Item 1.01. Entry in to a Material Definitive Agreement.

On April 6, 2021, NCR Corporation, a Maryland corporation (the “Company”), closed the previously announced offerings by the Company of \$1.1 billion aggregate principal amount of 5.125% senior notes due 2029 (the “Initial Notes”) and \$100 million aggregate principal amount of 5.125% senior notes due 2029 (the “Additional Notes”) and, together with the Initial Notes, the “Notes”) to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A, and outside of the United States pursuant to Regulation S, under the Securities Act of 1933, as amended (the “Securities Act”). The Notes were issued pursuant to an indenture (the “Indenture”), dated as of April 6, 2021, among the Company, the Subsidiary Guarantor (as defined below) and U.S. Bank National Association, as trustee.

The Company intends to use the net proceeds from the issuance of the Notes, together with borrowings under its senior secured credit facilities and its trade receivables securitization facility and/or cash on hand, to finance the consideration payable in connection with the previously announced acquisition of Cardtronics plc (the “Cardtronics Acquisition”), to repay certain indebtedness of Cardtronics plc and to pay related fees and expenses. The proceeds of the Notes will be held in escrow until satisfaction of the escrow release conditions.

If such escrow release conditions are not satisfied on or prior to the earlier of November 1, 2021 and the date on which the Company notifies the escrow agent and the trustee in writing that the Company has determined that the escrow release conditions will not be satisfied, then \$600 million of the principal amount of the Notes will be subject to a special mandatory redemption. If the Cardtronics Acquisition is not consummated, the remaining net proceeds from the issuance of the Notes (after the payment of the special mandatory redemption price) will be used for general corporate purposes.

The Notes will be senior unsecured obligations of the Company and will be guaranteed by NCR International, Inc., a Delaware corporation (the “Subsidiary Guarantor”).

Interest is payable on the Notes semi-annually in arrears at annual rates of 5.125% on April 15 and October 15 of each year, beginning on October 15, 2021. The Notes will mature on April 15, 2029.

At any time and from time to time, prior to April 15, 2024, the Company may redeem up to a maximum of 40% of the original aggregate principal amount of the Notes with the proceeds of one or more equity offerings, at a redemption price equal to 105.125% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided that: (i) at least 55% of the original aggregate principal amount of the applicable Notes remains outstanding; and (ii) such redemption occurs within 180 days of the completion of such equity offering.

Prior to April 15, 2024 the Company may redeem some or all of the Notes by paying a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus the Applicable Premium, as defined in the applicable Indenture, as of, and accrued and unpaid interest to, but excluding, the applicable redemption date (subject to the right of holders of record of the applicable Notes on the relevant record date to receive interest due on the relevant interest payment date).

On or after April 15 of the relevant year listed below, the Company may redeem some or all of the Notes at the prices listed below, plus accrued and unpaid interest, if any, to, but not including, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date): 2024 at a redemption price of 102.563%, 2025 at a redemption price of 101.281%, and 2026 and thereafter at a redemption price of 100.000%.

Upon a change of control, as defined in the applicable Indenture, the Company is required to offer to purchase all of the Notes then outstanding at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but not including, the purchase date (subject to the rights of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

The Indenture contains customary events of default, including, among other things, payment default, exchange default, failure to provide certain notices thereunder and certain provisions related to bankruptcy events. The Indenture also contains customary high yield affirmative and negative covenants, including negative covenants that, among other things, limit the Company and its restricted subsidiaries’ ability to incur additional indebtedness, create liens on, sell or otherwise dispose of assets, engage in certain fundamental corporate changes or changes to lines of business activities, make certain investments or material acquisitions, engage in sale-leaseback or hedging transactions, repurchase common stock, pay dividends or make similar distributions on capital stock, repay certain indebtedness, engage in certain affiliate transactions and enter into agreements that restrict their ability to create liens, pay dividends or make loan repayments.

The foregoing description of the Indenture does not purport to be a complete statement of the parties' rights and obligations under the Indenture and is qualified in its entirety by reference to the Indenture. The Indenture is filed hereto as Exhibit 4.1 and is incorporated herein by reference.

The Notes have not been registered under the Securities Act, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

(b) if the Company or any Restricted Subsidiary has repaid, repurchased, defeased or otherwise discharged any Indebtedness since the beginning of such period or if any Indebtedness is to be repaid, repurchased, defeased or otherwise discharged (in each case other than Indebtedness Incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced) on the date of the transaction giving rise to the need to calculate the Consolidated Coverage Ratio, EBITDA and Consolidated Interest Expense for such period shall be calculated on a pro forma basis as if such discharge had occurred on the first day of such period and as if the Company or such Restricted Subsidiary had not earned the interest income actually earned during such period in respect of cash or Temporary Cash Investments used to repay, repurchase, defease or otherwise discharge such Indebtedness;

If any Indebtedness is incurred under a revolving credit facility and is being given pro forma effect, the interest on such Indebtedness shall be calculated based on the average daily balance of such Indebtedness for the four fiscal quarters subject to the pro forma calculation to the extent that such Indebtedness was incurred solely for working capital purposes.

ARTICLE 2

The Securities

SECTION 2.01. Form and Dating. Provisions relating to the Securities are set forth in Appendix A hereto (the "Appendix"), which is hereby incorporated in and expressly made a part of this Indenture. The (a) Original Securities and the Trustee's certificate of authentication and (b) any Additional Securities (if issued as Transfer Restricted Securities) and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company or any Subsidiary Guarantor is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company). Each Security shall be dated the date of its authentication. The Securities shall be issuable only in registered form without interest coupons and only in denominations of \$2,000 and whole multiples of \$1,000 in excess thereof. The terms of the Securities set forth in the Appendix and Exhibits hereto are part of the terms of this Indenture. However, to the extent any provision of any Security conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

SECTION 2.02. Execution and Authentication. One Officer of the Company shall sign the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

On the Issue Date, the Trustee shall authenticate and deliver \$1,200,000,000 of 5.125% Senior Notes due 2029 and, at any time and from time to time thereafter, the Trustee shall authenticate and deliver Additional Securities in an aggregate principal amount specified in a Company Order. Such Company Order shall specify the amount of the Additional Securities to be authenticated and the date on which the issue of Additional Securities is to be authenticated and shall certify that such issuance is in compliance with Section 4.03. The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Responsible Officer, a copy of which shall be furnished to the Company. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.03. Registrar and Paying Agent. (a) The Company shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Securities may be presented for payment (the “Paying Agent”), in each case in the Borough of Manhattan, The City of New York. The Registrar shall keep a register of the Securities and of their transfer and exchange. The Company may have one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent, and the term “Registrar” includes any co-registrars. The Company initially appoints the Trustee as (i) Registrar and Paying Agent in connection with the Securities and (ii) the Securities Custodian with respect to the Global Securities.

(b) The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or co-registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.06. The Company or any of its domestically organized Wholly Owned Subsidiaries may act as Paying Agent, Registrar or co-registrar.

(c) The Company may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; provided, however, that no such removal shall become effective until (i) acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Company and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Company and the Trustee.

SECTION 2.04. Paying Agent to Hold Money in Trust. Prior to each due date of the principal of and interest on any Security, the Company shall deposit with the Paying Agent (or if the Company or a Wholly Owned Subsidiary is acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal and interest when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of and interest on the Securities, and shall notify the Trustee of any default by the Company in making any such payment. If the Company or a Subsidiary of the Company acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.04, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Company shall furnish, or cause the Registrar to furnish, to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.06. Transfer and Exchange. The Securities shall be issued in registered form and shall be transferable only upon the surrender of a Security for registration of transfer and in compliance with the Appendix. When a Security is presented to the Registrar or a co-registrar with a request to register a transfer, the Registrar shall register the transfer as requested if the requirements of this Indenture and Section 8-401(1) of the Uniform Commercial Code are met. When Securities are presented to the Registrar or a co-registrar with a request to exchange them for an equal principal amount of Securities of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Securities at the Registrar's or co-registrar's request. The Company may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section 2.06 (other than any such transfer taxes, assessments or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 3.06, 4.06, 4.08 and 9.04). The Company shall not be required to make and the Registrar need not register transfers or exchanges of Securities selected for redemption (except, in the case of Securities to be redeemed in part, the portion thereof not to be redeemed) or any Securities for a period of 15 days before a selection of Securities to be redeemed or 15 days before an interest payment date.

Prior to the due presentation for registration of transfer of any Security, the Company, the Subsidiary Guarantors, the Trustee, the Paying Agent, the Registrar and any co-registrar may deem and treat the Person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and (subject to Section 2 of the Securities) interest, if any, on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Company, any Subsidiary Guarantor, the Trustee, the Paying Agent, the Registrar or any co-registrar shall be affected by notice to the contrary.

Any Holder of a Global Security shall, by acceptance of such Global Security, agree that transfers of beneficial interest in such Global Security may be effected only through a book-entry system maintained by (a) the Holder of such Global Security (or its agent) or (b) any Holder of a beneficial interest in such Global Security, and that ownership of a beneficial interest in such Global Security shall be required to be reflected in a book entry.

All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

SECTION 2.07. Replacement Securities. If a mutilated Security is surrendered to the Registrar or if the Holder of a Security claims that the Security has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Security if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) satisfies the Company or the Trustee within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Company or the Trustee prior to the Security being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "protected purchaser") and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee or the Company, such Holder shall furnish an indemnity bond sufficient in the judgment of the Company and the Trustee to protect the Company, the Trustee, the Paying Agent, the Registrar and any co-registrar from any loss that any of them may suffer if a Security is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Security. In the event any such mutilated, lost, destroyed or wrongfully taken Security has become or is about to become due and payable, the Company in its discretion may pay such Security instead of issuing a new Security in replacement thereof.

Every replacement Security is an additional Obligation of the Company.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Securities.

SECTION 2.08. Outstanding Securities. Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 11.05, a Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security.

If a Security is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Security is held by a protected purchaser.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Securities (or portions thereof) to be redeemed or maturing, as the case may be, then on and after that date such Securities (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.09. Temporary Securities. In the event that Definitive Securities are to be issued under the terms of this Indenture, until such Definitive

Securities are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Securities. Temporary Securities shall be substantially in the form of Definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate Definitive Securities and deliver them in exchange for temporary Securities upon surrender of such temporary Securities at the office or agency of the Company, without charge to the Holder.

SECTION 2.10. Cancellation. The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and destroy (subject to the record retention requirements of the Exchange Act) all Securities surrendered for registration of transfer, exchange, payment or cancellation and deliver a certificate of such destruction to the Company unless the Company directs the Trustee to deliver canceled Securities to the Company pursuant to written direction by an Officer. The Company may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall not authenticate Securities in place of cancelled Securities other than pursuant to the terms of this Indenture.

SECTION 2.11. Defaulted Interest. If the Company defaults in a payment of interest on the Securities, the Company shall pay the defaulted interest (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Company may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Company shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly mail or cause to be mailed to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.12. CUSIP Numbers, ISINs, etc. The Company in issuing the Securities may use “CUSIP” numbers, ISINs and “Common Code” numbers (in each case if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly advise the Trustee in writing of any change in any “CUSIP” numbers, ISINs or “Common Code” numbers applicable to the Securities.

SECTION 2.13. Issuance of Additional Securities. After the Issue Date, the Company shall be entitled, subject to its compliance with Section 4.03, to issue Additional Securities under this Indenture, which Securities shall have identical terms as the Securities issued on the Issue Date, other than with respect to the date of issuance, issue price, original interest accrual date and original interest payment date. All the Securities issued under this Indenture shall be treated as a single class for all purposes of

this Indenture, including waivers, amendments, redemptions and offers to purchase; provided, however, that in the event that any Additional Securities are not fungible with the Securities for U.S. Federal income tax purposes, such nonfungible Additional Securities shall be issued with a separate CUSIP or ISIN number so that they are distinguishable from the Securities.

With respect to any Additional Securities, the Company shall set forth in a resolution of the Board of Directors and an Officers' Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Securities to be authenticated and delivered pursuant to this Indenture and the provision of Section 4.03 that the Company is relying on to issue such Additional Securities; and
- (b) the issue price, the issue date and the CUSIP number of such Additional Securities.

In authenticating and delivering Additional Securities, the Trustee shall be entitled to receive and shall be fully protected in relying upon, the Opinion of Counsel and Officers' Certificate required by Section 11.02.

ARTICLE 3

Redemption

SECTION 3.01. Notices to Trustee. If the Company elects to redeem Securities pursuant to Section 5 of the Securities, it shall notify the Trustee in writing of the redemption date and the principal amount of Securities to be redeemed.

The Company shall give each notice to the Trustee provided for in this Section 3.01 at least 60 days before the redemption date unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officers' Certificate and an Opinion of Counsel from the Company to the effect that such redemption shall comply with the conditions herein. Any such notice may be canceled by written notice of the Company to the Trustee at any time prior to notice of such redemption being mailed to any Holder pursuant to Section 3.03 and shall thereby be void and of no effect.

SECTION 3.02. Selection of Securities to Be Redeemed. If fewer than all the Securities are to be redeemed, the Trustee shall select the Securities to be redeemed on a pro rata basis to the extent practicable, by lot or by such other method as the Trustee in its sole discretion shall deem to be fair and appropriate, subject to the applicable procedures of DTC, unless another method is required by law or applicable exchange or depository requirements. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have denominations larger than \$2,000. Securities and portions of them the Trustee selects shall be in principal amounts of

\$2,000 or a whole multiple of \$1,000 in excess thereof, to the extent practicable. The Company shall redeem Securities in principal amounts of \$2,000 or less in whole and not in part, to the extent practicable. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption.

SECTION 3.03. Notice of Redemption. (a) At least 10 days but not more than 60 days before a date for redemption of Securities, the Company shall mail a notice of redemption by first-class mail (or delivered through the depository's requirement if the Securities are held through a depository) to each Holder of Securities to be redeemed at such Holder's registered address, except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of this Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Security redeemed in accordance with the provisions of this Indenture.

The notice shall identify the Securities to be redeemed and shall state:

(i) the redemption date;

(ii) the redemption price and the amount of accrued interest to the redemption date;

(iii) the name and address of the Paying Agent;

(iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(v) if fewer than all the outstanding Securities are to be redeemed (and if other than on a pro rata basis), the identification numbers and principal amounts (which amounts may be stated as a ratio of the amount to be redeemed per \$1,000 principal amount outstanding) of the particular Securities to be redeemed;

(vi) that, unless the Company defaults in making such redemption payment, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(vii) the "CUSIP" number, ISIN or "Common Code" number, if any, printed on the Securities being redeemed; and

(viii) that no representation is made as to the correctness or accuracy of the "CUSIP" number, ISIN or "Common Code" number, if any, listed in such notice or printed on the Securities.

