreement or Security Documents executed on or after the Escrow Release Date and any amendments, joinders or supplements to any Intercreditor Agreement or Security Document permitted by this Indenture, provided that any such agreement is in form and substance reasonably satisfactory to the Trustee and the Notes Collateral Agent. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Notes Collateral Agent are not responsible for

the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, any Intercreditor Agreement or any other Security Document, the Trustee and the Notes Collateral Agent each shall have all of the rights, privileges, benefits, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

SECTION 12.11. Force Majeure. In no event shall the Trustee or the Notes Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics or pandemics and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, it being understood that the Trustee and the Notes Collateral Agent shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the date first written above.

2. The Securities

2.1 Form and Dating

(a) The Securities issued on the date hereof shall be (i) offered and sold by the Issuer pursuant to the Purchase Agreement and (ii) resold, initially only to (1) QIBs in reliance on Rule 144A and (2) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Securities may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S. Additional Securities offered after the date hereof may be offered and sold by the Issuer from time to time pursuant to one or more Purchase Agreement in accordance with applicable law.

(b) Global Securities. Rule 144A Securities shall be issued initially in the form of one or more permanent Global Securities in definitive, fully registered form (collectively, the “Rule 144A Global Security”) and Regulation S Securities shall be issued initially in the form of one or more global Securities (collectively, the “Regulation S Global Security”), in each case without interest coupons and bearing the Global Securities Legend and Restricted Securities Legend, which shall be deposited on behalf of the purchasers of the Securities represented thereby with the Securities Custodian, and registered in the name of the Depository or a nominee of the Depository, duly executed by the Issuer and authenticated by the Trustee as provided in this Indenture. Beneficial ownership interests in the Regulation S Global Security shall not be exchangeable for interests in the Rule 144A Global Security or any other Security without a Restricted Securities Legend until the expiration of the Restricted Period. The Rule 144A Global Security and the Regulation S Global Security are each referred to herein as a “Global Security” and are collectively referred to herein as “Global Securities”. The aggregate principal amount of the Global Securities may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee and on the schedules thereto as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Security deposited with or on behalf of the Depository.

The Issuer shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.2 and pursuant to an order of the Issuer signed by one Officer, authenticate and deliver initially one or more Global Securities that (i) shall be registered in the name of the Depository for such Global Security or Global Securities or the nominee of such Depository and (ii) shall be delivered by the Trustee to such Depository or pursuant to such Depository’s instructions or held by the Trustee as Securities Custodian.

Members of, or participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository or by the Trustee as Securities Custodian or under such Global Security, and the Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Security.

(d) Definitive Securities. Except as provided in Section 2.3 or 2.4, owners of beneficial interests in Global Securities shall not be entitled to receive physical delivery of certificated Securities.

2.2 Authentication. The Trustee shall authenticate and deliver (a) on the Issue Date, an aggregate principal amount of \$1,350,000,000 of 9.500% Senior Secured Notes due 2029 and (b) subject to the terms of this Indenture (including Section 4.03 and Section 4.13 hereof), any Additional Securities for an original issuance specified in the Company Order pursuant to Section 2.02 of this Indenture. Such order shall specify the amount of the Securities to be authenticated and the date on which the original issue of Securities is to be authenticated, and in the case of any issuance of Additional Securities pursuant to Section 2.13 of this Indenture, shall certify that such issuance is in compliance with Section 4.03 and Section 4.13 of this Indenture.

2.3 Transfer and Exchange. (a) Transfer and Exchange of Definitive Securities. When Definitive Securities are presented to the Registrar with a request:

- (i) to register the transfer of such Definitive Securities; or
- (ii) to exchange such Definitive Securities for an equal principal amount of Definitive Securities of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Securities surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in the form of Exhibit C hereto, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Securities, are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Securities are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect (in the form set forth on the reverse side of the Security); or

(B) if such Definitive Securities are being transferred to the Issuer, a certification to that effect (in the form set forth on the reverse side of the Security); or

(C) if such Definitive Securities are being transferred pursuant to an exemption from registration in reliance upon an exemption from the registration requirements of the Securities Act, (x) a certification to that effect (in the form set forth on the reverse side of the Security) and (y) if the Issuer so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).

(b) Restrictions on Transfer of a Definitive Security for a Beneficial Interest in a Global Security. A Definitive Security may not be exchanged for a beneficial interest in a Global Security except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Security, duly endorsed or accompanied by a written instrument of transfer in the form of Exhibit C hereto, together with:

(i) certification (in the form set forth on the reverse side of the Security) that such Definitive Security is being transferred (1) to the Company, (2) to the Registrar for registration in the name of a Holder, without transfer, (3) pursuant to an effective registration statement under the Securities Act, (4) to a QIB in accordance with Rule 144A, (5) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act or (6) pursuant to another available exemption from registration provided by Rule 144 under the Securities Act; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Security to reflect an increase in the aggregate principal amount of the Securities represented by the Global Security, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Security and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Securities represented by the Global Security to be increased by the aggregate principal amount of the Definitive Security to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Security equal to the principal amount of the Definitive Security so canceled. If no Global Securities are then outstanding and the Global Security has not been previously exchanged for certificated securities pursuant to Section 2.4, the Issuer shall issue and the Trustee shall authenticate, upon written order of the Issuer in the form of an Officer's Certificate, a new Global Security in the appropriate principal amount.

(c) Transfer and Exchange of Global Securities. (i) The transfer and exchange of Global Securities or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Security shall deliver a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Security or another Global Security and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Security and the account of the Person making the transfer shall be debited by an amount equal to

the beneficial interest in the Global Security being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Security to a transferee who takes delivery of such interest through the Regulation S Global Security, whether before or after the expiration of the Restricted Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Securities from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act and that, if such transfer is being made prior to the expiration of the Restricted Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Security to a beneficial interest in another Global Security, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Security from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix (other than the provisions set forth in Section 2.4), a Global Security may not be transferred as a whole except by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(d) Restrictions on Transfer of Regulation S Global Security. (i) Prior to the expiration of the Restricted Period, interests in the Regulation S Global Security may only be held through Euroclear or Clearstream. During the Restricted Period, beneficial ownership interests in the Regulation S Global Security may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) to the Issuer, (2) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (3) in an offshore transaction in accordance with Regulation S, (4) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act or (5) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Restricted Period, transfers by an owner of a beneficial interest in the Regulation S Global Security to a transferee who takes delivery of such interest through the Rule 144A Global Security shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Security to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Restricted Period.

(ii) Upon the expiration of the Restricted Period, beneficial ownership interests in the Regulation S Global Security shall be transferable in accordance with applicable law and the other terms of this Indenture.

(e) Legend. (i) Except as permitted by the following paragraphs (ii), (iii) or (iv), each Security certificate evidencing the Global Securities and the Definitive Securities (and all Securities issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only):

Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal at the rate borne by the Securities plus 1% per annum, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Issuer shall make all payments in respect of a certificated Security (including principal, premium, if any, and interest), at the office of the Paying Agent, except that, at the option of the Issuer, payment of interest may be made by wire transfer in immediately available funds to the account designated by such Person (and if such Securities are registered on the record date in the name of the nominee) of the Depository (initially, such nominee to be Cede & Co.), payment will be made by wire transfer in immediately available funds to the account designated by such nominee; provided, however, that payments on the Securities may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, Citibank, N.A., a national banking association (the “Trustee”), shall act as Paying Agent and Registrar. The Issuer may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically organized Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

4. Indenture

The Issuer issued the Securities under an Indenture, dated as of September 27, 2023 (as amended, restated, or otherwise modified from time to time, the “Indenture”), among the Issuer, the Trustee and Citibank, N.A., a national banking association, as collateral agent (the “Notes Collateral Agent”). The terms of the Securities include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of such terms and provisions. To the extent any provision of this Security conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

The Securities are senior secured obligations of the Issuer. The Issuer shall be entitled, subject to its compliance with Sections 4.03 and 4.13 of the Indenture, to issue Additional Securities pursuant to Section 2.13 of the Indenture. The Securities issued on the Issue Date and any Additional Securities shall be treated as a single class for all purposes of the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, incur Indebtedness, make certain Investments and other Restricted Payments, enter into consensual restrictions on the payment of certain dividends and distributions by such Restricted Subsidiaries, make Asset Dispositions, issue or sell shares of capital stock of such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, transfer certain intellectual property, create or incur Liens and enter into certain Sale/Leaseback Transactions. The Indenture also imposes limitations on the ability of the Company to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all its assets.

To guarantee the due and punctual payment of the principal of, and interest on the Securities and all other amounts payable by the Company under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, from and after the Assumption Date, the Subsidiary Guarantors will jointly and severally guarantee the Guaranteed Obligations on a senior secured basis pursuant to the terms of the Indenture.

5. Optional Redemption

Except as set forth in the following paragraphs of this Section 5, the Securities shall not be redeemable at the option of the Company prior to October 1, 2026.

On and after October 1, 2026, the Company shall be entitled at its option on one or more occasions to redeem all or a portion of the Securities upon not less than 10 nor more than 60 days' notice, at the redemption prices (expressed in percentages of principal amount on the redemption date), plus accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on October 1 of the years set forth below:

<u>Year</u>	<u>Redemption Price</u>
2026	104.750%
2027	102.375%
2028 and thereafter	100.000%

In addition, at any time after the Escrow Release Date and prior to October 1, 2026, the Company shall be entitled at its option on one or more occasions to redeem the Securities (which includes Additional Securities, if any) in an aggregate principal amount not to exceed 40% of the aggregate principal amount of the Securities (which includes Additional Securities, if any) originally issued at a redemption price (expressed as a percentage of principal amount) of 109.500%, plus accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), with the Net Cash Proceeds of one or more Qualified Equity Offerings consummated after the Escrow Release Date; provided, however, that (a) at least 55% of such aggregate principal amount of Securities (which includes Additional Securities, if any) remains outstanding immediately after the occurrence of each such redemption (other than Securities held, directly or indirectly, by the Company or its Affiliates); and (b) each such redemption occurs within 180 days after the date of the related Qualified Equity Offering.

After the Escrow Release Date and prior to October 1, 2026, the Company shall be entitled at its option to redeem all or a portion of the Securities at a redemption price equal to 100% of the principal amount of the Securities to be redeemed plus the Applicable Premium as of, and accrued and unpaid interest to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Notice of such redemption must be delivered electronically, in accordance with DTC procedures in the case of Global Securities, or mailed by first class mail to each Holder's registered address, not less than 10 nor more than 60 days prior to the redemption date.

The Company may, at its option and at any time, redeem the Securities at 101% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), following the consummation of a Change of Control if at least 90% of the Securities outstanding prior to such date of purchase are purchased pursuant to a Change of Control Offer with respect to such Change of Control.

Any redemption or notice of redemption may, at the Company's option and discretion, be subject to one or more conditions precedent, including the consummation of an incurrence or issuance of debt or equity or a Change of Control or other corporate transaction. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition and, if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion) or that such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date as stated in such notice, or by the redemption date as so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

The Company may redeem the Securities pursuant to one or more of the relevant redemption provisions set forth in this Section 5, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions set forth in this Section 5 will have different redemption dates and, with respect to the redemptions that occur on the same date, may specify the order in which such redemptions are deemed to occur.

6. Mandatory Redemption

Except as set forth in this Section 6 and in Section 3.07 of the Indenture, the Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities.

In the event that (i) the Escrow Agent and the Trustee shall not have received the Officer's Certificate described in Section 2(a) of the Escrow Agreement on or prior to the Outside Date or (ii) the Escrow Issuer shall notify the Escrow Agent in writing that the Company has determined that a Special Mandatory Redemption Event has occurred, the Escrow Issuer will make a Special Mandatory Redemption at the Special Mandatory Redemption Price. A Special Redemption Notice will be given by the Escrow Issuer within three Business Days following the occurrence of a Special Mandatory Redemption Event, to the Trustee, the Escrow Agent and the Holders through DTC. Within five Business Days after the Special Mandatory Redemption Event or as otherwise required by DTC's procedures, the Escrow Issuer will redeem the Securities at the Special Mandatory Redemption Price pursuant to the procedures described in the following paragraph on the Special Mandatory Redemption Date. In no event shall the Special Mandatory Redemption Date fall less than two Business Days after the date of the Special Redemption Notice.

If the Escrow Agent receives a Special Redemption Notice, the Escrow Agent will liquidate all Escrowed Funds then held by it not later than the last Business Day prior to the Special Mandatory Redemption Date. On the Business Day prior to the Special Mandatory Redemption Date, the Escrow Agent shall pay to the Trustee for payment to each Holder the Special Mandatory Redemption Price for such Holder's Securities and, concurrently with the payment to such Holders, deliver the excess Escrowed Funds (if any), after payment of any fees and expenses (including attorneys' fees and expenses) of the Escrow Agent and Trustee, to the Company.

No provisions of the Escrow Agreement (including those relating to the Escrow Release) may be waived or modified in any manner materially adverse to the Holders without the written consent of the Holders of a majority in principal amount of the Securities outstanding; provided that no such amendment, waiver or modification shall reduce the Special Mandatory Redemption Price without the written consent of each affected Holder.

7. Notice of Redemption

Notice of any redemption pursuant to Section 5 hereof shall be delivered electronically, in accordance with DTC procedures in the case of Global Securities, mailed by first-class mail (or delivered through the depository's requirement if the Securities are held through a depository) at least 10 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at his or her registered address, except that redemption notices may be delivered electronically, in accordance with DTC procedures in the case of Global Securities, or mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of the Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Security redeemed in accordance with provisions of the Indenture. Securities in denominations of \$2,000 or less may be redeemed in whole but not in part. If any Security is to be redeemed in part only, the notice of redemption that relates to such Security will state the portion of the principal amount thereof to be redeemed. If money sufficient to pay the redemption price of and accrued and unpaid interest, Applicable Premium, if any, on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

Notice of any Special Mandatory Redemption shall be sent in accordance with Section 3.07 of the Indenture.

8. Repurchase of Securities at the Option of Holders upon Change of Control and Asset Dispositions

Upon a Change of Control, any Holder of Securities shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of the Securities of such Holder at a purchase price equal to 101% of the principal amount of the Securities to be repurchased plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

Further, in accordance with Section 4.06 of the Indenture, the Company shall be required to offer to purchase Securities upon the occurrence of certain events.

9. Denominations; Transfer; Exchange

The Securities are in registered form without coupons in denominations of \$2,000 and whole multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Securities in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to a selection of Securities to be redeemed.

10. Persons Deemed Owners

Except as provided in Section 2 hereof, the registered Holder of this Security may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal, interest or Applicable Premium (if any) remains unclaimed for two years, the Trustee and the Paying Agent shall pay the money to the Company upon its written request unless an applicable abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

12. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal of, and premium (if any) and interest on, the Securities to redemption or maturity, as the case may be.

13. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities and (ii) any past default may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company, the Subsidiary Guarantors, the Trustee and the Notes Collateral Agent may amend or supplement the Indenture, the Securities the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement or the Security Documents (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for the assumption by a successor corporation of the obligations of the Company or any Subsidiary Guarantor under the Indenture, the Securities, a Subsidiary Guarantee, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement or any Security Document, as applicable, in compliance with Section 5.01 of the Indenture (including, upon consummation of the Assumption, to provide for the succession of the Company to the Escrow Issuer pursuant to Section of the Indenture); (iii) to provide for uncertificated Securities in addition to or in place of certificated Securities (provided that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Internal Revenue Code of 1986, as amended); (iv) to add Guarantees with respect to the Securities, including any Subsidiary Guarantee (including, upon consummation of the Assumption, the Guarantees of the Subsidiary Guarantors pursuant to Section 4.11(a) of the Indenture); (v) to add to the covenants of the Company or any Subsidiary Guarantor for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Subsidiary Guarantor in the Indenture; (vi) to make any change that would provide additional rights or benefits to the holders of Securities or does not adversely affect the rights of any Holder; (vii) at the Company's election, to comply with any requirement of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, if such qualification should become required; (viii) to conform the text of the Indenture, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement, the Security Documents, the Securities or any Subsidiary Guarantee to any provision contained in the Offering Memorandum under the heading "Description of the Notes" to the extent that such provision in the "Description of the Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Equal Priority Intercreditor Agreement, any Acceptable Junior Priority Intercreditor Agreement, any Security Document, the Securities or such Subsidiary Guarantee, as applicable; (ix) to make any amendment to the provisions of the Indenture relating to the transfer and legending of Securities; provided, however, that compliance with the Indenture as so amended would not result in Securities being transferred in violation of the Securities Act or any other applicable securities; (x) to evidence and provide for the acceptance and appointment of a successor trustee or a successor collateral agent under the Indenture; (xi) to provide for the issuance of Additional Securities, in accordance with the terms of the Indenture; (xii) to add Collateral with respect to any or all of the Securities or the Subsidiary Guarantees or make any other change thereto that does not adversely affect the Holders in any material respect; (xiii) to release any Collateral from

If an Event of Default occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 30% in principal amount of the Securities by notice to the Company and the Trustee, may declare all the Securities to be due and payable immediately. Certain events of bankruptcy or insolvency are Events of Default which shall result in the Securities being due and payable immediately upon the occurrence of such Events of Default.

Holders may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives indemnity or security satisfactory to it. Subject to certain limitations, Holders of a majority in principal amount of the Securities may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default in payment of principal or interest) if it determines that withholding notice is not opposed to the interest of the Holders.

15. Trustee Dealings with the Company

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

A director, officer, employee or stockholder, as such, of the Company or any Subsidiary Guarantor shall not have any liability for any obligations of the Company or any Subsidiary Guarantor under the Securities, any Subsidiary Guarantee or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. shall be construed to include such Person's successors and assigns (subject to any restrictions on assignment set forth herein) and, in the case of any Governmental Authority, any other Governmental Authority that shall have succeeded to any or all functions thereof, (d) the words "herein", "hereof" and "hereunder", and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (e) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement and (f) references to "the date hereof" and "the date of this Agreement" shall be deemed to refer to the Effective Date.

SECTION 1.04. Accounting Terms; GAAP; Pro Forma Calculations. (a) Except as otherwise expressly provided herein, all terms of an accounting or financial nature used herein shall be construed in accordance with GAAP as in effect from time to time; provided that (i) if the Company, by notice to the Administrative Agent, shall request an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent or the Required Lenders, by notice to the Company, shall request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith and (ii) notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, (A) without giving effect to (I) any election under Statement of Financial Accounting Standards 159, The Fair Value Option for Financial Assets and Financial Liabilities, or any successor thereto (including pursuant to the Accounting Standards Codification), or under any similar accounting standard, to value any Indebtedness of the Company or any Restricted Subsidiary at "fair value" or any similar valuation standard, as defined therein and (II) unless the Company notifies the Administrative Agent in writing of its election to cease doing so (which notice shall be included as part of a Compliance Certificate), any change in accounting for leases pursuant to GAAP resulting from the adoption of Financial Accounting Standards Board Accounting Standards Update No. 2016-02, Leases (Topic 842) ("FAS 842"), to the extent such adoption would require (x) treating any lease (or similar arrangement conveying the right to use) as a capital lease where such lease (or similar arrangement) would not have been required to be so treated under GAAP as in effect on December 31, 2015 or (y) recognizing liabilities on the balance sheet with respect to operating leases under FAS 842, and (B) without giving effect to any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein, and such Indebtedness shall at all times be valued at the full stated principal amount thereof. For purposes of the foregoing, any change by the Company in its accounting principles and standards to adopt International Financial Reporting Standards, regardless of whether required by applicable laws and regulations, will be deemed a change in GAAP. Notwithstanding the foregoing, none of the Company, the Administrative Agent and the Required Lenders may give a notice requesting any amendment pursuant to clause (i) of the proviso to the first sentence of this Section 1.04 in respect of the proposed or actual adoption by the Company of Mark-to-Market Pension Accounting as permitted by Accounting Standards

Codification (ASC) 715-30, unless the accounting principles or application thereof proposed to be adopted or adopted, as the case may be, or the consequences of such adoption, differ materially from those described in the definition of “Mark-to-Market Pension Accounting” herein, including the description set forth in Annex A.

(b) For purposes of determining compliance with any test or covenant contained in this Agreement with respect to any period during which any Material Acquisition or Material Disposition occurs, Consolidated EBITDA, the Leverage Ratio and the Secured Leverage Ratio shall be calculated with respect to such period and with respect to such Material Acquisition or Material Disposition on a Pro Forma Basis.

(c) Notwithstanding anything to the contrary contained herein, in connection with any action being taken solely in connection with a Limited Condition Acquisition, for purposes of:

(i) determining compliance with any provision of this Agreement (other than actual compliance with the financial covenant in Section 6.13) which requires the calculation of any financial ratio or test, including the Leverage Ratio and the Secured Leverage Ratio; or

(ii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets);

in each case, at the option of the Company (the Company’s election to exercise such option in connection with any Limited Condition Acquisition, an “LCT Election”), the date of determination of whether any such action is permitted hereunder shall be deemed to be (i) in the case of any acquisition (including by way of merger) or Investment (including the assumption or incurrence of Indebtedness or the re-classification of Indebtedness permitted hereunder in connection therewith), the date the definitive agreement for such Limited Condition Acquisition is entered into, (ii) in the case of any Restricted Payment, the date of the declaration of such Restricted Payment, and (iii) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 6.09, the date of delivery of irrevocable (which may be conditional) notice with respect to such payment or prepayment on or redemption or acquisition of such Indebtedness (the date such definitive agreement is entered into, the date of declaration of such Restricted Payment or the date of such notice, as applicable, the “LCT Test Date”), and if, after giving Pro Forma Effect to the Limited Condition Acquisition and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof), the Company would have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Company has made an LCT Election and any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of the Company or the Person subject to or being acquired in such Limited Condition Acquisition, at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have been exceeded as a result of such

fluctuations. If the Company has made an LCT Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio, test or basket availability with respect to the incurrence of Indebtedness or Liens, the making of Restricted Payments, the making of any Investment, Dispositions, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Company, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary (a "Subsequent Transaction") following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be tested by calculating the availability under such ratio, test or basket on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith have been consummated (including any incurrence of Indebtedness and any associated Lien and the use of proceeds thereof).