(b) At the Company's request, upon written notice provided to the Trustee at least 45 days prior to the redemption date, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the

Company shall provide the Trustee with the information required by this Section 3.03 and a copy of the proposed notice of redemption to be mailed to the Holders at least two Business Days prior to the date that such notice is to be delivered to Holders (or such shorter period as the Trustee may agree to).

(c) Any redemption or notice of redemption may, at the Company's option and discretion, be subject to one or more conditions precedent, including the consummation of an incurrence or issuance of debt or equity or a Change of Control or other corporate transaction. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition and, if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion) or that such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date as stated in such notice, or by the redemption date as so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person. The Company shall provide at least two Business Days' prior written notice to the Trustee prior to the redemption date (or such lesser period as the Trustee may agree to) if any such redemption is being rescinded or delayed, and upon receipt, the Trustee shall promptly provide such notice to each Holder of the Securities.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is mailed pursuant to Section 3.03, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest and Applicable Premium, if any, to, but not including, the redemption date; provided, however, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest and Applicable Premium, if any, shall be payable to the Holder of the redeemed Securities registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.05. Deposit of Redemption Price. Prior to the redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a Wholly Owned Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest and Applicable Premium, if any, on all Securities or portions thereof to be redeemed on that date other than Securities or portions of Securities called for redemption that have been delivered by the Company to the Trustee for cancellation. On and after the redemption date, interest shall cease to accrue on Securities or portions thereof called for redemption so long as the Company has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest and Applicable Premium, if any, on, the Securities to be redeemed, unless the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture.

SECTION 3.06. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

SECTION 3.07. Special Mandatory Redemption. (a) In the event that (i) the Escrow Agent shall not have received the Officer's Certificate described in Section 4(a) of the Escrow Agreement on or prior to the Outside Date or (ii) the Company shall notify the Escrow Agent in writing that the Company has determined that the Acquisition will not be consummated on or prior to the Outside Date or otherwise announces that the Acquisition Agreement has been or will be terminated (each such event being a "Special Mandatory Redemption Event"), the Company will redeem on a pro rata basis (or as otherwise required by DTC's procedures) \$600 million in aggregate principal amount of the Securities to be redeemed (the "Special Mandatory Redemption") at a price equal to 100% of the initial issue price of the Securities to be redeemed, plus accrued and unpaid interest from the Issue Date, or from the most recent date to which interest has been paid, to, but not including the Special Mandatory Redemption Date (the "Special Mandatory Redemption Price"). Notice of the occurrence of a Special Mandatory Redemption Event will be given by the Company (a "Special Redemption Notice") within three Business Days following the occurrence of a Special Mandatory Redemption Event, to the Trustee, the Escrow Agent and the Holders through DTC. Within five Business Days after the Special Mandatory Redemption Event or as otherwise required by DTC's procedures, the Company will redeem on a pro rata basis (or as otherwise required by DTC's procedures) \$600 million in aggregate principal amount of the Securities at the Special Mandatory Redemption Price (the date of such redemption, the "Special Mandatory Redemption Date"). In no event shall the Special Mandatory Redemption Date fall less than two Business Days after the date of the Special Redemption Notice.

(b) If the Escrow Agent receives a Special Redemption Notice, the Escrow Agent will liquidate all Escrowed Funds then held by it not later than the last Business Day prior to the Special Mandatory Redemption Date. On the Business Day prior to the Special Mandatory Redemption Date, the Escrow Agent shall pay to the Trustee for payment to each Holder the Special Mandatory Redemption Price for such Holder's Securities and, concurrently with the payment to such Holders, deliver the excess Escrowed Funds (if any), after payment of any fees and expenses of the Escrow Agent and Trustee, to the Company.

(c) No provisions of the Escrow Agreement (including those relating to the Escrow Release) may be waived or modified in any manner materially adverse to the Holders of the Securities without the written consent of the Holders of a majority in principal amount of the Securities outstanding; provided that no such amendment, waiver or modification shall reduce the Special Mandatory Redemption Price without the written consent of each affected Holder.

ARTICLE 4

Covenants

SECTION 4.01. Payment of Securities. The Company shall promptly pay the principal of and interest and Applicable Premium, if any, on the Securities on the dates and in the manner provided in the Securities and in this Indenture. Principal, interest and Applicable Premium, if any, shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due.

The Company shall pay interest on overdue principal at the rate specified therefor in the Securities, and it shall pay interest on overdue installments of interest and overdue Applicable Premium, if any, at the same rate to the extent lawful.

SECTION 4.02. SEC Reports. (a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company shall file with the SEC (subject to the first sentence of Section 4.02(b)), and promptly after such filing provide the Trustee (and Holders, to the extent not publicly available on the SEC's EDGAR system or the Company's website) with such annual and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such reports to be so filed and provided at the times specified for the filings of such reports under such Sections and containing all the information, audit reports and exhibits required for such reports.

(b) If, at any time after the Company was subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act as a U.S. corporation, even if the Company is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, the Company shall nevertheless continue filing the reports specified in Section 4.02(a) with the SEC within the time periods required unless the SEC shall not accept such a filing. The Company agrees that it shall not take any action for the purpose of causing the SEC not to accept such filings. If, notwithstanding the foregoing, the SEC shall not accept such filings for any reason, the Company shall post the reports specified in the preceding sentence on its website within the time periods that would apply if the Company were required to file those reports with the SEC.

(c) The delivery of any reports, information and documents to the Trustee shall be for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive knowledge or notice of any information contained therein or determinable from information contained therein, including the compliance with any of the Company's covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officers' Certificate). The Trustee shall have no responsibility for the filing, timeliness or content of reports.

(d) The Trustee shall have no obligation to determine whether or not such information, documents or reports have been filed pursuant to the SEC's EDGAR filing system (or its successor) or postings to any website have occurred. The Trustee shall have no duty to participate in or monitor any conference calls.

(e) At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries, then the quarterly and annual financial information required by Section 4.02(a) shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in "Management's Discussion and Analysis of Financial Condition and Results of Operations," of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(f) At any time when the Company is no longer subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, none of such reports will be required to (i) comply with Section 302, 404 and 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, or Item 10(e) of Regulation S-K (with respect to any non-GAAP financial measures contained therein), (ii) contain the information required by Items 201, 402, 403, 405, 406, 407, 701 or 703 of Regulation S-K, (iii) contain the separate financial information contemplated by Rules 3-10, 3-16, 13-01 or 13-02 of Regulation S-X promulgated by the SEC (or any successor rules) and (iv) provide financial statements in interactive data format using the eXtensible Business Reporting Language.

(g) In addition, at any time when the Company is no longer subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company shall furnish to the Holders and to prospective investors, upon the requests of such Holders, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Securities are not freely transferable under the Securities Act.

SECTION 4.03. Limitation on Indebtedness. (a) The Company shall not, and shall not permit any Restricted Subsidiary to, Incur, directly or indirectly, any Indebtedness; provided, however, that the Company and the Subsidiary Guarantors shall be entitled to Incur Indebtedness if, on the date of such Incurrence and after giving effect thereto on a pro forma basis, the Consolidated Coverage Ratio would have been at least 2.0 to 1.0 (any such Indebtedness Incurred pursuant to this clause (a) being herein referred to as "Coverage Indebtedness").

(b) Section 4.03(a) shall not prohibit the Incurrence of the following Indebtedness (any such Indebtedness Incurred pursuant to this clause (b) being herein referred to as "Permitted Indebtedness"):

(i) Indebtedness Incurred by the Company pursuant to any Credit Facility (including the Credit Agreement); provided, however, that, after giving effect to any such Incurrence, the aggregate principal amount of all Indebtedness Incurred under this Section 4.03(b)(i) and then outstanding does not exceed \$3,000,000,000 (any such Indebtedness Incurred pursuant to this Section 4.03(b)(i) being herein referred to as "Credit Facility Indebtedness");

(ii) Indebtedness owed to and held by the Company or a Restricted Subsidiary (including any Intercompany Permitted Receivables Facility Note); provided, however, that (A) any subsequent issuance or transfer of any Capital Stock which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of such Indebtedness (other than to the Company or a Restricted Subsidiary) shall be deemed, in each case, to constitute the Incurrence of such Indebtedness by the obligor thereon and (B) if the Company is the obligor on such Indebtedness, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations with respect to the Securities and (C) if a Subsidiary Guarantor is the obligor on such Indebtedness, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations of such Subsidiary Guarantor with respect to its Subsidiary Guarantee;

(iii) the Securities (other than any Additional Securities) and the Subsidiary Guarantees (including, for the avoidance of doubt, future Subsidiary Guarantees);

(iv) Indebtedness of the Company and its Restricted Subsidiaries outstanding on the Issue Date (other than Indebtedness described in Sections 4.03(b)(i), (b)(ii) or (b)(iii));

(v) Indebtedness of a Restricted Subsidiary Incurred and outstanding on or prior to the date on which such Subsidiary was acquired by the Company or a Restricted Subsidiary (other than Indebtedness Incurred in connection with, or to provide all or any portion of the funds or credit support utilized to consummate, the transaction or series of related transactions pursuant to which such Subsidiary became a Subsidiary or was acquired by the Company or a Restricted Subsidiary); provided, however, that on the date of such acquisition and after giving pro forma effect thereto, either (x) the Company would have been entitled to Incur at least \$1.00 of Coverage Indebtedness pursuant to Section 4.03(a) or (y) the Consolidated Coverage Ratio would have been equal to or greater than the Consolidated Coverage Ratio immediately prior to such acquisition;

(vi) Refinancing Indebtedness in respect of any Coverage Indebtedness or any Permitted Indebtedness Incurred pursuant to Sections 4.03(b)(iii), (b)(iv), (b)(v) or (b)(vi);

(vii) Hedging Obligations designed to manage interest rates or interest rate risk or to protect against fluctuations in currency exchange rates, and not for the purpose of speculation; provided, however, that in the case of Hedging Obligations relating to interest rates, (A) such Hedging Obligations relate to payment obligations in respect of Indebtedness otherwise permitted to be Incurred by this covenant and (B) the notional principal amount of such Hedging Obligations at the time Incurred does not exceed the principal amount of the Indebtedness to which such Hedging Obligations relate;

(viii) obligations in respect of performance, bid, appeal and surety bonds and completion guarantees provided by the Company or any Restricted Subsidiary in the ordinary course of business;

(ix) (A) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished within two Business Days of its Incurrence and (B) Indebtedness owed by the Company or any Subsidiary pursuant to intercompany cash pooling arrangements in the ordinary course of business;

(x) the Guarantee by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Restricted Subsidiary that was permitted to be Incurred by another provision of this covenant; provided, however, that if the Indebtedness being guaranteed is subordinated to or pari passu with the Securities, then the Guarantee thereof Incurred pursuant to this Section 4.03(b)(x) shall be subordinated or pari passu, as applicable, to the same extent as the Indebtedness being Guaranteed;

(xi) Indebtedness of Foreign Subsidiaries in an aggregate principal amount not in excess of the greater of (x) \$1,200,000,000 and (y) 12% of Total Assets;

(xii) Indebtedness of the Company or any Restricted Subsidiary in the form of purchase price adjustments, earn-outs or other arrangements representing acquisition consideration or deferred payments of a similar nature incurred in connection with any acquisition or any other Investment;

(xiii) Indebtedness in respect of any Permitted Receivables Facility (including in respect of any related Standard Receivables Undertakings incurred in connection with such Permitted Receivables Facility) in an aggregate amount at any time outstanding not in excess of the greater of (x) \$375,000,000 and (y) 3% of Total Assets;

(xiv) Purchase Money Indebtedness Incurred to finance the acquisition, construction or improvement by the Company or a Restricted Subsidiary of assets, and any Refinancing Indebtedness Incurred to Refinance such Indebtedness, in an aggregate principal amount which, when added together with the amount of Indebtedness Incurred pursuant to this Section 4.03(b)(xiv) and then outstanding, does not exceed the greater of (x) \$375,000,000 and (y) 3% of Total Assets; and

(xv) Indebtedness of the Company or any Restricted Subsidiary in an aggregate principal amount which, when taken together with all other Indebtedness of the Company and the Restricted Subsidiaries outstanding on the date of such Incurrence and incurred pursuant to this Section 4.03(b)(xv) does not exceed the greater of (x) \$375,000,000 and (y) 3% of Total Assets.

(c) For purposes of determining compliance with this Section 4.03:

(i) \$1,000,000,000 of Indebtedness outstanding under the Credit Agreement shall be treated as Incurred on the Issue Date under Section 4.03(b)(i);

(ii) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the types of Indebtedness in one of the above clauses, the Company, in its sole discretion, shall classify such item of Indebtedness (or any portion thereof) at the time of Incurrence, or later reclassify such item of Indebtedness (or any portion thereof), and shall only be required to include the amount and type of such Indebtedness in one of the above clauses; provided, however, that any Indebtedness outstanding on the Issue Date under the Credit Agreement will at all times be treated as Incurred on the Issue Date under Section 4.03(b)(i); provided, further, that subject to the preceding proviso, at any time the Company could be deemed to have Incurred any Indebtedness pursuant to Section 4.03(a), all Indebtedness shall be automatically reclassified into Indebtedness Incurred pursuant to Section 4.03(a) to the extent of availability;

(iii) the Company shall be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in this Section 4.03 and, in that connection, the Company shall be entitled to treat a portion of such Indebtedness as Coverage Indebtedness and the balance of such Indebtedness as an item or items of Permitted Indebtedness;

(iv) any Permitted Indebtedness originally classified as Incurred pursuant to one of the clauses in Section 4.03(b) (other than pursuant to Sections 4.03(b)(i) or (b)(ii)) may later be reclassified by the Company such that it shall be deemed as having been Incurred as Coverage Indebtedness pursuant to Section 4.03(a) or as Permitted Indebtedness pursuant to another clause in Section 4.03(b), as applicable, to the extent that such reclassified Indebtedness could be Incurred pursuant thereto at the time of such reclassification; and

(v) in connection with the Company's or a Restricted Subsidiary's entry into an instrument containing a binding commitment in respect of any revolving Indebtedness, the Company may elect, pursuant to an Officers' Certificate delivered to the Trustee, to treat all or any portion of such commitment (any such amount elected until revoked as described below, an "Elected Amount") under any Indebtedness which is to be Incurred (or any commitment in respect thereof) or secured by a Lien, as the case may be, as being Incurred as of such election date, and (i) any subsequent Incurrence of Indebtedness under such commitment (so long as the total amount under such Indebtedness does not exceed the Elected Amount) shall not be deemed, for purposes of any calculation under this Indenture, to be an Incurrence of additional Indebtedness or an additional Lien at such subsequent time, (ii) the Company may revoke an election of an Elected

Amount at any time pursuant to an Officers' Certificate delivered to the Trustee and (iii) for purposes of all subsequent calculations of the Consolidated Coverage Ratio, Consolidated Secured Leverage Ratio and the Consolidated Leverage Ratio, the Elected Amount (if any) shall be deemed to be outstanding, whether or not such amount is actually outstanding, so long as the applicable commitment remains outstanding.