In connection with any action being taken in connection with a Limited Condition Acquisition (other than a Credit Extension under the Revolving Credit Commitments), for purposes of determining compliance with any provision of this Agreement which requires that no Default, Event of Default or specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, or that the representations and warranties be true and correct, such condition shall, at the option of the Company, be deemed satisfied, so long as no Default, Event of Default or specified Event of Default, as applicable, exists or that the representations and warranties are true and correct, as applicable, on (i) in the case of any acquisition (including by way of merger) or Investment (including the assumption or incurrence of Indebtedness or the re-classification of Indebtedness permitted hereunder in connection therewith), the date the definitive agreement for such Limited Condition Acquisition is entered into, (ii) in the case of any Restricted Payment, the date of the declaration of such Restricted Payment, and (iii) in the case of any voluntary or optional payment or prepayment on or redemption or acquisition for value of any Indebtedness subject to Section 6.09, the date of delivery of irrevocable notice with respect to such payment or prepayment on or redemption or acquisition of such Indebtedness. For the avoidance of doubt, if the Company has made an LCT Election, and any Default, Event of Default or specified Event of Default occurs, or any representations and warranties are not true and correct, following the date the definitive agreements for the applicable Limited Condition Acquisition were entered into (or other applicable date described above) and prior to the consummation of such Limited Condition Acquisition, any such Default, Event of Default or specified Event of Default shall be deemed to not have occurred or be continuing and that the representations and warranties shall be deemed to be true and correct for purposes of determining whether any action being taken in connection with such Limited Condition Acquisition is permitted hereunder.

If the Company shall make any LCT Election in accordance with this Section 1.04(c), the Company shall be permitted to subsequently revoke such LCT Election by providing written notice to the Administrative Agent at any time prior to the consummation of the Limited Condition Acquisition and, upon receipt of such notice, (x) the LCT Test Date shall be deemed instead to be the date of the consummation of such acquisition or Investment, the date such Restricted Payment

is to be made or the date such payment or prepayment on, redemption or acquisition of Indebtedness is to be made, as the case may be, and (y) in connection with any subsequent calculation of any ratio, test or basket availability with respect to any Subsequent Transaction following the revocation of any such LCT Election (and prior to the date on which such Limited Condition Acquisition is consummated), for purposes of determining whether such Subsequent Transaction is permitted under this Agreement, any such ratio, test or basket shall be tested by calculating the availability under such ratio, test or basket on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith have not yet been consummated.

(d) Notwithstanding anything to the contrary herein, (x) with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of any Loan Document that does not require compliance with a financial ratio or test (including, without limitation, Pro Forma Compliance with Section 6.13 hereof, any Leverage Ratio test and/or any Secured Leverage Ratio test) (such provision, a "Fixed Amount Basket") and any such amount incurred or transaction entered into (or consummated) in reliance on such provision, the "Fixed Amount") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of any Loan Document that requires compliance with any such financial ratio or test (such provision, an "Incurrence Based Basket") and any such amount incurred or transaction entered into (or consummated) in reliance on such provision, the "Incurrence Based Amounts"), it is understood and agreed that, for purposes of this Agreement, the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection with such substantially concurrent incurrence, except that incurrences of Indebtedness and Liens constituting Fixed Amounts shall be taken into account for purposes of Incurrence Based Amounts other than Incurrence Based Amounts contained in Section 2.21, Section 6.01 or Section 6.02, and (y) the Company may elect to utilize Incurrence Based Baskets prior to, and regardless of whether capacity exists under, any Fixed Amount Basket (including in any concurrent usage of both Incurrence Based Baskets and Fixed Amount Baskets) and if the Company does not make an election with respect to whether it is utilizing a Fixed Amount Basket or an Incurrence Based Basket, the Company shall be deemed to have elected to utilize the Incurrence Based Basket. Notwithstanding anything to the contrary herein, with respect to any Indebtedness incurred as a Fixed Amount (including, without limitation, any Incremental Term Loans, Incremental Revolving Commitments and any Incremental Equivalent Debt incurred in reliance on clause (A) of Section 2.21(a)) or an Incurrence Based Amount (including, without limitation, any Incremental Term Loans, Incremental Revolving Credit Commitments and any Incremental Equivalent Debt incurred in reliance on clause (B) of Section 2.21(a)), the Company may, at any time and from time to time, elect to re-classify all or any portion of such Indebtedness as either incurred under a Fixed Amount Basket (and as such would be re-classified as a Fixed Amount) or an Incurrence Based Basket (and as such would be re-classified as an Incurrence Based Amount) so long as such Indebtedness meets the applicable criteria at the time of re-classification (regardless of whether it met such criteria at the time of incurrence).

SECTION 1.05. Status of Obligations. In the event that the Company or any other Loan Party shall at any time issue or have outstanding any Subordinated Indebtedness, the Company shall take or cause such other Loan Party to take all such actions as shall be necessary to cause the Loan Document Obligations to constitute senior indebtedness (however denominated) in respect of such Subordinated Indebtedness and to enable the Lenders to have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness. Without limiting the foregoing, the Loan Document Obligations are hereby designated as “senior indebtedness” and as “designated senior indebtedness” under and in respect of any indenture or other agreement or instrument under which such other Subordinated Indebtedness is outstanding and are further given all such other designations as shall be required under the terms of any such Subordinated Indebtedness in order that the Lenders may have and exercise any payment blockage or other remedies available or potentially available to holders of senior indebtedness under the terms of such Subordinated Indebtedness.

SECTION 1.06. Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

SECTION 1.07. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

SECTION 1.08. Interest Rates. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to any reference rate referred to herein or with respect to any rate (including, for the avoidance of doubt, the selection of such rate and any related spread or other adjustment) that is an alternative or replacement for or successor to any such rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or the effect of any of the foregoing, or of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions or other activities that affect any reference rate referred to herein, or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing) or any related spread or other adjustments thereto, in each case, in a manner adverse to the Borrowers. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any reference rate referred to herein or any alternative, successor or replacement rate (including, without limitation, any Successor Rate) (or any component of any of the foregoing), in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrowers, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or other action or omission related to or affecting the selection, determination, or calculation of any rate (or component thereof) provided by any such information source or service.

SECTION 1.09. Exchange Rates; Currency Equivalents. (a) The Administrative Agent or the L/C Issuer, as applicable, shall determine the Dollar Equivalent amounts of Credit Extensions and Outstanding Amounts denominated in Alternative Currencies as of each Revaluation Date. Such Dollar Equivalent shall become effective as of such Revaluation Date and shall be the Dollar Equivalent of such applicable amounts until the next Revaluation Date to occur. Except for purposes of financial statements delivered by Loan Parties hereunder or calculating the financial covenant and ratio set forth in Section 6.13 or except as otherwise provided herein, the applicable amount of any currency (other than Dollars) for purposes of the Loan Documents shall be the applicable Dollar Equivalent amount as so determined by the Administrative Agent or the relevant L/C Issuer, as applicable.

(b) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of an Alternative Currency Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Loan or Letter of Credit is denominated in an Alternative Currency, such amount shall be the relevant Alternative Currency Equivalent of such Dollar amount (rounded to the nearest unit of such Alternative Currency, with 0.5 of a unit being rounded upward), as determined by the Administrative Agent or the applicable L/C Issuer, as the case may be.

(c) For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, the Dollar Equivalent principal amount of Indebtedness to be incurred that is denominated in a currency other than Dollars shall be calculated (i) in the case of Indebtedness other than revolving Indebtedness, based on the relevant Dollar Equivalent in effect on the date such Indebtedness was incurred and (ii) in the case of revolving Indebtedness, on the date when the commitments thereunder are first available or otherwise effective; provided that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a currency other than Dollars, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant Dollar Equivalent in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased except by an amount no greater than accrued and unpaid interest thereon and any existing unutilized commitments thereunder and any reasonable fees, premiums and expenses related thereto and to such new Indebtedness. The principal amount in Dollars of any Indebtedness incurred to extend, replace, refund, refinance, renew or defease other Indebtedness, if incurred in a different foreign currency from the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, shall be calculated by the Administrative Agent based on the Dollar Equivalent applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance.

SECTION 1.10. Additional Alternative Currencies. (a) The Company may from time to time request that Alternative Currency Loans be made and/or Letters of Credit be issued in a currency other than those specifically listed in the definition of "Alternative Currency" provided that such requested currency is an Eligible Currency. In the case of any such request with respect to the making of Alternative Currency Loans, such request shall be subject to the approval of the Administrative Agent and each applicable Lender; and in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the Administrative Agent and the applicable L/C Issuer.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., twenty Business Days prior to the date of the desired Credit Extension (or such other time or date as may be agreed by the Administrative Agent and, in the case of any such request pertaining to Letters of Credit, the applicable L/C Issuer, in its or their sole discretion). In the case of any such request pertaining to Alternative Currency Loans, the Administrative Agent shall promptly notify each applicable Lender thereof; and in the case of any such request pertaining to Letters of Credit, the Administrative Agent shall promptly notify the applicable L/C Issuer thereof. Each applicable Lender (in the case of any such request pertaining to Alternative Currency Loans) or the applicable L/C Issuer (in the case of a request pertaining to Letters of Credit) shall notify the Administrative Agent, not later than 11:00 a.m., ten Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Alternative Currency Loans or the issuance of Letters of Credit, as the case may be, in such requested currency.

(c) Any failure by a Lender or the applicable L/C Issuer, as the case may be, to respond to such request within the time period specified in the immediately preceding clause (b) above shall be deemed to be a refusal by such Lender or such L/C Issuer, as the case may be, to permit Alternative Currency Loans to be made or Letters of Credit to be issued in such requested currency. If the Administrative Agent and all the applicable Lenders consent to making Alternative Currency Loans in such requested currency and the Administrative Agent and such Lenders reasonably determine that an appropriate interest rate is available to be used for such requested currency, the Administrative Agent shall so notify the Company and (i) the Administrative Agent and such applicable Lenders may amend the definition of "Alternative Currency Daily Rate" or "Alternative Currency Term Rate" to the extent necessary to add the applicable rate for such currency and any applicable adjustment for such rate and (ii) to the extent the definition of "Alternative Currency Daily Rate" or "Alternative Currency Term Rate", as applicable, has been amended to reflect the appropriate rate for such currency, such currency shall thereupon be deemed for all purposes to be an Alternative Currency for purposes of any Borrowings of Alternative Currency Loans. If the Administrative Agent and the applicable L/C Issuer consent to the issuance of Letters of Credit in such requested currency, the Administrative Agent shall so notify the Company and (i) the Administrative Agent and the applicable L/C Issuer may amend the definition of "Alternative Currency Daily Rate" or "Alternative Currency Term Rate", as applicable, to the extent necessary to add the applicable rate for such currency and any applicable adjustment for such rate and (ii) to the extent the definition of "Alternative Currency Daily Rate" or "Alternative Currency Term Rate", as applicable, has been amended to reflect the appropriate rate for such currency, such currency shall thereupon be deemed for all purposes to be an Alternative Currency, for purposes of any Letter of Credit issuances. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this Section 1.10, the Administrative Agent shall promptly so notify the Company. Any specified currency of an Existing Letter of Credit that is neither Dollars nor one of the Alternative Currencies specifically listed in the definition of "Alternative Currency" shall be deemed an Alternative Currency with respect to such Existing Letter of Credit only.

SECTION 1.11. Change of Currency. (a) Each obligation of the Borrowers to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the Closing Date shall be redenominated into Euro at the time of such adoption. If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Agreement in respect of that currency shall be inconsistent with any convention or practice in the interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that, if any Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro.

(c) Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency.

SECTION 1.12. [Reserved.]

SECTION 1.13. Obligations Joint and Several. Each agreement in any Loan Document by any Foreign Borrower to make any payment, to take any action or otherwise to be bound by the terms thereof is a joint and several agreement of all the Foreign Borrowers, and each obligation of any Foreign Borrower under any Loan Document shall be a joint and several obligation of all the Foreign Borrowers. Notwithstanding anything to the contrary in this Agreement or in any other Loan Document, no Foreign Borrower shall be jointly and severally liable with the Company or any Domestic Subsidiary for any Obligation pursuant to any Loan Document.

SECTION 1.14. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

SECTION 1.15. Timing of Payment and Performance. When payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or required on a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

SECTION 1.16. Effectuation of Transactions. Each of the representations and warranties contained in this Agreement (and all corresponding definitions) made on or referring to the Closing Date is made after giving effect to the Transactions, unless the context otherwise requires.

SECTION 2.01. The Loans. (a) The Term A Borrowing. Subject to the terms and conditions set forth herein, each Term A Lender severally agrees to make a single loan to the Company in Dollars on the Closing Date in an amount not to exceed such Term A Lender's Term A Commitment. The Term A Borrowing shall consist of Term A Loans made simultaneously by the Term A Lenders in accordance with their respective Applicable Percentage of the Term A Facility. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. Term A Loans may be Base Rate Loans or Term SOFR Loans.

(b) The Term B Borrowing. Subject to the terms and conditions set forth herein, each Term B Lender severally agrees to make a single loan to ATMCo Escrow Subsidiary in Dollars on the Effective Date in an amount not to exceed such Term B Lender's Term B Commitment. Each Term B Borrowing shall consist of Term B Loans made simultaneously by the Term B Lenders in accordance with their respective Term B Commitments. Amounts borrowed under this Section 2.01(b) and repaid or prepaid may not be reborrowed. Term B Loans may be Base Rate Loans or Term SOFR Loans. Notwithstanding anything herein to the contrary, the TLB Escrow Amount shall be funded into the TLB Escrow Account on the Effective Date in accordance with the terms of the TLB Escrow Agreement and shall not be released to ATMCo Escrow Subsidiary (or to the Company, as successor in interest by merger to ATMCo Escrow Subsidiary) until the conditions precedent to such release, as specified in the TLB Escrow Agreement, have been satisfied and the Closing Date has occurred.

(c) The Revolving Credit Borrowings. Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make loans in Dollars or any Alternative Currency (each such loan, a "Revolving Credit Loan") to the Borrowers from time to time, on any Business Day during the Availability Period, in an aggregate amount not to exceed at any time outstanding the amount of such Revolving Credit Lender's Revolving Credit Commitment; provided, however, that after giving effect to any Revolving Credit Borrowing, (i) the Total Revolving Credit Outstandings shall not exceed the Revolving Credit Facility, (ii) the Revolving Credit Exposure shall not exceed such Revolving Credit Lender's Revolving Credit Commitment and (iii) the Foreign Borrower Exposure shall not exceed \$200,000,000. Within the limits of each Revolving Credit Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01(c), prepay under Section 2.04, and reborrow under this Section 2.01(c). Revolving Credit Loans may be Base Rate Loans, Term SOFR Loans, Alternative Currency Daily Rate Loans or Alternative Currency Term Rate Loans, as further provided herein.

SECTION 2.02. Borrowings, Conversions and Continuations of Loans. (a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of a Term SOFR Loan or an Alternative Currency Term Rate Loan shall be made upon the applicable Borrower's irrevocable notice to the Administrative Agent, which may be given by (A) telephone or (B) a Loan Notice; provided that any telephonic notice must be confirmed immediately by delivery to the Administrative Agent of a Loan Notice. Each such Loan Notice must be received by the Administrative Agent not later than 1:00 p.m. (or, solely in respect of Base Rate Loans, 11:00 a.m.) (i) in the case of Term SOFR Loans, two Business Days prior to the requested date of any Borrowing of, conversion to or continuation of Term SOFR Loans or any conversion of Term SOFR Loans to Base Rate Loans, (ii) in the case of Alternative Currency Loans, 1:00 p.m. three Business Days (or five Business Days in the case of a Special Notice Currency) prior to the requested date of any Borrowing or, in the case of Alternative Currency Term Rate Loans, any continuation, and (iii) on the requested date of any Borrowing of Base Rate Loans; provided, however, that if the applicable Borrower wishes to request Term SOFR Loans or Alternative Currency Term Rate Loans having an Interest Period other than one, three or six months in duration as provided in the definition of "Interest Period", the applicable notice must be received by the Administrative Agent not later than 1:00 p.m. five Business Days (or six Business Days in the case of a Special Notice Currency) prior to the requested date of such Borrowing, conversion or continuation of Term SOFR Loans or Alternative Currency Term Rate Loans (as applicable), whereupon the Administrative Agent shall give prompt notice to the Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., four Business Days (or five Business Days in the case of a Special Notice Currency) prior to the requested date of such Borrowing, conversion or continuation of Term SOFR Loans or Alternative Currency Term Rate Loans, the Administrative Agent shall notify the applicable Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Each Borrowing of, conversion to and continuation of Term SOFR Loans or Alternative Currency Loans shall be in a principal amount of the Dollar Equivalent of \$5,000,000 or a whole multiple of the Dollar Equivalent of \$1,000,000 in excess thereof. Except as provided in Sections 2.03(f), each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of the Dollar Equivalent of \$1,000,000 or a whole multiple of the Dollar Equivalent of \$100,000 in excess thereof. Each Loan Notice shall specify (i) whether the applicable Borrower is requesting a Borrowing, a conversion of Loans from one Type to the other, or a continuation of Term SOFR Loans or Alternative Currency Term Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the currency and principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted and (v) if applicable, the duration of the Interest Period with respect thereto. If the Company fails to specify a currency in a Loan Notice requesting a Borrowing, then the Loans so requested shall be made in Dollars. If the applicable Borrower fails to specify a Type of Loan in a Loan Notice or if such Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans; provided, however, that in the case of a failure to timely request a continuation of Term SOFR Loans or Alternative Currency Term Rate Loans, such Loans shall be continued as Term SOFR Loans or Alternative Currency Term Rate Loans (as applicable) in their original currency with an Interest Period of one (1) month. If the applicable Borrower requests a Borrowing of, conversion to, or continuation of Term SOFR Loans or Alternative Currency Term Rate Loans in any such Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. Except as provided pursuant to Section 2.09 and 2.13(a), no Loan may be converted into or continued as a Loan denominated in a different currency, but instead must be repaid in the original currency of such Loan and reborrowed in the other currency.

(b) Following receipt of a Loan Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount and currency of its Applicable Percentage of the applicable Loans, and if no timely notice of a conversion or continuation is provided by the applicable Borrower, the Administrative Agent shall notify each applicable Lender of the details of any automatic conversion to Base Rate Loans or continuation of Term SOFR Loans or Alternative Currency Term Rate Loans described in clause (a) above. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the applicable Borrower to repay such Loan in accordance with the terms of this Agreement. In the case of a Borrowing, each Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office for the applicable currency not later than 1:00 p.m., in the case of Loans denominated in Dollars, and not later than the Applicable Time in the case of any Loan denominated in an Alternative Currency, in each case, on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.03 (and, if such Borrowing is an initial Credit Extension, Section 4.01 or Section 4.02, as applicable), the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of such Borrower on the books of Bank of America with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by such Borrower; provided, however, that if, on the date the Loan Notice with respect to such Borrowing denominated in Dollars is given by such Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and second, shall be made available to such Borrower as provided above.

(c) Except as otherwise provided herein, a Term SOFR Loan or an Alternative Currency Term Rate Loan may be continued or converted only on the last day of an Interest Period for such Term SOFR Loan or Alternative Currency Term Rate Loan (as applicable). During the existence of a Default, no Loans may be requested as, or converted to Alternative Currency Daily Rate Loans or requested as, converted to or continued as Term SOFR Loans or Alternative Currency Term Rate Loans, as applicable, without the consent of the Required Lenders.

(d) The Administrative Agent shall promptly notify the applicable Borrower and the applicable Lenders of the interest rate applicable to any Interest Period for Term SOFR Loans and Alternative Currency Term Rate Loans upon the determination of such rate.

(e) After giving effect to all Borrowings and all continuations of Loans as the same Type, there shall not be more than ten (or such greater amount as the Company and the Administrative Agent shall agree) Interest Periods in effect with respect to Loans.

(f) Notwithstanding anything to the contrary in this Agreement, any Lender may exchange, continue or rollover all of the portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Company, the Administrative Agent, and such Lender.

(g) With respect to any Alternative Currency Daily Rate, SOFR or Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Borrower and the Lenders reasonably promptly after such amendment becomes effective.

SECTION 2.03. Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, in addition to the Loans provided for in Section 2.01, any Borrower may request any L/C Issuer, in reliance on the agreements of the Lenders set forth in this Section 2.03, to issue, at any time and from time to time during the Availability Period, Letters of Credit denominated in Dollars or, solely in the case of Letters of Credit issued by Bank of America or any of its Affiliates and Existing Letters of Credit, an Alternative Currency for its own account or the account of any of its Restricted Subsidiaries in such form as is acceptable to the Administrative Agent and such L/C Issuer in its reasonable determination. Letters of Credit issued hereunder shall constitute utilization of the Revolving Credit Commitments. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto on the Closing Date and deemed L/C Obligations, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof.

(b) Notice of Issuance, Amendment, Extension, Reinstatement or Renewal. To request the issuance of a Letter of Credit (or the amendment of the terms and conditions, extension of the terms and conditions, extension of the expiration date, or reinstatement of amounts paid, or renewal of an outstanding Letter of Credit), the applicable Borrower shall deliver (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable L/C Issuer) to an L/C Issuer selected by it and to the Administrative Agent not later than 11:00 a.m. at least two Business Days (or such later date and time as the Administrative Agent and such L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, extended, reinstated or renewed, and specifying the date of issuance, amendment, extension, reinstatement or renewal (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with Section 2.03(d)), the amount of such Letter of Credit, the name and address of the beneficiary thereof, the purpose and nature of the requested Letter of Credit and such other information as shall be necessary to prepare, amend, extend, reinstate or renew such Letter of Credit. If requested by the applicable L/C Issuer, the applicable Borrower also shall submit a Letter of Credit Application and reimbursement agreement on such L/C Issuer's standard form in connection with any request for a Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of Letter of Credit Application and reimbursement agreement or other agreement submitted by the applicable Borrower to, or entered into by such Borrower with, an L/C Issuer relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

If the applicable Borrower so requests in any applicable Letter of Credit Application (or the amendment of an outstanding Letter of Credit), the applicable L/C Issuer may, in its sole discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”); provided that any such Auto-Extension Letter of Credit shall permit such L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon by such Borrower and the applicable L/C Issuer at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, such Borrower shall not be required to make a specific request to such L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiration date not later than the date permitted pursuant to Section 2.03(d); provided, that such L/C Issuer shall not (i) permit any such extension if (A) such L/C Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its extended form under the terms hereof (except that the expiration date may be extended to a date that is no more than one year from the then-current expiration date) or (B) it has received notice (which may be in writing or by telephone (if promptly confirmed in writing)) on or before the day that is seven Business Days before the Non-Extension Notice Date from the Administrative Agent that the Required Lenders have elected not to permit such extension or (ii) be obligated to permit such extension if it has received notice (which may be in writing or by telephone (if promptly confirmed in writing)) on or before the day that is seven Business Days before the Non-Extension Notice Date from the Administrative Agent, any Lender or any Borrower that one or more of the applicable conditions set forth in Section 4.03 is not then satisfied, and in each such case directing such L/C Issuer not to permit such extension.

If the applicable Borrower so requests in any applicable Letter of Credit Application, any L/C Issuer may, in its sole discretion, agree to issue a Letter of Credit that permits the automatic reinstatement of all or a portion of the stated amount thereof after any drawing thereunder (each, an “Auto-Reinstatement Letter of Credit”). Unless otherwise directed by the applicable L/C Issuer, such Borrower shall not be required to make a specific request to such L/C Issuer to permit such reinstatement. Once an Auto-Reinstatement Letter of Credit has been issued, except as provided in the following sentence, the Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuers to reinstate all or a portion of the stated amount thereof in accordance with the provisions of such Letter of Credit. Notwithstanding the foregoing, if such Auto-Reinstatement Letter of Credit permits the applicable L/C Issuer to decline to reinstate all or any portion of the stated amount thereof after a drawing thereunder by giving notice of such non-reinstatement within a specified number of days after such drawing (the “Non-Reinstatement Deadline”), such L/C Issuer shall not permit such reinstatement if it has received a notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Reinstatement Deadline (A) from the Administrative Agent that the Required Lenders have elected not to permit such reinstatement or (B) from the Administrative Agent, any Lender or any Borrower that one or more of the applicable conditions specified in Section 4.03 is not then satisfied (treating such reinstatement as an L/C Credit Extension for purposes of this clause) and, in each case, directing such L/C Issuer not to permit such reinstatement.

(c) Limitations on Amounts, Issuance and Amendment. A Letter of Credit shall be issued, amended, extended, reinstated or renewed only if (and upon issuance, amendment, extension, reinstatement or renewal of each Letter of Credit the applicable Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, extension, reinstatement or renewal (i) the aggregate amount of the outstanding Letters of Credit issued by any L/C Issuer shall not exceed its L/C Commitment (unless otherwise agreed by the applicable L/C Issuer), (ii) the aggregate L/C Obligations shall not exceed the Letter of Credit Sublimit, (iii) the Revolving Credit Exposure of any Lender shall not exceed its Revolving Credit Commitment and (iv) the sum of the total Revolving Credit Exposures shall not exceed the Aggregate Revolving Credit Commitments.

(i) No L/C Issuer shall be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing the Letter of Credit, or any applicable law or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such L/C Issuer with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of such L/C Issuer applicable to letters of credit generally;

(C) except as otherwise agreed by the Administrative Agent and such L/C Issuer, the Letter of Credit is in an initial stated amount less than \$500,000;

(D) any Lender is at that time a Defaulting Lender, unless such L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such L/C Issuer (in its sole discretion) with the Borrowers or such Lender to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.21(c)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion; or

(E) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder.

(ii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit.

(d) Expiration Date. Each Letter of Credit shall have a stated expiration date no later than the earlier of (i) the date twelve months after the date of the issuance of such Letter of Credit (or, in the case of any extension of the expiration date thereof, whether automatic or by amendment, twelve months after the then current expiration date of such Letter of Credit) and (ii) the date that is five Business Days prior to the Maturity Date for the Revolving Credit Facility; provided, that if there exist any Incremental Revolving Commitments having a maturity date later than the Maturity Date for the Revolving Credit Facility (the "Subsequent Maturity Date"), then, so long as the aggregate L/C Obligations in respect of Letters of Credit expiring after the Maturity Date for the Revolving Credit Facility will not exceed the lesser of \$50,000,000 and the aggregate amount of such Incremental Revolving Commitments, the applicable Borrower, or the Borrower Agent on its behalf, may request the issuance of a Letter of Credit that shall expire at or prior to the close of business on the earlier of (A) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (B) the date that is five Business Days prior to the Subsequent Maturity Date. Notwithstanding the foregoing, any Letter of Credit issued hereunder may, in the sole discretion of the applicable L/C Issuer, expire after the fifth Business Day prior to the Maturity Date for the Revolving Credit Facility (or the Subsequent Maturity Date) but on or before the date that is 90 days after the Maturity Date for the Revolving Credit Facility (or the Subsequent Maturity Date); provided that each Borrower hereby agrees that it shall in the case of any such Letter of Credit issued for its account provide cash collateral in an amount equal to the Minimum Collateral Amount in respect of any such outstanding Letter of Credit to the applicable L/C Issuer at least five Business Days prior to the Maturity Date for the Revolving Credit Facility (or the Subsequent Maturity Date), which such amount shall be (A) deposited by the applicable Borrower in an account with and in the name of such L/C Issuer and (B) held by such L/C Issuer for the satisfaction of the applicable Borrower's reimbursement obligations in respect of such L/C Issuer until the expiration of such Letter of Credit. Any Letter of Credit issued with an expiration date beyond the fifth Business Day prior to the Maturity Date for the Revolving Credit Facility (or the Subsequent Maturity Date) shall, to the extent of any undrawn amount remaining thereunder on the Maturity Date for the Revolving Credit Facility (or the Subsequent Maturity Date), cease to be a "Letter of Credit" outstanding under this Agreement for purposes of the Revolving Credit Lenders' obligations to participate in Letters of Credit pursuant to clause (e) below.

(e) Participations.

(i) By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount or extending the expiration date thereof), and without any further action on the part of the applicable L/C Issuer or the Lenders, such L/C Issuer hereby grants to each Revolving Credit Lender, and each Revolving Credit Lender hereby acquires from such L/C Issuer, a participation in such Letter of Credit equal to such Revolving Credit Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. Each Revolving Credit Lender acknowledges and agrees

that its obligation to acquire participations pursuant to this Section 2.03(e)(i) in respect of Letters of Credit is absolute, unconditional and irrevocable and shall not be affected by any circumstance whatsoever, including any amendment, extension, reinstatement or renewal of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Credit Commitments.

(ii) In consideration and in furtherance of the foregoing, each Revolving Credit Lender hereby absolutely, unconditionally and irrevocably agrees to pay to the Administrative Agent in Dollars, for account of the applicable L/C Issuer, such Lender's Applicable Percentage of each L/C Disbursement made by an L/C Issuer (expressed in Dollars in the amount of the Dollar Equivalent thereof) not later than 1:00 p.m. on the Business Day specified in the notice provided by the Administrative Agent to the Revolving Credit Lenders pursuant to Section 2.03(f) until such L/C Disbursement is reimbursed by the applicable Borrower or at any time after any reimbursement payment is required to be refunded to such Borrower for any reason, including after the Maturity Date for the Revolving Credit Facility. Such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each such payment shall be made in the same manner as provided in Section 2.02 with respect to Loans made by such Revolving Credit Lender (and Section 2.02 shall apply, mutatis mutandis, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the applicable L/C Issuer the amounts so received by it from the Revolving Credit Lenders. Promptly following receipt by the Administrative Agent of any payment from the applicable Borrower pursuant to Section 2.03(f), the Administrative Agent shall distribute such payment to the applicable L/C Issuer or, to the extent that the Revolving Credit Lenders have made payments pursuant to this Section 2.03(e) to reimburse such L/C Issuer, then to such Lenders and such L/C Issuer as their interests may appear. Any payment made by a Revolving Credit Lender pursuant to this Section 2.03(e) to reimburse an L/C Issuer for any L/C Disbursement shall not constitute a Loan and shall not relieve the applicable Borrower of its obligation to reimburse such L/C Disbursement.

Each Revolving Credit Lender further acknowledges and agrees that its participation in each Letter of Credit will be automatically adjusted to reflect such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit at each time such Lender's Revolving Commitment is amended pursuant to the operation of Section 2.21 or 2.24, as a result of an assignment in accordance with Section 9.04 or otherwise pursuant to this Agreement.

(iii) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(e), then, without limiting the other provisions of this Agreement, the applicable L/C Issuer shall be entitled to recover from such Revolving Credit Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the applicable Overnight Rate and a rate determined by the applicable L/C Issuer in accordance with banking industry rules on

interbank compensation, plus any administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Revolving Credit Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Revolving Credit Lender's Loan included in the relevant Revolving Credit Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of any L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(e)(iii) shall be conclusive absent manifest error.

(f) Reimbursement. If an L/C Issuer shall make any L/C Disbursement in respect of a Letter of Credit, the applicable Borrower shall reimburse such L/C Issuer in respect of such L/C Disbursement in the currency in which such L/C Disbursement was made (or, if requested by such L/C Issuer, in the Dollar Equivalent of the amount of such L/C Disbursement) by paying to the Administrative Agent an amount equal to such L/C Disbursement within one Business Day of the date that such Borrower receives notice of such L/C Disbursement, provided that, if such L/C Disbursement is not less than \$1,000,000, such Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.02 or Section 2.04 that such payment be financed with a Borrowing of Base Rate Loans in the Dollar Equivalent of the amount of such L/C Disbursement and, to the extent so financed, such Borrower's obligation to make such payment shall be discharged and replaced by the resulting Borrowing of Base Rate Loans. If the applicable Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender of the Dollar Equivalent of the applicable L/C Disbursement, the payment then due from such Borrower in respect thereof (the "Unreimbursed Amount") and such Lender's Applicable Percentage thereof. In such event, the applicable Borrower shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans to be disbursed on the date of payment by the applicable L/C Issuer under a Letter of Credit in an amount equal to the Dollar Equivalent of the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans, but subject to the amount of the unutilized portion of the Aggregate Commitments and the conditions set forth in Section 4.03 (other than the delivery of a Loan Notice). Any notice given by any L/C Issuer or the Administrative Agent pursuant to this Section 2.03(f) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(g) Obligations Absolute. The applicable Borrower's obligation to reimburse L/C Disbursements as provided in Section 2.03(f) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of:

(i) any lack of validity or enforceability of this Agreement, any other Loan Document or any Letter of Credit, or any term or provision herein or therein;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), any L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under a Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement in such draft or other document being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by any L/C Issuer of any requirement that exists for such L/C Issuer's protection and not the protection of any Borrower or any waiver by such L/C Issuer which does not in fact materially prejudice any Borrower;

(v) honor of a demand for payment presented electronically even if such Letter of Credit required that demand be in the form of a draft;

(vi) any payment made by any L/C Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;

(vii) payment by the applicable L/C Issuer under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit; or any payment made by any L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(viii) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.03, constitute a legal or equitable discharge of, or provide a right of setoff against, any Borrower's obligations hereunder; or

(ix) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to the Company or any Restricted Subsidiary or in the relevant currency markets generally.

The applicable Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with such Borrower's instructions or other irregularity, such Borrower will immediately notify the applicable L/C Issuer. The applicable Borrower shall be conclusively deemed to have waived any such claim against each L/C Issuer and its correspondents unless such notice is given as aforesaid.

None of the Administrative Agent, the Lenders, any L/C Issuer, or any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit by the applicable L/C Issuer or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms, any error in translation or any consequence arising from causes beyond the control of the applicable L/C Issuer; provided that the foregoing shall not be construed to excuse an L/C Issuer from liability to any Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by each Borrower to the extent permitted by applicable law) suffered by such Borrower that are caused by such L/C Issuer's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an L/C Issuer (as finally determined by a court of competent jurisdiction), an L/C Issuer shall be deemed to have exercised care in each such determination, and that:

(A) an L/C Issuer may replace a purportedly lost, stolen, or destroyed original Letter of Credit or missing amendment thereto with a certified true copy marked as such or waive a requirement for its presentation;

(B) an L/C Issuer may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit and without regard to any non-documentary condition in such Letter of Credit;

(C) an L/C Issuer shall have the right, in its sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of such Letter of Credit; and

(D) this sentence shall establish the standard of care to be exercised by an L/C Issuer when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable law, any standard of care inconsistent with the foregoing).

Without limiting the foregoing, none of the Administrative Agent, the Lenders, any L/C Issuer, or any of their Related Parties shall have any liability or responsibility by reason of (A) any presentation that includes forged or fraudulent documents or that is otherwise affected by the fraudulent, bad faith, or illegal conduct of the beneficiary or other Person, (B) an L/C Issuer declining to take-up documents and make payment (1) against documents that are fraudulent, forged, or for other reasons by which that it is entitled not to honor or (2) following a Borrower's waiver of discrepancies with respect to such documents or request for honor of such documents or (C) an L/C Issuer retaining proceeds of a Letter of Credit based on an apparently applicable attachment order, blocking regulation, or third-party claim notified to such L/C Issuer.

(h) Applicability of ISP and UCP; Limitation of Liability. Unless otherwise expressly agreed by the applicable L/C Issuer and the applicable Borrower when a Letter of Credit is issued by it (including any such agreement applicable to an Existing Letter of Credit), the rules of the ISP shall apply to each Letter of Credit. Notwithstanding the foregoing, no L/C Issuer shall be responsible to any Borrower for, and no L/C Issuer's rights and remedies against a Borrower shall be impaired by, any action or inaction of any L/C Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the law or any order of a jurisdiction where any L/C Issuer or the beneficiary is located, the practice stated in the ISP or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade—International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(i) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article VIII with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article VIII included such L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to such L/C Issuer.

(j) Letter of Credit Fees. The Borrowers shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance, subject to Section 2.20, with its Applicable Percentage a Letter of Credit fee (the "Letter of Credit Fee") for each Letter of Credit equal to the Applicable Rate for Term SOFR Loans times the Dollar Equivalent of the daily amount available to be drawn under such Letter of Credit. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.09. Letter of Credit Fees shall be (i) due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Maturity Date for the Revolving Credit Facility and thereafter on demand and (ii) computed on a quarterly basis in arrears. If there is any change in the Applicable Rate during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect. Notwithstanding anything to the contrary contained herein, upon the request of the Required Lenders, while any Event of Default exists, all Letter of Credit Fees shall accrue at the Default Rate.

(k) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers. The applicable Borrower shall pay directly to the applicable L/C Issuer for its own account a fronting fee with respect to each Letter of Credit, at 0.125% per annum, computed on the Dollar Equivalent of the daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the first Business Day after the end

of each March, June, September and December in respect of the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Maturity Date and thereafter on demand. For purposes of computing the Dollar Equivalent of the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.09. In addition, the applicable Borrower shall pay directly to the applicable L/C Issuer for its own account, in Dollars, the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(l) Disbursement Procedures. The L/C Issuer for any Letter of Credit shall, within the time allowed by applicable law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. Such L/C Issuer shall promptly after such examination notify the Administrative Agent and the applicable Borrower in writing of such demand for payment if such L/C Issuer has made or will make an L/C Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve such Borrower of its obligation to reimburse such L/C Issuer and the Lenders with respect to any such L/C Disbursement.

(m) Interim Interest. If the L/C Issuer for any Letter of Credit shall make any L/C Disbursement, then, unless the applicable Borrower shall reimburse such L/C Disbursement in full on the date such L/C Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such L/C Disbursement is made to but excluding the date that such Borrower reimburses such L/C Disbursement, at the rate per annum then applicable to Base Rate Revolving Credit Loans; provided that if such Borrower fails to reimburse such L/C Disbursement when due pursuant to clause (f) of this Section 2.03, then Section 2.08(b) shall apply. Interest accrued pursuant to this clause (m) shall be for account of such L/C Issuer, except that interest accrued on and after the date of payment by any Lender pursuant to clause (f) of this Section 2.03 to reimburse such L/C Issuer shall be for account of such Lender to the extent of such payment.

(n) Replacement of any L/C Issuer. Any L/C Issuer may be replaced at any time by written agreement between the Company, the Administrative Agent, the replaced L/C Issuer and the successor L/C Issuer. Any L/C Issuer may resign at any time; provided that a successor L/C Issuer is appointed by the Company and the Company, the Administrative Agent, the replaced L/C Issuer and the successor L/C Issuer agree to such appointment. The Administrative Agent shall notify the Revolving Credit Lenders of any such replacement of an L/C Issuer. At the time any such replacement shall become effective, the applicable Borrower shall pay all unpaid fees accrued for the account of the replaced L/C Issuer pursuant to Section 2.03(j). From and after the effective date of any such replacement, (i) the successor L/C Issuer shall have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit to be issued by it thereafter and (ii) references herein to the term "L/C Issuer" shall be deemed to include such successor or any previous L/C Issuer, or such successor and all previous L/C Issuer, as the context shall require. After the replacement of an L/C Issuer hereunder, the replaced L/C Issuer shall remain a party hereto and shall continue to have all the rights and obligations of an L/C Issuer under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(o) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that the applicable Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with L/C Obligations representing at least a majority of the total L/C Obligations) demanding the deposit of cash collateral pursuant to this clause (o), such Borrower shall immediately deposit into an account established and maintained on the books and records of the Administrative Agent (the "Collateral Account") an amount in cash equal to the Minimum Collateral Amount as of such date plus any accrued and unpaid interest thereon, provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to such Borrower described in clause (i) or (j) of Article VII. Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the applicable Borrower under this Agreement. In addition, and without limiting the foregoing or clause (d) of this Section 2.03, if any L/C Obligations remain outstanding after the expiration date specified in said clause (d), the applicable Borrower shall immediately deposit into the Collateral Account an amount in cash equal to the Minimum Collateral Amount of such L/C Obligations as of such date plus any accrued and unpaid interest thereon.

The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the Collateral Account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the applicable Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in the Collateral Account. Moneys in the Collateral Account shall be applied by the Administrative Agent to reimburse each L/C Issuer for L/C Disbursements for which it has not been reimbursed, together with related fees, costs, and customary processing charges, and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the applicable Borrower for the L/C Obligations at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with L/C Obligations representing 66-2/3% of the total L/C Obligations), be applied to satisfy other obligations of such Borrower under this Agreement. If the applicable Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within three Business Days after all Events of Default have been cured or waived.

(p) L/C Issuer Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each L/C Issuer shall, in addition to its notification obligations set forth elsewhere in this Section 2.03, provide the Administrative Agent a Letter of Credit Report, as set forth below:

(i) reasonably prior to the time that such L/C Issuer issues, amends, renews, increases or extends a Letter of Credit, the date of such issuance, amendment, renewal, increase or extension and the stated amount of the applicable Letters of Credit after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed);

(ii) on each Business Day on which such L/C Issuer makes a payment pursuant to a Letter of Credit, the date and amount of such payment;

(iii) on any Business Day on which a Borrower fails to reimburse a payment made pursuant to a Letter of Credit required to be reimbursed to such L/C Issuer on such day, the date of such failure and the amount of such payment;

(iv) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such L/C Issuer; and

(v) for so long as any Letter of Credit issued by an L/C Issuer is outstanding, such L/C Issuer shall deliver to the Administrative Agent (A) on the last Business Day of each calendar month, (B) at all other times a Letter of Credit Report is required to be delivered pursuant to this Agreement, and (C) on each date that (1) an L/C Credit Extension occurs or (2) there is any expiration, cancellation and/or disbursement, in each case, with respect to any such Letter of Credit, a Letter of Credit Report appropriately completed with the information for every outstanding Letter of Credit issued by such L/C Issuer.

(q) Additional L/C Issuers. Any Revolving Credit Lender hereunder may become an L/C Issuer upon receipt by the Administrative Agent of a fully executed Notice of Additional L/C Issuer which shall be signed by the Company, the Administrative Agent and the applicable L/C Issuer. Such new L/C Issuer shall provide its L/C Commitment in such Notice of Additional L/C Issuer and upon the receipt by the Administrative Agent of the fully executed Notice of Additional L/C Issuer, the defined term L/C Commitment shall be deemed amended to incorporate the L/C Commitment of such new L/C Issuer.

(r) Letters of Credit Issued for Restricted Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Restricted Subsidiary, the Borrowers shall be obligated to reimburse, indemnify and compensate the applicable L/C Issuer hereunder for any and all drawings under such Letter of Credit as if such Letter of Credit had been issued solely for the account of a Borrower. Each Borrower irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Restricted Subsidiary in respect of such Letter of Credit. Each Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Restricted Subsidiaries inures to the benefit of such Borrower, and that such Borrower's business derives substantial benefits from the businesses of such Restricted Subsidiaries.

(s) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

SECTION 2.04. Prepayments. (a) Each Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty, subject to Section 2.04(i) below; provided that (i) such notice must be in a form acceptable to the Administrative Agent and be received by the Administrative Agent not later than 1:00 p.m. (A) two Business Days prior to any date of prepayment of Term SOFR Loans, (B) four Business Days (or five, in the case of prepayment of Loans denominated in Special Notice Currencies) prior to any date of prepayment of any Alternative Currency Loans, and (C) on the date of prepayment of Base Rate Loans; (ii) any prepayment of Term SOFR Loans or Alternative Currency Loans shall be in a principal amount of the Dollar Equivalent of \$5,000,000 or a whole multiple of the Dollar Equivalent of \$1,000,000 in excess thereof; and (iii) any prepayment of Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date, amount and currency of such prepayment and the Type(s) of Loans to be prepaid, and if Term SOFR Loans or Alternative Currency Term Rate Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by a Borrower, such Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Term SOFR Loan or an Alternative Currency Term Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 2.18. Subject to Section 2.21, each such prepayment shall be applied to the Loans of the Lenders in accordance with their respective Applicable Percentages.

(b) In the event and on each occasion that (i) other than as a result of any revaluation of the Dollar Equivalent of any Borrowing or Letter of Credit in accordance with Section 1.09, (A) the Aggregate Revolving Credit Exposure exceeds the Aggregate Revolving Credit Commitment, the Borrowers shall prepay Revolving Credit Borrowings (or, if no such Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent in accordance with Section 2.03(o)) in an aggregate amount equal to such excess or (B) the Foreign Borrower Exposure exceeds \$200,000,000, the Borrowers shall prepay Revolving Credit Borrowings in an aggregate amount such that after giving effect to such prepayments, the Foreign Borrower Exposure shall not exceed \$200,000,000 or (ii) as a result of any revaluation of the Dollar Equivalent of any Borrowing or Letter of Credit pursuant to Section 1.09, (x) the Aggregate Revolving Credit Exposure exceeds the Aggregate Revolving Credit Commitment, the Borrowers shall prepay Revolving Credit Borrowings (or, if no such Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent in accordance with Section 2.03(o)) in an aggregate amount equal to such excess or (y) the Foreign Borrower Exposure exceeds \$210,000,000, the Borrowers shall prepay Revolving Borrowings in an aggregate amount such that after giving effect to such prepayments, the Foreign Borrower Exposure shall not exceed \$210,000,000.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Company or any Restricted Subsidiary in respect of any Prepayment Event that occurs on or after the Closing Date, the Company shall, on the day such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (a) or (b) of the definition of the term "Prepayment Event", within five Business Days after such Net Proceeds are received), prepay Term Borrowings in an amount equal to such Net Proceeds; provided that, in the case of any event

described in clause (a) or (b) of the definition of the term “Prepayment Event”, if the Company shall, prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer of the Company to the effect that the Company intends to cause the Net Proceeds from such event (or a portion thereof specified in such certificate) to be applied within one year after receipt of such Net Proceeds to acquire, repair or restore assets to be used or useful in the business of the Company or the Domestic Subsidiaries (or in the case of Prepayment Events of Foreign Subsidiaries, of any Restricted Subsidiaries), or to consummate any Permitted Acquisition of Persons that will become, or assets that will be held by, Domestic Subsidiaries (or in the case of Prepayment Events of Foreign Subsidiaries, that will become Restricted Subsidiaries or be held by any Restricted Subsidiaries) permitted hereunder (but not of other Persons), and certifying that no Default has occurred and is continuing, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds from such event (or the portion of such Net Proceeds specified in such certificate, if applicable) except to the extent of any such Net Proceeds that have not been so applied by the end of such one-year period (or within a period of 180 days thereafter if by the end of such initial one-year period the Company or one or more Domestic Subsidiaries (or, to the extent permitted above, Foreign Subsidiaries) shall have entered into an agreement with a third party to acquire, repair or restore such assets, or to consummate such Permitted Acquisition, with such Net Proceeds), at which time a prepayment shall be required in an amount equal to the Net Proceeds that have not been so applied.