(d) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness where the Indebtedness Incurred is denominated in a different currency, the amount of such Indebtedness shall be the U.S. Dollar Equivalent determined on the date of the Incurrence of such Indebtedness; provided, however, that if any such Indebtedness denominated in a different currency is subject to a Currency Agreement with respect to U.S. dollars covering all principal, premium, if any, and interest payable on such Indebtedness, the amount of such Indebtedness expressed in U.S. dollars shall be as provided in such Currency Agreement. The principal amount of any Refinancing Indebtedness Incurred in the same currency as the Indebtedness being Refinanced shall be the U.S. Dollar Equivalent, as appropriate, of the Indebtedness Refinanced, except to the extent that (i) such U.S. Dollar Equivalent was determined based on a Currency Agreement, in which case the Refinancing Indebtedness shall be determined in accordance with the preceding sentence, and (ii) the principal amount of the Refinancing Indebtedness exceeds the principal amount of the Indebtedness being Refinanced, in which case the U.S. Dollar Equivalent of such excess, as appropriate, shall be determined on the date such Refinancing Indebtedness is Incurred.

SECTION 4.04. Limitation on Restricted Payments. (a) The Company shall not, and shall not permit any Restricted Subsidiary, directly or indirectly, to make a Restricted Payment if at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

(i) a Default shall have occurred and be continuing (or would result therefrom);

(ii) the Company is not entitled to Incur an additional \$1.00 of Coverage Indebtedness pursuant to Section 4.03(a); or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments since August 21, 2019 would exceed the sum of (without duplication):

(A) 50% of the Consolidated Net Income accrued during the period (treated as one accounting period) from July 1, 2019 to the end of the most recently ended fiscal quarter for which financial statements are available at the time of such Restricted Payment (or, in case such Consolidated Net Income shall be a deficit, minus 100% of such deficit); plus

(B) 100% of the aggregate Net Cash Proceeds or Fair Market Value of any asset (other than cash) received by the Company either (x) from the issuance or sale of its Qualified Capital Stock subsequent to August 21, 2019 or (y) as a contribution in respect of its Qualified Capital Stock from its shareholders subsequent to August 21, 2019, but excluding in each case any Net Cash Proceeds that are used to redeem Securities in accordance with the third paragraph under Section 5 of the Securities; plus

(C) the amount by which the principal amount of Indebtedness of the Company (other than Indebtedness owing to a Subsidiary) is reduced upon the conversion or exchange subsequent to August 21, 2019 of any Indebtedness of the Company convertible or exchangeable for Qualified Capital Stock of the Company (less the amount of any cash, or the fair value of any other property, distributed by the Company upon such conversion or exchange); provided, however, that the foregoing amount shall not exceed the Net Cash Proceeds received by the Company or any Restricted Subsidiary from the sale of such Indebtedness (excluding Net Cash Proceeds from sales to a Subsidiary of the Company or to an employee stock ownership plan or a trust established by the Company or any of its Subsidiaries for the benefit of their employees); plus

(D) an amount equal to the sum of (x) the aggregate amount of cash and the Fair Market Value of any asset (other than cash) received by the Company or any Restricted Subsidiary subsequent to August 21, 2019 with respect to Investments (other than Permitted Investments) made by the Company or any Restricted Subsidiary in any Person (other than the Company or any Restricted Subsidiary) and resulting from repurchases, repayments or redemptions of such Investments by such Person, or proceeds realized on the sale of such Investment, and (y) in the event that the Company redesignates an Unrestricted Subsidiary to be a Restricted Subsidiary, the portion (proportionate to the Company's equity interest in such Subsidiary) of the Fair Market Value of the net assets of such Unrestricted Subsidiary at the time such Unrestricted Subsidiary is designated a Restricted Subsidiary (other than to the extent the Company's Investment in such Unrestricted Subsidiary constituted a Permitted Investment); provided, however, that the foregoing sum shall not exceed, in the case of any such Person or Unrestricted Subsidiary, the amount of Investments (excluding Permitted Investments) previously made (and treated as a Restricted Payment) by the Company or any Restricted Subsidiary in such Person or Unrestricted Subsidiary; plus

(E) \$450,000,000.

(b) The provisions of Section 4.04(a) shall not prohibit:

(i) any Restricted Payment made out of the Net Cash Proceeds of the substantially concurrent sale of, or made by exchange for, Qualified Capital Stock

of the Company or a substantially concurrent cash capital contribution received by the Company from its shareholders with respect to its Qualified Capital Stock; provided, however, that (A) such Restricted Payment shall be excluded in the calculation of the amount of Restricted Payments and (B) the Net Cash Proceeds from such sale or such cash capital contribution (to the extent so used for such Restricted Payment) shall be excluded from the calculation of amounts under Section 4.04(a)(iii)(B);

(ii) any purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Subordinated Obligations of the Company or a Subsidiary Guarantor made by exchange for, or out of the proceeds of the substantially concurrent Incurrence of, Indebtedness of such Person which is permitted to be Incurred pursuant to Section 4.03, so long as:

(1) the principal amount of such Indebtedness does not exceed the principal amount of (or accreted value, if applicable), plus any accrued and unpaid interest on, the Subordinated Obligations being so purchased, repurchased, redeemed, defeased or acquired or retired for value, plus the amount of any reasonable premium required to be paid under the terms of the instrument governing the Subordinated Obligations being so purchased, repurchased, redeemed, defeased or acquired or retired and any reasonable fees and expenses incurred in connection with the issuance of such new Indebtedness;

(2) such Indebtedness is subordinated to the Securities or the applicable Guarantee at least to the same extent as such Subordinated Obligations so purchased, repurchased, redeemed, defeased or acquired or retired for value;

(3) such Indebtedness has a final scheduled maturity date equal to or later than the final scheduled maturity date of the Subordinated Obligations being so purchased, repurchased, redeemed, defeased or acquired or retired; and

(4) such Indebtedness has a weighted average life to maturity equal to or greater than the remaining weighted average life to maturity of the Subordinated Obligations being so purchased, repurchased, redeemed, defeased or acquired or retired;

provided, however, that such purchase, repurchase, redemption, defeasance or other acquisition or retirement for value pursuant to this Section 4.04(b)(ii) shall be excluded in the calculation of the amount of Restricted Payments;

(iii) the payment of any dividend, distribution or redemption of any Capital Stock or Subordinated Obligation within 60 days after the date of declaration thereof or call for redemption if, at such date of declaration or call for redemption, such payment or redemption was permitted by Section 4.04(a) (the

declaration of such payment shall be deemed a Restricted Payment under Section 4.04(a) as of the date of declaration and the payment itself shall be deemed to have been paid on such date of declaration and shall not also be deemed a Restricted Payment under Section 4.04(a) provided, however, that any Restricted Payment made in reliance on this Section 4.04(b)(iii) shall reduce the amount available for Restricted Payments pursuant to Section 4.04(a)(iii) only once;

(xiii) the declaration and payment of any dividend in respect of the Capital Stock of the Company or the purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Capital Stock of the Company held by any Person, in an amount not to exceed \$100,000,000 in the aggregate for any fiscal year; provided, however, that the Company may carry

For purposes of this covenant, if any Investment or Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of "Permitted Investments," the Company, in its sole discretion, may divide and classify such Investment or Restricted Payment (or a portion thereof) in any manner that complies with this covenant and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification. In addition, for the avoidance of doubt, the purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Existing Preferred Stock held by any Person pursuant to Section 4.04(b)(xiv) may be effected (subject to the provisions of such clause) notwithstanding anything else to the contrary in this Indenture.

SECTION 4.05. Limitation on Restrictions on Distributions from Restricted Subsidiaries. The Company shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to (a) pay dividends or make any other distributions on its Capital Stock to the Company or a Restricted Subsidiary or pay any Indebtedness owed to the Company, (b) make any loans or advances to the Company or (c) transfer any of its property or assets to the Company, except:

- (i) with respect to clauses (a), (b) and (c):

(A) any encumbrance or restriction pursuant to an agreement in effect at or entered into on the Issue Date (including the Credit Agreement in effect on the Issue Date, this Indenture, the Securities and the Guarantees);

(B) any encumbrance or restriction with respect to a Restricted Subsidiary pursuant to an agreement relating to any Indebtedness Incurred by such Restricted Subsidiary on or prior to the date on which such Restricted Subsidiary was acquired by the Company (other than Indebtedness Incurred as consideration in, or to provide all or any portion of the funds or credit support utilized to consummate, the transaction or series of related transactions pursuant to which such Restricted Subsidiary became a Restricted Subsidiary or was acquired by the Company) and outstanding on such date;

(C) any encumbrance or restriction pursuant to an agreement effecting a Refinancing of Indebtedness Incurred pursuant to an agreement referred to in Sections 4.05(i)(A) or (B) or this clause (C) or contained in any amendment to an agreement referred to in Section 4.05(i)(A) or (B) or this clause (C); provided, however, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such refinancing agreement or amendment, taken as a whole, are no less favorable to the Company (as reasonably determined by the Company in good faith) than encumbrances and restrictions with respect to such Restricted Subsidiary contained in such predecessor agreements;

(D) any encumbrance or restriction with respect to (i) a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of all or substantially all the Capital Stock or assets of such Restricted Subsidiary or (ii) a business unit, division, product line or line of business or other assets in a transaction permitted under Section 4.06, in each case pending the closing of such sale or disposition;

(E) any encumbrance or restriction pursuant to applicable law, rule, regulation or order;

(F) provisions contained in any approval, license or permit with a regulatory authority, in each case entered into in the ordinary course of business;

(G) restrictions on cash, cash equivalents, Temporary Cash Investments or other deposits or net worth imposed under contracts entered into in the ordinary course of business, including such restrictions imposed by customers or insurance, surety or bonding companies;

(H) any encumbrance or restriction with respect to a Foreign Subsidiary entered into in the ordinary course of business or pursuant to the terms of Indebtedness that was Incurred by such Foreign Subsidiary in compliance with the terms of this Indenture;

(I) provisions contained in any license, permit or other accreditation with a regulatory authority entered into in the ordinary course of business;

(J) provisions in agreements or instruments which prohibits the payment or making of dividends or other distributions other than on a pro rata basis;

(K) customary provisions in joint venture agreements and other similar agreements (in each case relating solely to the respective joint venture or similar entity or the equity interests therein) entered in the ordinary course of business (including in the case of NCR Manaus, restrictions and conditions set forth in the Brazil Transaction Documents);

(L) any encumbrance or restriction contained in the terms of any agreement under which Indebtedness is permitted to be Incurred after the Issue Date pursuant to Section 4.03 if (x) either (i) the encumbrance or restriction applies only in the event of and during the continuance of a payment default contained in such Indebtedness or agreement or (ii) the Company reasonably determines in good faith at the time any such Indebtedness is Incurred (and at the time of any modification of the terms of any such encumbrance or restriction) that any such encumbrance or restriction shall not materially affect the Company's ability to make principal or interest payments on the Securities and any other Indebtedness that is an obligation of the Company and (y) the encumbrance or restriction is not materially more restrictive, taken as a whole, than customary provisions in comparable financings or agreements (as reasonably determined by the Company in good faith); and

(M) restrictions and conditions imposed by transactional agreements and documents (including organizational documents of Receivables Subsidiaries) governing Permitted Receivables Facilities and related Indebtedness; provided that any such restrictions and conditions (i) are customary and usual for such Permitted Receivables Facilities, as determined in good faith by the Company or such Subsidiary, and (ii) in the case of any restrictions or conditions upon the ability of the Company or any Subsidiary to create, incur or permit to exist any Lien upon any of its assets, such restrictions and conditions apply only to assets of and interests in the related Receivables Subsidiary;

(ii) with respect to clause (c) only:

(A) any encumbrance or restriction consisting of customary provisions in leases and other agreements to the extent such provisions restrict the transfer of the lease or the property leased thereunder;

(B) any encumbrance or restriction contained in security agreements or mortgages securing Indebtedness of a Restricted Subsidiary to the extent such encumbrance or restriction restricts the transfer of the property subject to such security agreements or mortgages;

(C) any encumbrance or restriction contained in any Secured Indebtedness otherwise permitted to be incurred pursuant to Sections 4.03 and 4.13 that limits the right of the debtor to dispose of the assets securing such Indebtedness;

(D) any encumbrance or restriction contained in any agreement relating to Purchase Money Indebtedness permitted by Section 4.03 if such restrictions or conditions apply only to the assets securing such Indebtedness; and

(E) any encumbrance or restriction consisting of customary non-assignment provisions in a lease, license or similar contract, in each case entered into in the ordinary course of business.

SECTION 4.06. Limitation on Sales of Assets and Subsidiary Stock. (a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Disposition unless:

(i) the Company or such Restricted Subsidiary receives consideration at the time of such Asset Disposition at least equal to the Fair Market Value (including as to the value of all non-cash consideration) of the shares and assets subject to such Asset Disposition; and

(ii) at least 75% of the consideration thereof received by the Company or such Restricted Subsidiary is in the form of cash or Temporary Cash Investments.

Within 450 days after the receipt of any Net Available Cash from such Asset Disposition (or, in the case of a Designated Foreign Asset Disposition, within the time period specified in the definition thereof), the Company or the applicable Restricted Subsidiary, as the case may be, shall apply the Net Available Cash from such Asset Disposition:

(A) to reduce the outstanding principal amount of Credit Facility Indebtedness;

(B) to reduce the outstanding principal amount of any other Senior Indebtedness of the Company or a Subsidiary Guarantor; provided, however, that to the extent the Company or such Subsidiary Guarantor repays any such other Senior Indebtedness, the Company shall equally and

ratably reduce the principal amount of Securities outstanding, through open-market purchases or through redemption, or shall offer (in accordance with the procedures set forth in Section 4.06(b)) to all Holders to purchase their Securities at 100% of the principal amount thereof, plus accrued but unpaid interest, if any, in an aggregate principal amount which, if the offer were accepted, would result in such reduction;

- (C) to reduce the outstanding principal amount of Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor;
- (D) to acquire Additional Assets
- (E) to make capital expenditures that are used or useful in a Related Business; or
- (F) for the avoidance of doubt, any combination of the foregoing,

in the case of clauses (A), (B), and (C) other than Indebtedness owed to the Company or an Affiliate of the Company; provided that entering into and not abandoning or rejecting a binding commitment to acquire assets or property or make capital expenditures to satisfy clause (D) or (E) shall be treated as a permitted application of Net Available Cash from the date of such commitment; provided further, that (x) such acquisition or capital expenditure is consummated within 545 days after the later of the receipt of such Net Available Cash or the date of such Asset Disposition and (y) if such acquisition or capital expenditure is not consummated within the period set forth in subclause (x), the Net Available Cash not so applied will be deemed to constitute Excess Proceeds under Section 4.06(b).