(d) In the event and on each occasion that, as a result of the receipt of any cash proceeds by the Company or any Restricted Subsidiary in connection with any Disposition of any asset or any other event that occurs on or after the Closing Date, the Company or any other Loan Party would be required by the terms of any Indebtedness that is Subordinated Indebtedness with respect to the Loan Document Obligations (or any Refinancing Indebtedness in respect thereof) to repay, prepay, redeem, repurchase or defease, or make an offer to repay, prepay, redeem, repurchase or defease, any such Subordinated Indebtedness (or such Refinancing Indebtedness) or any other Subordinated Indebtedness, then, prior to the time at which it would be required to make such repayment, prepayment, redemption, repurchase or defeasance or to make such offer, the Company shall, if and to the extent it would reduce, eliminate or satisfy any such requirement, (i) prepay Term Borrowings or (ii) use such cash proceeds to acquire assets in one or more transactions permitted hereby.

(e) Following the end of each fiscal year of the Company, commencing with the fiscal year ending December 31, 2024, the Company shall prepay Term Borrowings in an aggregate amount equal to the Specified ECF Percentage of Excess Cash Flow for such fiscal year; provided that such amount shall be reduced by the aggregate amount of voluntary prepayments of Term Borrowings and Revolving Credit Borrowings (but only to the extent accompanied by a permanent reductions of the corresponding Commitment) made pursuant to this Section 2.04 during such fiscal year and after the end of such fiscal year but prior to the date on which the prepayment pursuant to this paragraph (e) for such fiscal year is required to have been made, excluding any such prepayments to the extent financed from Excluded Sources. Each prepayment pursuant to this paragraph shall be made no later than the date that is five Business Days following the date on which financial statements are required to be delivered pursuant to Section 5.01(a) with respect to the fiscal year for which Excess Cash Flow is being.

(f) Prior to any optional or mandatory prepayment of Borrowings under this Section, the applicable Borrower, or the Borrower Agent on its behalf, shall specify the Borrowing or Borrowings to be prepaid in the notice of such prepayment delivered pursuant to paragraph (g) of this Section 2.04. In the event of any mandatory prepayment of Term Borrowings made at a time when Term Borrowings of more than one Class are outstanding, the Company shall select Term Borrowings to be prepaid so that the aggregate amount of such prepayment is allocated among the Term Borrowings pro rata (including Term A Loans, Term B Loans, Incremental Term Loans and Refinancing Term Loans) based on the aggregate principal amounts of outstanding Borrowings of each such Class.

(g) The applicable Borrower, or the Borrower Agent on its behalf, shall notify the Administrative Agent by telephone (confirmed by hand delivery or facsimile) of any optional prepayment and, to the extent practicable, any mandatory prepayment hereunder not later than the time that a Loan Notice would be required under Section 2.02 if such Borrower were requesting a Revolving Borrowing of the Type of Borrowing being prepaid; provided that if a Borrower delivers a Loan Notice in respect of the conversion or continuation of any Borrowing, such Borrowing shall not be prepaid until the Interest Period applicable to such Borrowing at the time such Loan Notice is delivered has expired. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that (A) if a notice of optional prepayment is given in connection with a conditional notice of termination of the Revolving Credit Commitments as contemplated by Section 2.05, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.05 and (B) a notice of prepayment of Term Borrowings pursuant to paragraph (a) of this Section 2.04 may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type and currency as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.08 together with any additional amounts required pursuant to Section 2.18.

(h) Notwithstanding the foregoing, the Company shall not be required to prepay any Term Borrowings with any Foreign Source Prepayment to the extent the repatriation to the Company of such Foreign Source Prepayment (i) would result in a material tax liability to the Company or any of its Restricted Subsidiaries, (ii) is prohibited or restricted by any applicable Requirement of Law or (iii) would conflict with the fiduciary duties of any director, officer or employee of the applicable Foreign Subsidiary, then such Foreign Source Prepayment shall not be required to prepay any Term Borrowings pursuant to Section 2.10(b); provided that, if such repatriation would no longer result in a material tax liability to the Company or any of its Restricted Subsidiaries, be prohibited or restricted by any applicable Requirement of Law or conflict with the fiduciary duties of any director, officer or employee of the applicable Foreign Subsidiary, then

such an amount equal to such Foreign Source Prepayment shall be promptly repatriated to the Company and such proceeds shall thereafter be applied to the repayment of Term Borrowings pursuant to Section 2.04(c); and provided, further, that in the case of any Prepayment Event in respect of which the Net Proceeds are less than \$20,000,000, no prepayment shall be required to be made in respect of any Net Proceeds as to which such repatriation would continue to result in a material tax liability to the Company or any of its Restricted Subsidiaries, be prohibited or restricted by any applicable Requirement of Law or conflict with the fiduciary duties on the date 365 days following such Prepayment Event.

(i) In the event that all or any portion of the Term B Loans is repaid or prepaid (including as a result of any mandatory prepayments, voluntary prepayments, payments following acceleration of the Loans or any Event of Default) prior to the dates specified below, such repayments or prepayments will be made (A) together with a premium equal to the Applicable Make-Whole Amount as of the date of such repayment or prepayment, if such repayment or prepayment occurs on or after the Closing Date and on or prior to the first anniversary of the Closing Date, (B) at 101% of the principal amount so repaid or prepaid, if such repayment or prepayment occurs after the first anniversary of the Closing Date but on or prior to second anniversary of the Closing Date and (C) 100% of the principal amount repaid or prepaid, if such repayment or prepayment occurs at any time after the second anniversary of the Closing Date (the foregoing premiums (including the Applicable Make-Whole Amount), the "Prepayment Premium"); provided that the Prepayment Premium shall not apply to any repayments or prepayments made pursuant to Section 2.04(c), Section 2.04(e) or Section 2.07(a). If the term B Loans are accelerated or otherwise become due prior to their applicable Maturity Date, in each case, as a result of an Event of Default (including upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), the amount of principal of and premium on the Term B Loans that becomes due and payable shall equal 100% of the principal amount of the Term B Loans plus the Prepayment Premium in effect on the date of such acceleration or such other prior due date, as if such acceleration or other occurrence were a voluntary prepayment of the Term B Loans accelerated or otherwise becoming due. Without limiting the generality of the foregoing, it is understood and agreed that if the Term B Loans are accelerated or otherwise become due prior to their applicable Maturity Date, in each case, in respect of any Event of Default (including upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), the Prepayment Premium applicable with respect to a voluntary prepayment of the Term B Loans will also be due and payable on the date of such acceleration or such other prior due date as though the Term B Loans were voluntarily prepaid as of such date and shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Term B Lender's loss as a result thereof. Any premium payable above shall be presumed to be the liquidated damages sustained by each Lender and the Company agrees that it is reasonable under the circumstances currently existing. **THE COMPANY EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE PREPAYMENT PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION.** The Company expressly agrees (to the fullest extent it may lawfully do so) that: (A) the Prepayment Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by

counsel; (B) the Prepayment Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Term B Lenders and the Company giving specific consideration in this transaction for such agreement to pay the Prepayment Premium; and (D) the Company shall be estopped hereafter from claiming differently than as agreed to in this Section 2.04(i).

SECTION 2.05. Termination or Reduction of Commitments. (a) Optional. The Company may, upon notice to the Administrative Agent, terminate the Revolving Credit Facility or the Letter of Credit Sublimit, or from time to time permanently reduce the Revolving Credit Facility or the Letter of Credit Sublimit; provided that (i) any such notice shall be received by the Administrative Agent not later than 1:00 p.m. five Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof, (iii) the Company shall not terminate or reduce (A) the Revolving Credit Facility if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility or (B) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit.

(b) Mandatory.

(i) The aggregate Term A Commitments shall be automatically and permanently reduced to zero on the earlier of (A) the date of the Term A Borrowing and (B) the TLB Escrow Termination Date.

(ii) The aggregate Term B Commitments shall be automatically and permanently reduced to zero on the date of the Term B Borrowing.

(iii) Subject to the terms of Section 2.24, the Revolving Credit Facility shall be automatically and permanently reduced to zero on the Maturity Date for the Revolving Credit Facility; provided that if the Closing Date has not occurred prior to the TLB Escrow Termination Date, then the Revolving Credit Facility shall be automatically and permanently reduced to zero on the TLB Escrow Termination Date.

(iv) If after giving effect to any reduction or termination of Revolving Credit Commitments under this Section 2.05, the Letter of Credit Sublimit exceeds the Revolving Credit Facility at such time, the Letter of Credit Sublimit shall be automatically reduced by the amount of such excess.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Lenders of any termination or reduction of the Letter of Credit Sublimit or the Revolving Credit Commitment under this Section 2.05. Upon any reduction of the Revolving Credit Commitments, the Revolving Credit Commitment of each Revolving Credit Lender shall be reduced by such Lender's Applicable Percentage of such reduction amount. All fees in respect of the Revolving Credit Facility accrued until the effective date of any termination of the Revolving Credit Facility shall be paid on the effective date of such termination.

SECTION 2.06. Repayment of Loans; Evidence of Debt. (a) Each Borrower (severally and not jointly; provided that each Foreign Borrower is jointly and severally liable for the Foreign Borrower Obligations) hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Revolving Credit Loan of such Lender to such Borrower on the Maturity Date for the Revolving Credit Facility and (ii) the Company hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.07.

(b) The records maintained by the Administrative Agent and the Lenders shall be prima facie evidence of the existence and amounts of the obligations of the Borrowers in respect of the Loans, L/C Disbursements, interest and fees due or accrued hereunder; provided that the failure of the Administrative Agent or any Lender to maintain such records or any error therein shall not in any manner affect the obligation of the Borrowers to pay any amounts due hereunder in accordance with the terms of this Agreement.

(c) Any Lender may request that Loans of any Class made by it be evidenced by a Promissory Note. In such event, each applicable Borrower shall prepare, execute and deliver to such Lender a Promissory Note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such Promissory Note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns) unless such Lender or assignee notifies the applicable Borrower that it does not require a Promissory Note, in which case such Lender or assignee, as applicable, shall promptly return such Promissory Note to the Borrower for cancellation. Any Promissory Note issued pursuant to this Section 2.06(c) shall, to the extent applicable, comply with the requirements relating to "original issue discount" under the Code and Treasury Regulations, including by bearing the following legend on the face of such Promissory Note:

"THIS DEBT INSTRUMENT HAS BEEN ISSUED WITH ORIGINAL ISSUE DISCOUNT FOR PURPOSES OF SECTION 1271 ET SEQ. OF THE UNITED STATES INTERNAL REVENUE CODE OF 1986, AS AMENDED FROM TIME TO TIME. BEGINNING NO LATER THAN 10 DAYS AFTER THE ISSUE DATE FOR U.S. FEDERAL INCOME TAX PURPOSES, A LENDER MAY OBTAIN THE ISSUE PRICE, AMOUNT OF ORIGINAL ISSUE DISCOUNT, ISSUE DATE AND YIELD TO MATURITY OF SUCH LOANS BY SUBMITTING A WRITTEN REQUEST FOR SUCH INFORMATION TO THE COMPANY AT THE FOLLOWING ADDRESS: NCR ATLEOS, LLC, 864 SPRING STREET, ATLANTA, GA 30308, ATTENTION: TREASURER."

SECTION 2.07. Amortization and Repayment of Term Loans. (a) (i) The Company shall repay Term A Loans on the last day of each of March, June, September and December, beginning with March 31, 2024, and ending with the last such day to occur prior to Maturity Date for the Term A Facility, in an aggregate principal amount for each such date equal to (A) on or prior to March 31, 2027, 1.875% and (B) following March 31, 2027, 2.50%, in each case, of the aggregate principal amount of the Term A Loans funded on the Closing Date. (ii) The

Company shall repay Term B Loans on the last day of each March, June, September and December, beginning with March 31, 2024 and ending with the last such day to occur prior to the Maturity Date for the Term B Facility, in an aggregate principal amount for each such date equal to (A) prior to 31 March, 2025, 0.35%, (B) on or following March 31, 2025 and prior to March 31, 2026, 0.875%, (C) on or following March 31, 2026 and prior to March 31, 2028, 1.75% and (D) on and following March 31, 2028, 2.625%, in each case, of the aggregate principal amount of the Term B Loans funded on the Effective Date. (iii) The Company shall repay Incremental Term Loans of any Series in such amounts and on such date or dates as shall be specified therefor in the Incremental Facility Agreement establishing the Incremental Term Commitments of such Series (as such amounts may be adjusted pursuant to paragraph (c) of this Section 2.07 or pursuant to such Incremental Facility Agreement).

Subject to terms of Section 2.24, to the extent not previously paid, (i) all Term A Loans shall be due and payable on the Maturity Date for the Term A Facility, (ii) all Term B Loans shall be due and payable on the Maturity Date for the Term B Facility and (iii) all Incremental Term Loans of any Series shall be due and payable on the Incremental Term Maturity Date applicable thereto. Notwithstanding anything to the contrary set forth in this Agreement, in the event that the Term B Loans are repaid on the TLB Escrow Termination Date without the occurrence of the Closing Date, then the aggregate principal amount of Term B Loans to be repaid by the Borrower on such date shall be reduced by the amount of original issuance discount applicable to the Term B Loans funded on the Effective Date and upon the payment of such amount (which shall be funded first with the proceeds held in the TLB Escrow Account), together with accrued interest and any other amounts due and payable hereunder, such Term B Loans shall be deemed to have been prepaid in full.

(b) Any prepayment of a Term Borrowing of any Class shall be applied in direct order to reduce the subsequent scheduled repayments of the Term Borrowings of such Class to be made pursuant to this Section; provided that any prepayment of a Term Borrowing of any Class made pursuant to Section 2.04(a) shall be applied to reduce the subsequent scheduled repayments of Term Borrowings of such Class to be made pursuant to this Section as directed by the Company. In the event that Term Loans of any Class are converted into a new Class of Term Loans pursuant to an amendment effected pursuant to Section 2.24, then the subsequent scheduled repayments of the Term Borrowings of such Class to be made pursuant to this Section will not be reduced or otherwise affected by such transaction (except to the extent that the final scheduled payment shall be reduced thereby).

(c) Prior to any repayment of any Term Borrowings of any Class under this Section, the Company shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent by telephone (confirmed by hand delivery or facsimile) of such selection not later than 1:00 p.m., New York City time, three Business Days before the scheduled date of such repayment. Each repayment of a Term Borrowing shall be applied ratably to the Loans included in the repaid Term Borrowing. Repayments of Term Borrowings shall be accompanied by accrued interest on the amounts repaid.

SECTION 2.08. Interest. (a) Subject to the provisions of subsection (b) below, (i) each Term SOFR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to Term SOFR for such Interest Period plus the Applicable Rate; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; (iii) each Alternative Currency Daily Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Alternative Currency Daily Rate plus the Applicable Rate; and (iv) each Alternative Currency Term Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Alternative Currency Term Rate for such Interest Period plus the Applicable Rate.

(b) (i) If any amount of principal of any Loan is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable law.

(ii) If any amount (other than principal of any Loan) payable by any Borrower under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such overdue amount shall thereafter bear interest, after as well as before judgment, at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable law.

(iii) Upon the request of the Required Lenders, while any Event of Default exists (other than as set forth in clauses (b)(i) and (b)(ii) above), the Borrowers shall pay interest on the principal amount of all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable law.

(iv) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law. Prior to the Closing Date, all or any portion of interest on the Term B Loans that becomes due and payable in accordance with this Section 2.08 may be paid to the Term B Lenders from proceeds in the TLB Escrow Account, if any, in excess of the aggregate principal amount of the Term B Loans outstanding on the applicable Interest Payment Date.

SECTION 2.09. Inability to Determine Rates. (a) If in connection with any request for a Term SOFR Loan or an Alternative Currency Loan or a conversion of Base Rate Loans to Term SOFR Loans or a continuation of any of such Loans, as applicable, (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (A) no Successor Rate for the Relevant Rate for the applicable Agreed Currency has been determined in accordance with Section 2.09(b) or Section 2.09(c) and the circumstances under clause (i) of Section 2.09(b) or of Section 2.09(c), the Scheduled Unavailability Date or the SOFR Scheduled Unavailability Date, has occurred with respect to such Relevant Rate (as applicable),

or (B) adequate and reasonable means do not otherwise exist for determining the Relevant Rate for the applicable Agreed Currency for any determination date(s) or requested Interest Period, as applicable, with respect to a proposed Term SOFR Loan or an Alternative Currency Loan or in connection with an existing or proposed Base Rate Loan or (ii) the Administrative Agent or the Required Lenders determine that for any reason that the Relevant Rate with respect to a proposed Loan denominated in an Agreed Currency for any requested Interest Period or determination date(s) does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Company and each Lender.

Thereafter, (x) the obligation of the Lenders to make or maintain Loans in the affected currencies, as applicable, or to convert Base Rate Loans to Term SOFR Loans, shall be suspended in each case to the extent of the affected Term SOFR Loans, Alternative Currency Loans or Interest Period or determination date(s), as applicable, and (y) in the event of a determination described in the preceding sentence with respect to the Term SOFR component of the Base Rate, the utilization of the Term SOFR component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (or, in the case of a determination by the Required Lenders described in clause (ii) of this Section 2.09(a), until the Administrative Agent upon instruction of the Required Lenders) revokes such notice.

Upon receipt of such notice, (i) the Borrowers may revoke any pending request for a Borrowing of, or conversion to Term SOFR Loans, or Borrowing of, or continuation of Alternative Currency Loans to the extent of the affected Term SOFR Loans, Alternative Currency Loans or Interest Period or determination date(s), as applicable or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans denominated in Dollars in the Dollar Equivalent of the amount specified therein and (ii) (A) any outstanding Term SOFR Loans shall be deemed to have been converted to Base Rate Loans immediately and (B) any outstanding affected Alternative Currency Loans, at the Company's election, shall either (1) be converted into a Borrowing of Base Rate Loans denominated in Dollars in the Dollar Equivalent of the amount of such outstanding Alternative Currency Loan immediately, in the case of an Alternative Currency Daily Rate Loan or at the end of the applicable Interest Period, in the case of an Alternative Currency Term Rate Loan or (2) be prepaid in full immediately, in the case of an Alternative Currency Daily Rate Loan, or at the end of the applicable Interest Period, in the case of an Alternative Currency Term Rate Loan; provided that if no election is made by the Company (x) in the case of an Alternative Currency Daily Rate Loan, by the date that is three Business Days after receipt by the Company of such notice or (y) in the case of an Alternative Currency Term Rate Loan, by the last day of the current Interest Period for the applicable Alternative Currency Term Rate Loan, the Company shall be deemed to have elected clause (1) above.

(b) Replacement of SOFR or SOFR Successor Rate. Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Company or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Company) that the Company or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining one month, three month and six month interest periods of Term SOFR, including, without limitation, because the Term SOFR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or

(ii) CME or any successor administrator of the Term SOFR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator with respect to its publication of Term SOFR, in each case acting in such capacity, has made a public statement identifying a specific date after which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate shall or will no longer be made available, or permitted to be used for determining the interest rate of U.S. dollar denominated syndicated loans, or shall or will otherwise cease, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will continue to provide such interest periods of Term SOFR after such specific date (the latest date on which one month, three month and six month interest periods of Term SOFR or the Term SOFR Screen Rate are no longer available permanently or indefinitely, the “SOFR Scheduled Unavailability Date”);

then, on a date and time determined by the Administrative Agent (any such date, the “Term SOFR Replacement Date”), which date shall be at the end of an Interest Period or on the relevant Interest Payment Date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under each Loan Document with Daily Simple SOFR plus the SOFR Adjustment for any payment period for interest calculated that can be determined by the Administrative Agent, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (the “Successor Rate”).

If the Successor Rate is Daily Simple SOFR plus the SOFR Adjustment, all interest payments will be payable on a monthly basis.

Notwithstanding anything to the contrary herein, (i) if the Administrative Agent determines that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date, or (ii) if the events or circumstances of the type described in Section 2.09(b)(i) or (ii) have occurred with respect to the Successor Rate then in effect, then in each case, the Administrative Agent and the Company may amend this Agreement solely for the purpose of replacing Term SOFR or any then current Successor Rate in accordance with this Section 2.09 at the end of any Interest Period, relevant Interest Payment Date or payment period for interest calculated, as applicable, with an alternative benchmark rate for loans denominated in U.S. dollars giving due consideration to any evolving or then-prevailing market convention for similar U.S. dollar denominated credit facilities syndicated and agented in the United States for such alternative benchmark. and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar U.S. dollar denominated credit facilities syndicated and agented in the United States for such benchmark, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated. For the avoidance of doubt, any such proposed rate and adjustments, shall constitute a “Successor Rate”. Any such amendment shall become

effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Company unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

(c) Replacement of Relevant Rate or Successor Rate. Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Company or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Company) that the Company or Required Lenders (as applicable) have determined, that:

(i) adequate and reasonable means do not exist for ascertaining the Relevant Rate (other than Term SOFR) for an Agreed Currency (other than Dollars) because none of the tenors of such Relevant Rate (other than Term SOFR) under this Agreement is available or published on a current basis, and such circumstances are unlikely to be temporary; or

(ii) the Applicable Authority has made a public statement identifying a specific date after which all tenors of the Relevant Rate (other than Term SOFR) for an Agreed Currency (other than Dollars) under this Agreement shall or will no longer be representative or made available, or permitted to be used for determining the interest rate of syndicated loans denominated in such Agreed Currency (other than Dollars), or shall or will otherwise cease, provided that, in each case, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent that will continue to provide such representative tenor(s) of the Relevant Rate (other than Term SOFR) for such Agreed Currency (other than Dollars) (the latest date on which all tenors of the Relevant Rate for such Agreed Currency (other than Dollars) under this Agreement are no longer representative or available permanently or indefinitely, the "Scheduled Unavailability Date");

or if the events or circumstances of the type described in Section 2.09(c)(i) or (ii) have occurred with respect to the Successor Rate then in effect, then, the Administrative Agent and the Company may amend this Agreement solely for the purpose of replacing the Relevant Rate for an Agreed Currency or any then current Successor Rate for an Agreed Currency in accordance with this Section 2.09 with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the U.S. and denominated in such Agreed Currency for such alternative benchmarks, and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the U.S. and denominated in such Agreed Currency for such benchmarks (and any such proposed rate, including for the avoidance of doubt, any adjustment thereto, a "Non-SOFR Successor Rate", and collectively with the SOFR Successor Rate, each a "Successor Rate"), and any such amendment shall become effective at 5:00 p.m. on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Company unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment.