Notwithstanding the foregoing provisions of this Section 4.06, the Company and the Restricted Subsidiaries shall not be required to apply any Net Available Cash in accordance with this Section 4.06 except to the extent that the aggregate Net Available Cash from all Asset Dispositions which is not applied in accordance with this Section 4.06 exceeds \$100,000,000.

(b) Any Net Available Cash that is not applied or invested as provided in Section 4.06(a) shall constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$125,000,000, the Company shall make an offer (an "Asset Disposition Offer") to all Holders of the Securities and, at the Company's election, to holders of other Senior Indebtedness to purchase or redeem the maximum principal amount of Securities and such other Senior Indebtedness that may be purchased out of the amount of such Excess Proceeds. The offer price in any Asset Disposition Offer shall be equal to 100% of the principal amount of the Securities and/or any such Senior Indebtedness plus accrued and unpaid interest to the date of purchase, and shall be payable in cash in accordance with the procedures (including prorating in the event of oversubscription) set forth in this Indenture or the agreements governing the other Senior Indebtedness. If the aggregate purchase price of Indebtedness tendered exceeds the

amount of Excess Proceeds, the Trustee shall select the Indebtedness to be purchased on a pro rata basis but in round denominations, which, in the case of the Securities, shall be denominations of \$2,000 principal amount or integral multiples of \$1,000 in excess thereof. Upon completion of each Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero and, so long as all Securities validly tendered and not withdrawn pursuant to such offer are purchased by the Company in compliance with this Section 4.06, any excess of the offer amount over the amount applied to purchase Securities (and such other Senior Indebtedness) pursuant to such offer may be applied by the Company for any purpose not prohibited by this Indenture. Nothing in this Section 4.06 shall prevent the Company from making an Asset Disposition Offer earlier than required.

(c) (i) Promptly, and in any event within 10 days after the Company becomes obligated to make an Asset Disposition Offer, the Company shall be obligated to deliver to the Trustee and send, by first-class mail to each Holder, a written notice stating that the Holder may elect to have his Securities purchased by the Company either in whole or in part (subject to prorating as described in 4.06(b) in the event the Asset Disposition Offer is oversubscribed) in integral multiples of \$2,000 of principal amount or any whole integral multiple of \$1,000 in excess thereof, at the applicable purchase price. The notice shall specify a purchase date not less than 30 days nor more than 60 days after the date of such notice (the "Purchase Date") and shall contain such information concerning the business of the Company which the Company in good faith believes shall enable such Holders to make an informed decision (which at a minimum shall include (A) the most recently filed Annual Report on Form 10-K (including audited consolidated financial statements) of the Company, the most recent subsequently filed Quarterly Report on Form 10-Q and any Current Report on Form 8-K of the Company filed subsequent to such Quarterly Report, other than Current Reports describing Asset Dispositions otherwise described in the offering materials (or corresponding successor reports), (B) a description of material developments in the Company's business subsequent to the date of the latest of such reports, and (C) if material, appropriate pro forma financial information) and all instructions and materials necessary to tender Securities pursuant to the Asset Disposition Offer, together with the address referred to in clause (iii) below.

(ii) Not later than the date upon which written notice of an Asset Disposition Offer is delivered to the Trustee as provided above, the Company shall deliver to the Trustee an Officers' Certificate as to (A) the amount of the Asset Disposition Offer (the "Offer Amount"), including information as to any other Senior Indebtedness included in the Asset Disposition Offer, (B) the allocation of the Net Available Cash from the Asset Dispositions pursuant to which such Asset Disposition Offer is being made and (C) the compliance of such allocation with the provisions of Section 4.06(a). On such date, the Company shall also irrevocably deposit with the Trustee or with a paying agent (or, if the Company is acting as its own paying agent, segregate and hold in trust) an amount equal to the Offer Amount to be invested in Temporary Cash Investments and to be held for payment in accordance with the provisions of this Section 4.06(c)(ii). If the Asset Disposition Offer includes other Senior Indebtedness, the deposit

described in the preceding sentence may be made with any other paying agent pursuant to arrangements satisfactory to the Trustee. Upon the expiration of the period for which the Asset Disposition Offer remains open (the “Offer Period”), the Company shall deliver to the Trustee for cancellation the Securities or portions thereof that have been properly tendered to and are to be accepted by the Company. The Trustee (or the Paying Agent, if not the Trustee) shall, on the Purchase Date, mail or deliver payment (or cause the delivery of payment) to each tendering Holder in the amount of the purchase price, from the amount deposited with it by the Company. In the event that the Offer Amount delivered by the Company to the Trustee (together with any investment earnings received from the investment thereof in Temporary Cash Investments) is greater than the purchase price of the Securities tendered, the Trustee shall deliver the excess to the Company immediately after the expiration of the Offer Period for application in accordance with this Section 4.06.

(iii) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the Purchase Date. Holders shall be entitled to withdraw their election if the Trustee or the Company receives not later than one Business Day prior to the Purchase Date, a telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Security which was delivered by the Holder for purchase and a statement that such Holder is withdrawing his election to have such Security purchased. If at the expiration of the Offer Period the aggregate principal amount of Securities included in the Asset Disposition Offer surrendered by holders thereof exceeds the Offer Amount, the Company shall select the Securities to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Company so that only Securities in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased). Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered; provided that each such new Security shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. Any Security not so accepted shall be promptly mailed or delivered by the Company to the holder thereof.

(iv) At the time the Company delivers Securities to the Trustee which are to be accepted for purchase, the Company shall also deliver an Officers’ Certificate stating that such Securities are to be accepted by the Company pursuant to and in accordance with the terms of this Section 4.06(c)(iv). A Security shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(d) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.06.

To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.06, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.06 by virtue of its compliance with such securities laws or regulations.

(e) For the purposes of this Section 4.06, the following are deemed to be cash or cash equivalents:

(i) the assumption or discharge of Indebtedness of the Company or any Restricted Subsidiary (other than Obligations in respect of Disqualified Stock of the Company or Preferred Stock of a Subsidiary Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(ii) any liabilities, as shown on the Company's most recent consolidated balance sheet, of the Company or any Restricted Subsidiary (other than contingent liabilities and Subordinated Obligations) that are assumed or discharged by the transferee of shares of Capital Stock, property or other assets in the Asset Disposition, pursuant to a customary agreement that releases the Company or such Restricted Subsidiary from any and all liability therefor;

(iii) any securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash within 180 days after the date of the applicable Asset Disposition, to the extent of the cash received in that conversion; and

(iv) any Designated Noncash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Disposition having an aggregate Fair Market Value that, when taken together with all other Designated Noncash Consideration received pursuant to this clause (iv) that is at that time outstanding, does not exceed the greater of (x) \$250,000,000 and (y) 2.0% of Total Assets (determined as of the end of the most recent fiscal quarter for which internal financial statements are available) at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value).

SECTION 4.07. Limitation on Transactions with Affiliates. (a) The Company shall not, and shall not permit any Restricted Subsidiary to, enter into any transaction (including the purchase, sale, lease or exchange of any property, employee compensation arrangements or the rendering of any service) with, or for the benefit of, any Affiliate of the Company (an "Affiliate Transaction") involving aggregate payments or consideration in excess of \$50,000,000 unless:

(i) the terms of the Affiliate Transaction are no less favorable to the Company or such Restricted Subsidiary than those that could be obtained at the time of the Affiliate Transaction in arm's-length dealings with a Person who is not an Affiliate; and

(ii) if such Affiliate Transaction involves an amount in excess of \$75,000,000, the terms of the Affiliate Transaction are set forth in writing and a majority of the directors of the Company disinterested with respect to such Affiliate Transaction have determined in good faith that the criteria set forth in Section 4.07(a)(i) are satisfied and have approved the relevant Affiliate Transaction as evidenced by a resolution of the Board of Directors.

(b) The provisions of Section 4.07(a) shall not prohibit:

(i) any transaction between or among the Company or any of its Restricted Subsidiaries and any transaction between or among the Company or any of its Subsidiaries with respect to a Permitted Receivables Facility;

(ii) any Permitted Investment or any Restricted Payment permitted to be made pursuant to Section 4.04;

(iii) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock options and stock ownership plans entered into in the ordinary course of business;

(iv) payroll, travel, loans or advances to directors and employees in the ordinary course of business of the Company and its Restricted Subsidiaries, and on customary terms;

(v) any employment, consulting, service or termination agreement, or reasonable and customary indemnification agreement, entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business (and payments made pursuant thereto), and the payment of reasonable fees and expenses, and the provision of customary indemnities, to directors, officers, employees or consultants of the Company or any of its Restricted Subsidiaries in their capacities as such;

(vi) any transaction with a Person (other than an Unrestricted Subsidiary) which would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary owns an equity interest in or otherwise controls such Person;

(vii) any transaction with a joint venture partner in the ordinary course of business of the Company and its Restricted Subsidiaries and otherwise in compliance with the terms of this Indenture; provided that, in the reasonable, good faith determination of the Company, such transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that could have reasonably been obtained at the time of such transaction in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person;

(viii) the issuance or sale of any Capital Stock (other than Disqualified Stock) of the Company;

(ix) transactions with customers, clients, vendors, suppliers or other purchasers or sellers of goods or services, in each case in the ordinary course of business (including pursuant to joint venture agreements);

(x) transactions effected pursuant to any agreement as in effect on the Issue Date, so long as such transactions are (x) not material or (y) described in the Offering Memorandums and any amendment, modification or replacement of any such agreement (so long as such amendments, modifications or replacements are not disadvantageous to the Holders in any material respect as compared to the applicable agreement as in effect on the Issue Date as reasonably determined in good faith by the Company);

(xi) any transaction on arm's-length terms with any non-Affiliate that becomes an Affiliate as a result of such transactions; and

(xii) any transaction in which the Company delivers to the Trustee a written opinion from the Company to the effect that such transaction is fair, from a financial standpoint, to the Company and its Restricted Subsidiaries.

SECTION 4.08. Change of Control. (a) Upon the occurrence of a Change of Control, each Holder shall have the right to require that the Company repurchase such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the terms contemplated in Section 4.08(b).

(b) Within 30 days following any Change of Control (unless the Company has previously or concurrently mailed a redemption notice with respect to all outstanding Securities as described under Section 7 of the Securities), the Company shall mail a notice by first-class mail to each Holder with a copy to the Trustee (the "Change of Control Offer") stating:

(i) that a Change of Control has occurred and that such Holder has the right to require the Company to purchase such Holder's Securities at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest on the relevant interest payment date);

(ii) the circumstances and relevant facts regarding such Change of Control;

(iii) the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); and

(iv) the instructions, as determined by the Company, consistent with this Section 4.08, that a Holder must follow in order to have its Securities purchased.

(c) Holders electing to have a Security purchased shall be required to surrender the Security, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the purchase date. Holders shall be entitled to withdraw their election if the Trustee or the Company receives not later than one Business Day prior to the purchase date a telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Security which was delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Security purchased. Holders whose Securities are purchased only in part shall be issued new Securities equal in principal amount to the unpurchased portion of the Securities surrendered.

(d) On the purchase date, all Securities purchased by the Company under this Section 4.08 shall be delivered by the Company to the Trustee for cancellation, and the Company shall pay the purchase price plus accrued and unpaid interest to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section 4.08, the Company shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Securities validly tendered and not withdrawn under such Change of Control Offer.

(f) A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(g) At the time the Company delivers Securities to the Trustee which are to be accepted for purchase, the Company shall also deliver an Officers' Certificate stating that such Securities are to be accepted by the Company pursuant to and in accordance with the terms of this Section 4.08. A Security shall be deemed to have been accepted for purchase at the time the Trustee, directly or through an agent, mails or delivers payment therefor to the surrendering Holder.

(h) Prior to any Change of Control Offer, the Company shall deliver to the Trustee an Officers' Certificate stating that all conditions precedent contained herein to the right of the Company to make such offer have been complied with.

(i) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Securities pursuant to this Section 4.08. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.08, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue of its compliance with such securities laws or regulations.

SECTION 4.09. Compliance Certificate. The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Company they would normally have knowledge of any Default and whether or not the signers know of any Default that occurred during such period. If they do, the certificate shall describe the Default and its status.

SECTION 4.10. Further Instruments and Acts. Upon request of the Trustee, the Company and the Subsidiary Guarantors shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 4.11. Future Subsidiary Guarantors. The Company shall not cause or permit (a) any of its Restricted Subsidiaries (other than a Foreign Subsidiary or a Receivables Subsidiary), directly or indirectly, to Guarantee any Indebtedness of the Company or any Subsidiary Guarantor, (b) any Foreign Subsidiary, directly or indirectly, to Guarantee any Indebtedness of the Company or any Subsidiary Guarantor or (c) any of its Restricted Subsidiaries (other than a Foreign Subsidiary or a Receivables Subsidiary) to Incur Credit Facility Indebtedness unless such Restricted Subsidiary is a Subsidiary Guarantor or within 10 Business Days of Incurring or Guaranteeing such Indebtedness executes and delivers to the Trustee a Guarantee Agreement pursuant to which such Restricted Subsidiary shall Guarantee payment of the Securities on the same terms and conditions as those set forth in this Indenture and applicable to the other Subsidiary Guarantors and delivers to the Trustee an Opinion of Counsel (which may contain customary exceptions) that such Guarantee Agreement complies with the requirements of this Section 4.11 and constitutes a valid, binding and enforceable obligation of such Restricted Subsidiary.

SECTION 4.12. Limitation on Lines of Business. The Company shall not, and shall not permit any Restricted Subsidiary, to engage in any business other than a Related Business, except to the extent not material to the Company and its Restricted Subsidiaries, taken as a whole.

SECTION 4.13. Limitation on Liens. The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, incur or permit to exist any Lien (the "Initial Lien") of any nature whatsoever on any of its properties (including Capital Stock of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, securing any Indebtedness, other than Permitted Liens, without effectively providing that the Securities shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured. For the avoidance of doubt, for the purposes of determining whether any Initial Lien is a Permitted Lien following any Termination Date, any Incurrence of Indebtedness shall be tested as though Section 4.03 was in effect at such time.

Any such Lien thereby created in favor of the Securities or any Subsidiary Guarantee shall be automatically and unconditionally released and discharged upon (a) the release and discharge of each Initial Lien to which it relates, (b) in the case of such Lien in favor of any such Subsidiary Guarantee, upon the termination and discharge of such Subsidiary Guarantee in accordance with the terms of this Indenture or (c) any sale, exchange or transfer to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien.