(d) Successor Rate. The Administrative Agent will promptly (in one or more notices) notify the Company and each Lender of the implementation of any Successor Rate.

Any Successor Rate shall be applied in a manner consistent with market practice; provided that to the extent such market practice is not administratively feasible for the Administrative Agent, such Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent.

Notwithstanding anything else herein, if at any time any Successor Rate as so determined would otherwise be less than 0.0%, the Successor Rate will be deemed to be 0.0% for the purposes of this Agreement and the other Loan Documents.

In connection with the implementation of a Successor Rate the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Conforming Changes to the Company and the Lenders reasonably promptly after such amendment becomes effective.

(e) For purposes of this Section 2.09, those Lenders that either have not made, or do not have an obligation under this Agreement to make, the relevant Loans in the relevant Alternative Currency shall be excluded from any determination of Required Lenders.

SECTION 2.10. Fees. (a) Commitment Fee. The Company shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Applicable Percentage, a commitment fee in Dollars equal to the Applicable Rate times the actual daily amount by which the Aggregate Revolving Credit Commitments exceed the sum of (i) the Outstanding Amount of Revolving Credit Loans and (ii) the Outstanding Amount of L/C Obligations, subject to adjustment as provided in Section 2.21. The commitment fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(b) Other Fees. The Company shall pay to the Arrangers and the Administrative Agent for their own respective accounts, in Dollars, fees in the amounts and at the times specified in the Fee Letters. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

SECTION 2.11. Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate. (a) All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to Term SOFR) and for Loans denominated in Alternative Currencies (other than Alternative Currency Loans with respect to EURIBOR) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed, or, in the case of interest in respect of Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. All other computations of fees and interest, including those with respect to Term SOFR Loans and Alternative Currency Loans determined by reference to EURIBOR, shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.13(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) If, as a result of any restatement of or other adjustment to the financial statements of the Company or for any other reason (excluding any restatement of or other adjustment to the financial statements of the Company with respect to the initial adoption by the Company of Mark-to-Market Pension Accounting as described in Annex A), the Company or the Lenders determine that (i) the Leverage Ratio as calculated by the Company as of any applicable date was inaccurate and (ii) a proper calculation of the Leverage Ratio would have resulted in higher pricing for such period, each Borrower shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the applicable L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code, automatically and without further action by the Administrative Agent, any Lender or any L/C Issuer), an amount equal to the excess of the amount of interest and fees (including participation fees with respect to Letters of Credit and Letter of Credit Fees, as applicable) that should have been paid for such period over the amount of interest and fees actually paid for such period. This clause (b) shall not limit the rights of the Administrative Agent, any Lender or any L/C Issuer, as the case may be, under Section 2.03(j) or 2.08(b) or under Article VII. Each Borrower's obligations under this clause (b) shall survive the termination of the Aggregate Commitments and the repayment of all other Obligations hereunder for a period of 90 days.

SECTION 2.12. Evidence of Debt. (a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender in the ordinary course of business. The Administrative Agent shall maintain the Register in accordance with Section 9.04(b) (iv). The accounts or records maintained by each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the Register, the Register shall control in the absence of manifest error. Upon the request of any Lender to a Borrower made through the Administrative Agent, such Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Promissory Note, which shall evidence such Lender's Loans to such Borrower in addition to

such accounts or records. Each Lender may attach schedules to Promissory Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto. Any Promissory Note issued pursuant to this Section 2.12 shall, to the extent applicable, comply with the requirements relating to "original issue discount" under the Code and Treasury Regulations, including by bearing the following legend on the face of such Promissory Note:

"THIS DEBT INSTRUMENT HAS BEEN ISSUED WITH ORIGINAL ISSUE DISCOUNT FOR PURPOSES OF SECTION 1271 ET SEQ. OF THE UNITED STATES INTERNAL REVENUE CODE OF 1986, AS AMENDED FROM TIME TO TIME. BEGINNING NO LATER THAN 10 DAYS AFTER THE ISSUE DATE FOR U.S. FEDERAL INCOME TAX PURPOSES, A LENDER MAY OBTAIN THE ISSUE PRICE, AMOUNT OF ORIGINAL ISSUE DISCOUNT, ISSUE DATE AND YIELD TO MATURITY OF SUCH LOANS BY SUBMITTING A WRITTEN REQUEST FOR SUCH INFORMATION TO THE COMPANY AT THE FOLLOWING ADDRESS: NCR ATLEOS, LLC, 864 SPRING STREET, ATLANTA, GA 30308, ATTENTION: TREASURER."

(b) In addition to the accounts and records referred to in subsection (a) above, each Revolving Credit Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

SECTION 2.13. Payments Generally; Administrative Agent's Clawback. (a) General. All payments to be made by the Borrowers shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein and except with respect to principal of and interest on Loans denominated in an Alternative Currency, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder with respect to principal and interest on Loans denominated in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in such Alternative Currency and in Same Day Funds not later than the Applicable Time specified by the Administrative Agent on the dates specified herein. If, for any reason, any Borrower is prohibited by any law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Equivalent of the Alternative Currency payment amount. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after (i) 2:00 p.m., in the case of payments in Dollars, or (ii) after the Applicable Time specified by the Administrative Agent, in the case of payments in an Alternative Currency, shall, in each case, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by any Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Term SOFR Loans or Alternative Currency Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by such Borrower, the interest rate applicable to Base Rate Loans, or in the case of Alternative Currencies, in accordance with such market practice, in each case, as applicable. If such Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by such Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from a Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or any L/C Issuer hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the applicable L/C Issuers, as the case may be, the amount due.

With respect to any payment that the Administrative Agent makes for the account of the Lenders or any L/C Issuer hereunder as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the "Rescindable Amount"): (1) the applicable Borrower has not in fact made such payment; (2) the Administrative Agent has made a payment in excess of the amount so paid by such Borrower (whether or not then owed); or (3) the Administrative Agent has for any reason otherwise erroneously made such payment; then each of the Lenders or the applicable L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount so distributed to such Lender or such L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or Borrower with respect to any amount owing under this clause (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to any Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

SECTION 2.14. Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it, or the participations in L/C Obligations held by it resulting in such Lender receiving payment of a proportion of the aggregate amount of such Loans or participations and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and subparticipations in L/C Obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(a) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(b) the provisions of this Section 2.14 shall not be construed to apply to (x) any payment made by or on behalf of any Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (y) the application of Cash Collateral provided for in Section 2.16 or (z) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or subparticipations in L/C Obligations to any assignee or participant, other than an assignment to the Company or any Restricted Subsidiary thereof (as to which the provisions of this Section 2.14 shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

SECTION 2.15. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.17 or 2.22, or if a Loan Party is required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.19, then such Lender shall (at the request of any Borrower or the Borrower Agent) use commercially reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.17, 2.19 or 2.22, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Each Borrower hereby agrees to pay all reasonable out of pocket costs and expenses incurred by any Lender in connection with any such designation or assignment and delegation.

(b) If (i) any Lender requests compensation under Section 2.17 or 2.22, (ii) any Loan Party is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.19, (iii) any Lender has become a Defaulting Lender or (iv) any Lender has failed to consent to a proposed amendment, waiver, discharge or termination that under Section 9.02 requires the consent of all the Lenders (or all the affected Lenders or all the Lenders of the affected Class) and with respect to which the Required Lenders

(or, in circumstances where Section 9.02 does not require the consent of the Required Lenders, a Majority in Interest of the Lenders of the affected Class) shall have granted their consent, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (1) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents (or, in the case of any such assignment and delegation resulting from a failure to provide a consent, all its interests, rights and obligations under this Agreement and the other Loan Documents as a Lender of a particular Class) to an Eligible Assignee that shall assume such obligations (which may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Company shall have received the prior written consent of the Administrative Agent (and, if a Revolving Credit Commitment is being assigned, each L/C Issuer), which consent shall not unreasonably be withheld (if such consent would be required under Section 9.04 in connection with an assignment to such Person), (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and, if applicable, participations in L/C Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, (if applicable, in each case only to the extent such amounts relate to its interest as a Lender of a particular Class) from the assignee (in the case of such principal and accrued interest and fees) or the Company (in the case of all other amounts), (C) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.17 or 2.22 or payments required to be made pursuant to Section 2.19, such assignment will result in a reduction in such compensation or payments and (D) in the case of any such assignment and delegation resulting from the failure to provide a consent, the assignee shall have given such consent and, as a result of such assignment and delegation and any contemporaneous assignments and delegations and consents, the applicable amendment, waiver, discharge or termination can be effected or (2) only in the circumstances described in clause (b)(iii) above, terminate the aggregate unused Commitments of such Defaulting Lender (on a non pro rata basis) upon five Business Days prior notice to the Administrative Agent.

(c) A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver or consent by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment and delegation required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Company, the Administrative Agent and the assignee and that the Lender required to make such assignment and delegation need not be a party thereto.

SECTION 2.16. Cash Collateral. (a) Obligation to Cash Collateralize. At any time that there shall exist a Defaulting Lender, within one Business Day following the written request of the Administrative Agent or any L/C Issuer (with a copy to the Administrative Agent), the Company shall Cash Collateralize the L/C Issuers' Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.21(c) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount. Additionally, if the Administrative Agent notifies the Company at any time that the Outstanding Amount of all L/C Obligations at such time exceeds 100% of the Letter of Credit Sublimit then in effect, then within two (2) Business Days after receipt of such notice, the Company shall provide Cash Collateral for the Outstanding Amount of the L/C Obligations in an amount not less than the amount by which the Outstanding Amount of all L/C Obligations exceeds the Letter of Credit Sublimit.

(b) Grant of Security Interest. The Company, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to (and subjects to the control of) the Administrative Agent, for the benefit of the Administrative Agent, the L/C Issuers and the Lenders, and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.16(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent or the applicable L/C Issuer as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Company will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (determined in the case of Cash Collateral provided pursuant to clause (a) above, after giving effect to Section 2.16(c) and any Cash Collateral provided by the Defaulting Lender). All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in one or more Controlled Accounts at Bank of America. The Company shall pay on demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral.

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.16 or Sections 2.03, 2.04, 2.20 or Article VII in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(d) Release. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or to secure other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 2.20 and 9.04)) or (ii) the determination by the Administrative Agent and the applicable L/C Issuer that there exists excess Cash Collateral; provided, however, (x) any such release shall be without prejudice to, and any disbursement or other transfer of Cash Collateral shall be and remain subject to, any other Lien conferred under the Loan Documents and the other applicable provisions of the Loan Documents, and (y) the Person providing Cash Collateral and the applicable L/C Issuer may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

SECTION 2.17. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or L/C Issuer (except any such reserve requirement reflected in the calculation of EURIBOR);

(ii) impose on any Lender or L/C Issuer or the applicable offshore interbank market for the applicable Agreed Currency any other condition, cost or expense affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes and (B) Excluded Taxes) on its loans, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or other Recipient of making or maintaining any Loan (or of maintaining its obligation to make any such Loan), to increase the cost to such Lender, L/C Issuer or other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender, L/C Issuer or other Recipient hereunder (whether of principal, interest or any other amount but excluding lost profits), then, from time to time upon request of such Lender, L/C Issuer or other Recipient, the applicable Borrower will pay to such Lender, L/C Issuer or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, L/C Issuer or other Recipient, as the case may be, for such additional costs or expenses incurred or reduction suffered; provided that the Company shall not be liable for such compensation (A) unless such Lender or L/C Issuer is generally charging such amounts to similarly situated borrowers under comparable syndicated credit facilities or (B) if the relevant Change in Law occurs on a date prior to the date such Lender becomes a party hereto.

(b) If any Lender or L/C Issuer determines that any Change in Law regarding capital requirements or liquidity has had or would have the effect of reducing the rate of return on such Lender's or L/C Issuer's capital or on the capital of such Lender's or L/C Issuer's holding company, if any, as a consequence of this Agreement, the Commitments of or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or L/C Issuer's policies and the policies of such Lender's or L/C Issuer's holding company with respect to capital adequacy and liquidity), then, from time to time upon request of such Lender or L/C Issuer, the applicable Borrower will pay to such Lender or L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or L/C Issuer or such Lender's or L/C Issuer's holding company for any such reduction suffered.

(c) A certificate of a Lender or L/C Issuer setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or L/C Issuer or its holding company, or such other Recipient, as the case may be, as specified in paragraph (a) or (b) of this Section 2.17 delivered to the Company shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender or L/C Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender or L/C Issuer to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or L/C Issuer's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or L/C Issuer pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 180 days prior to the date that such Lender or L/C Issuer, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or L/C Issuer's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.18. Break Funding Payments. (a) With respect to Loans that are not Alternative Currency Daily Rate Loans, in the event of (i) the payment of any principal of any Term SOFR Loan or Alternative Currency Term Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (ii) the conversion of any Term SOFR Loan or Alternative Currency Term Rate Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert or continue any Term SOFR Loan or Alternative Currency Term Rate Loan on the date specified in any notice delivered pursuant hereto other than as a result of a failure to fund when the conditions precedent are met, (iv) the failure to prepay any Term SOFR Loan or Alternative Currency Term Rate Loan on a date specified therefor in any notice of prepayment given by any Borrower (whether or not such notice may be revoked in accordance with the terms hereof) or (v) the assignment of any Term SOFR Loan or Alternative Currency Term Rate Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the applicable Borrower, or the Borrower Agent on its behalf, pursuant to Section 2.15 or pursuant to Section 2.21(e), then, in any such event, the applicable Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. Such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (x) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Term SOFR or Alternative Currency Term Rate for Loans denominated in Euro, as applicable, that would have been applicable to such Loan (but not including the Applicable Rate applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (y) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the applicable offshore interbank market. A certificate of any Lender delivered to the applicable Borrower, or the Borrower Agent on its behalf, and setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be conclusive absent manifest error. The applicable Borrower shall pay (or cause to be paid) such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(b) With respect to Alternative Currency Daily Rate Loans, in the event of (i) the payment of any principal of any Alternative Currency Daily Rate Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default), (ii) the failure to borrow any Alternative Currency Daily Rate Loan on the date specified in any notice delivered pursuant hereto other than as a result of a failure to fund when the conditions precedent are met, (iii) the failure to prepay any Alternative Currency Daily Rate Loan on a date specified therefor in any notice of prepayment given by any Borrower (whether or not such notice may be revoked in accordance with the terms hereof) or (iv) the assignment of any Alternative Currency Daily Rate Loan other than on the Interest Payment Date applicable thereto as a result of a request by the applicable Borrower, or the Borrower Agent on its behalf, pursuant to Section 2.15 or pursuant to Section 2.21(e), then, in any such event, the applicable Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender delivered to the applicable Borrower, or the Borrower Agent on its behalf, and setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

SECTION 2.19. Taxes. (a) Withholding of Taxes; Gross-Up. Each payment by a Loan Party under this Agreement or any other Loan Document, whether to the Administrative Agent, any Lender or L/C Issuer or any other Person to which any such payment is owed (each of the foregoing being referred to as a “Recipient”), shall be made without deduction or withholding for any Taxes, unless such withholding is required by any applicable law. If any Withholding Agent determines, in its sole discretion exercised in good faith, that it is so required to withhold Taxes, then such Withholding Agent may so withhold and shall timely pay the full amount of deducted or withheld Taxes to the relevant Governmental Authority in accordance with applicable law. If such Taxes are Indemnified Taxes, then the amount payable by such Loan Party shall be increased as necessary so that, net of such withholding (including such withholding applicable to additional amounts payable under this Section), the applicable Recipient receives the amount it would have received had no such withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this Agreement, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall (severally and not jointly; provided that each Foreign Borrower is jointly and severally liable for the Foreign Borrower Obligations) indemnify each Recipient for any Indemnified Taxes that are paid or payable by such Recipient in connection with this Agreement (including amounts paid or payable under this paragraph) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this paragraph shall be paid within 20 days after the Recipient delivers to any Loan Party a certificate stating the amount of any Indemnified Taxes so paid or payable by such Recipient and describing in reasonable detail the basis for the indemnification claim. Such certificate shall be conclusive of the amount so paid or payable absent manifest error. Such Recipient shall deliver a copy of such certificate to the Administrative Agent.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent for any Taxes (but, in the case of any Indemnified Taxes, the Administrative Agent shall be indemnified only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so) attributable to such Lender that are paid or payable by the Administrative Agent in connection with this Agreement and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this paragraph shall be paid within 10 days after the Administrative Agent delivers to the applicable Lender a certificate stating the amount of Taxes so paid or payable by the Administrative Agent. Such certificate shall be conclusive of the amount so paid or payable absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from, or reduction of, any applicable withholding Tax with respect to any payments under this Agreement shall deliver to each Borrower and the Administrative Agent, at the time or times reasonably requested by such Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by such Borrower or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by a Borrower or the Administrative Agent, shall deliver such other documentation prescribed by law or reasonably requested by a Borrower or the Administrative Agent as will enable such Borrower or the Administrative Agent to determine whether or not such Lender is subject to any withholding (including backup withholding) or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in clauses (A) through (E) of paragraph (f)(ii) below) shall not be required if in the Lender's judgment such completion, execution or submission would materially prejudice the legal or commercial position of such Lender. Upon the reasonable request of a Borrower or the Administrative Agent, any Lender shall update any form or certification previously delivered pursuant to this Section 2.19(f). If any form or certification previously delivered pursuant to this Section 2.19(f) expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly notify the applicable Borrower, or the Borrower Agent on its behalf, and the Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so. Notwithstanding any other provision of this paragraph, a Lender shall not be required to deliver any form pursuant to this paragraph that it is not legally able to deliver.

(ii) Without limiting the generality of the foregoing, each Lender shall, if it is legally eligible to do so, deliver to each Borrower and the Administrative Agent (in such number of copies as is reasonably requested by such Borrower and the Administrative Agent) on or prior to the date on which such Lender becomes a party hereto, duly completed and executed copies of whichever of the following is applicable:

(A) in the case of a Lender that is a U.S. Person, IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding Tax;

(B) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States of America is a party (1) with respect to payments of interest under this Agreement, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (2) with respect to any other applicable payments under this Agreement, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(C) in the case of a Foreign Lender for whom payments under this Agreement constitute income that is effectively connected with such Lender's conduct of a trade or business in the United States of America, IRS Form W-8ECI;

(D) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, both (1) IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, and (2) a certificate substantially in the form of Exhibit I-1, Exhibit I-2, Exhibit I-3 or Exhibit I-4 (each, a "U.S. Tax Certificate"), as applicable, to the effect that such Lender is not (x) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (y) a "10 percent shareholder" of the applicable Borrower within the meaning of Section 881(c)(3)(B) of the Code or (z) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code;

(E) in the case of a Foreign Lender that is not the beneficial owner of payments made under this Agreement (including a partnership or a participating Lender), (1) an IRS Form W-8IMY on behalf of itself and (2) the relevant forms prescribed in clauses (A), (B), (C), (D) and (F) of this paragraph (f)(ii) that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided that if such Lender is a partnership and one or more of its partners are claiming the exemption for portfolio interest under Section 881(c) of the Code, such Lender may provide a U.S. Tax Certificate on behalf of such partners; or

(F) any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. Federal withholding Tax, together with such supplementary documentation as shall be necessary to enable the applicable Borrower or the Administrative Agent to determine the amount of Tax (if any) required by law to be withheld.

(iii) If a payment made to a Lender under this Agreement would be subject to U.S. Federal withholding Tax or reporting requirements imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Withholding Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA and, as necessary, to determine the amount to deduct and withhold or to report from such payment. Solely for purposes of this Section 2.19(f)(iii), the term "FATCA" shall include any amendments made to FATCA after the Effective Date.

(g) [Reserved].

(h) [Reserved].

(i) Treatment of Certain Refunds. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including additional amounts paid pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of Recipient and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such Recipient, shall repay to such Recipient the amount paid to such Recipient pursuant to the prior sentence (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph, in no event will any Recipient be required to pay any amount to any indemnifying party pursuant to this paragraph if such payment would place such Recipient in a less favorable position (on a net after-Tax basis) than such Recipient would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(j) (i) All amounts expressed to be payable under a Loan Document by any party to a Loan Document (a "Party") to a Lender or Administrative Agent which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (ii) below, if VAT is or becomes chargeable on any supply made by any Lender or Administrative Agent to any Party under a Loan Document and such Lender or Administrative Agent is required to account to the relevant tax authority for the VAT, that Party must pay to such Lender or Administrative Agent (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Lender or Administrative Agent must promptly provide an appropriate VAT invoice to that Party).

(ii) If VAT is or becomes chargeable on any supply made by any Lender or Administrative Agent (the “Supplier”) to any Recipient under a Loan Document, and any Party other than the Recipient (the “Relevant Party”) is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(A) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (A) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(B) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where a Loan Document requires any Party to reimburse or indemnify a Lender or Administrative Agent for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Lender or Administrative Agent for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Lender or Administrative Agent reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iv) Any reference in this Section 2.19(j) to any Party shall, at any time when such Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) or any other similar provision in any jurisdiction which is not a member of the European Union).

(v) In relation to any supply made by a Lender or Administrative Agent to any Party under a Loan Document, if reasonably requested by such Lender or Administrative Agent, that Party must promptly provide such Lender or Administrative Agent with details of that Party’s VAT registration and such other information as is reasonably requested in connection with such Lender or Administrative Agent’s VAT reporting requirements in relation to such supply.

(k) L/C Issuer. For purposes of this Section 2.19, the term “Lender” shall include each L/C Issuer.

(l) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, and the occurrence of the Termination Date.

SECTION 2.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Revolving Credit Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Revolving Credit Lender is a Defaulting Lender:

(a) commitment fees shall cease to accrue on the unused amount of the Revolving Commitment of such Defaulting Lender pursuant to Section 2.10(a);

(b) the Revolving Credit Commitment and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02), in each case, except to the extent expressly provided in the second to last sentence of Section 9.02(b);

(c) if any L/C Obligations exists at the time such Revolving Credit Lender becomes a Defaulting Lender then:

(i) all or any part of the L/C Obligations of such Defaulting Lender shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (with the term "Applicable Percentage" meaning, with respect to any Lender for purposes of reallocations to be made pursuant to this paragraph (c), the percentage of the Aggregate Revolving Credit Commitment represented by such Lender's Revolving Credit Commitment at the time of such reallocation calculated disregarding the Revolving Credit Commitments of the Defaulting Lenders at such time) but only to the extent that the sum of all Non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's L/C Obligations does not exceed the sum of all Non-Defaulting Lenders' Revolving Credit Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the L/C Issuers the portion of such Defaulting Lender's L/C Obligations that has not been reallocated in accordance with the procedures set forth in Section 2.16 for so long as such L/C Obligations is outstanding;

(iii) if the Borrowers cash collateralize any portion of such Defaulting Lender's L/C Obligations pursuant to clause (ii) above, the Borrowers shall not be required to pay participation fees to such Defaulting Lender pursuant to Section 2.03(j) with respect to such portion of such Defaulting Lender's L/C Obligations for so long as such Defaulting Lender's L/C Obligations is cash collateralized;

(iv) if any portion of the L/C Obligations of such Defaulting Lender is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Sections 2.10(a) and 2.03(j) shall be adjusted to give effect to such reallocation; and

(v) if all or any portion of such Defaulting Lender's L/C Obligations is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any L/C Issuer or any other Lender hereunder, all participation fees payable under Section 2.03(j) with respect to such Defaulting Lender's L/C Obligations shall be payable to the L/C Issuers (and allocated among them ratably based on the amount of such Defaulting Lender's L/C Obligations attributable to Letters of Credit issued by each L/C Issuer) until and to the extent that such L/C Obligations is reallocated and/or cash collateralized; and

(d) so long as such Revolving Credit Lender is a Defaulting Lender, no L/C Issuer shall be required to issue, amend, renew or extend any Letter of Credit, unless in each case it is satisfied that the related exposure and the Defaulting Lender's then outstanding L/C Obligations will be fully covered by the Revolving Credit Commitments of the Non-Defaulting Lenders and/or cash collateral provided by the Borrowers in accordance with Section 2.21(c), and participating interests in any such issued, amended, reviewed or extended Letter of Credit will be allocated among the Non-Defaulting Lenders in a manner consistent with Section 2.20(c)(i) (and such Defaulting Lender shall not participate therein).

In the event that (x) a Bankruptcy Event with respect to a Revolving Credit Lender Parent shall have occurred following the date hereof and for so long as such Bankruptcy Event shall continue or (y) any L/C Issuer has a good faith belief that any Revolving Credit Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no L/C Issuer shall be required to issue, amend, renew or extend any Letter of Credit, unless such L/C Issuer shall have entered into arrangements with the applicable Borrower, or the Borrower Agent on its behalf, or such Revolving Credit Lender satisfactory to such L/C Issuer to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Company and each L/C Issuer each agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender (a "Restored Lender"), then the L/C Obligations of the Revolving Credit Lenders shall be reallocated in accordance with their Applicable Percentages and on such date such Restored Lender shall purchase at par such of the Revolving Credit Loans of the other Revolving Credit Lenders as the Administrative Agent shall determine may be necessary in order for such Restored Lender to hold such Loans in accordance with its Applicable Percentage (with the term "Applicable Percentage" meaning, with respect to any Lender for purposes of reallocations to be made pursuant to this paragraph, the percentage of the Aggregate Revolving Credit Commitment represented by such Lender's Revolving Credit Commitment at the time of such reallocation calculated including the Revolving Credit Commitment of such Restored Lender but disregarding the Revolving Credit Commitments of the Defaulting Lenders at such time).

Subject to Section 9.18, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

SECTION 2.21. Incremental Facilities. (a) The Company may on one or more occasions, by written notice to the Administrative Agent, request (i) during the Availability Period, the establishment of Incremental Revolving Commitments and/or (ii) following the Closing Date, the establishment of Incremental Term Commitments, in an aggregate amount for all such Incremental Commitments not to exceed the sum of (A) \$300,000,000 less the aggregate amount of Incremental Equivalent Debt incurred by the Company in reliance on this clause (A) plus (B) such amount as would not cause the Secured Leverage Ratio, computed on a Pro Forma Basis (but without netting the cash proceeds thereof) as of the last day of the fiscal quarter most recently ended prior to the effective date of the relevant Incremental Facility Agreement in respect of which financial statements have been delivered pursuant to Section 5.01(a) or (b), to exceed, 3.50 to 1.00; provided that for purposes of the pro forma calculations required by clauses (A) and (B) above, (x) the Incremental Revolving Commitments that would become effective in connection with the requested Incremental Facility shall be assumed to be fully drawn and (y) the calculation of clause (B) above shall be determined without giving effect to any incurrence under clause (A) above that is incurred substantially simultaneously with amounts under clause (B) above; provided, further, that, in the case of Incremental Term Commitments established to finance a Limited Condition Acquisition, the condition set forth in this clause (B) may, at the Company's option, as set forth in the applicable Incremental Facility Agreement, be tested at the signing of the definitive agreement to consummate such Limited Condition Acquisition or at the closing thereof. Each such notice shall specify (A) the date on which the Company proposes that the Incremental Revolving Commitments or the Incremental Term Commitments, as applicable, shall be effective, which shall be a date not less than 10 Business Days (or such shorter period as may be agreed to by the Administrative Agent) after the date on which such notice is delivered to the Administrative Agent and (B) the amount of the Incremental Revolving Commitments or Incremental Term Commitments, as applicable, being requested (it being agreed that (x) any Lender approached to provide any Incremental Revolving Commitment or Incremental Term Commitment may elect or decline, in its sole discretion, to provide such Incremental Revolving Commitment or Incremental Term Commitment and (y) any Person that the Company proposes to become an Incremental Lender, if such Person is not then a Lender, must be an Eligible Assignee and must be reasonably acceptable to the Administrative Agent and, in the case of any proposed Incremental Revolving Credit Lender, each L/C Issuer.

(b) The terms and conditions of any Incremental Revolving Commitment and Loans and other extensions of credit to be made thereunder shall be, except as otherwise set forth herein, identical to those of the Revolving Credit Commitments and Revolving Credit Loans and other extensions of credit made thereunder, and shall be treated as a single Class with such Revolving Commitments and Loans; provided that (i) the maturity date of any Incremental Revolving Commitments shall be no sooner than, but may be later than, the Maturity Date of the Revolving Credit Facility, (ii) there shall be no mandatory reduction of any Incremental Revolving Commitments prior to the Maturity Date for the Revolving Credit Facility and (iii) the up-front fees applicable to any Incremental Revolving Facility shall be as determined by the Company and the Incremental Revolving Credit Lenders providing such Incremental Facility. The terms and conditions of any Incremental Term Facility and the Incremental Term Loans to be made

thereunder shall be, except as otherwise set forth herein or in the applicable Incremental Facility Agreement, identical to those of the Term B Commitments and the Term B Loans; provided that (i) the up-front fees, interest rates and amortization schedule applicable to any Incremental Term Facility and Incremental Term Loans shall be determined by the Company and the Incremental Term Lenders providing the relevant Incremental Term Commitments, (ii) the weighted average life to maturity of any Incremental Term Loans that are not Incremental Term A Loans shall be no shorter than, but may be longer than, the remaining weighted average life to maturity of the then outstanding Term B Loans (determined without giving effect to any prepayments that reduce amortization), (iii) no Incremental Term Maturity Date in respect of Incremental Term Loans that are not Incremental Term A Loans shall be earlier than, but may be later than, the Maturity Date for the Term B Loans, (iv) no Incremental Term Maturity Date in respect of Incremental Term A Loans shall be earlier than, but may be later than, the Maturity Date for the Revolving Credit Facility and (v) if the Weighted Average Yield applicable to any Incremental Term Loans exceeds by more than 0.50% per annum the applicable Weighted Average Yield payable pursuant to the terms of this Agreement, as amended through the date of such calculation, with respect to the Term B Loans, then the Applicable Rate then in effect for the Term B Loans shall automatically be increased to eliminate such excess; provided, however, that any interest in the Applicable Rate required pursuant to the foregoing as a result of any interest rate “floor” shall be effected solely through the establishment of or increase to an interest rate “floor”. Notwithstanding the foregoing, the terms and conditions applicable to an Incremental Facility may include additional or different financial or other covenants or other provisions that are agreed between the Company and the Lenders providing such Incremental Facility which are applicable only during periods after the Latest Maturity Date that is in effect on the date of effectiveness of such Incremental Facility. Any Incremental Term Facilities established pursuant to an Incremental Facility Agreement (other than any Incremental Term Facilities having terms identical to the Term B Loans made on the Closing Date) that have identical terms, and any Incremental Term Loans made thereunder, shall be designated as a separate series (each a “Series”) of Incremental Term Commitments and Incremental Term Loans for all purposes of this Agreement. Notwithstanding anything to the contrary herein, each Incremental Facility and all extensions of credit thereunder shall be secured by the Collateral on a pari passu basis with the other Loan Document Obligations.

(c) The Incremental Commitments and Incremental Facilities relating thereto shall be effected pursuant to one or more Incremental Facility Agreements executed and delivered by the Company, each Incremental Lender providing such Incremental Commitments and Incremental Facilities and the Administrative Agent; provided that no Incremental Commitments shall become effective unless (i) no Default or Event of Default shall have occurred and be continuing on the date of effectiveness thereof, both immediately prior to and immediately after giving effect to such Incremental Term Commitments and the making of Loans and issuance of Letters of Credit thereunder to be made on such date; provided that, in the case of Incremental Term Commitments established to finance a Limited Condition Acquisition, except with respect to the requirement that there not have occurred and be continuing any Default under paragraph (a) or (b) of Article VII or any Default with respect to any Borrower under paragraph (i) or (j) of Article VII (which must be true both immediately prior to and immediately after giving effect to such Incremental Commitments and the making of Loans thereunder to be made on the date of effectiveness thereof), any condition set forth in this clause (i) may, at the Company’s option, as set forth in the applicable Incremental Facility Agreement, be tested at the signing of the agreement

to make such Limited Condition Acquisition or on the date of effectiveness of such Incremental Term Commitments, (ii) on the date of effectiveness thereof, the representations and warranties of each Loan Party set forth in the Loan Documents shall be made and shall be true and correct (A) in the case of the representations and warranties qualified as to materiality, in all respects and (B) otherwise, in all material respects, in each case on and as of such date, except in the case of any such representation and warranty that expressly relates to a prior date, in which case such representation and warranty shall be so true and correct on and as of such prior date; provided that, in the case of Incremental Term Commitments established to finance a Limited Condition Acquisition, the condition set forth in this clause (ii) may, at the Company's option, be modified in a manner determined by the Company and the Incremental Lenders providing such Incremental Term Loan Commitments, as set forth in the applicable Incremental Facility Agreement, such that the only representations and warranties the accuracy of which is a condition to the effectiveness of such Incremental Term Commitments are the Specified Representations, (iii) after giving effect to such Incremental Commitments and the making of Loans pursuant thereto and the use of proceeds thereof (and based on the assumption that borrowings are effected in the full amount of any Incremental Revolving Commitments), the Company shall be in compliance on a Pro Forma Basis with the covenant contained in Section 6.13 recomputed as of the last day of the most-recently ended fiscal quarter of the Company for which financial statements shall have been delivered pursuant to Section 5.01(a) or 5.01(b); provided that, in the case of Incremental Term Commitments established to finance a Limited Condition Acquisition, the condition set forth in this clause (iii) may, at the Company's option, as set forth in the applicable Incremental Facility Agreement, be tested at the signing of the agreement to make such Limited Condition Acquisition or on the date of effectiveness of such Incremental Term Commitments, (iv) the Company shall make any payments required to be made pursuant to Section 2.18 in connection with such Incremental Commitments and the related transactions under this Section and (v) the Company shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall reasonably be requested by the Administrative Agent in connection with any such transaction, including a certificate of a Financial Officer to the effect set forth in clauses (i), (ii) and (iii) above, together with reasonably detailed calculations demonstrating compliance with clause (iii) above. Each Incremental Facility Agreement may, without the consent of any Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section; provided that to the extent that any term of any such amendment could not be approved as an amendment of this Agreement by the Lenders providing such Incremental Commitments voting a single Class without the approval of any other Lender, such amendment will be subject to the approval of the requisite Lenders required under this Agreement.

(d) Upon the effectiveness of an Incremental Commitment of any Incremental Lender, (i) such Incremental Lender shall be deemed to be a "Lender" (and a Lender in respect of Commitments and Loans of the applicable Class) hereunder, and henceforth shall be entitled to all the rights of, and benefits accruing to, Lenders (or Lenders in respect of Commitments and Loans of the applicable Class) hereunder and shall be bound by all agreements, acknowledgements and other obligations of Lenders (or Lenders in respect of Commitments and Loans of the applicable Class) hereunder and under the other Loan Documents and (ii) in the case of any Incremental Revolving Commitment, (A) such Incremental Revolving Commitment shall constitute (or, in the

event such Incremental Lender already has a Revolving Commitment, shall increase) the Revolving Commitment of such Incremental Lender and (B) the Aggregate Revolving Credit Commitment shall be increased by the amount of such Incremental Revolving Commitment, in each case, subject to further increase or reduction from time to time as set forth in the definition of the term "Revolving Credit Commitment". Upon the effectiveness of any Incremental Revolving Commitment, the Revolving Credit Exposure of the Incremental Revolving Credit Lender holding such Commitment, and the Applicable Percentage of all the Revolving Credit Lenders, shall automatically be adjusted to give effect thereto.

(e) On the date of effectiveness of any Incremental Revolving Commitments, each Revolving Credit Lender shall assign to each Incremental Revolving Credit Lender holding such Incremental Revolving Commitment, and each such Incremental Revolving Credit Lender shall purchase from each Revolving Credit Lender, at the principal amount thereof (together with accrued interest), such interests in the Revolving Credit Loans and participations in Letters of Credit outstanding on such date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Credit Loans and participations in Letters of Credit will be held by all the Revolving Credit Lenders (including such Incremental Revolving Credit Lenders) ratably in accordance with their Applicable Percentages after giving effect to the effectiveness of such Incremental Revolving Commitment.

(f) Subject to the terms and conditions set forth herein and in the applicable Incremental Facility Agreement, each Lender holding an Incremental Term Commitment of any Series shall make a loan to the Company in an amount equal to such Incremental Term Commitment on the date specified in such Incremental Facility Agreement.

(g) The Administrative Agent shall notify the Lenders promptly upon receipt by the Administrative Agent of any notice from the Company referred to in Section 2.21(a) and of the effectiveness of any Incremental Commitments, in each case advising the Lenders of the details thereof and, in the case of effectiveness of any Incremental Revolving Commitments, of the Applicable Percentages of the Revolving Credit Lenders after giving effect thereto and of the assignments required to be made pursuant to Section 2.21(e).

SECTION 2.22. Additional Reserve Costs. (a) If and for so long as any Lender is required to make special deposits with the Bank of England, to maintain reserve asset ratios or to pay fees, in each case in respect of such Lender's Loans, such Lender may require the applicable Borrower to pay, contemporaneously with each payment of interest on each of such Loans, additional interest on such Loans at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Loans; provided that no Lender may request the payment of any amount under this paragraph to the extent resulting from a requirement imposed (other than as provided in Section 2.17) on such Lender by any Governmental Authority (and not on Lenders or any class of Lenders generally) in respect of a concern expressed by such Governmental Authority with such Lender specifically, including with respect to its financial health.

(b) If and for so long as any Lender is required to comply with reserve assets, liquidity, cash margin or other requirements of any monetary or other authority (including any such requirement imposed by the European Central Bank or the European System of Central Banks, but excluding requirements addressed by Section 2.24(a)) in respect of any of such Lender's Loans, such Lender may require the applicable Borrower to pay, contemporaneously with each payment of interest on each of such Lender's Loans subject to such requirements, additional interest on such Loans at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Loans; provided that no Lender may request the payment of any amount under this paragraph to the extent resulting from a requirement imposed (other than as provided in Section 2.14) on such Lender by any Governmental Authority (and not on Lenders or any class of Lenders generally) in respect of a concern expressed by such Governmental Authority with such Lender specifically, including with respect to its financial health.

(c) Any additional interest owed pursuant to paragraph (a) or (b) above shall be determined by the relevant Lender, acting in good faith, which determination shall be conclusive absent manifest error, and notified to the applicable Borrower, or the Borrower Agent on its behalf, (with a copy to the Administrative Agent) at least five Business Days before each date on which interest is payable for the relevant Loans, and such additional interest so notified to the applicable Borrower, or the Borrower Agent on its behalf, by such Lender shall be payable to such Lender on each date on which interest is payable for such Loans.

SECTION 2.23. Foreign Borrowers. (a) The Company may, on and after the Closing Date, upon not less than ten (10) Business Days' written notice (or such shorter period as may be agreed by the Administrative Agent) to the Administrative Agent and the Revolving Credit Lenders, request that the Revolving Credit Lenders approve the designation of any Restricted Subsidiary (an "Applicant Borrower") that is a wholly-owned Foreign Subsidiary of the Company as a Foreign Borrower hereunder by delivery to the Administrative Agent of a Foreign Borrower Joinder Agreement executed by such Restricted Subsidiary, the Company and the other Loan Parties under which such Restricted Subsidiary agrees to become a Foreign Borrower and each Loan Party reaffirms its guarantees, pledges, grants and other commitments and obligations under the Loan Documents to which such Loan Party is party. The approval of the designation of an Applicant Borrower as a Foreign Borrower may be granted or withheld in the sole discretion of any Revolving Credit Lender. An Applicant Borrower shall become a Foreign Borrower upon receipt by the Administrative Agent of (i) the written approval of each Revolving Credit Lender, and (ii) the Company's written approval of such amendments or other modifications to this Agreement and the other Loan Documents as may reasonably be specified by the Administrative Agent to effect the addition of such Applicant Borrower as a Foreign Borrower (collectively, the "Applicant Borrower Amendments"), it being understood that, notwithstanding anything to the contrary in this Agreement, including in Section 9.02, any Applicant Borrower Amendments shall be effective when executed and delivered by the Company and the Administrative Agent. The Administrative Agent shall send a notice to the Company and the Lenders specifying the effective date upon which the requested Applicant Borrower shall constitute a Foreign Borrower for purposes hereof, whereupon each of the Lenders agrees to permit such Foreign Borrower to receive Loans hereunder, on the terms and conditions set forth herein (as amended by the Applicant Borrower Amendments), and each of the parties hereto agrees that such Applicant Borrower shall for all purposes of this Agreement be a party to and a Foreign Borrower under this Agreement

(b) Notwithstanding the preceding paragraph (a), no Subsidiary shall become a Foreign Borrower if it shall be unlawful or a violation of a Lender's internal policies for such Subsidiary to become a Borrower hereunder or for any Lender to make Loans or otherwise extend credit to such Subsidiary as provided herein.

(c) The Company may from time to time, upon not less than five (5) Business Days' written notice to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion), terminate a Foreign Borrower's status as such upon the execution by the Company and delivery to the Administrative Agent of a Foreign Borrower Termination with respect to such Foreign Borrower; provided that no Foreign Borrower Termination shall become effective as to any Foreign Borrower (other than to terminate its right to make further Borrowings or obtain Letters of Credit under this Agreement) until all Loans made to the terminated Foreign Borrower have been repaid, no Letter of Credit issued for the account of such terminated Foreign Borrower shall remain outstanding, and all amounts payable by such terminated Foreign Borrower in respect of L/C Disbursements, interest and/or fees (and, to the extent notified by the Administrative Agent or any Lender, any other amounts payable by the terminated Foreign Borrower under any Loan Document) have been paid in full. The Administrative Agent will promptly notify the Lenders of any such termination of a Foreign Borrower's status.

SECTION 2.24. Extension of Maturity Date. (a) The Company may, on and after the Closing Date, by delivery of a Maturity Date Extension Request to the Administrative Agent (which shall promptly deliver a copy thereof to each of the applicable Lenders) not less than 30 days prior to the then-existing Maturity Date for the applicable Class of Commitments and/or Loans hereunder to be extended (the "Existing Maturity Date"), request that the Lenders of such Class extend the Existing Maturity Date in accordance with this Section; provided that, for the avoidance of doubt, each Lender may elect to agree or not agree, in its sole discretion, to an extension of a Maturity Date. Each Maturity Date Extension Request shall (i) specify the applicable Class of Commitments and/or Loans hereunder to be extended, (ii) specify the date to which the applicable Maturity Date is sought to be extended, (iii) specify the changes, if any, to the Applicable Rate to be applied in determining the interest payable on the Loans of, and fees payable hereunder to, Consenting Lenders (as defined below) in respect of that portion of their Commitments and/or Loans extended to such new Maturity Date and the time as of which such changes will become effective (which may be prior to the Existing Maturity Date) and (iv) specify any other amendments or modifications to this Agreement to be effected in connection with such Maturity Date Extension Request; provided that no such changes or modifications requiring approvals pursuant to the provisos to Section 9.02(b) shall become effective prior to the Existing Maturity Date unless such other approvals have been obtained. In the event a Maturity Date Extension Request shall have been delivered by the Company, each Lender shall have the right to agree to the extension of the Existing Maturity Date and other matters contemplated thereby on the terms and subject to the conditions set forth therein (each Lender agreeing to the Maturity Date Extension Request being referred to herein as a "Consenting Lender") and each Lender not agreeing thereto being referred to herein as a "Declining Lender"), which right may be exercised by written notice thereof, specifying the maximum amount of the Commitment and/or Loans of such Lender with respect to which such Lender agrees to the extension of the Maturity Date, delivered to the Company (with a copy to the Administrative Agent) not later than a day to be agreed upon by the

Company and the Administrative Agent following the date on which the Maturity Date Extension Request shall have been delivered by the Company (it being understood and agreed that any Lender that shall have failed to exercise such right as set forth above shall be deemed to be a Declining Lender). If a Lender elects to extend only a portion of its then existing Commitment and/or Loans, it will be deemed for purposes hereof to be a Consenting Lender in respect of such extended portion and a Declining Lender in respect of the remaining portion of its Commitment and/or Loans, and the aggregate principal amount of each Type and currency of Loans of the applicable Class of such Lender shall be allocated ratably among the extended and non-extended portions of the Loans of such Lender based on the aggregate principal amount of such Loans so extended and not extended. If Consenting Lenders shall have agreed to such Maturity Date Extension Request in respect of Commitments and/or Loans held by them, then, subject to paragraph (d) of this Section 2.24, on the date specified in the Maturity Date Extension Request as the Closing Date thereof (the "Extension Closing Date"), (i) the Existing Maturity Date of the applicable Commitments and/or Loans shall, as to the Consenting Lenders, be extended to such date as shall be specified therein, (ii) the terms and conditions of the applicable Commitments and/or Loans of the Consenting Lenders (including interest and fees (including Letter of Credit Fees) payable in respect thereof) shall be modified as set forth in the Maturity Date Extension Request and (iii) such other modifications and amendments hereto specified in the Maturity Date Extension Request shall (subject to any required approvals (including those of the Required Lenders) having been obtained) become effective.