SECTION 4.14. Limitation on Sale/Leaseback Transactions. The Company shall not, and shall not permit any Restricted Subsidiary to, enter into any Sale/Leaseback Transaction with respect to any property unless:

(a) the Company or such Restricted Subsidiary would be entitled to (i) Incur Indebtedness in an amount equal to the Attributable Debt with respect to such Sale/Leaseback Transaction pursuant to Section 4.03 (following any Termination Date, such determination shall be made as if such covenant was in effect at such time) and (ii) create a Lien on such property securing such Attributable Debt without equally and ratably securing the Securities pursuant to Section 4.13;

(b) the net proceeds received by the Company or any Restricted Subsidiary in connection with such Sale/Leaseback Transaction are at least equal to the Fair Market Value of such property; and

(c) the Company applies the proceeds of such transaction in compliance with Section 4.06 (following any Termination Date, such compliance shall be tested as if such covenant was in effect at such time).

SECTION 4.15. Termination of Covenants. Following the first day (the "Termination Date") that: (a) the Securities have an Investment Grade Rating, and (b) no Default has occurred and is continuing under this Indenture, the Company and its Restricted Subsidiaries shall not be subject to Sections 4.03, 4.04, 4.05, 4.06, 4.07 and 5.01(a)(iii), regardless of any subsequent changes in the ratings of the Securities.

SECTION 4.16. Financial Calculations for Limited Condition Transactions and Other Transactions. (a) When calculating the availability under any basket or ratio under this Indenture or determining the absence of a Default or Event of Default (or any type of Default or Event of Default) as a condition to the making of any acquisition or other Permitted Investment, the consummation of which is not conditioned on the availability of, or on obtaining, third party financing (each, a "Limited Condition Transaction") or incurrence of Indebtedness in connection therewith, the determination of whether the relevant condition is satisfied may be made, at the irrevocable election of the Company (such election, a "Limited Condition Transaction Election"), at the time of (and on the basis of the financial statements for the most recently ended fiscal period for which financial statements are available at the time of) either (x) the execution of the definitive agreement with respect to such Limited Condition Transaction or (y) the consummation of the Limited Condition Transaction, in each case, after giving effect to the relevant Limited Condition Transaction and any related transactions (including any

incurrence of Indebtedness and the use of proceeds thereof), on a pro forma basis (such date, the “Limited Condition Transaction Test Date”). If the Company makes such a Limited Condition Transaction Election, any subsequent calculation of any basket or ratio shall be calculated on an equivalent pro forma basis, unless the definitive agreement for such Limited Condition Transaction expires or is terminated without its consummation. Any Limited Condition Transaction Election shall be made pursuant to a written notice from the Company delivered to the Trustee at the time of the execution of the definitive agreements with respect to the Limited Condition Transaction; provided, however, that, to the extent the Company has not delivered such written notice to the Trustee by the time of execution of the definitive agreements with respect to such transaction, the relevant conditions required to be satisfied as a condition to consummating such transaction and/or incurring such Indebtedness will be tested at the time of consummation of such transaction and the related incurrence of Indebtedness. For the avoidance of doubt, if the Company has made a Limited Condition Transaction Election and any of the ratios or baskets for which compliance was determined or tested as of the Limited Condition Transaction Test Date (including with respect to the incurrence of any Indebtedness) are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations of the target of any Limited Condition Transaction) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations.

(b) Notwithstanding anything to the contrary in this Indenture, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture under a restrictive covenant that does not require compliance with a financial ratio or test (any such amounts, the “Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture in the same restrictive covenant that requires compliance with any such financial ratio or test (any such amounts, the “Incurrence Based Amounts”), it is understood and agreed that the Fixed Amounts (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection with such substantially concurrent incurrence.

SECTION 4.17. Escrow Agreement. (a) Concurrently with the closing of the offering of the Securities on the Issue Date, the Company will enter into an Escrow Agreement with the Trustee and the Escrow Agent, pursuant to which the Company will instruct the initial purchasers to deposit with the Escrow Agent an amount in cash and/or Temporary Cash Investments equal to the gross proceeds of this offering of the Securities sold on the Issue Date (together with all interest, dividends, and other distributions and payments thereon received by the Escrow Agent, the “Escrowed Funds”). The Company shall grant the Trustee, for the benefit of itself, the Escrow Agent and the Holders of the Securities, a security interest in the escrow account and the Escrowed Funds to secure the obligations under the Securities pending disbursement as described below.

(b) The Company may direct the Escrow Agent, in writing, to invest the Escrowed Funds in cash or Temporary Cash Investments, as determined by the Company in its sole discretion. In the absence of written direction from the Company as to a particular investment to be made, the Escrowed Funds will remain uninvested. Neither the Escrow Agent or Trustee will be responsible for making any such investment selection.

(c) The Company will only be entitled to direct the Escrow Agent to release the Escrowed Funds in accordance with the terms of the Escrow Agreement. Pursuant to the Escrow Agreement, the Escrow Agent will release the Escrowed Funds (the "Escrow Release") to, or at the order of, the Company (the date of such release being referred to as the "Escrow Release Date") upon delivery by the Company to the Escrow Agent and the Trustee of an Officer's Certificate addressed to the Escrow Agent and the Trustee on or prior to the Outside Date, certifying the satisfaction of the conditions set forth in the Escrow Agreement.

ARTICLE 5

Successor Company

SECTION 5.01. When Company May Merge or Transfer Assets. (a) The Company shall not consolidate with or merge with or into, or convey, transfer or lease, in one transaction or a series of transactions, directly or indirectly, all or substantially all its assets to, any Person, unless:

(i) either (A) the Company shall be the surviving corporation or (B) the resulting, surviving or transferee Person (in each of clauses (A) or (B), the "Successor Company") shall (1) be a corporation or limited liability company organized and existing under the laws of the United States of America, any State thereof or the District of Columbia (provided that, if the Successor Company is a limited liability company, then there shall be a Restricted Subsidiary of such Person which shall be a corporation organized in the jurisdictions permitted by this clause (1) and a co-obligor of the Securities) and (2) expressly assume, by an indenture supplemental thereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Company under the Securities and this Indenture;

(ii) immediately after giving pro forma effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any Subsidiary as a result of such transaction as having been Incurred by such Successor Company or such Subsidiary at the time of such transaction), no Default shall have occurred and be continuing;

(iii) immediately after giving pro forma effect to such transaction, either (x) the Successor Company would be able to Incur an additional \$1.00 of Coverage Indebtedness pursuant to Section 4.03(a) or (y) the Consolidated Coverage Ratio for the Successor Company and its Restricted Subsidiaries would be equal to or greater than such ratio for the Company and its Restricted Subsidiaries immediately prior to such transaction; and

(iv) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with this Indenture;

provided, however, that clause (iii) shall not be applicable to (A) a Restricted Subsidiary consolidating with, merging into or transferring all or part of its properties and assets to the Company (so long as no Capital Stock of the Company is distributed to any Person) or (B) the Company merging with an Affiliate of the Company solely for the purpose and with the sole effect of reincorporating the Company in another jurisdiction.

For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

The Successor Company shall be the successor to the Company and shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture, and the predecessor Company, except in the case of a lease, shall be released from the obligation to pay the principal of and interest on the Securities.

For all purposes of this Indenture, Subsidiaries of any Successor Company shall, upon any transaction subject to this Section 5.01, become Restricted Subsidiaries or Unrestricted Subsidiaries as provided pursuant to this Indenture, and all Indebtedness and Liens of the Successor Company and its Subsidiaries that were not Indebtedness or Liens on property or assets, as the case may be, of the Company and its Subsidiaries immediately prior to such transaction shall be deemed to have been Incurred upon such transaction.

(b) The Company shall not permit any Subsidiary Guarantor to consolidate with or merge with or into, or convey, transfer or lease, in one transaction or a series of transactions, all or substantially all of its assets to any Person unless:

(i) except in the case of a Subsidiary Guarantor (x) that has been disposed of in its entirety to another Person (other than to the Company or an Affiliate of the Company), whether through a merger, consolidation or sale of Capital Stock or assets or (y) that, as a result of the disposition of all or a portion of its Capital Stock, ceases to be a Subsidiary, the resulting, surviving or transferee Person (if not such Subsidiary) shall be a Person organized and existing under the laws of the jurisdiction under which such Subsidiary was organized or under the laws of the United States of America, or any State thereof or the District of Columbia, and such Person shall expressly assume, by a Guarantee Agreement, in a form satisfactory to the Trustee, all the obligations of such Subsidiary, if any, under its Subsidiary Guarantee;

(ii) immediately after giving effect to such transaction or transactions on a pro forma basis (and treating any Indebtedness which becomes an obligation of the resulting, surviving or transferee Person as a result of such transaction as having been issued by such Person at the time of such transaction), no Default shall have occurred and be continuing; and

(iii) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such Guarantee Agreement, if any, complies with this Indenture;

provided, however, that this Section 5.01 shall not be applicable to a Restricted Subsidiary consolidating with, merging into or transferring all or part of its properties and assets to the Company or a Subsidiary Guarantor.

ARTICLE 6

Defaults and Remedies

SECTION 6.01. Events of Default. An "Event of Default" occurs if:

- (a) a default in the payment of interest on the Securities when the same becomes due and payable, and such default continues for a period of 30 days;
- (b) a default in the payment of the principal of (or premium, if any, on) any Security when the same becomes due and payable at its Stated Maturity, upon optional redemption, upon required purchase, upon declaration of acceleration or otherwise;
- (c) the Company fails to comply with its obligations under Section 5.01;
- (d) the Company fails to comply with any of its obligations in Section 4.08 (other than a failure to purchase Securities which constitutes an Event of Default under Section 6.01(b)) or 4.06 (other than a failure to purchase Securities which constitutes an Event of Default under Section 6.01(b)), and such default continues for a period of 30 days after the notice specified below;
- (e) the Company fails to comply with any of its obligations in Section 4.02, and such default continues for a period of 120 days after the notice specified below;
- (f) the Company or any Subsidiary Guarantor fails to comply with any of its other covenants or agreements contained in this Indenture (other than a default referred to in Section 6.01(a) through (e)), and such default continues for a period of 60 days after the notice specified below;
- (g) Indebtedness of the Company, any Subsidiary Guarantor or any Significant Subsidiary is not paid within any applicable grace period after final maturity or is accelerated by the holders thereof because of a default and the total amount of such Indebtedness unpaid or accelerated exceeds \$150,000,000;

(h) the Company, any Subsidiary Guarantor or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

- (i) commences a voluntary case;
- (ii) consents to the entry of an order for relief against it in an involuntary case;
- (iii) consents to the appointment of a Custodian of it or for any substantial part of its property; or
- (iv) makes a general assignment for the benefit of its creditors;

or takes any comparable action under any foreign laws relating to insolvency;

(i) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (i) is for relief against the Company, any Subsidiary Guarantor or any Significant Subsidiary in an involuntary case;
- (ii) appoints a Custodian of the Company, any Subsidiary Guarantor or any Significant Subsidiary or for any substantial part of its property;
- (iii) orders the winding up or liquidation of the Company, any Subsidiary Guarantor or any Significant Subsidiary;

or

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 days;

(j) any judgment or decree (but for the avoidance of doubt, excluding settlements but not excluding judgements or decrees to enforce settlements) for the payment of money in excess of \$150,000,000 (other than any such judgment covered by insurance (other than under a self-insurance program) to the extent a claim therefor has been made in writing and liability therefore has not been denied by the insurer) is entered against the Company, any Subsidiary Guarantor or any Significant Subsidiary, which judgment remains outstanding for a period of 60 consecutive days following the entry of such judgment or decree and is not discharged, waived or the execution thereof stayed;

(k) any Subsidiary Guarantee ceases to be in full force and effect (other than in accordance with the terms of such Subsidiary Guarantee) or any Subsidiary Guarantor denies or disaffirms its obligations under its Subsidiary Guarantee; or

(l) the failure by the Company to pay or cause to be paid the Special Mandatory Redemption Price on the Special Mandatory Redemption Date, if any, pursuant to Section 3.07.

The foregoing shall constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term "Bankruptcy Law" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under Sections 6.01(d), (e) or (f) shall not constitute an Event of Default until the Trustee or the Holders of at least 30% in principal amount of the outstanding Securities notify the Company of the Default (simultaneously sending a copy of such notice to the Trustee, in the case of a notice sent by Holders) and the Company or the Subsidiary Guarantor, as applicable, does not cure such Default within the time specified after receipt of such notice; provided that a notice of Default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of Default. Such notice must be in writing, specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." Any such notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action under this paragraph (a "Special Noteholder Direction") provided by any one or more Holders (each a "Directing Holder") must be accompanied by a written representation from each such Holder to the Company and the Trustee that such Holder is not (or, in the case such Holder is the depository or its nominee, that such Holder is being instructed solely by beneficial owners that are not) Net Short (a "Position Representation"), which representation, in the case of a Special Noteholder Direction relating to a notice of Default (a "Default Direction") shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Securities are accelerated. In addition, each Directing Holder must, at the time of providing a Special Noteholder Direction, covenant to provide the Company with such other information as the Company may reasonably request from time to time in order to verify the accuracy of such Holder's Position Representation within five Business Days of request therefor (a "Verification Covenant"). In any case in which the Holder is the depository or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Securities in lieu of the depository or its nominee. For the avoidance of doubt, the requirements of this paragraph and the next succeeding paragraph shall only apply to Special Noteholder Directions and do not apply to any other directions given by Holders to the Trustee under this Indenture. The Trustee shall not be liable and shall be fully protected for any action that the Trustee takes or fails to take in accordance with this paragraph and the next succeeding paragraph, or arising out of or in connection with following instructions of or taking actions in accordance with a Special Noteholder Direction. The Trustee shall have no liability whatsoever for acting in accordance with

the requirements of this paragraph and the next succeeding paragraph and may conclusively rely on such Position Representation without any duty of further verification or inquiry. Notwithstanding any other provision of this Indenture, the Securities or any other document, the provisions of this paragraph and the next succeeding paragraph will apply and survive with respect to each beneficial owner notwithstanding that any such person may have ceased to be a beneficial owner, this Indenture may have been terminated, the Securities may have been redeemed in full or the Trustee may have resigned or been removed.

If, following the delivery of a Special Noteholder Direction, but prior to acceleration of the Securities, the Company determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee evidence that the Company has filed papers with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Special Noteholder Direction, the cure period with respect to such Event of Default shall be automatically stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Special Noteholder Direction, but prior to acceleration of the Securities, the Company provides to the Trustee an Officers' Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to any Event of Default that resulted from the applicable Special Noteholder Direction shall be automatically stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder's participation in such Special Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of Securities held by the remaining Holders that provided such Special Noteholder Direction would have been insufficient to validly provide such Special Noteholder Direction, such Special Noteholder Direction shall be void *ab initio*, with the effect that such Event of Default shall be deemed never to have occurred.