(b) Notwithstanding the foregoing, the Borrower shall have the right, in accordance with the provisions of Sections 2.15(b) and 9.04, at any time prior to the Existing Maturity Date, to replace a Declining Lender (for the avoidance of doubt, only in respect of that portion of such Lender's Commitment and/or Loans subject to a Maturity Date Extension Request that it has not agreed to extend) with an Eligible Assignee that will agree to such Maturity Date Extension Request, and any such replacement Lender shall for all purposes constitute a Consenting Lender in respect of the Commitment and/or Loans assigned to and assumed by it on and after the effective time of such replacement.

(c) If a Maturity Date Extension Request has become effective hereunder:

(i) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Credit Commitments, not later than the fifth Business Day prior to the Existing Maturity Date, the Borrower shall make prepayments of Revolving Credit Loans and shall provide cash collateral in respect of Letters of Credit, in each case, in the manner set forth in Section 2.03(o), such that, after giving effect to such prepayments and such provision of cash collateral, the Aggregate Revolving Credit Exposure as of such date will not exceed the Aggregate Revolving Credit Commitments of the Consenting Lenders extended pursuant to this Section (and no Borrower shall be permitted thereafter to request any Revolving Credit Loan or any issuance, amendment, renewal or extension of a Letter of Credit if, after giving effect thereto, the Aggregate Revolving Credit Exposure would exceed the aggregate amount of the Revolving Credit Commitments so extended);

(ii) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Credit Commitments, on the Existing Maturity Date, the Revolving Credit Commitment of each Declining Lender shall, to the extent not assumed, assigned or transferred as provided in paragraph (b) of this Section 2.24, terminate, and the Borrowers shall repay all the Revolving Credit Loans made by each Declining Lender to the Borrowers to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction (or waiver in accordance with Section 9.02) of the conditions set forth in Section 4.03, such repayments may be funded with the proceeds of new Revolving Credit Borrowings made simultaneously with such repayments by the Consenting Lenders, which such Revolving Credit Borrowings shall be made ratably by the Consenting Lenders in accordance with their extended Revolving Credit Commitments; and

(iii) solely in respect of a Maturity Date Extension Request that has become effective in respect of a Class of Term Loans, on the Existing Maturity Date, the Company shall repay all the Loans of such Class made by each Declining Lender to the Company, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction (or waiver in accordance with Section 9.02) of the conditions set forth in Section 4.03, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Revolving Credit Lenders.

(d) Notwithstanding the foregoing, no Maturity Date Extension Request shall become effective hereunder unless, on the Extension Closing Date, the conditions set forth in clauses (a) and (b) of Section 4.03 shall be satisfied (or waived in accordance with Section 9.02) (with all references in such Section to a Borrowing being deemed to be references to such Maturity Date Extension Request) and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Company.

(e) Notwithstanding any provision of this Agreement to the contrary, it is hereby agreed that no extension of an Existing Maturity Date in accordance with the express terms of this Section, or any amendment or modification of the terms and conditions of the Commitments and the Loans of the Consenting Lenders effected pursuant thereto, shall be deemed to (i) violate the last sentence of Section 2.04(b) or Section 2.13(f) or 2.14 or any other provision of this Agreement requiring the ratable reduction of Commitments or the ratable sharing of payments or (ii) require the consent of all Lenders or all affected Lenders under Section 9.02(b).

(f) The Borrowers, the Administrative Agent and the Consenting Lenders may enter into an amendment to this Agreement to effect such modifications as may be necessary to reflect the terms of any Maturity Date Extension Request that has become effective in accordance with the provisions of this Section.

(g) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

SECTION 2.25. Refinancing Facilities. (a) The Company may, on one or more occasions on or after the Closing Date, by written notice to the Administrative Agent, obtain Refinancing Term Loan Indebtedness. Each such notice shall specify the date on which the Company proposes that such Refinancing Term Loan Indebtedness shall be made, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) no Event of Default shall have occurred and be continuing;

(ii) substantially concurrently with the incurrence of such Refinancing Term Loan Indebtedness, the Company shall repay or prepay then outstanding Term Borrowings of the applicable Class made to the Company (together with any accrued but unpaid interest thereon and any prepayment premium with respect thereto) in an aggregate principal amount equal to the Net Proceeds of such Refinancing Term Loan Indebtedness, and any such prepayment of Term Borrowings of such Class shall be applied to reduce the subsequent scheduled repayments of Term Borrowings of such Class to be made pursuant to Section 2.07(a) ratably,

(iii) such notice shall set forth, with respect to the Refinancing Term Loan Indebtedness established thereby in the form of Refinancing Term Loans, to the extent applicable, the following terms thereof: (a) the designation of such Refinancing Term Loans as a new "Class" for all purposes hereof, (b) the stated termination and maturity dates applicable to the Refinancing Term Loans of such Class, (c) amortization applicable thereto and the effect thereon of any prepayment of such Refinancing Term Loans, (d) the interest rate or rates applicable to the Refinancing Term Loans of such Class, (e) the fees applicable to the Refinancing Term Loans of such Class, (f) any original issue discount applicable thereto, (g) the initial Interest Period or Interest Periods applicable to Refinancing Term Loans of such Class and (h) any voluntary or mandatory commitment reduction or prepayment requirements applicable to Refinancing Term Loans of such Class (which prepayment requirements may provide that such Refinancing Term Loans may participate in any mandatory prepayment on a pro rata basis with any Class of existing Term Loans, but may not provide for prepayment requirements that are materially more favorable to the Lenders holding such Refinancing Term Loans than to the Lenders holding such Class of Term Loans) and any restrictions on the voluntary or mandatory reductions or prepayments of Refinancing Term Loans of such Class, and

(iv) such Refinancing Term Loan Indebtedness will, to the extent secured, rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder on the terms set out in an Acceptable Intercreditor Agreement.

(b) Any Lender or any other Eligible Assignee approached by the Company to provide all or a portion of the Refinancing Term Loan Indebtedness may elect or decline, in its sole discretion, to provide any Refinancing Term Loan Indebtedness.

(c) Any Refinancing Term Loans shall be established pursuant to a Refinancing Facility Agreement executed and delivered by the Company, each Refinancing Term Lender providing such Refinancing Term Loan and the Administrative Agent, which shall be consistent with the provisions set forth in clause (a) above (but which shall not require the consent of any other Lender). Each Refinancing Facility Agreement shall be binding on the Lenders, the Loan Parties and the other parties hereto and may effect amendments to the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Company, to effect provisions of this Section, including any amendments necessary to treat such Refinancing Term Loans as a new "Class" of loans hereunder. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Facility Agreement.

(d) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

SECTION 3.04. Financial Condition; No Material Adverse Change. (a) The Company has heretofore delivered (or caused to have been delivered) to the Administrative Agent (for distribution to the Lenders) (i) the consolidated balance sheet of the Company as of December 31, 2021 and December 31, 2022, and related combined statements of operations, comprehensive income, changes in equity and cash flows of the Company for each of the three years year ended December 31, 2022, in each case, audited by and accompanied by the opinion of PricewaterhouseCoopers, LLP, independent registered public accounting firm, (ii) an unaudited condensed combined balance sheet of the Company as of June 30, 2023, and condensed combined statements of operations, comprehensive income, changes in equity and cash flows of the Company for the three and six months ended June 30, 2023 and June 30, 2022, certified by its president, treasure, and (iii) unaudited pro forma combined statements of operations for the six months ended June 30, 2023 and the year ended December 31, 2022 and an unaudited pro forma combined balance sheet as of June 30, 2023. ARTICLE VIII

The Administrative Agent

SECTION 8.01. Appointment and Authority. (a) Each of the Lenders, the L/C Issuers and the other Secured Parties hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the Lenders and the L/C Issuers, and neither the Company nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions other than as set forth in Sections 8.06 and 8.10. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders and the L/C Issuer hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and the L/C Issuer for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent"

and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article VIII and Article IX (including Section 9.03(c), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.02. Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind banking, trust, financial, advisory, underwriting or other of business with any Loan Party or any Restricted Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or to provide notice or consent of the Lenders with respect thereto.

SECTION 8.03. Exculpatory Provisions. The Administrative Agent or the Arrangers, as applicable, shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent or the Arrangers, as applicable, and their respective Related Parties:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(c) shall not have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender or any L/C Issuer, any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates, that is communicated to, obtained or in the possession of, the Administrative Agent, Arrangers or any of their Related Parties in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent herein;

(d) shall not be liable for any action taken or not taken by the Administrative Agent under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby or thereby (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.02 and Article VII) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Company, a Lender or an L/C Issuer;

(e) shall not be responsible for or have any duty or obligation to any Lender or participant or any other Person to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent; and

(f) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders and shall not be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

SECTION 8.04. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article VIII shall apply to any such sub agent and to the Related Parties of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.06. Resignation of Administrative Agent. (a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Company. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Company (which shall not be unreasonably withheld), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the L/C Issuers, appoint a successor Administrative Agent meeting the qualifications set forth above, provided that in no event shall any such successor Administrative Agent be a Defaulting Lender, a Disqualified Lender or an Affiliate of a Defaulting Lender or a Disqualified Lender. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Company and such Person remove such Person as Administrative Agent and, with the consent of the Company (with shall not be unreasonably withheld), appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent

hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 2.19(f) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 8.06). The fees payable by the Company to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article VIII and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Administrative Agent was acting as Administrative Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity hereunder or under the other Loan Documents, including in respect of any actions taken in connection with transferring the agency to any successor Administrative Agent.

(d) Any resignation by Bank of America as Administrative Agent pursuant to this Section 8.06 shall also constitute its resignation as an L/C Issuer. If Bank of America resigns as an L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the Closing Date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto, including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c). Upon the appointment by the Company of a successor L/C Issuer hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender, a Disqualified Lender or an Affiliate of a Defaulting Lender or a Disqualified Lender), (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, (b) the retiring L/C Issuer shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

SECTION 8.07. Non-Reliance on the Administrative Agent, the Arrangers and the other Lenders. Each Lender and each L/C Issuer expressly acknowledges that none of the Administrative Agent nor any Arranger has made any representation or warranty to it, and that no act by the Administrative Agent or any Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party of any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent or such Arranger to any Lender or each L/C Issuer as to any matter, including whether the Administrative Agent or the Arrangers have disclosed material information in their (or their Related Parties') possession. Each Lender and each L/C Issuer represents to the Administrative Agent and the Arrangers that it has, independently and without reliance upon the Administrative Agent, the Arrangers, any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and

investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Restricted Subsidiaries, and all applicable bank or other regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers hereunder. Each Lender and each L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Arrangers, any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Each Lender and each L/C Issuer represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or L/C Issuer for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or L/C Issuer, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each L/C Issuer agrees not to assert a claim in contravention of the foregoing. Each Lender and each L/C Issuer represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such L/C Issuer, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

SECTION 8.08. No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Joint Bookrunners, Arrangers, Co-Syndication Agents or Co-Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or an L/C Issuer hereunder.

SECTION 8.09. Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on any Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Administrative Agent under Sections 2.03(i) and (j), 2.10 and 9.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each L/C Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.10 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender any L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or any L/C Issuer in any such proceeding.

SECTION 8.10. Collateral and Guaranty Matters. Without limiting the provisions of Section 8.09, each of the Lenders and the L/C Issuers irrevocably authorizes and instructs (and by entering into a hedge agreement with respect to any Secured Hedge Obligations, by entering into documentation in connection with any Secured Cash Management Obligations, and/or by entering into documentation in connection with any Secured Performance Support Obligations, each of the other Secured Parties hereby authorizes and shall be deemed to authorize) the Administrative Agent, at the request of the Company:

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon the occurrence of the Termination Date, (ii) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Loan Document to a Person that is not a Loan Party, (iii) that constitutes "Excluded Assets" (as such term is defined in the Collateral Agreement) or (iv) if approved, authorized or ratified in writing in accordance with Section 9.02;

(b) to release any Guarantor Loan Party from its obligations under the Security Documents to which such Guarantor Loan Party is a party (i) if such Person ceases to be a Restricted Subsidiary as a result of a transaction permitted under the Loan Documents (or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions or any event or other circumstance permitted hereunder); provided that a Guarantor Loan Party that would become an Excluded Subsidiary solely on the basis of clause (a) of the definition thereof shall not be an Excluded Subsidiary and shall not be released from its obligations under the Security Documents unless the transaction effecting such release is otherwise permitted under this Agreement and has a bona fide business purpose (and the primary purpose thereof is not the release of such Guarantor Loan Party from its obligations under the Security Documents), and (ii) upon the occurrence of the Termination Date; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.01(a)(v).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor Loan Party from its obligations under the Guarantee pursuant to this Section 8.10. In each case as specified in this Section 8.10, the Administrative Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Subsidiary Loan Party from its obligations under the Collateral Agreement, in each case in accordance with the terms of the Loan Documents and this Section 8.10.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Each Secured Party hereby (a) acknowledges that it has received a copy of the Intercreditor Agreement and consents to the subordination of the Liens on the Collateral securing the Obligations on the terms set forth in the Intercreditor Agreement, (b) agrees that it will be bound by, and will not take any action contrary to, the provisions of the Intercreditor Agreement, any other Acceptable Intercreditor Agreement or any Additional Agreement and (c) authorizes and instructs the Administrative Agent to enter into the Intercreditor Agreement or any Additional Agreement (including any Acceptable Intercreditor Agreement) and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

No holder of any Secured Hedge Obligation, any Secured Cash Management Obligations, and/or any Secured Performance Support Obligations, in each case, in its respective capacity as such, shall have any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under this Agreement.

SECTION 8.11. Certain ERISA Matters. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the institutions named as Joint Lead Arrangers, Joint Bookrunners, Co-Syndication Agents and Co-Documentation Agents on the cover page hereof and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Company or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to such Lender or (2) such Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the institutions named as Joint Lead Arrangers, Joint Bookrunners, Syndication Agent and Documentation Agents on the cover page hereof and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Company or any other Loan Party, that none of the Administrative Agent or any of the institutions named as Joint Lead Arrangers, Joint Bookrunners, Co-Syndication Agents and Co-Documents Agents on the cover page hereof or their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by any Person under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 8.12. Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender Recipient Party, whether or not in respect of an Obligation due and owing by any Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Lender Recipient Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Lender Recipient Party in Same Day Funds in the currency so received, with interest thereon, for

each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Lender Recipient Party irrevocably waives any and all defenses, including any “discharge for value” (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Lender Recipient Party promptly upon determining that any payment made to such Lender Recipient Party comprised, in whole or in part, a Rescindable Amount.

ARTICLE IX

SECTION 9.01. Notices. (a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in clause (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Company or any other Loan Party, the Administrative Agent or any L/C Issuer, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 9.01; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Company).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in clause (b) below, shall be effective as provided in such clause (b).

(b) Electronic Communications. Notices and other communications to the Administrative Agent, the Lenders and the L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail, FpML messaging, and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any L/C Issuer pursuant to Article II if such Lender or such L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article II by electronic communication. The Administrative Agent, any L/C Issuer or the Company may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to any Borrower, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Company's, any Loan Party's or the Administrative Agent's transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging service, or through the Internet.

(d) Change of Address, Etc. Any party hereto may change its address, e-mail or fax number for notices and other communications hereunder by written notice to the other parties hereto.

(e) Reliance by Administrative Agent, L/C Issuers and Lenders. The Administrative Agent, the L/C Issuers and the Lenders shall be entitled to rely and act upon any notices (including telephonic or electronic notices, Loan Notices, Letter of Credit Applications and any notice of prepayment) purportedly given by or on behalf of any Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Loan Parties shall indemnify the Administrative Agent, each L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of any Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any L/C Issuer or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the L/C Issuers and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement, the making of a Loan or the issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any L/C Issuer may have had notice or knowledge of such Default at the time.

(b) Except as provided in Sections 2.09, 2.22, 2.23 and 2.25 and in the Collateral Agreement, none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Company, the Administrative Agent and the Required Lenders and, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that (i) (A) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Company and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency so long as, in each case, the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment and (B) the Administrative Agent and the Company may amend, restate, amend and restate or otherwise modify any Acceptable Intercreditor Agreement and (ii) no such agreement shall (A) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent or the waiver of any Default, Event of Default or mandatory prepayment shall not constitute an increase of any commitment), (B) reduce the principal amount of any Loan or L/C Disbursement or reduce the rate of interest thereon (other than as a result of (x) any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.08(b), (y) any amendment of any financial covenant herein (or any component definition) or (z) any extension of the date on which financial statements under Section 5.01(a) or 5.01(b) or a Compliance Certificate is required to be delivered, it being understood that a waiver of a Default or any such amendment or extension shall not constitute a reduction of interest for this purpose), or reduce any fees payable hereunder, without the written consent of each Lender affected thereby, (C) postpone the scheduled maturity date of any Loan, or the date of any scheduled payment of the principal amount of any Term Loan under

Section 2.07, or the required date of reimbursement of any L/C Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby, (D) except as provided in Sections 2.22 or 2.23, change Section 2.14 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender, (E) except pursuant to an Incremental Facility Agreement or a permitted amendment to reflect a new Class of Loans or Commitments hereunder, change any of the provisions of this Section or the percentage set forth in the definition of the term "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be); provided that, with the consent of the Required Lenders or the Majority in Interest of a Class of Lenders, as the case may be, the provisions of this Section and the definition of the term "Required Lenders" or "Majority in Interest" may be amended to include references to any new class of loans created under this Agreement (or to lenders extending such loans) on substantially the same basis as the corresponding references relating to the existing Classes of Loans or Lenders, (F) release Guarantees constituting all or substantially all the value of the Guarantees under the Collateral Agreement, or limit the liability of Loan Parties in respect of Guarantees constituting such value, or limit its liability in respect thereof, in each case without the written consent of each Lender, (G) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (except as expressly provided in Section 9.13 or the applicable Security Document (including any such release by the Administrative Agent in connection with any sale or other disposition of the Collateral upon the exercise of remedies under the Security Documents), it being understood that an amendment or other modification of the type of obligations secured by the Security Documents shall not be deemed to be a release of the Collateral from the Liens of the Security Documents), (H) subordinate the Obligations under this Agreement or any other Loan Document to any other Indebtedness or subordinate the Liens on all or substantially all of the Collateral securing the Obligations to any Lien on such Collateral securing any other Indebtedness, in each case, without the prior written consent of each Lender, except (i) any Indebtedness that is expressly permitted by the Loan Documents as in effect on the Effective Date to be senior to the Loans and/or to be secured by a Lien that is senior to the Lien securing the Loans (including Liens on ATM Financing Program Assets permitted under Sections 6.02(a)(xxii)), (ii) any Liens on accounts receivables which are covered under an asset-based loan facility, factoring, securitization or other similar facility the incurrence of which is approved by the Required Lenders, (iii) any "debtor-in-possession" facility or (iv) any other Indebtedness, in each case, so long as each Lender has the same bona fide opportunity to provide its pro rata portion of such Indebtedness on terms and with economics that equal those provided to all other Lenders (including with respect to any fees payable in connection with such Indebtedness) and (I) change any provisions of any Loan Document in a manner that by its terms adversely affects the rights in respect of Collateral or payments due to Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of Lenders representing a Majority in Interest of each affected Class; provided, further, that (1) no such agreement shall amend, modify, extend or otherwise affect the rights or obligations of the Administrative Agent or any L/C Issuer without the prior written consent of the Administrative Agent or such L/C Issuer, as the case may be, (2) any amendment, waiver or other modification of

this Agreement that by its terms affects the rights or duties under this Agreement of the Lenders of a particular Class (but not the Lenders of any other Class), may be effected by an agreement or agreements in writing entered into by the Company and the requisite number or percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time, (3) any amendment, waiver or other modification of Section 4.02 or Section 4.03 with respect to the funding of the Term A Loans shall only require the consent of a Majority in Interest of the Term A Lenders and (4) any amendment, waiver or other modification of Section 4.02 or Section 4.03 with respect to the funding of any Revolving Loan shall only require the consent of a Majority in Interest of the Revolving Credit Lenders. Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement or any other Loan Document shall be required of (x) any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (A), (B), (C) or (D) of the first proviso of this clause (b) and then only in the event such Defaulting Lender shall be affected by such amendment, waiver or other modification or (y) in the case of any vote requiring the approval of all Lenders or each affected Lender, any Lender that receives payment in full of the principal of and interest accrued on each Loan made by, and all other amounts owing to, such Lender or accrued for the account of such Lender under this Agreement and the other Loan Documents at the time such amendment, waiver or other modification becomes effective and whose Commitments terminate by the terms and upon the effectiveness of such amendment, waiver or other modification. Notwithstanding anything herein to the contrary, the Administrative Agent and the Company may, without the consent of any Secured Party or any other Person, amend this Agreement, the Collateral Agreement and any other Security Document to add provisions with respect to "parallel debt" and other non-U.S. guarantee and collateral matters, including any authorizations, collateral trust arrangements or other granting of powers by the Lenders and the other Secured Parties in favor of the Administrative Agent, in each case if such amendment is necessary or desirable to create or perfect, or preserve the validity, legality, enforceability and perfection of, the Guarantees and Liens contemplated to be created pursuant to this Agreement (with the Company hereby agreeing to provide its agreement to any such amendment to this Agreement, the Collateral Agreement or any other Security Document reasonably requested by the Administrative Agent).

(c) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Company, the Required Lenders, the Administrative Agent and each lender providing any additional Revolving Commitment or term loan (A) to increase the Aggregate Revolving Credit Commitments of the Lenders, (B) to add one or more additional tranches of term loans to this Agreement and to provide for the ratable sharing of the benefits of the Loan Documents with the other then outstanding Obligations in respect of the extensions of credit from time to time outstanding under any such additional tranche of term loans and (C) to include appropriately the lenders under any such additional tranche of term loans in any determination of Required Lenders or the determination of the requisite Lenders under any other provision of this Agreement.

(d) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, waivers or other modifications on behalf of such Lender. Any amendment, waiver or other modification effected in accordance with this Section 9.02 shall be binding upon each Person that is at the time thereof a Lender and each Person that subsequently becomes a Lender.

(e) Notwithstanding anything to the contrary herein, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Credit Lender) that, as a result of its interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to the Loans and/or Commitments (each, a "Net Short Lender") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders (in each case unless otherwise agreed to by the Company). For purposes of determining whether a Lender has a "net short position" on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii) notional amounts in other currencies shall be converted to the Dollar Equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes the Company or any other Loan Party or any instrument issued or guaranteed by the Company or any other Loan Party shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Company or any other Loan Party and any instrument issued or guaranteed by the Company or any other Loan Party, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit, if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) any of the Company or any other Loan Party (or any of their successors) is designated as a "Reference Entity" under the terms of such derivative transactions, and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender protection in respect of the Loans or the Commitments, or as to the credit quality of any of the Company or any other Loan Party (or any of their successors) other than, in each case, as part of an index so long as (x) such index is not

created, designed, administered or requested by such Lender and (y) the Company or any other Loan Party and any instrument issued or guaranteed by any of the Company or any other Loan Party, collectively, shall represent less than 5% of the components of such index. In connection with any such determination, each Lender (other than (x) any Lender that is a Regulated Bank and (y) any Revolving Credit Lender) shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Company and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Company and the Administrative Agent shall be entitled to rely on each such representation and deemed representation). In no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is a Net Short Lender.