Additionally, a default under Sections 6.01(e) or (f) for the failure to deliver any report within the time periods prescribed in Section 4.02 or to deliver any notice or certificate required by this Indenture shall be deemed to be cured upon the subsequent delivery of any such report, notice or certificate, even though such delivery is not within the prescribed period specified.

The Company shall deliver to the Trustee, within 30 days after obtaining knowledge of the occurrence thereof, written notice in the form of an Officers' Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default and its status.

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(h) or (i) with respect to the Company) occurs and is continuing, the Trustee by written notice to the Company, or the Holders of at least 30% in principal amount of the outstanding Securities by written notice to the Company and the Trustee, may declare the principal of and accrued but unpaid interest on all the

Securities to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(h) or (i) with respect to the Company occurs, the principal of and interest on all the Securities shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the Securities by written notice to the Trustee may rescind any such acceleration with respect to the Securities and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of or interest on the Securities or to enforce the performance of any provision of the Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults. The Holders of a majority in principal amount of the Securities by written notice to the Trustee may waive an existing Default and its consequences except (a) a Default in the payment of the principal of or interest on a Security, (b) a Default arising from the failure to redeem or purchase any Security when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. The Holders of a majority in principal amount of the Securities may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification and security satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits. (a) Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Securities unless:

- (i) such Holder has previously given the Trustee written notice stating that an Event of Default is continuing;
- (ii) Holders of at least 30% in principal amount of the outstanding Securities have made a written request to the Trustee to pursue the remedy;
- (iii) such Holders have offered the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (iv) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (v) Holders of a majority in principal amount of the outstanding Securities have not given the Trustee a direction inconsistent with such request within such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder. In the event that the Definitive Securities are not issued to any beneficial owner promptly after the Registrar has received a request from the Holder of a Global Security to issue such Definitive Securities to such beneficial owner of its nominee, the Company expressly agrees and acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to this Indenture, the right of such beneficial holder of Securities to pursue such remedy with respect to the portion of the Global Security that represents such beneficial holder's Securities as if such Definitive Securities had been issued.

SECTION 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Securities held by such Holder, on or after the respective due dates expressed or provided for in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company or any other obligor on the Securities for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Securities) and the amounts provided for in Section 7.06.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company or a Subsidiary Guarantor, their creditors or their

property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.06.

SECTION 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee (acting in any capacity hereunder) for amounts due under Section 7.06;

SECOND: to Holders for amounts due and unpaid on the Securities for principal and interest, ratably, and Applicable Premium (if any), ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities for principal and interest and Applicable Premium (if any), respectively; and

THIRD: to the Company or to such party as a court of competent jurisdiction shall direct, including a Subsidiary Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in aggregate principal amount of the Securities.

SECTION 6.12. Waiver of Stay or Extension Laws. Neither the Company nor any Subsidiary Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company and each Subsidiary Guarantor (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7

Trustee

SECTION 7.01. Duties of Trustee. (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) the Trustee may conclusively rely in good faith, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but not need to confirm or investigate the accuracy of mathematical calculations or other facts stated herein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this Section 7.01(c) does not limit the effect of Section 7.01(b);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) in no event shall the Trustee be responsible or liable for special, punitive, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to Sections 7.01(a), 7.01(b) and 7.01(c).

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial or other liability or expense in the performance of any of its duties hereunder or in the exercise of any of its rights or powers hereunder, if it shall have any grounds to believe in good faith that repayment of such funds or expense or adequate indemnity against such risks or liability is not assured to it.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01.

SECTION 7.02. Rights of Trustee. (a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in such certificate previously delivered and not superseded.

(d) The Trustee may act through agents and shall not be responsible for the acts or omissions of any agent appointed with due care.

(e) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or negligence.

(f) The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Securities shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion,

report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Securities at the time outstanding, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney. The Trustee (acting in any capacity hereunder) shall have no liability or responsibility for (i) performing any calculation hereunder or in connection with the Notes or (ii) any calculation hereunder or in connection with the Notes, or any information used in connection with any such calculation.

(h) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties.

(i) The Trustee shall not be required to give any note, bond or surety in respect of the trusts and powers under this Indenture.

(j) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee. Any Paying Agent, Registrar co-registrar or co-paying agent may do the same with like rights.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Subsidiary Guarantee or the Securities, it shall not be accountable for the Company's use of the proceeds from the Securities, and it shall not be responsible for any statement of the Company or any Subsidiary Guarantor in this Indenture or in any document issued in connection with the sale of the Securities or in the Securities other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default or Event of Default under Sections 6.01(c), (d), (e), (f), (g), (h), (i), (j) or (k) or of the identity of any Significant Subsidiary unless either (a) a Responsible Officer shall have actual knowledge thereof or (b) the Trustee shall have received notice thereof in accordance with Section 11.01 hereof from the Company, any Subsidiary Guarantor or any Holder.

SECTION 7.05. Notice of Defaults. If a Responsible Officer of the Trustee obtains actual knowledge or has received written notice of a Default or Event of Default from the Company or any Holder, the Trustee shall mail to each Holder, with a copy to the Company, notice of such Default or Event of Default within 30 days after it obtains actual knowledge thereof or receipt of such written notice. Except in the case of a Default in the payment of principal of or interest on any Security, the Trustee may withhold the notice if and so long as it determines that withholding the notice is not opposed to the interests of the Holders.

SECTION 7.06. Compensation and Indemnity. The Company shall pay to the Trustee (acting in any capacity hereunder) from time to time reasonable compensation for its services as agreed by the Company and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company and each Subsidiary Guarantor, jointly and severally shall indemnify the Trustee (acting in any capacity hereunder) and its officers, directors, employees and agents (each, a "Trustee indemnified party") for and from, and hold them harmless against, any and all loss, liability or expense (including reasonable attorneys' fees) paid or incurred by or in connection with the administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture against the Company and the Subsidiary Guarantors (including this Section 7.06). The Trustee shall notify the Company of any claim for which it may seek indemnity promptly upon obtaining actual knowledge thereof; provided, however, that any failure so to notify the Company shall not relieve the Company or any Subsidiary Guarantor of its indemnity obligations hereunder. The Company shall defend the claim and the Trustee indemnified party shall provide reasonable cooperation at the Company's expense in the defense. Such indemnified parties may have separate counsel and the Company and the Subsidiary Guarantors, as applicable shall pay the fees and expenses of such counsel; provided, however, that the Company shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Company and the Subsidiary Guarantors, as applicable, and such parties in connection with such defense. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct or negligence.

To secure the Company's payment obligations in this Section 7.06, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities.

The Company's payment obligations pursuant to this Section 7.06 shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(h) or, with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.07. Replacement of Trustee. (a) The Trustee may resign at any time by so notifying the Company. The Holders of a majority in principal amount of the Securities may remove the Trustee by written notice to the Trustee and may appoint a successor Trustee. The Company shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.08;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee resigns, is removed by the Company or by the Holders of a majority in principal amount of the Securities and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

(c) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.06. Further, the retiring or resigning Trustee shall have no liability or responsibility for any action or inaction of a successor Trustee.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Securities may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) Notwithstanding the replacement of the Trustee pursuant to this Section 7.07, the Company's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

SECTION 7.08. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture and any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities

shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have.

ARTICLE 8

Discharge of Indenture; Defeasance

SECTION 8.01. Discharge of Liability on Securities; Defeasance. (a) When (i) all outstanding Securities (other than Securities replaced or paid pursuant to Section 2.07) have been cancelled or delivered to the Trustee for cancellation or (ii) all outstanding Securities have become due and payable, whether at maturity or on a redemption date as a result of the mailing of a notice of redemption pursuant to Article 3 hereof, and, in the case of clause (ii), the Company irrevocably deposits with the Trustee funds sufficient to pay at maturity or upon redemption of all outstanding Securities, including interest thereon to maturity or such redemption date (other than Securities replaced or paid pursuant to Section 2.07) and Applicable Premium, if any, and if in either case the Company pays all other sums payable under this Indenture, then this Indenture shall, subject to Section 8.01(c), cease to be of further effect; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Section 8.01 to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit on the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the date of redemption (it being understood that any defeasance shall be subject to the condition subsequent that such deficit is in fact paid). Any Applicable Premium Deficit shall be set forth in an Officers' Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption. The Trustee shall acknowledge satisfaction and discharge of this Indenture on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel and at the cost and expense of the Company.

(b) Subject to Sections 8.01(c) and 8.02, the Company at any time may terminate (i) all of its obligations under the Securities and this Indenture ("legal defeasance option") or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.10, 4.11, 4.12, 4.13 and 4.14 and the operation of Sections 6.01(d), 6.01(e), 6.01(g), 6.01(h), 6.01(i) and 6.01(j) (but, in the case of Sections 6.01(h) and 6.01(i), with respect only to Significant Subsidiaries and the Subsidiary Guarantors) and the limitations contained in Section 5.01(a)(iii) ("covenant defeasance option").

If the Company exercises its legal defeasance option, payment of the Securities may not be accelerated because of an Event of Default with respect thereto. If the Company exercises its covenant defeasance option, payment of the Securities may not

be accelerated because of an Event of Default specified in Section 6.01(d), 6.01(e), 6.01(f), 6.01(g), 6.01(h) (with respect only to Significant Subsidiaries and Subsidiary Guarantors), 6.01(i) or because of the failure of the Company to comply with Section 5.01(a)(iii). If the Company exercises its legal defeasance option or its covenant defeasance option, each Subsidiary Guarantor shall be released from all of its obligations with respect to its Subsidiary Guarantee.

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(c) Notwithstanding Sections 8.01(a) and (b), the Company's obligations in Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.07, 7.08 and in this Article 8 shall survive until the Securities have been paid in full. Thereafter, the Company's obligations in Sections 7.06, 8.04 and 8.05 shall survive.

SECTION 8.02. Conditions to Defeasance. (a) The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Company irrevocably deposits in trust with the Trustee money in an amount sufficient or U.S. Government Obligations, the principal of and interest on which shall be sufficient, or a combination thereof sufficient, to pay the principal of, and premium (if any) and interest on the Securities when due at maturity or redemption, as the case may be, including interest thereon to maturity or such redemption date; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Section 8.02 to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption (it being understood that any defeasance shall be subject to the condition subsequent that such deficit is in fact paid). Any Applicable Premium Deficit shall be set forth in an Officers' Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(ii) the Company delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment shall provide cash at such times and in such amounts as shall be sufficient to pay principal, premium, if any, and interest when due on all the Securities to maturity or redemption, as the case may be;

(iii) 91 days pass after the deposit is made and during the 91-day period no Default specified in Section 6.01(h) or (i) with respect to the Company occurs which is continuing at the end of the period;

(iv) the deposit does not constitute a default under any other agreement binding on the Company and is not prohibited by Article 10;

(v) in the case of the legal defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (B) since the date of this Indenture there has been a change in the applicable U.S. Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders shall not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such deposit and legal defeasance and shall be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and legal defeasance had not occurred;

(vi) in the case of the covenant defeasance option, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders shall not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such deposit and covenant defeasance and shall be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and covenant defeasance had not occurred; and

(vii) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Securities as contemplated by this Article 8 have been complied with.

(b) Before or after a deposit, the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date in accordance with Article 3.

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Securities.

SECTION 8.04. Repayment to Company. The Trustee and the Paying Agent shall promptly turn over to the Company upon request any money or U.S. Government Obligations held by it as provided in this Article which, in the written opinion of a nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if U.S. Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon written request any money held by them for the payment of principal and interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors, and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and each Subsidiary Guarantors' obligations under this Indenture, each Guarantee and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article 8; provided, however, that, if the Company has made any payment of principal or interest on, any Securities because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9

Amendments

SECTION 9.01. Without Consent of Holders. (a) The Company, the Subsidiary Guarantors and the Trustee may amend or supplement this Indenture or the Securities without notice to or consent of any Holder:

(i) to cure any ambiguity, omission, defect or inconsistency;

(ii) to provide for the assumption by a successor corporation of the obligations of the Company or any Subsidiary Guarantor under this Indenture, the Securities or a Subsidiary Guarantee, as applicable, in compliance with Section 5.01;

(iii) to provide for uncertificated Securities in addition to or in place of certificated Securities (provided that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code);

(iv) to add Guarantees with respect to the Securities, including any Subsidiary Guarantee, or to secure the Securities;

(v) to add to the covenants of the Company or any Subsidiary Guarantor for the benefit of the Holders or to surrender any right or power herein conferred upon the Company or any Subsidiary Guarantor;

(vi) to make any change that would provide additional rights or benefits to the holders of Securities or does not adversely affect the rights of any Holder;

(vii) at the Company's election, to comply with any requirement of the SEC in order to effect or maintain the qualification of this Indenture under the TIA, if such qualification should become required;

(viii) to conform the text of this Indenture, the Securities or any Subsidiary Guarantee to any provision contained in the Offering Memorandums under the heading "Description of the Notes" to the extent that such provision in the "Description of the Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Securities or such Subsidiary Guarantee;

(ix) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Securities; provided, however, that compliance with this Indenture as so amended would not result in Securities being transferred in violation of the Securities Act or any other applicable securities law;

(x) to evidence and provide for the acceptance and appointment of a successor trustee under this Indenture pursuant to the requirements thereof; or

(xi) to provide for the issuance of Additional Securities, in accordance with the terms of this Indenture.

After an amendment under this Section 9.01 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of Holders. (a) The Company, the Subsidiary Guarantors and the Trustee may amend this Indenture or the Securities (including the obligations of the Company to make a Change of Control Offer pursuant to Section 4.08 of this Indenture) without notice to any Holder but with the written consent of the Holders of at least a majority in principal amount of the Securities then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Securities) and any past default or compliance with any provisions may also be waived with the consent of the Holders of at least a majority in principal amount of the Securities then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Securities). However, without the consent of each Holder of an outstanding Security affected thereby, an amendment or waiver may not:

(i) reduce the amount of Securities whose Holders must consent to an amendment;

- (ii) reduce the rate of or extend the time for payment of interest on any Security;
- (iii) reduce the principal of or change the Stated Maturity of any Security;
- (iv) change the provisions applicable to the redemption of any Security as described under Article 3 of this Indenture or Section 5 of the Securities (other than any change to the notice periods with respect to such redemptions);
- (v) make any Security payable in money other than that stated in the Security;
- (vi) make any change in Section 6.04 or 6.07 or the second sentence of this Section 9.02;
- (vii) make any change in the ranking or priority of any Securities that would adversely affect the Holders;
- (viii) make any change in, or release other than in accordance with this Indenture, any Subsidiary Guarantee that would adversely affect the Holders;
- (ix) reduce the amount payable upon a Change of Control Offer or an Asset Disposition Offer with the Excess Proceeds from any Asset Disposition or change the time or manner by which a Change of Control Offer or an Asset Disposition Offer with the Excess Proceeds from any Asset Disposition may be made or by which any such Security must be repurchased pursuant to a Change of Control Offer or an Asset Disposition Offer with the Excess Proceeds from any Asset Disposition (other than any change to the notice periods with respect to such redemptions or repayments), whether through an amendment or waiver of provisions in the covenants, definitions or otherwise, unless such amendment or waiver shall be in effect prior to the occurrence of a Change of Control or the occurrence of the event giving rise to the repurchase of the Securities under Section 4.06; or
- (x) reduce the Special Mandatory Redemption Price.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section 9.02 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

SECTION 9.03. Revocation and Effect of Consents and Waivers. (a) A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the

same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Company or the Trustee of the requisite number of consents, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or Guarantee Agreement) by the Company and the Trustee.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding Section 9.03(a), those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04. Notation on or Exchange of Securities. If an amendment changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment.