SECTION 9.03. Expenses; Indemnity; Damage Waiver. (a) The Company shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Arrangers and their Affiliates, including expenses incurred in connection with due diligence and the reasonable fees, charges and disbursements of Cravath, Swaine & Moore LLP, local counsel in any foreign jurisdiction, and any other counsel for any of the foregoing retained with the Company's consent (such consent not to be unreasonably withheld, conditioned or delayed), in connection with the structuring, arrangement and syndication of the credit facilities provided for herein and any credit or similar facility refinancing or replacing, in whole or in part, any of the credit facilities provided for herein, including the preparation, execution and delivery of the Engagement Letter and the Fee Letters, as well as the preparation, execution, delivery and administration of this Agreement, the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by any L/C Issuer in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket expenses incurred by the Administrative Agent, any L/C Issuer or any Lender, including the fees, charges and disbursements of any counsel for any of the foregoing, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Company shall indemnify the Administrative Agent (and any sub-agent thereof), the Arrangers, each Lender and L/C Issuer (each such Person, an "Indemnified Institution"), and each Related Party of any of the foregoing Persons (each Indemnified Institution and each such Person being called an "Indemnitee"), against, and hold each Indemnitee harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the reasonable and documented or invoiced out-of-pocket fees, charges and disbursements of any counsel for any Indemnitee (including reasonable fees, disbursements and other charges of one counsel for all Indemnitees, taken as a whole, and, if necessary, one firm of local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all Indemnitees taken as a whole (and, in the case of an actual or perceived conflict of interest, where an Indemnified Institution affected by such conflict informs the Company of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnified Institution)), incurred by or asserted against any Indemnitee arising out

of or relating to, based upon, or as a result of (i) the structuring, arrangement and the syndication of the credit facilities provided for herein, the preparation, execution, delivery and administration of the Engagement Letter, the Fee Letters, this Agreement, the other Loan Documents or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to the Engagement Letter, the Fee Letters, this Agreement or the other Loan Documents of their obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on, at, under or from any property currently or formerly owned, leased or operated by the Company or any of its Subsidiaries, or any Environmental Liability related in any way to the Company or any of its Subsidiaries or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and whether initiated against or by any party to the Engagement Letter, any Fee Letter, this Agreement or any other Loan Document, any Affiliate of any of the foregoing or any third party (and regardless of whether any Indemnitee is a party thereto and regardless of whether such claim, litigation or proceeding is brought by a third party or by the Company or any of the Subsidiaries); provided that such indemnity shall not, (x) as to any Indemnified Institution, be available to the extent that such losses, claims, damages, liabilities or related expenses resulted from (i) the bad faith, gross negligence or willful misconduct of, or material breach of this Agreement by, such Indemnified Institution or any of its Related Parties (as determined by a court of competent jurisdiction in a final and non-appealable decision) or (y) as to any other Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses resulted from the bad faith, gross negligence or willful misconduct of, or a material breach of this agreement by, such Indemnitee (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(c) To the extent that the Company fails to pay any amount required to be paid by it under paragraph (a) or (b) of this Section 9.03 to the Administrative Agent (or any sub-agent thereof), any L/C Issuer or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such L/C Issuer or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or such sub-agent) or such L/C Issuer in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent) or any L/C Issuer in connection with such capacity. For purposes of this Section, a Lender's "pro rata share" shall be determined based upon its share of the Total Revolving Credit Outstandings, outstanding Term Loans and unused Commitments at the time (or most recently outstanding and in effect).

(d) To the extent permitted by applicable law, the Company shall not assert, or permit any of its Affiliates or Related Parties to assert, and each hereby waives, any claim against any Indemnitee for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems

(including the Internet) in the absence of willful misconduct, bad faith or gross negligence (as determined by a court of competent jurisdiction in a final, non-appealable decision). To the extent permitted by applicable law, no party hereto shall assert, or permit any of its Affiliates or Related Parties to assert, and each hereby waives, any claim against any Indemnitee or any other party hereto or its Affiliates on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided, however, that nothing contained in this sentence will limit the indemnity and reimbursement obligations of the Company set forth in this Section.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any L/C Issuer that issues any Letter of Credit), except that (i) no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by any Borrower without such consent shall be null and void) (it being understood that a merger, consolidation, amalgamation, reorganization, recapitalization or other similar transaction not otherwise prohibited hereunder shall not constitute an assignment or transfer by a Borrower) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any L/C Issuer that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section 9.04), the Arrangers and, to the extent expressly contemplated hereby, the sub-agents of the Administrative Agent and the Related Parties of any of the Administrative Agent, any Arranger, any L/C Issuer and any Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Notwithstanding anything to the contrary contained herein, neither any Borrower nor any Affiliate of any Borrower may acquire by assignment, participation or otherwise any right to or interest in any of the Commitments or Term Loans hereunder (and any such attempted acquisition shall be null and void). Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Company; provided that no consent of the Company shall be required (1) for an assignment of Term Loans to a Lender, an Affiliate of a Lender or an Approved Fund, (2) for an assignment of Revolving Commitments and associated Revolving Loans to a Revolving Credit Lender or an Affiliate of a Revolving Credit Lender (other than an Approved Fund) or (3) if an Event of Default has occurred and is continuing, for any other assignment; provided, further,

that the Company shall be deemed to have consented to any such assignment of Term Loans (other than any such assignment to a Disqualified Lender or an Affiliate thereof referred to in the last proviso of clause (b)(ii)(F) of this Section 9.04 and identified to the Administrative Agent as such prior to the delivery of written notice of such proposed assignment) unless it shall object thereto by written notice to the Administrative Agent within ten Business Days (or, in the case of any assignment of Term B Loans, five Business Days) after the Company has received written notice thereof;

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) each L/C Issuer with outstanding Letters of Credit in excess of \$3,000,000, in the case of any assignment of all or a portion of a Revolving Commitment or any Lender's obligations in respect of its L/C Obligations.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$1,000,000, in the case of assignments of Term B Loans or Term B Commitments, and \$5,000,000, in the case of assignments of Revolving Loans, Revolving Commitments, Term A Loans or Term A Commitments, in each case unless each of the Company and the Administrative Agent otherwise consents; provided that no such consent of the Company shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans but not those in respect of a second Class;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with, unless waived by the Administrative Agent, a processing and recordation fee of \$3,500; provided that only one such processing and recordation fee shall be payable in the event of simultaneous assignments from any Lender or its Approved Funds to one or more other Approved Funds of such Lender (and if a Loan Party is required to be a party to such assignment it shall not (except in the case of an assignment pursuant to Section 2.15(b)) be required to pay such fee);

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain MNPI) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including Federal, State and foreign securities laws;

(E) at the time of each assignment pursuant to this Section 9.04(b), the respective assignee shall provide to the relevant Loan Party and the Administrative Agent the appropriate forms and certificates as provided, and cooperate with the relevant Loan Party as required, under Section 2.19; and

(F) the assignee shall not be a natural person or a Disqualified Lender (and such assignee shall be required to represent that it is not a Disqualified Lender or an Affiliate of a Disqualified Lender that would constitute a Disqualified Lender but for the fact that it is not readily identifiable as such on the basis of its name); provided that whether a prospective assignee is a Disqualified Lender may be communicated to a Lender upon request; provided, further, that it is agreed that the Borrower may withhold its consent to an assignment to any person that is known by it to be an Affiliate of a Disqualified Lender (regardless of whether it is readily identifiable as an Affiliate by virtue of its name (other than, in the case of Disqualified Lenders under clause (b) of the definition thereof, such Affiliates that are Bona Fide Debt Funds)).

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(v) of this Section 9.04, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.17, 2.18, 2.19, 2.22 and 9.03).

(iv) The Administrative Agent shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and records of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and L/C Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent, the L/C Issuers and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and, as to entries pertaining to it, any L/C Issuer or Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon receipt by the Administrative Agent of an Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder) and the processing and recordation fee referred to in this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that the Administrative Agent shall not be required to accept such Assignment and Assumption or so record the information contained therein if the Administrative Agent reasonably believes that such Assignment and Assumption lacks any written consent required by this Section or is otherwise not in proper form, it being acknowledged that the Administrative Agent shall have no duty or obligation (and shall incur no liability) with respect to obtaining (or confirming the receipt) of any such written consent or with respect to the form of (or any defect in) such Assignment and Assumption, any such duty and obligation being solely with the assigning Lender and the assignee. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph, and following such recording, unless otherwise determined by the Administrative Agent (such determination to be made in the sole discretion of the Administrative Agent, which determination may be conditioned on the consent of the assigning Lender and the assignee), shall be effective notwithstanding any defect in the Assignment and Assumption relating thereto. Each assigning Lender and the assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the Administrative Agent that all written consents required by this Section with respect thereto (other than the consent of the Administrative Agent) have been obtained and that such Assignment and Assumption is otherwise duly completed and in proper form, and each assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the assigning Lender and the Administrative Agent that such assignee is an Eligible Assignee.

(vi) Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04(b), whether or not such assignment or transfer is reflected in the Register, shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 9.04.

(c) (i) Any Lender may, without the consent of any Borrower, the Administrative Agent or any L/C Issuer, sell participations to one or more Eligible Assignees ("Participants") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and Loans of any Class); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the L/C Issuers and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve

any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.17, 2.18, 2.19 and 2.22 (subject to the requirements and limitations therein, including the requirements under Sections 2.19(f), (g) and (h) (it being understood that the documentation required under Sections 2.19(f), (g) and (h) shall be delivered to the participating Lender and the participating Lender shall ensure that the terms of the participation require the Participant to cooperate as required under Section 2.19(g) and (h))) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04; provided that such Participant (x) agrees to be subject to the provisions of Sections 2.13 and 2.15 as if it were an assignee under paragraph (b) of this Section 9.04 and (y) shall not be entitled to receive any greater payment under Section 2.17, 2.19 or 2.22, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Company's request and expense, to use reasonable efforts to cooperate with the Company to effectuate the provisions of Section 2.15(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.14 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a nonfiduciary agent of each applicable Borrower, maintain a register on which it enters the name and address of each Participant to which it has sold a participation and the principal amounts (and stated interest) of each such Participant's interest in the Loans or other rights and obligations of such Lender under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Loans or other rights and obligations under any this Agreement) except to the extent that such disclosure is necessary to establish that such Loan or other right or obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to any Disqualified Lender, Defaulting Lender or any natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Arranger, any L/C Issuer or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any L/C Obligations is outstanding and so long as the Commitments have not expired or terminated. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement or any other Loan Document, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an L/C Issuer shall have provided to the Administrative Agent a written consent to the release of the Revolving Credit Lenders from their obligations hereunder with respect to any Letter of Credit issued by such L/C Issuer (whether as a result of the obligations of the applicable Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such L/C Issuer, or being supported by a letter of credit that names such L/C Issuer as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Credit Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.03(e) or 2.03(f). The provisions of Sections 2.13, 2.17, 2.18, 2.19, 2.22 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the occurrence of the Termination Date or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Signatures. (a) This Agreement, any Loan Document and any other Communication, including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties and each of the Administrative Agent and each Lender Party agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Lenders and L/C Issuers may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything

contained herein to the contrary, neither the Administrative Agent nor any L/C Issuer is under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by such Person pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent and/or any L/C Issuer has agreed to accept such Electronic Signature, the Administrative Agent and each of the Lenders and L/C Issuers shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party and/or any Lender or L/C Issuer (as applicable) without further verification and (b) upon the request of the Administrative Agent or any Lender Party, any Electronic Signature shall be promptly followed by such manually executed counterpart.

(b) Neither the Administrative Agent nor L/C Issuer shall be responsible for or have any duty to ascertain or inquire into the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent's or L/C Issuer's reliance on any Electronic Signature transmitted by telecopy, emailed .pdf or any other electronic means). The Administrative Agent and L/C Issuers shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any Communication (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution or signed using an Electronic Signature) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

(c) Each of the Loan Parties and each Lender and L/C Issuer hereby waives (i) any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document based solely on the lack of paper original copies of this Agreement, such other Loan Document, and (ii) waives any claim against the Administrative Agent, each Lender and L/C Issuer and their respective Related Parties for any liabilities arising solely from the Administrative Agent's, any Lender's and/or any L/C Issuer's reliance on or use of Electronic Signatures, including any liabilities arising as a result of the failure of the Loan Parties to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and L/C Issuer, and each Affiliate of any of the foregoing, is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency and whether or not matured) or other amounts at any time held and other obligations (in whatever currency) at any time owing by such Lender or L/C Issuer, or by such an Affiliate, to or for the credit or the account of any Borrower against any of and all the obligations then due of such Borrower now or hereafter existing under this Agreement held by such Lender or

L/C Issuer, irrespective of whether or not such Lender or L/C Issuer shall have made any demand under this Agreement; provided that such setoff against obligations under this Agreement shall not apply in the case of amounts owed under any Receivables subject to a Permitted Receivables Facility by a Lender, L/C Issuer, or any of its Affiliates. The rights of each Lender and L/C Issuer, and each Affiliate of any of the foregoing, under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, L/C Issuer or Affiliate may have.

SECTION 9.09. GOVERNING LAW; JURISDICTION ETC. (a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE COMPANY AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE ADMINISTRATIVE AGENT, ANY LENDER, ANY L/C ISSUER, OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE COMPANY OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. THE COMPANY AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING

ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN CLAUSE (B) OF THIS SECTION 9.09. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

(e) Service of Process. (i) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(i) Each Foreign Borrower hereby irrevocably designates and appoints CT Corporation System, National Corporate Research, Ltd., Corporation Services Company, Capitol Services, Inc. or another nationally recognized service firm as its authorized agent, to accept and acknowledge on its behalf, service of any and all process which may be served in any suit, action or proceeding of the nature referred to in paragraph (b) of this Section 9.09 in any Federal or New York State court sitting in the County of New York. Each Foreign Borrower represents and warrants that such agent has agreed in writing to accept such appointment and that a true copy of such designation and acceptance has been delivered to the Administrative Agent. If such agent shall cease so to act, each Foreign Borrower covenants and agrees to designate irrevocably and appoint without delay another such agent satisfactory to the Administrative Agent and to deliver promptly to the Administrative Agent evidence in writing of such other agent's acceptance of such appointment.

SECTION 9.10. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.11. Confidentiality. Each of the Administrative Agent, the Arrangers, the Lenders and the L/C Issuers agrees to maintain the confidentiality of, and not disclose, the Information (as defined below), except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors, it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, (b) to the extent requested by any governmental or regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable law or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section 9.11 and in accordance with the standard processes of the Administrative Agent, the Arrangers or any Lender, as applicable, or customary market standards for the dissemination of such type of information (which shall be deemed to include those required to be made in order to obtain access to information posted on IntraLinks, SyndTrak, DebtDomain or any similar website), in each case, that requires “click through” or other affirmative consent and acknowledgement to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (in each case, that is an Eligible Assignee) or (ii) any direct, indirect, actual or prospective counterparty (or its Related Parties) to any swap, derivative, securitization or other transaction under which payments are made by reference to the Company or any Restricted Subsidiary and its obligations, this Agreement or payments hereunder, (g) with the consent of the Company, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 9.11 or as a result of any improper disclosure by the Administrative Agent, any Arranger or any Lender or any of their respective Affiliates or their and their Affiliates’ respective Related Parties or (ii) becomes available to the Administrative Agent, any Arranger, any Lender, any L/C Issuer or any Affiliate of any of the foregoing on a non-confidential basis from a source other than the Company and that is not known by the Administrative Agent, any Arranger, any Lender or any Affiliate of any of the foregoing to have provided, and that none of the Administrative Agent, Arrangers, Lenders or any of the Affiliates of the foregoing has reasonable grounds to believe that such source has provided, such Information in a breach of any confidentiality obligation to the Borrower. For purposes of this Section 9.11, “Information” means all information received from the Company relating to the Company or any Subsidiary or their businesses, other than (A) any such information that is available to the Administrative Agent, any Arranger, any Lender, any L/C Issuer or any Affiliate of any of the foregoing on a non-confidential basis prior to disclosure by the Company and (B) information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Company after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. In no event shall any disclosure of any Information be made to a Person that is a Disqualified Lender or an Affiliate thereof that is clearly identifiable on the basis of such Affiliate’s name (other than a Bona Fide Debt Fund), in each case at the time of disclosure.

SECTION 9.12. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate, and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section 9.12 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.13. Release of Liens and Guarantees. (a) A Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Subsidiary Loan Party shall be automatically released, (i) upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary, and (ii) upon the occurrence of the Termination Date; provided that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. Upon any sale or other transfer by any Loan Party (other than to the Company or any Domestic Subsidiary that is not a CFC Holdco) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents shall be automatically released.

(b) In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party’s expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent.

(c) The Administrative Agent shall be deemed to have automatically released any Lien on any property granted to or held by it under the Collateral Agreement or any other Loan Document that is sold or distributed or to be sold or distributed as part of or in connection with any sale permitted hereunder and under each other Loan Document. The Administrative Agent shall, at the expense of the applicable Loan Party, execute and deliver to such Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of collateral from the assignment and security interest granted under the Collateral Agreement or other Loan Document.

SECTION 9.14. Certain Notices. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation.

SECTION 9.15. No Fiduciary Relationship. The Company, on behalf of itself and its Subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Company, the Subsidiaries and their Affiliates, on the one hand, and the Administrative Agent, the Lenders, the L/C Issuers and their Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Lenders, the L/C Issuers or their Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Arrangers, the Lenders, the L/C Issuers and their Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Company and its Affiliates, and none of the Administrative Agent, the Arrangers, the Lenders, the L/C Issuers or their Affiliates has any obligation to disclose any of such interests to the Company or any of its Affiliates.

SECTION 9.16. Non-Public Information. (a) Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Company or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain MNPI. Each Lender represents to the Company and the Administrative Agent that (i) it has developed compliance procedures regarding the use of MNPI and that it will handle MNPI in accordance with such procedures and applicable law, including Federal, state and foreign securities laws, and (ii) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain MNPI in accordance with its compliance procedures and applicable law, including Federal, state and foreign securities laws.

(b) The Company, and each Lender acknowledge that, if information furnished by the Company pursuant to or in connection with this Agreement is being distributed by the Administrative Agent through the Platform, (i) the Administrative Agent may post any information that the Company has indicated as containing MNPI solely on that portion of the Platform as is designated for Private Side Lender Representatives and (ii) if the Company has not indicated whether any information furnished by it pursuant to or in connection with this Agreement contains MNPI, the Administrative Agent reserves the right to post such information solely on that portion of the Platform as is designated for Private Side Lender Representatives. The Company agrees to clearly designate all information provided to the Administrative Agent by or on behalf of the Company that is suitable to be made available to Public Side Lender Representatives, and the Administrative Agent shall be entitled to rely on any such designation by the Company without liability or responsibility for the independent verification thereof.

SECTION 9.17. Conditional Non-Petition Covenant. Each of the Administrative Agent and the Lenders agrees that in the event it or any other Secured Party acquires any Interests in any Receivables Subsidiary (as creditor or otherwise) in connection with the exercise of remedies against the Collateral or otherwise in connection with the enforcement, collection or payment of the Obligations hereunder or under any Security Document, it shall not (including by acting on behalf of any such Secured Party or the Secured Parties generally), until

one year and one day after the Third Party Interests of such Receivables Subsidiary have been satisfied in full, institute against such Receivables Subsidiary, or join in any institution against such Receivables Subsidiary of, any bankruptcy, reorganization, arrangement, insolvency, receivership, winding-up or liquidation proceedings or any similar proceedings under any bankruptcy or insolvency laws of any jurisdiction; provided that the foregoing shall not limit the rights of the Administrative Agent or any Lender to file any claim in or otherwise take any action with respect to any such proceeding that was instituted by another Person that is not one of its Affiliates against a Receivables Subsidiary. The foregoing agreement shall survive any termination of this Agreement.

SECTION 9.18. Acknowledgement and Consent to Bail-In. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Judgment Currency. (a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in dollars into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction dollars could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of each party hereto in respect of any sum due to any other party hereto or any holder of the obligations owing hereunder (the "Applicable Creditor") shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than the currency in which such sum is stated to be due hereunder (the "Agreement Currency"), be discharged only to

the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, such party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such deficiency. The obligations of the parties contained in this Section shall survive the termination of this Agreement and the occurrence of the Termination Date.

SECTION 9.20. Intercreditor Agreements; Conflicts. (a) Intercreditor Agreements. REFERENCE IS MADE TO ANY ACCEPTABLE INTERCREDITOR AGREEMENT. EACH LENDER HEREUNDER AGREES THAT IT WILL BE BOUND BY AND WILL TAKE NO ACTIONS CONTRARY TO THE PROVISIONS OF ANY ACCEPTABLE INTERCREDITOR AGREEMENT AND AUTHORIZES AND INSTRUCTS THE ADMINISTRATIVE AGENT TO ENTER INTO EACH ACCEPTABLE INTERCREDITOR AGREEMENT AS “SENIOR CREDIT FACILITIES COLLATERAL AGENT” (OR OTHER APPLICABLE TITLE) ON BEHALF OF SUCH LENDER. THE PROVISIONS OF THIS SECTION 9.20 ARE NOT INTENDED TO SUMMARIZE ALL RELEVANT PROVISIONS OF ANY ACCEPTABLE INTERCREDITOR AGREEMENT. REFERENCE MUST BE MADE TO EACH ACCEPTABLE INTERCREDITOR AGREEMENT ITSELF TO UNDERSTAND ALL TERMS AND CONDITIONS THEREOF. EACH LENDER IS RESPONSIBLE FOR MAKING ITS OWN ANALYSIS AND REVIEW OF EACH ACCEPTABLE INTERCREDITOR AGREEMENT AND THE TERMS AND PROVISIONS THEREOF, AND NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS AFFILIATES MAKES ANY REPRESENTATION TO ANY LENDER AS TO THE SUFFICIENCY OR ADVISABILITY OF THE PROVISIONS CONTAINED IN EACH ACCEPTABLE INTERCREDITOR AGREEMENT.

(b) Conflicts. Notwithstanding anything to the contrary contained herein or in any other Loan Document, in the event of any conflict or inconsistency between this Agreement and any other Loan Document, the terms of this Agreement shall govern and control; provided that in the case of any conflict or inconsistency between any Acceptable Intercreditor Agreement and any Loan Document, the terms of such Acceptable Intercreditor Agreement shall govern and control.

SECTION 9.21. Acknowledgment Regarding Any Supported QFCs. (a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States).

(b) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, default rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such default rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