SECTION 9.05. Trustee to Sign Amendments. The Trustee shall sign any amendment authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it and to receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Officers' Certificate and an Opinion of Counsel stating that (i) such amendment is authorized or permitted by this Indenture and that all conditions precedent in this Indenture relating to the execution and delivery of such amendment have been complied with and (ii) such amendment (other than any amendment substantially in the form of Exhibit B hereto solely to add one or more Subsidiary Guarantors) is the valid and binding obligation of the Company and any Subsidiary Guarantor enforceable against each in accordance with its terms.

SECTION 9.06. Payment for Consent. Neither the Company nor any Restricted Subsidiary of the Company may, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Securities unless such consideration is offered to be paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

ARTICLE 10

Subsidiary Guarantees

SECTION 10.01. Subsidiary Guarantees. (a) Each Subsidiary Guarantor hereby jointly and severally irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety, to each Holder and to the Trustee and its successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Company under this Indenture (including obligations to the Trustee) and the Securities, whether for payment of principal of or interest on in respect of the Securities and all other monetary obligations of the Company under this Indenture and the Securities and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Company whether for fees, expenses, indemnification or otherwise under this Indenture and the Securities (all the foregoing being hereinafter collectively called the “Guaranteed Obligations”). Each Subsidiary Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Subsidiary Guarantor, and that each such Subsidiary Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Securities or the Guaranteed Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Securities or any other agreement or otherwise, (ii) any extension or renewal of any thereof, (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Securities or any other agreement, (iv) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations or (v) any change in the ownership of such Subsidiary Guarantor.

(c) Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Subsidiary Guarantors, such that such Subsidiary Guarantor’s obligations would be less than the full amount claimed. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to have the assets of the Company first be used and depleted as payment of the Company’s or such Subsidiary Guarantor’s obligations hereunder prior to any amounts being claimed from or paid by such Subsidiary Guarantor hereunder. Each Subsidiary Guarantor hereby waives any right to which it may be entitled to require that the Company be sued prior to an action being initiated against such Subsidiary Guarantor.

(d) Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Section 8.01(b), 10.02 and 10.06, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Securities or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of any Subsidiary Guarantor as a matter of law or equity.

(f) Each Subsidiary Guarantor agrees that its Subsidiary Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Company or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (iii) all other monetary obligations of the Company to the Holders and the Trustee.

(h) Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations

guaranteed hereby until payment in full of all Guaranteed Obligations. Each Subsidiary Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Subsidiary Guarantor for the purposes of this Section 10.01.

(i) Each Subsidiary Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

(j) Upon request of the Trustee, each Subsidiary Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 10.02. Limitation on Liability. (a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Subsidiary Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering this Indenture, as it relates to such Subsidiary Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

SECTION 10.03. Successors and Assigns. This Article 10 shall be binding upon each Subsidiary Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Securities shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.05. Modification. No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Subsidiary Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Subsidiary Guarantor in any case shall entitle such Subsidiary Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.06. Release of Subsidiary Guarantor. A Subsidiary Guarantor shall be automatically released from its obligations under this Article 10 (other than any obligation that may have arisen under Section 10.07) upon:

- (a) (i) the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture;
 - (ii) the release of such Subsidiary Guarantor from its guarantee of Indebtedness under the Credit Agreement, so long as such Subsidiary Guarantor would not then otherwise be required to guarantee the Securities pursuant to Section 4.11;
 - (iii) the sale or other disposition of such Subsidiary Guarantor (including by way of merger or consolidation, the sale of its Capital Stock or the sale of all or substantially all of its assets) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, so long as the sale or other disposition does not violate Section 4.06 or Section 5.01;
 - (iv) the release or discharge of the Indebtedness that would have required such Subsidiary Guarantor to enter into a Guarantee Agreement pursuant to Section 4.11, other than a release or discharge by or as a result of the payment of such Indebtedness;
 - (v) the Company exercising its legal defeasance option or its covenant defeasance option or if the Company's obligations under this Indenture are discharged in accordance with the terms of this Indenture; and
- (b) such Subsidiary Guarantor delivering to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions provided for in this Indenture relating to such transaction and release have been complied with.

At the request of the Company, the Trustee shall execute and deliver an appropriate instrument evidencing such release (in the form provided by the Company).

SECTION 10.07. Execution of Guarantee Agreement for Future Subsidiary Guarantors. Each Subsidiary which is required to become a Subsidiary Guarantor pursuant to Section 4.11 shall promptly execute and deliver to the Trustee a Guarantee Agreement pursuant to which such Subsidiary shall become a Subsidiary Guarantor under this Article 10 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such Guarantee Agreement, the Company shall deliver to the Trustee an Opinion of Counsel and an Officers' Certificate to the effect that such Guarantee Agreement complies with the requirements of Section 4.11 and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights

generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Subsidiary Guarantee of such Subsidiary Guarantor is a valid and binding obligation of such Subsidiary Guarantor, enforceable against such Subsidiary Guarantor in accordance with its terms and or to such other matters as the Trustee may reasonably request.

SECTION 10.08. Non-Impairment. The failure to endorse a Subsidiary Guarantee on any Security shall not affect or impair the validity thereof.

SECTION 10.09. Contribution. Each Subsidiary Guarantor that makes a payment under its Subsidiary Guarantee shall be entitled upon payment in full of all Guaranteed Obligations under this Indenture to a contribution from each other Subsidiary Guarantor in an amount equal to such other Subsidiary Guarantor's pro rata portion of such payment based on the respective net assets of all the Subsidiary Guarantors at the time of such payment determined in accordance with GAAP.

2.1 Form and Dating

(a) The Securities issued on the date hereof shall be (i) offered and sold by the Company pursuant to the Purchase Agreements and (ii) resold, initially only to (1) QIBs in reliance on Rule 144A and (2) Persons other than U.S. Persons (as defined in Regulation S) in reliance on Regulation S. Such Securities may thereafter be transferred to, among others, QIBs and purchasers in reliance on Regulation S. Additional Securities offered after the date hereof may be offered and sold by the Company from time to time pursuant to one or more Purchase Agreements in accordance with applicable law.

(b) Global Securities. Rule 144A Securities shall be issued initially in the form of one or more permanent Global Securities in definitive, fully registered form (collectively, the “Rule 144A Global Security”) and Regulation S Securities shall be issued initially in the form of one or more global Securities (collectively, the “Regulation S Global Security”), in each case without interest coupons and bearing the Global Securities Legend and Restricted Securities Legend, which shall be deposited on behalf of the purchasers of the Securities represented thereby with the Securities Custodian, and registered in the name of the Depositary or a nominee of the Depositary, duly executed by the Company and authenticated by the Trustee as provided in this Indenture. Beneficial ownership interests in the Regulation S Global Security shall not be exchangeable for interests in the Rule 144A Global Security or any other Security without a Restricted Securities Legend until the expiration of the Restricted Period. The Rule 144A Global Security and the Regulation S Global Security are each referred to herein as a “Global Security” and are collectively referred to herein as “Global Securities”. The aggregate principal amount of the Global Securities may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depositary or its nominee and on the schedules thereto as hereinafter provided.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Security deposited with or on behalf of the Depositary.

The Company shall execute and the Trustee shall, in accordance with this Section 2.1(c) and Section 2.2 and pursuant to an order of the Company signed by two Officers, authenticate and deliver initially one or more Global Securities that (i) shall be registered in the name of the Depositary for such Global Security or Global Securities or the nominee of such Depositary and (ii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary’s instructions or held by the Trustee as Securities Custodian.

Members of, or participants in, the Depositary (“Agent Members”) shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depositary or by the Trustee as Securities Custodian or under such Global Security, and the Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the

Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Security.

(d) Definitive Securities. Except as provided in Section 2.3 or 2.4, owners of beneficial interests in Global Securities shall not be entitled to receive physical delivery of certificated Securities.

2.2 Authentication. The Trustee shall authenticate and deliver (a) on the Issue Date, an aggregate principal amount of \$1,200,000,000 of 5.125% Senior Notes due 2029 and (b) subject to the terms of this Indenture (including Section 4.03 hereof), any Additional Securities for an original issuance specified in the Company Order pursuant to Section 2.02 of this Indenture. 2.3 Transfer and Exchange. (a) Transfer and Exchange of Definitive Securities. When Definitive Securities are presented to the Registrar with a request:

- (i) to register the transfer of such Definitive Securities; or
- (ii) to exchange such Definitive Securities for an equal principal amount of Definitive Securities of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Securities surrendered for transfer or exchange:

(1) shall be duly endorsed or accompanied by a written instrument of transfer in the form of Exhibit C hereto, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(2) in the case of Transfer Restricted Securities, are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Securities are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect (in the form set forth on the reverse side of the Security); or

(B) if such Definitive Securities are being transferred to the Company, a certification to that effect (in the form set forth on the reverse side of the Security); or

(C) if such Definitive Securities are being transferred pursuant to an exemption from registration in reliance upon an exemption from the registration requirements of the Securities Act, (x) a certification to that effect (in the form set forth on the reverse side of the Security) and (y) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(e)(i).

(b) Restrictions on Transfer of a Definitive Security for a Beneficial Interest in a Global Security. A Definitive Security may not be exchanged for a beneficial interest in a Global Security except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Security, duly endorsed or accompanied by a written instrument of transfer in the form of Exhibit C hereto, together with:

(i) certification (in the form set forth on the reverse side of the Security) that such Definitive Security is being transferred (1) to the Company, (2) to the Registrar for registration in the name of a Holder, without transfer, (3) pursuant to an effective registration statement under the Securities Act, (4) to a QIB in accordance with Rule 144A, (5) outside the United States in an offshore transaction within the meaning of Regulation S and in compliance with Rule 904 under the Securities Act or (6) pursuant to another available exemption from registration provided by Rule 144 under the Securities Act; and

(ii) written instructions directing the Trustee to make, or to direct the Securities Custodian to make, an adjustment on its books and records with respect to such Global Security to reflect an increase in the aggregate principal amount of the Securities represented by the Global Security, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Security and cause, or direct the Securities Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Securities Custodian, the aggregate principal amount of Securities represented by the Global Security to be increased by the aggregate principal amount of the Definitive Security to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Security equal to the principal amount of the Definitive Security so canceled. If no Global Securities are then outstanding and the Global Security has not been previously exchanged for certificated securities pursuant to Section 2.4, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Security in the appropriate principal amount.

(c) Transfer and Exchange of Global Securities. (i) The transfer and exchange of Global Securities or beneficial interests therein shall be effected through the Depository, in accordance with this Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Security shall deliver a written order given

in accordance with the Depositary's procedures containing information regarding the participant account of the Depositary to be credited with a beneficial interest in such Global Security or another Global Security and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Security and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Security being transferred. Transfers by an owner of a beneficial interest in the Rule 144A Global Security to a transferee who takes delivery of such interest through the Regulation S Global Security, whether before or after the expiration of the Restricted Period, shall be made only upon receipt by the Trustee of a certification in the form provided on the reverse of the Securities from the transferor to the effect that such transfer is being made in accordance with Regulation S or (if available) Rule 144 under the Securities Act and that, if such transfer is being made prior to the expiration of the Restricted Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Security to a beneficial interest in another Global Security, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Security to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Security from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix (other than the provisions set forth in Section 2.4), a Global Security may not be transferred as a whole except by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary.

(d) Restrictions on Transfer of Regulation S Global Security. (i) Prior to the expiration of the Restricted Period, interests in the Regulation S Global Security may only be held through Euroclear or Clearstream. During the Restricted Period, beneficial ownership interests in the Regulation S Global Security may only be sold, pledged or transferred through Euroclear or Clearstream in accordance with the Applicable Procedures and only (1) to the Company, (2) so long as such security is eligible for resale pursuant to Rule 144A, to a person whom the selling holder reasonably believes is a QIB that purchases for its own account or for the account of a QIB to whom notice is given that the resale, pledge or transfer is being made in reliance on Rule 144A, (3) in an offshore transaction in accordance with Regulation S, (4) pursuant to an exemption from registration under the Securities Act provided by Rule 144 (if applicable) under the Securities Act or (5) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States. Prior to the expiration of the Restricted Period, transfers by an owner of a beneficial interest in the Regulation S Global Security to a transferee who takes delivery of such interest through the Rule 144A Global Security shall be made only in accordance

with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided on the reverse of the Security to the effect that such transfer is being made to a QIB within the meaning of Rule 144A in a transaction meeting the requirements of Rule 144A. Such written certification shall no longer be required after the expiration of the Restricted Period.

(ii) Upon the expiration of the Restricted Period, beneficial ownership interests in the Regulation S Global Security shall be transferable in accordance with applicable law and the other terms of this Indenture.

(i) Except as permitted by the following paragraphs (ii), (iii) or (iv), each Security certificate evidencing the Global Securities and the Definitive Securities (and all Securities issued in exchange therefor or in substitution thereof) shall bear a legend in substantially the following form (each defined term in the legend being defined as such for purposes of the legend only):

Each Definitive Security shall bear the following additional legend:

“IN CONNECTION WITH ANY TRANSFER, THE HOLDER SHALL DELIVER TO THE REGISTRAR AND TRANSFER AGENT SUCH CERTIFICATES AND OTHER INFORMATION AS SUCH TRANSFER AGENT MAY REASONABLY REQUIRE TO CONFIRM THAT THE TRANSFER COMPLIES WITH THE FOREGOING RESTRICTIONS.”

(ii) Upon any sale or transfer of a Transfer Restricted Security that is a Definitive Security, the Registrar shall permit the Holder thereof to exchange such Transfer Restricted Security for a Definitive Security that does not bear the legends set forth above and rescind any restriction on the transfer of such Transfer Restricted Security if the Holder certifies in writing to the Registrar that its request for such exchange was made in reliance on Rule 144 under the Securities Act (such certification to be in the form set forth on the reverse of the Initial Security).

(iii) After a transfer of any Securities during the period of the effectiveness of a registration statement with respect to such Security, all requirements pertaining to the Restricted Securities Legend on such Securities shall cease to apply and the requirements that any such Securities be issued in global form shall continue to apply.

(iv) Upon a sale or transfer after the expiration of the Restricted Period of any Security acquired pursuant to Regulation S, all requirements that such Security bear the Restricted Securities Legend shall cease to apply and the requirements requiring any such Security be issued in global form shall continue to apply.

(v) Any Additional Securities sold in a registered offering shall not be required to bear the Restricted Securities Legend.

(f) Cancellation or Adjustment of Global Security. At such time as all beneficial interests in a Global Security have either been exchanged for Definitive Securities, transferred, redeemed, repurchased or cancelled, such Global Security shall be returned by the Depositary to the Trustee for cancellation or retained and cancelled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for Definitive Securities, transferred in exchange for an interest in another Global Security, redeemed, repurchased or canceled, the principal amount of Securities represented by such Global Security shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Securities Custodian for such Global Security) with respect to such Global Security, by the Trustee or the Securities Custodian, to reflect such reduction.

(g) Obligations with Respect to Transfers and Exchanges of Securities.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate, Definitive Securities and Global Securities at the Registrar's request.

(ii) No service charge shall be made for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchanges pursuant to Sections 2.07, 3.06, 4.06, 4.08 and 9.04 of this Indenture).

(iii) Prior to the due presentation for registration of transfer of any Security, the Company, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Security is registered as the absolute owner of such Security for the purpose of receiving payment of principal of and interest on such Security and for all other purposes whatsoever, whether or not such Security is overdue, and none of the Company, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(iv) All Securities issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Securities surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee. (i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Security, a member of, or a participant in the Depositary or any other Person with respect to the accuracy of the records of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depositary) of any notice (including any notice of redemption or repurchase) or the payment of any amount, under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders under the Securities shall be given or

made only to the registered Holders (which shall be the Depositary or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depositary subject to the applicable rules and procedures of the Depositary. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants and any beneficial owners.

(ii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among Depositary participants, members or beneficial owners in any Global Security) other than to require delivery of such certificates, opinions and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

2.4 Definitive Securities. (a) A Global Security deposited with the Depositary or with the Trustee as Securities Custodian pursuant to Section 2.1 shall be transferred to the beneficial owners thereof in the form of Definitive Securities in an aggregate principal amount equal to the principal amount of such Global Security, in exchange for such Global Security, only if such transfer complies with Section 2.3 and (i) the Depositary notifies the Company that it is unwilling or unable to continue as a Depositary for such Global Security or if at any time the Depositary ceases to be a “clearing agency” registered under the Exchange Act, and, in either case, a successor depositary is not appointed by the Company within 90 days of such notice or after the Company becomes aware of such event, (ii) an Event of Default has occurred and is continuing or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of certificated Securities under this Indenture.

(b) Any Global Security that is transferable to the beneficial owners thereof pursuant to this Section 2.4 shall be surrendered by the Depositary to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations. Any portion of a Global Security transferred pursuant to this Section shall be executed, authenticated and delivered only in denominations of \$2,000 and whole multiples of \$1,000 thereof and registered in such names as the Depositary shall direct. Any certificated Security in the form of a Definitive Security delivered in exchange for an interest in the Global Security shall, except as otherwise provided by Section 2.3(e), bear the Restricted Securities Legend.

(c) Subject to the provisions of Section 2.4(b), the registered Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

(d) In the event of the occurrence of any of the events specified in Section 2.4(a)(i), (ii) or (iii), the Company shall promptly make available to the Trustee a reasonable supply of Definitive Securities in fully registered form without interest coupons.

[FORM OF REVERSE SIDE OF SECURITY]

5.125% Senior Note due 2029

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest

NCR Corporation, a Maryland corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the "Company"), promises to pay interest on the principal amount of this Security at the rate per annum shown above. The Company shall pay interest semiannually on April 15 and October 15 of each year, commencing October 15, 2021. Interest on the Securities shall accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from April 6, 2021 until the principal hereof is due. Interest shall be computed on the basis of a 360-day year of twelve 30-day months. The Company shall pay interest on overdue principal at the rate borne by the Securities plus 1% per annum, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Company shall pay interest on the Securities (except defaulted interest) to the Persons who are registered Holders at the close of business on the April 1 or October 1 next preceding the interest payment date even if Securities are canceled after the record date and on or before the interest payment date, whether or not a Business Day. Holders must surrender Securities to a Paying Agent to collect principal payments. The Company shall pay principal, premium, if any, and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Securities represented by a Global Security (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. The Company shall make all payments in respect of a certificated Security (including principal, premium, if any, and interest), at the office of the Paying Agent, except that, at the option of the Company, payment of interest may be made by mailing a check to the registered address of each Holder thereof; provided, however, that payments on the Securities may also be made, in the case of a Holder of at least \$1,000,000 aggregate principal amount of Securities, by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, U.S. Bank National Association, a national banking association (the “Trustee”), shall act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent or Registrar without notice. The Company or any of its domestically organized Wholly Owned Subsidiaries may act as Paying Agent or Registrar.

4. Indenture

The Company issued the Securities under an Indenture, dated as of April 6, 2021 (as amended, restated, or otherwise modified from time to time, the “Indenture”), among the Company, each Subsidiary Guarantor from time to time party thereto and the Trustee. The terms of the Securities include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Securities are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of such terms and provisions. To the extent any provision of this Security conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

The Securities are senior unsecured obligations of the Company. The Company shall be entitled, subject to its compliance with Section 4.03 of the Indenture, to issue Additional Securities pursuant to Section 2.13 of the Indenture. The Securities issued on the Issue Date and any Additional Securities shall be treated as a single class for all purposes of the Indenture. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, incur Indebtedness, make certain Investments and other Restricted Payments, enter into consensual restrictions on the payment of certain dividends and distributions by such Restricted Subsidiaries, make Asset Dispositions, issue or sell shares of capital stock of such Restricted Subsidiaries, enter into or permit certain transactions with Affiliates, engage in certain lines of business, create or incur Liens and enter into certain Sale/Leaseback Transactions. The Indenture also imposes limitations on the ability of the Company to consolidate or merge with or into any other Person or convey, transfer or lease all or substantially all its assets.

To guarantee the due and punctual payment of the principal of, and interest on the Securities and all other amounts payable by the Company under the Indenture and the Securities when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Securities and the Indenture, the Subsidiary Guarantors have jointly and severally unconditionally guaranteed the Guaranteed Obligations on a senior basis pursuant to the terms of the Indenture.

5. Optional Redemption

Except as set forth in the following paragraphs of this Section 5, the Securities shall not be redeemable at the option of the Company prior to April 15, 2024.

On and after April 15, 2024, the Company shall be entitled at its option on one or more occasions to redeem all or a portion of the Securities upon not less than 10 nor more than 60 days' notice, at the redemption prices (expressed in percentages of principal amount on the redemption date), plus accrued and unpaid interest to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period commencing on April 15 of the years set forth below:

<u>Year</u>	<u>Redemption Price</u>
2024	102.563%
2025	101.281%
2026 and thereafter	100.000%

In addition, any time prior to April 15, 2024, the Company shall be entitled at its option on one or more occasions to redeem the Securities (which includes Additional Securities, if any) in an aggregate principal amount not to exceed 40% of the aggregate principal amount of the Securities (which includes Additional Securities, if any) originally issued at a redemption price (expressed as a percentage of principal amount) of 105.125%, plus accrued and unpaid interest to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), with the Net Cash Proceeds of one or more Qualified Equity Offerings; provided, however, that (a) at least 55% of such aggregate principal amount of Securities (which includes Additional Securities, if any) remains outstanding immediately after the occurrence of each such redemption (other than Securities held, directly or indirectly, by the Company or its Affiliates); and (b) each such redemption occurs within 180 days after the date of the related Qualified Equity Offering.

Prior to April 15, 2024, the Company shall be entitled at its option to redeem all or a portion of the Securities at a redemption price equal to 100% of the principal amount of the Securities to be redeemed plus the Applicable Premium as of, and accrued and unpaid interest to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date). Notice of such redemption must be mailed by first class mail to each Holder's registered address, not less than 10 nor more than 60 days prior to the redemption date.

The Company may, at its option and at any time, redeem the Securities at 101% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), following the consummation of a Change of Control if at least 90% of the Securities outstanding prior to such date of purchase are purchased pursuant to a Change of Control Offer with respect to such Change of Control.

Any redemption or notice of redemption may, at the Company's option and discretion, be subject to one or more conditions precedent, including the consummation of an incurrence or issuance of debt or equity or a Change of Control or other corporate transaction. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice of redemption shall describe each such condition and, if applicable, shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion) or that such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date as stated in such notice, or by the redemption date as so delayed. The Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

6. Mandatory Redemption

Except as set forth in Section 3.07 of the Indenture, the Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities.

7. Notice of Redemption

Notice of any redemption pursuant to Section 5 hereof shall be mailed by first-class mail (or delivered through the depositary's requirement if the Securities are held through a depositary) at least 10 days but not more than 60 days before the redemption date to each Holder of Securities to be redeemed at his or her registered address, except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of the Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Security redeemed in accordance with provisions of the Indenture. Securities in denominations of \$2,000 or less may be redeemed in whole but not in part. If any Security is to be redeemed in part only, the notice of redemption that relates to such Security will state the portion of the principal amount thereof to be redeemed. If money sufficient to pay the redemption price of and accrued and unpaid interest, Applicable Premium, if any, on all Securities (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Securities (or such portions thereof) called for redemption.

Notice of any Special Mandatory Redemption shall be sent in accordance with Section 3.07 of the Indenture.

8. Repurchase of Securities at the Option of Holders upon Change of Control and Asset Dispositions

Upon a Change of Control, any Holder of Securities shall have the right, subject to certain conditions specified in the Indenture, to cause the Company to repurchase all or any part of the Securities of such Holder at a purchase price equal to 101% of the principal amount of the Securities to be repurchased plus accrued and unpaid interest, if any to the date of repurchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date that is on or prior to the date of purchase) as provided in, and subject to the terms of, the Indenture.

Further, in accordance with Section 4.06 of the Indenture, the Company shall be required to offer to purchase Securities upon the occurrence of certain events.

9. Denominations; Transfer; Exchange

The Securities are in registered form without coupons in denominations of \$2,000 and whole multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Securities in accordance with the Indenture. Upon any transfer or exchange, the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Securities selected for redemption (except, in the case of a Security to be redeemed in part, the portion of the Security not to be redeemed) or to transfer or exchange any Securities for a period of 15 days prior to a selection of Securities to be redeemed.

10. Persons Deemed Owners

Except as provided in Section 2 hereof, the registered Holder of this Security may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal, interest or Applicable Premium (if any) remains unclaimed for two years, the Trustee and the Paying Agent shall pay the money to the Company upon its written request unless an applicable abandoned property law designates another Person. After any such payment, Holders entitled to the money must look to the Company for payment as general creditors and the Trustee and the Paying Agent shall have no further liability with respect to such monies.

12. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some of or all its obligations under the Securities and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal of, and premium (if any) and interest on, the Securities to redemption or maturity, as the case may be.

13. Amendment, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture or the Securities may be amended without prior notice to any Holder but with the written consent of the Holders of at least a majority in aggregate principal amount of the outstanding Securities and (ii) any past default may be waived with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company, the Subsidiary Guarantors and the Trustee may amend or supplement the Indenture or the Securities (i) to cure any ambiguity, omission, defect or inconsistency; (ii) to provide for the assumption by a successor corporation of the obligations of the Company or any Subsidiary Guarantor under the Indenture, the Securities or a Subsidiary Guarantee, as applicable, in compliance with Section 5.01 of the Indenture; (iii) to provide for uncertificated Securities in addition to or in place of certificated Securities (provided that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Internal Revenue Code of 1986, as amended); (iv) to add Guarantees with respect to the Securities, including any Subsidiary Guarantee, or to secure the Securities; (v) to add to the covenants of the Company or any Subsidiary Guarantor for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Subsidiary Guarantor in the Indenture; (vi) to make any change that would provide additional rights or benefits to the holders of Securities or does not adversely affect the rights of any Holder; (vii) at the Company's election, to comply with any requirement of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, if such qualification should become required; (viii) to conform the text of the Indenture, the Securities or any Subsidiary Guarantee to any provision contained in the Offering Memorandums under the heading "Description of the Notes" to the extent that such provision in the "Description of the Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Securities or such Subsidiary Guarantee, as applicable; (ix) to make any amendment to the provisions of the Indenture relating to the transfer and legending of Securities; provided, however, that compliance with the Indenture as so amended would not result in Securities being transferred in violation of the Securities Act or any other applicable securities; (x) to evidence and provide for the acceptance and appointment of a successor trustee under the Indenture; or (xi) to provide for the issuance of Additional Securities, in accordance with the terms of the Indenture.

14. Defaults and Remedies

Under the Indenture, Events of Default include (a) default for 30 days in payment of interest on the Securities; (b) default in payment of principal on the Securities at maturity, upon optional redemption pursuant to Section 5 hereof, upon declaration of acceleration or otherwise, or failure by the Company to redeem or purchase Securities when required; (c) failure by the Company or any Subsidiary Guarantor to comply with other agreements in the Indenture or the Securities, in certain cases subject to notice and lapse of time; (d) certain accelerations (including failure to pay within any grace period after final maturity) of other Indebtedness of the Company if the amount accelerated (or so unpaid) exceeds \$150 million; (e) certain events of bankruptcy or insolvency with respect to the Company, the Subsidiary Guarantors and the Significant Subsidiaries; (f) certain judgments or decrees for the payment of money in excess of \$150 million; and (g) certain defaults with respect to Subsidiary Guarantees.

If an Event of Default occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 30% in principal amount of the Securities by notice to the Company and the Trustee, may declare all the Securities to be due and payable immediately. Certain events of bankruptcy or insolvency are Events of Default which shall result in the Securities being due and payable immediately upon the occurrence of such Events of Default.

Holders may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Securities unless it receives indemnity or security satisfactory to it. Subject to certain limitations, Holders of a majority in principal amount of the Securities may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default (except a Default in payment of principal or interest) if it determines that withholding notice is not opposed to the interest of the Holders.

15. Trustee Dealings with the Company

The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

A director, officer, employee or stockholder, as such, of the Company or any Subsidiary Guarantor shall not have any liability for any obligations of the Company or any Subsidiary Guarantor under the Securities, any Subsidiary Guarantee or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

17. Authentication

This Security shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Security.

18. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. Governing Law

THIS SECURITY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

20. CUSIP and ISIN Numbers

The Company has caused CUSIP and ISIN numbers to be printed on the Securities and has directed the Trustee to use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company shall furnish to any Holder of Securities upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Security.
